

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## PREFACE

---

This twenty-sixth volume of the Year Book of Phi Delta Theta for 1912 is presented after a series of unforeseen and unavoidable delays, for which the editor is not wholly to blame. On account of the pressure of official duties in the government service Brother George M. Rommel, Editor of the Catalogue, was unable to undertake the supervision of this volume, and the undersigned was pressed into service. As a consequence notices to the chapters for the preparation of copy and revision of alumni lists were not sent out until late in February. The last of the manuscripts from the chapters reached the editor on July 25, 1912, after a most strenuous and aggravating chase. Besides this more unexpected delays occurred in the printing before proofs reached the editor, and the final corrected proofs could not be forwarded by us until August 25th.

With this brief explanation we now submit our work to the Fraternity. We believe a perusal of these annual letters from each of our seventy-three chapters will show substantial progress in every line of fraternal activity, and, while no new houses have been acquired, yet we can say with much pride that higher standards of scholarship have been attained, more honors conferred upon members and chapters are in a much more satisfactory financial condition than ever before.

We believe also that the present volume contains more accurate alumni lists of the chapters than heretofore. About half the lists are entirely new and some of the delay in publication has been caused by the earnest efforts of the editor in making these lists as near correct as the time used for the purpose would permit. We believe these lists will prove a good foundation for the eighth edition of our catalogue, which is so badly needed at this time.

So much for what this volume is. However the editor entertains grave doubts as to the advisability of continuing the publication of the Year Book in the future. We do not believe the good derived by either the chapters themselves or the alumni is commensurate with the trouble and expense involved and we hope the next National Convention will either modify the present plan as required by the

Code or devise a new scheme whereby equal benefit may be had with less expense to the chapters than our present plan.

We have followed with practical identity the form and make-up of volumes immediately preceding so that one familiar with those can very readily refer to the contents of this volume. We extend our sincere thanks to the reporters of the various chapters, who with but few exceptions have been very prompt in responding to our numerous requests for assistance. Once again thanks are due and hereby most cheerfully given to Brother Walter B. Palmer for the statistical tables and lists of distinguished alumni contained herein. These were prepared for use in a new edition of the Manual written by Brother Palmer, now on the press, and form a very valuable part of this edition of the Year Book.

We also extend our thanks to Brother Rommel for many valuable suggestions and to Brother George Banta, our printer, for his valuable help in our precarious course through the print shop.

With full realization of defects but with the satisfaction of an arduous task completed this volume is presented to the Fraternity.

THOS. A. DAVIS, *Editor pro tempore*.

Goshen, Indiana, September 1, 1912.

## PHI DELTA THETA IN GENERAL

---

During the past year the Fraternity at large has made substantial progress in all lines and has maintained in every way its record of leadership in the Greek world. Probably the most important feature of the work of the year has been in efforts made towards the raising of scholarship standards among the active members. The General Council has paid much attention to this matter and the chapters have nobly responded, so that scholastic standing in Phi Delta Theta, as appears from chapter reports, is much higher now than it has been in a number of years. This return to the spirit and ideal of our founders as set out in the Bond is a matter of general congratulation.

Much progress has also been made in solving the problems of the chapter house. This feature of fraternity life in colleges, which has undoubtedly become permanent, has brought with it many new questions and opened up new fields of activity and experience. With but very few exceptions all our chapters now live in houses, either owned or rented, and for several years have been wrestling with the problems involved in adapting life in a chapter home to the ultimate purposes of college education. Now, experience has taught our chapters the way to handle such matters as house finances, chapter house rules and their enforcement, conduct and morals of individual members both in and out of the house and reasonable restraint in the matter of social activity, all of which goes to the credit of the Fraternity at large.

### Province Conventions.

This is the midyear between National Conventions and the period best adapted for meetings in the different provinces. Every one has had a convention, viz: Thanksgiving 1911 holidays, Alpha at Philadelphia, Zeta at St. Louis, and Beta, Gamma, Eta and Theta at Atlanta; Epsilon held her convention March 15 and 16, 1912 at Indianapolis; Delta May 3 and 4, 1912 at Athens, Ohio; and Kappa and Iota at Portland, Oregon, on June 1 and 2, 1912. Reports from all these conventions indicate a healthy growth and prosperous condition throughout the whole Fraternity.

### **National Convention.**

All eyes of loyal Phis are now turned toward Chicago where the next National Convention will meet December 30, 1912. For several months the Chicago Alumni Club, assisted by the active chapters at Chicago and Northwestern Universities have been engaged in active preparation for this event, which already promises to be the greatest and best convention we have ever held. Questions of much importance to the Fraternity, particularly along lines of internal changes and improvements, are to be considered. Besides, the perhaps inevitable problem of new charters will come before the convention. Applications are already pending from the Universities of North Dakota and Tennessee, Iowa State, Lawrence, Beloit and Colorado Colleges, and doubtless others will be presented. The social features of convention week promise unusual entertainment. Chicago is the practical center of the country and the most accessible point on the map. All things considered this convention can not fail to break all records for attendance, enthusiasm and good-fellowship. Let every Phi begin right now getting ready to join the pilgrimage to Chicago. *Your* best friends will be there and so should *you*.

### **Oregon Alpha.**

Since the last annual letter our roll has been increased to 74 and Kansas Beta yields the "baby" position to Oregon Alpha. By the almost unanimous vote of all officers and chapters the Delta Sigma society, a local fraternity at the University of Oregon, located at Eugene, was chartered in March, 1912, and installed by Hubert H. Ward, Past President of the General Council, and Willard S. Ferris, President of Kappa Province, on May 30, 1912. Delta Sigma occupied a prominent and leading position among fraternities at Eugene, and our new chapter begins its life in Phi Delta Theta under most promising auspices. This chapter owns its own home, having just finished its construction last fall. We now have 47 chapters which own houses and still maintain our lead among fraternities in this respect.

### **Fraternity Publications.**

To keep informed about the progress of the Fraternity, all alumni need *The Scroll* and *The Palladium*. Each is issued five times a year. The former has over 100 pages in each issue and is well illustrated. The latter is a *sub rosa* journal in which matters of administration and the private affairs of the Fraternity are discussed. The subscription price is \$1 a year for both magazines, and remittances for the same should be made to Thos. A. Davis, editor, Goshen, Ind.

It is hoped that alumni generally will avail themselves of the offer of life subscriptions for both magazines for \$10. Already nearly 300 alumni have become life subscribers, so that this scheme is now well upon its feet and promises the utmost success not only as a good thing of itself but as a means of producing an income which will soon enable the Fraternity to provide itself with some of the things, most notably a general secretary, which our size and position demand.

"The History of the Phi Delta Theta Fraternity," published in 1906, is much the most complete history of any college fraternity ever published. It is a book of 966 pages with 387 engravings. It contains a full history of the Fraternity and its chapters from the time Phi Delta Theta was founded. The price is as follows: Cloth, \$4; half morocco, \$5; full morocco, \$6; expressage 35 cents. Orders will be filled by Walter B. Palmer, care Bureau of Labor, Washington, D. C.

A new edition of the Manual of Phi Delta Theta is on the press and will soon be issued. It will be a book of 304 pages with many illustrations and will be a most valuable source of information to every member of Phi Delta Theta. The price of the book bound in full leather will be \$1.00, in cloth \$.75 and in paper \$.60.

The Year Book consists of the annual circular letters and full membership lists of all chapters. The price of the Year Book is \$1.85; of the seventh (1906) edition of the Catalogue, \$1.00. The prices include delivery. Orders for the same will be filled by the Treasurer of the General Council.

#### **The General Council.**

Frank J. R. Mitchell, former editor and manager of *The Scroll* and *The Palladium*, on July 1, 1911, resigned as such in order to remove to the Island of Santo Domingo, where he is now engaged in the banking business. With the greatest reluctance and regret on account of Brother Mitchell's long and valuable service, the General Council accepted his resignation and made changes in the personnel of the General Council, as follows:

President—Charles F. Lamkin, Keytesville, Mo.

Secretary—Fred J. Coxe, Wadesboro, N. C.

Reporter—Thos. A. Davis, Goshen, Ind.

Treasurer—Alexander Pope, Slaughter Building, Dallas, Texas.

Historian—George M. Sabin, Burlington, Vt.

The names of other general officers or province presidents may be obtained from any officer of the General Council or from *The Scroll*.

The Sewanee chapter owns three houses—the one built in 1884, one purchased in 1895, and one erected in 1910. The house built in 1884 was the first house owned by any fraternity in the South. It is a frame house and is now used for a billiard hall. In order to have more ground, an adjoining house and lot were purchased in 1895. This house, which is of wood, has never been occupied by the chapter, and is rented to other occupants. It is not included in the table. The house erected in 1910 was constructed of stone, but two stories and two wings are yet to be added.

The Vanderbilt chapter owns two houses—a frame house, built in 1892, and a stone and brick house, erected in 1910. Before the latter was built, the former was moved to the back of the lot, and it is used for servants' quarters.

While this book was in press, houses were purchased by the Franklin and Lehigh chapters, the Minnesota chapter began the erection of a house, the Amherst chapter began the erection of its second house, the first having been sold, and the house of the Nebraska chapter was demolished, preparatory to the erection of a larger house on the same site.

The Missouri chapter sold the house it owned, but retained the corner lot of the plot on which the house stands, and expects to build on it. The chapter at the University of Washington sold the house it owned and has bought a lot on which it expects to build a better house. The Idaho and California chapters own lots besides the lots on which stand the houses they own. The chapters at Ohio, Indiana, Knox, Westminster and Colorado own building lots.

Counting a house at Nebraska, and only one house each at Sewanee and Vanderbilt, there are 47 houses owned by chapters of Phi Delta Theta or by chapter house associations. This is a larger number than is owned by any other fraternity. The total value of these 47 houses and the lots on which they stand is \$862,500; the average value, \$18,351. The Ohio lot is valued at \$2,000; the Indiana lot, \$2,000; the Knox lot, \$3,000; the Missouri lot, \$5,000; the Westminster lot, \$300; the Colorado lot, \$3,000; the vacant Idaho lot, \$2,000; the vacant Washington lot, \$11,000; the vacant California lot, \$12,000.

The houses at Lafayette, Gettysburg, Dickinson, Pennsylvania State, Sewanee, Lombard and Stanford were erected on college grounds, the house at Miami on ground donated by the university. The value of the lots on which these houses stand are not included in this valuation.

The number of members of each of the three fraternities with the largest membership is: Delta Kappa Epsilon, 18,604; Phi Delta Theta, 17,779; Beta Theta Pi, 17,247. As Phi Delta Theta is younger and was later in expanding than either Delta Kappa Epsilon or Beta Theta Pi, it has a smaller proportion of deceased members, and it unquestionably has the largest number of living members of any college fraternity.

(a) Not including initiates of Oregon Alpha, installed May 30, 1912.

**PHI DELTA THETA HOUSE,  
UNIVERSITY, ALA., MAY 1, 1912.**

#### **THE UNIVERSITY**

The total number of students enrolled at the University of Alabama during the session of 1911-12 has so far been 395, this being exclusive of the 165 students in the Medical Department and the 269 students enrolled in the Summer School—the grand total being 829.

The present session marked the formal opening of Morgan Hall, the magnificent academic building completed at a cost of \$115,000. This building contains a spacious auditorium seating approximately 1,200 persons.

The most important step in the development of the university during recent years was made when on January 1, Dr. George Hutcheson Denny, formerly president of Washington and Lee University and one of the foremost educators in the whole country, assumed the presidency here. He has been the recipient of an enthusiastic welcome from both student body and alumni.

Phi Delta Theta is still ably represented in the official sphere of the university. Brother W. B. Saffold was acting president from September 1 to January 1, and is now in Europe on a year's leave of absence. Brother W. B. Oliver is dean of the Law School, in which department, Brother E. W. Faith of Mobile is one of the non-resident lecturers. Brothers Sayre and Prouty are members of the Academic and Engineering faculties. Brothers Pratt, Morrow, and Le Grand, all of Alabama Alpha, are members of the university board of trustees.

#### **ORGANIZATIONS AND PUBLICATIONS**

During the past year there has been a marked encouragement and development of many broader fields of student activity. In all of these Alabama Alpha has taken a prominent stand.

## ALABAMA ALPHA

giate debating has been re-established at Alabama, and action with it, the University Forum, which consists of debates every six weeks between the law and academic departments, with open discussion from the floor after the regular debate. These activities are in the hands of the University Debating Council, of which Brother Thach is president, and Brother Moody another of the six student members. Brothers Glenn and Vann have participated in the Forum and Brother Thach was on the debating team against Sewanee. The southern intercollegiate oratorical contest will be held at the university this year under the auspices of the University Debating Council. The Blackfriars, the dramatic organization of the university, recently made a very successful tour through the state with its presentation of "Candida." Brothers Vann and Moody are members.

The Glee Club this year has met with unparalleled success, having been well received in the twenty-five places in which it has already appeared, including Birmingham, Montgomery, Mobile, Meridian, Miss., Huntsville and Opelika. The chapter is well represented by Brothers Bowron, Vann, Steiner and Thach.

Brother Moody is president of the Y. M. C. A. and of the Athletic Association, Brother A. V. Van de Graaf also being a member of the Athletic Advisory board. Brother Thach is president of the "Underwood for President Club" which has spread its organization through the colleges of the entire country.

The university publications are flourishing. Brother Bowron is associate editor of the *Corolla* (annual) and Brother Goodhue is assistant business manager. *The Crimson-White* (weekly) has been featured this year by special issues at various times for the different departments of the university.

The inter-fraternity organization here, the Skulls, is limited in membership to 25, and this year held its initiation on February 10. Φ Δ Θ is represented by Brothers Thach, Bowron, Snow, Quina and Spragins. Φ Δ Θ also has Brothers Glenn, Goodhue, and Thach in Α Σ Δ (legal).

## ATHLETICS

The 1911 baseball season was a very successful one, for Alabama lost only one series. Brothers Moody and A. V. VandeGraaf were awarded letters. Brother Moody led the team in batting.

The complete list of scores is as follows:

Alabama	.....	2	Detroit (American)	.....	15
Alabama	.....	5	Birmingham College	.....	1

Alabama	10	Birmingham College	2
Alabama	9	Birmingham College	3
Alabama	6	A & M of Mississippi	1

Alabama	2	Georgia Tech.	1
Alabama	3	Howard College	1
Alabama	11	Howard College	1
Alabama	5	Howard College	1
Alabama	0	Mercer	5
Alabama	5	Mercer	7

The record of the baseball team for the 1912 season is still incomplete, but Alabama will win the S. I. A. A. championship if the remaining series to be played with Vanderbilt is captured. Brother Moody is again on the team and Brother C. H. VandeGraaf is one of the regular pitchers. Brothers Pratt and A. V. VandeGraaf are also on the squad.

For the second consecutive year the Alabama football team was forced to begin the season with a new coach. Coach Graves (Missouri), however, succeeded in turning out an eleven which made a very creditable showing. With one exception, Alabama was outweighed by every college team she met. The season's scores were:

Alabama	47	Birmingham College	5
Alabama	24	Howard College	0
Alabama	3	Georgia	11
Alabama	5	A & M of Mississippi	5
Alabama	0	Georgia Tech.	0
Alabama	22	Tulane	0
Alabama	0	Sewanee	3
Alabama	16	Davidson	6

Brothers A. V., and C. H. VandeGraaf and Moody, played on the 'varsity, at fullback, end, and quarterback, respectively. Brother C. H. VandeGraaf was chosen all-southern end and Brother A. V. VandeGraaf, fullback on the second all-southern eleven. Brother Moody is captain-elect for 1912.

In the class football games, Alabama Alpha was represented by Brothers Moody, C. H. and A. V. VandeGraaf, as coaches, and on the various teams by Brothers Quina, Vann, Bowron and McGiffert. Brothers Humphrey and Spragins were managers of the freshman and sophomore teams, the sophomores finally winning the championship.

The interclass basketball championship was won by the freshman five. Phi Delta Theta was represented by Brothers Goodhue, Vann, C. H. VandeGraaf and Bowron. The display of much excellent material in these class games assures the establishment of basketball as an intercollegiate sport here next year.

In the annual May Day track meet in 1911, Brothers Moody, Bowron, and C. H. and A. V. VandeGraaf won places. These four and Brother McGiffert are assured of places this year.

Φ Δ Θ is represented in class baseball by Brothers Bowron, Vann, Quina, Pratt, A. V. VandeGraaf, Goodhue and Thach.

### FRATERNITIES

There are nine fraternities and three sororities at Alabama. One of the sororities is a local recently organized. All of the fraternities occupy houses. Phi Delta Theta, Kappa Sigma, and Delta Kappa Epsilon own their houses while the rest rent them. Following is a list in order of their establishment:

Established.	Name	Members.
1884	Phi Delta Theta .....	16
1884	Sigma Nu .....	16
1885	Alpha Tau Omega .....	18

### THE CHAPTER

Alabama Alpha lost by graduation last June, Brothers Merrill and B. B. Comer, Jr., and by withdrawal, Brothers H. M. Comer, Guice, Brown, Lanier and Snow. Eight men returned at the opening in the fall. Brother Thach, Virginia Zeta, '10, was affiliated and Brother Snow '14, returned in March. Six men were initiated, making a total membership of 15. The new men are: W. M. Humphrey of Huntsville, Ala.; L. S. Pratt of Prattville, Ala.; D. D. McGiffert and F. H. Austin of Tuscaloosa, Ala.; J. J. F. Steiner of Montgomery, Ala., and E. H. # **ALABAMA BETA**

## **ALABAMA POLYTECHNIC INSTITUTE**

---

**PHI DELTA THETA HOUSE (RANSON HALL),  
AUBURN, ALA., JUNE, 1912.**

*Alabama Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE COLLEGE**

The Alabama Polytechnic Institute has completed the most successful year of its history, with the exceptional enrollment of 850, with its curriculum raised toward a standard of scholarship which will place the college on a par with any technological institution of the country, and with the exhibition of a commendable spirit of patriotism and enhanced morals on the part of the student body.

In regard to the work of the student body, it is worth while to note the abolition of hazing in every form, brought about by a co-operation of the college authorities and the Senior Class, of which Brother C. E. Sauls is president. During the most of the year, also, the behavior of the students has been exceptionally circumspect, and the fact points to a general, almost imperceptible movement toward better morals and firmer, higher ideals on the part of the Auburn college man.

Some Auburn students have urged the criticism that the abolition of hazing has lessened in some degree the spirit of the college. To close observers, however, the fact is not to be ascertained.

Bible study classes and Y. M. C. A. work have aroused considerable interest in Auburn during the year. No Bible study class was organized for the Phi Delta Theta chapter house, although one had been established there during the session of 1910-11.

One or two changes have been made in the organization of the college. An extension department in Agriculture has been established and is operating effectively, adding greatly to the service of the institution. Brother J. B. Hobdy, Auburn '97, was elected Professor of Extension work in Agriculture. O. D. Wannamaker, M. A., (Harvard) has occupied the chair of English Literature during the year, having been elected to succeed President C. C.

Thach, who has withdrawn from active teaching work, devoting his time entirely to the executive duties of his office.

### ATHLETICS

Auburn's athletic year has been successful to a large extent. It was successful, during football season, in engendering a spirit of patriotism and loyalty among the students, if in nothing else. Fever attacked the football squad, and an unfortunate series of accidents supplemented the ravages of illness. As a result, Captain Bonner was the only regular man who played in every game. At one time, he was the only regular man in a line-up. But as the team's stock of strength descended, the spirit and encouragement of the students rose, and so great was the enthusiasm that in the big Thanksgiving game with the University of Georgia, the crippled Auburn team fought to a 0 to 0 tie, outclassing their opponents as to ground gaining and on the defense. This was done with the odds against them. With several regular men gone, one of the players just up from a bed of sickness, another regular with a hand in splints from a fractured wrist, with Coach Mike Donahue at the point of death from the fever to which the team succumbed, the team fought Georgia, the three to one favorites. Auburn men are thinking more of the name of Auburn than formerly.

Auburn lost only two games during the season, both to Texas teams. On both occasions Auburn travelled more than 1,000 miles to the game.

In basketball, Auburn was less successful, and the team lost nearly every game. In baseball the season started well. Auburn tied Vanderbilt, the subsequent Southern champions, in the first series, but afterwards lost more games than she won, ending with a percentage of about .400. Every game lost, with one exception, was by one score, which fact gives color to the cry of hard luck.

Alabama Beta was represented on every athletic team.

### FRATERNITIES

The fraternities at Auburn, to speak plainly, are not in the best standing with the college faculty. Complaints made against the occupants of certain fraternity houses have brought about an investigation of conditions, and, although it is not generally known, the fraternity house system at Auburn is under fire, with persons of authority against that method of living. Fraternity men have not

done as well as possible in classes, as a general rule. However, circumstances have arisen which can not but result in a very different state of affairs next session, and fraternity men realize this and are not afraid of any test of good behavior or of good records in the future.

Delta Pi Sigma, a local organization of several years standing, is petitioning Sigma Chi, it is generally understood. The national fraternities, in order of establishment, are:

Established.	Name.	Members.
1879	Phi Delta Theta .....	28
1879	Alpha Tau Omega .....	20
1883	Kappa Alpha .....	17
1888	Sigma Alpha Epsilon .....	23
1890	Sigma Nu .....	23
1895	Pi Kappa Alpha .....	23
1901	Kappa Sigma .....	28
1908	Sigma Phi Epsilon .....	20

### THE CHAPTER

Of a gross enrollment of 28, Alabama Beta lost nine men during the year for various reasons: Business calls, a West Point appointment, illness, and natural desire. The chapter returned fifteen men, initiated ten, and affiliated from Georgia Gamma three. The initiates are: Class of 1912, C. N. Thibaut, Napoleonville, La.; 1913, R. M. Adams, Mobile, Ala., A. N. Duncan, Sheffield, Ala., B. L. Thibaut, Napoleonville, La., J. H. Worrill, Columbus, Ga.; 1914, R. M. Greene, Jr., Opelika, Ala., L. P. Munger, Birmingham, Ala., J. W. Williams, Opelika, Ala.; 1915, I. D. Dillard, Huntsville, Ala., W. B. Wood, Lafayette, Ala.

Twelve men of the chapter will return next year. Alabama Beta, the first fraternity in Auburn in every respect, will have the most severe struggle of its existence next year. Other fraternities have houses. Pi Kappa Alpha has constructed a handsome house, Sigma Nu and Sigma Phi Epsilon have rented houses. Except Alpha Tau Omega, all fraternities are housed attractively, and the last have preparations for building well under way. There will be the stiffest kind of competition in September, and Alabama Beta sets forth here its appeal for assistance in the matter of new men and recommendations.

**Honors**

Alabama Beta, since the writing of the last chapter letter, has done well, individually and collectively, as well or better, perhaps, than any other of the fraternities in Auburn, according to cold facts. The chapter has given two dances during the year, one at the opening, and one, a brilliant hop, at commencement. Individually, the following honors were received:

Graduate active members: E. T. Collier, Instructor in English, Thendara Club.

## 1911

B. G. Allen, 'varsity football, manager 'varsity baseball.

Grafton Lothrop, regimental sword, captain best drilled company.

## 1912

C. E. Sauls, president senior class, editor-in-chief *Glomerata*, president Georgia Club, Pan-Hellenic Council, treasurer Thendara Club, secretary Senior German Club, cheer leader student body, captain Company F.

R. H. Spencer, assistant business manager *Glomerata*, advertising manager *Orange and Blue*, adjutant student battalion, hop committee, Thendara Club.

C. N. Thibaut, lieutenant, *Glomerata* Board, Thendara Club, officer Senior German Club.

## 1913

A. N. Duncan, Thendara Club, Glee Club, Mandolin Club, secretary Glee Club.

A. E. Gregory, secretary Alapolins Club, secretary junior class, vice-president Junior German Club.

J. H. Worrill, 'varsity basketball, 'varsity baseball squad, class baseball.

E. B. Sutton, Glee Club, Mandolin Club.

B. L. Thibaut, Thendara Club.

P. W. Thompson, captain class baseball.

J. H. Wills, first sergeant, junior assistant editor-in-chief *Orange and Blue*.

### **THE UNIVERSITY**

The prosperity of the University of California has steadily increased during the past year, due to the University being the recipient of a number of building funds, and donations for various educational purposes. The year has witnessed the completion of several new and magnificent buildings; the Doe Library, a gift of Charles Franklin Doe, erected at a cost of \$870,000, and the Boalt Hall of Law, costing \$150,000. Brother William Carey Jones is head of the University of California law department, which ranks as one of the most complete departments of its kind in the country. Over one hundred students are registered in the full professional law course, and there are many others taking courses in commercial law. A few months time will see the completion of the new agricultural building, costing \$200,000 of which the University has long been in dire need. Up to the end of this year, the total of the gifts and endowments to the University will have reached \$800,000. All these new structures have become absolutely essential to meet the steadily growing enrollment of students. At the present time, this total enrollment is 5,724, showing an increase over last year of about 600. California is exceeded in the number of students only by Columbia University, and the largest number of undergraduates is here. The summer session showed an increase of nearly 1000 over the previous year, it now having reached the 2000 mark. Brother Clark W. Hetherington, of California Beta is to be a member of this year's summer session. He is the director of the Jos. W. Fells athletic endowment fund.

Work will begin this summer on the Sather Campanile, a gift of Jane K. Sather. It is to cost about \$200,000, and \$25,000 extra will be expended for chimes. The tower is to be of white granite, 300 feet in height. The Sather endowment also included funds for the departments of history and classical literature.

Of great enjoyment to the students is the new swimming pool, which was completed during the past year. It is an outdoor pool, built of solid concrete, and is, in dimensions, 223 feet long, by 76 feet wide, averaging in depth from 3 to 10 feet. Needless to say, warm days finds it filled with howling students, there having been as many as 550 in the water during a single day. The pool is shaded on one side by great oak trees, while the other side, where the spring-boards and high-dives are, has been left open and seeded to lawn.

In matters pertaining to the student-body, it is interesting to note that at no other University in the United States is the problem of self-government by the students exercised to the extent that it is at California. This student-control and the abolishing of all class politics has done much to further the college spirit, as has also the honor system in examinations.

### ATHLETICS

In the different athletic events with Stanford University, California walked off with almost a clean slate. The annual Rugby Intercollegiate football game was won by California with a score of 21-3. Considering the fact that Rugby football has only been played on the Pacific Coast a few years, the game was a spectacular, and scientific exhibition. California Alpha was represented on the team by Brothers Carl and Herman Phleger, and Warren Pauly, all three playing forward. For five consecutive years, this chapter has never had less than two men on the 'varsity football team, a record never equalled by any other fraternity at California.

Freshman football with Stanford University has been abolished, and the game this year was with the University of Southern California. California won by a score of 15 to 7. Brother Victor Doyle played on the team.

Stanford University won both varsity and freshman crew. It is hard to predict who will win this spring.

Both the freshman and varsity track meets were won by California. The results of the freshman meet was 79 to 51½. The Varsity

score stood 89 to 40½. The latter meet was a brilliant affair, inter-collegiate records were broken, and the meet averaged the fastest time of any in the country. Brother Albert Rathbone ran a fast lap in the relay, and Brother Leland Rathbone placed third in the two-mile. Brother Halsey Thompson tied for third place in the shot-put in the freshman meet.

This year, California Alpha will be represented by Brothers Albert and Leland Rathbone, and freshmen Brothers James Todd and Fred Thomas. Brother Todd has been running in fast time in the 440 and 220 yard dash, taking first in the 440 in the freshman meet with the University of Southern California. Brother Fred Thomas was captain of the freshman team and will represent the Varsity in the coming meet with Stanford, in the weight events. Brother Robert Christy is also out for track.

Baseball has been won both this year and last by California, both times capturing the first two out of three games.

Tennis was won last year by California, Stanford being defeated in four out of five matches.

### FRATERNITIES

Competition is steadily increasing among the fraternities at California for new material. Several are greatly aided by the advantage of having splendid new houses, which is always a source of attraction for the rushee. California Alpha has stood at the head of fraternities here for many years, and does not intend to lose this standing through lack of suitable quarters. Plans have already been drawn for a new house, and a new and larger lot has been purchased. We hope to fill the inside cover of the 1913 Chapter Letter with a photograph of California Alpha's new, permanent, fireproof home.

There is a splendid inter-fraternity spirit existing here despite the fact that California has more fraternities than any other university in the United States. There are 26 men's and 12 women's fraternities, their names, order of establishing chapters, and memberships (active) appearing in the list below:

### THE CHAPTER

Since our last annual chapter-letter, California Alpha has initiated 10 men into the chapter, of the class of 1915—Fred Thomas, Ukiah; Stanley Powell, Oakland; James Todd, Oakland; Reuben Hills, San Francisco; Carlton Dethlefsen, Oakland; Victor Doyle, Berkeley; Harry Dunn, Santa Barbara; Edgar Mayberry, Seattle; Carrol Kaufman, Berkeley; and Robert Christy, Alameda.

We lost by graduation Brothers Warren Pauly and Walter Schroeder. Brothers Carl Phleger and Edward Brainard have recently retired from college.

### **Honors**

The previous high standard of California Alpha has been maintained throughout the past year, as may be witnessed by the following list of honors received by its members.

Carl and Herman Phleger and Warren Pauly made the 'varsity football team. Victor Doyle made the freshman team.

Albert and Lee Rathbone made the varsity track team, and Halsey Thompson the freshman track team.

Carl and Herman Phleger were initiated into Golden Bear, the Senior Honor Society. Herman Phleger also made the Intercollegiate Debating Team, Skull and Keys, (Junior Honor Society) Phi Delta Phi, (legal) and was elected to the presidency of the Senate Debating Society. He was general chairman of Labor Day, which comes once in four years, and is chairman of the Arrangement Committee for Senior Week.

In the Big C Society, composed of Varsity men, are Albert Rathbone, Leland Rathbone, Carl Phleger, and Herman Phleger.

Fred Thomas and Fred Hornick are members of the Glee Club, and Harold Nachtrieb is a member of the Mandolin Club.

### **Scholarship**

Although the chapter has been busy in all fields of student activities, and has maintained as well its numerous social obligations, its members have not forgotten that deep obligation of scholarship which we owe ourselves and our chapter. And we are pleased to announce that out of 26 fraternities, and some 15 house-clubs, California Alpha stands fifth in scholarship. This we feel is due not only to the individual efforts of each student, but a large share of the credit is also due our scholarship committee, whose constant urgings and help have made this high standard possible. We believe this record to be as much of an honor as all of the others put together, and shall strive to carry it even higher in the future.

### **CONCLUSION**

In conclusion, California Alpha wishes to thank the Alumni for their hearty support and coöperation in all matters vital to the chapter. Particularly do we wish to show our appreciation of their assistance toward obtaining for us a new and more suitable home,

and to assure them, that the best proof of that appreciation, will be the redoubled efforts of each and every individual in the future, to be a loyal Phi, and a credit to both his fraternity and his university.

PHI DELTA THETA HOUSE,  
STANFORD UNIVERSITY, CAL., MARCH 18, 1912.

*California Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

With college opening August 1, with an enrollment of 1618 students, Stanford passed through its twentieth anniversary on the first of October. Great and numerous improvements have marked those twenty years of Stanford's career.

Many new courses and the modification or enlargement of old ones show the continual broadening and strengthening of the Stanford curriculum. Hoi Dayal, the Hindu student, has been chosen to give lectures in Indian Philosophy. Perhaps the greatest advance has been in the changing of the Cooper Medical College to the Stanford Medical College, which will be moved to the campus from San Francisco next year.

Among the building operations in the past year, the starting of the rebuilding of the Memorial Church in its original design is the most important. The stone work of the walls has reached a height of 8 to 10 feet at the present time. Other buildings which are to be built include an Isolation Hospital and eating clubs upon the campus.

With the University Trustees making a radical change in policy, gifts will hereafter be welcomed from alumni and friends of the institution, to be placed under separate endowment. The first one to take advantage of this was Dr. Barkan of San Francisco, who gave \$10,000.00 for a special library for the eye and ear department of the medical school.

The faculty has ameliorated the conditions of the overly harsh scholarship regulations which have been an incubus to many a student generation. Today the relations between faculty and student are friendly and intimate.

## ATHLETICS

In a review of the athletics of last spring and fall, a record of unsuccessful intercollegiate meets for Stanford is met with. While at the present writing, we are in the midst of hard training for track, crew, baseball, and tennis.

On March 25, Stanford met California on California field with a nine that had many confident supporters. The game was a closely contested one, lasting ten innings, but by errors at the critical moments the game resulted in a 4 to 3 score. In this game Brother L. Childs '13, played left field. In the game which followed a week later at Stanford, Stanford again lost by a score of 4 to 1. Baseball for this spring appears very promising. Together with the strong men contributed by the freshmen class and a large squad of veterans, chances for clearing our last seasons defeats are good. Brothers R. Noble '12, L. Childs '13, and P. McLaughlin '15, are bidding strongly for the team.

While the intercollegiate track meet might be classed as a phenomenal exhibition, it, contrary to "dope" and very surprisingly resulted disastrously for Stanford. As California lost very few of her last season's point winners, and as some of our men are handicapped by scholarship regulations, the chances for a victory over California this season are not satisfying. Brothers A. King '12 and A. Edwards '14 are out for track.

The tennis championship went to California again last season after a closely contested tournament. Brother H. S. Morgan '12 was captain of the Stanford team. Besides the intercollegiate meet with California there will be one with the University of Southern California. The movement started last year for new courts was successful and we now have three good asphaltum courts. Brother L. Shaul '13 has returned to college and will bid strongly for his old position on the team. Brothers S. Morgan '12, L. Shaul '13, L. Gamble '14, and S. Schnetzler '15 are trying for places on the team.

Through both the Freshman and Varsity eights coming away victoriously in their contest with California, was the record of a series of Stanford defeats for last season broken. The Varsity race ended in a sensational finish and in no way can it be said that the Stanford eight were easily victorious. Brother R. Hails '12 rowed No. 3 for the Varsity. The Freshman crew, however, pulled in at the finish a boat length and a half ahead of their rivals. Brother A. Sanborn '12 with former experience will make a good

showing in this seasons try outs for the Varsity and Brothers L. Ogden '15 and A. Hails '15 have splendid chances for making the freshman crew.

Owing to a rule made by the faculty, there was no freshman intercollegiate meet with California. A freshman squad was organized however, and a complete schedule of games carried out, of which contests the freshman team won the majority of the games. Brother W. Thoburn '15 won his numerals for playing in these games. The Varsity went down to defeat to a superior team. Brothers R. Noble '12 and A. Sanborn '12 played on the Varsity and Brothers T. Sanborn '12 and H. Hubbard '12 were substitutes. Prospects are bright however, for next season, as many of our veterans are returning.

As each day passes now, new developments are arising and prospects for this spring's athletics are becoming brighter and brighter.

### FRATERNITIES

One new fraternity, Alpha Tau Omega and one new club have been established. As regards the relation between the fraternities and the faculty, to say that it is one of peacefulness is sufficient. In fact, over the whole campus there is harmony and a feeling of good fellowship.

The fraternities having chapters at Stanford are as follows:

THE CHAPTER

The present college year has been a prosperous one for California Beta. During the first semester we had twenty-four men in the chapter and at present have an enrollment of twenty-five. We pledged eight men and initiated seven: Brothers H. Hubbard, A. Hails, L. Ogden, V. McClurg, W. Thoburn, P. McLaughlin, and S. Schnetzler. Phikeia Ellis is planning to enter Stanford next fall.

Brother R. Hoffman did not return after Christmas. Brother L. Shaul returned to the chapter after a year's absence. We had no graduates at Christmas.

A large sleeping porch was built on the second floor during the summer vacation, providing accommodations for ten men. It is very much appreciated by the brothers.

As a whole, the chapter is in fine shape. We expect to have seven graduates in the spring and will have to be on the job during rushing season next fall; more so this year on account of the new system of not having any entrance examinations at the University, at the beginning of the fall term.

### Honors

- A. Taylor, '11, assistant instructor in civil engineering.  
 R. R. Hails, '12, bow, varsity crew; Skull and Snakes.  
 A. T. King, '12, art editor of 1912 Quad; press club.  
 A. M. Sanborn, '12, varsity football, 1912; mechanical engineering society; Skull and Snakes.  
 T. Sanborn, '12, secretary, student body; chairman, senior prom committee; university conference.  
 C. R. Nunan, '12, editor *The Daily Palo Alto*; the university daily; associate editor, 1912 Quad; Skull and Snakes.  
 H. S. Morgan, '12, varsity tennis; captain tennis team, 1911; president, tennis club; university conference.  
 R. M. Noble, '12, varsity football, 1911; picked team to Vancouver Christmas, 1911; Skull and Snakes.  
 L. Childs, '13, varsity baseball, 1911; forestry club.  
 G. H. Beurhaus, '13, Rams Head.  
 E. A. Wells, '14, glee club; Rams Head.  
 W. Thoburn, '15, freshman football; glee club.  
 V. McClurg, '15, mandolin club.

### CONCLUSION

By a ruling of the faculty, fall entrance examinations have been abolished. By such a ruling, fall rushing is going to be somewhat more difficult. It means freshmen will come just in time to register and that the rushing season will become much shorter. Therefore we would appreciate any news of freshmen contemplating entering Stanford next fall.

We also wish to take this opportunity for thanking the alumni of this chapter and of other chapters for their kindness in sending us news of men who entered Stanford last fall.

## **COLORADO ALPHA**

### **UNIVERSITY OF COLORADO**

---

PHI DELTA THETA HOUSE,  
BOULDER, COLO.,  
MAY 1, 1912.

*Colorado Alpha of Phi Delta Theta to her Alumni and to her Sister Chapters, Greeting:*

#### **THE UNIVERSITY**

This year has been the most promising year in the history of the University. The present enrollment being 1,306, not including the summer school.

The work on the Mackey Auditorium has been resumed again after several months inactivity, caused by financial entanglements. This building, it is stated will be completed by June 1, 1913.

The money raised in the last two years for the Men's Club House has been used for the rent of a suite of rooms just off the campus. The rooms are comfortably furnished and afford bounteous opportunity for leisure and amusement.

The women of the University gave a May Day Festival for the purpose of raising money for a womens building. This movement added \$1,500 to the fund and it will be only a short time until the women of the University will be comfortably settled in a building of their own.

Dr. John B. Ekeley, professor of chemistry, has been appointed state chemist of Colorado. His offices and laboratories are located at the University. Dr. Russel D. George has recently been made state geologist. The government timber testing station is also located at the University.

The library has been recently enlarged to the extent of 2,000 volumes, which were procured with funds from the state treasurer.

A large amount of work has been done by the professors in the chemistry department, both in organic synthesis and analytic procedure in inorganic lines.

The school of pharmacy has been established in the last year and

offers three degrees, a B. S. in pharmacy, which requires four years, and a Ph. C. which requires two years, and Bachelor of Pharmacy which requires three years.

The school of social and home science has been organized.

During the past year the organization of the University alumni has been put on a firm basis. A secretary has been employed who spends his whole time looking after the affairs of the organization. A paper is published every month containing news of the different alumni and also a brief resumé of the school activities.

A wireless station, probably the largest in the state, has been installed on the campus by Professor Lester of the department of physics. The entire apparatus, with the exception of the coils, was made in the physics laboratory at the University.

The *Silver and Gold*, the school publication, has been made a tri-weekly and has met with much success.

### ATHLETICS

In athletics the University is outclassing any other of the state institutions in all departments.

With a football team that would hold its own on any of the eastern gridirons, the University of Colorado took all contenders into camp, winning the State, Conference and Rocky Mountain championship. In doing so the team ended the third year of a period in which Colorado has scored 301 points as against 8 for their opponents. The hardest game of the season was the game with Colorado College, when, at the end of the first half, the score was two to nothing in the college's favor. The indomitable spirit of Colorado showed itself and the game ended with a score of eight to two in the University's favor.

It was the boot of Frank Pigg of Colorado Alpha that won the game on Thanksgiving day, with the State School of Mines, by sending the oval three times between the uprights. Pigg is considered to be one of the best back field men in the west and great work is to be expected of him during the coming season.

Brothers East and Miller held down good positions with the freshman team.

An extensive schedule has been arranged for the coming season, and Colorado will meet with some of the strongest teams in the Missouri valley. South Dakota, Kansas Aggies and Oklahoma will clash with the home eleven.

In baseball Colorado is strong and is in line for the pennant, hav-

vill, from all indications, clean up all opponents in strong men in the sprints, distances, and Brother F. Pigg is near and shoulders above anything else in the state in the weights, and Brother W. L. Pigg will not be lost in the jumps, as he has shown his ability in these events in previous years.

## **FRATERNITIES**

During the past year another local has been organized—the Friars which will petition Phi Kappa Psi. There are also the Theta Psi, petitioning Sigma Chi and the Beta Kappa which will petition Phi Gamma Delta. One local sorority Delta Kappa Phi which is petitioning Kappa Alpha Theta has also come into the foreground in the past year.

A complete list of the societies of Colorado is given below :

**THE CHAPTER**

Although Colorado returned but thirteen men, yet she has had a very successful year and has initiated eleven men: Brothers Rex Eaton, Henry East, James East, Robert Findlay, Frank G. Fink, Albert Bitner, John Henderson, Luther Lightburn, Earl Lindburg, Terry Miller and Arthur Williams.

Colorado Alpha lost no men the first semester on account of scholarship, although with one exception we were the only fraternity in school to hold such a record.

Several smokers and informal dances have been given at the house and the brothers are now looking forward to the picnic on the eleventh of May, and to High School Day celebration on the eighteenth of May. Sunday the fifth of May was set aside for the parents of the active men and the day proved such a success that the chapter has made it an annual affair.

**Honors**

Brother W. L. Pigg, Tau Beta Pi; Vulcan; Arch; track team '11-12; treasurer combined seniors; Junior Prom. Committee; Sophomore German Committee; treasurer University Club.

Brother G. F. Kimbrough, Phi Delta Phi; Crabbers; Arch; *Silver and Gold* staff.

Brother Frank Bottum, Phi Alpha Delta; reporter *Silver and Gold*; Scoop Club; clerk of Moot Court.

Brother George Des Brisay, Tau Beta Pi; Vulcan.

Brother W. W. Leach, Alpha Chi Sigma; Arch; president combined sophomores; Junior Prom. Committee; vice-president junior college.

Brother Robert Smith, Phi Alpha Delta; Arch; basketball and baseball squads; Glee Club.

Brother Frank Fink, Phi Alpha Delta.

Brother Eugene Millikin, Phi Alpha Delta; debating team; Glee Club; Dramatic Club; Delta Sigma Rho.

Brother James Reynolds, Arch; basketball team '11; president sophomore college.

Brother Frank B. Pigg, Phi Delta Phi; Arch; track team; football team; president freshman laws.

**CONCLUSION**

Colorado has passed through a very successful year and the prospects for the coming year are indeed bright. We are indebted to a great many of alumni for the active interest they have taken in the active chapter, and help they have been in rushing and suggesting men for rushing. We take this opportunity to extend the thanks of the chapter to our alumni and to the sister chapters of the fraternity for the suggestions and the many valuable letters we have received.

We have endeavored to secure correct information regarding the addresses of all from this chapter. Should any errors occur, the chapter would be very glad to secure correct information concerning those whom it may effect.

## **GEORGIA ALPHA**

### **UNIVERSITY OF GEORGIA**

---

**PHI DELTA THETA HOUSE,  
169 BARBER STREET,  
ATHENS, GA.**

*Georgia Alpha of Phi Delta Theta to her Alumni and Sister Chapters, Greeting:*

#### **UNIVERSITY**

The University opened for the college year 1911-12 with the largest attendance of its existence. There are now nearly seven hundred students in the various departments. Great improvements are being made in all branches of the University. The Alumni Hall, the new gymnasium, is in course of construction and work is so far advanced that use is now to be had of the gym room, baths, lockers and swimming pool. When completed the University will have one of the handsomest, most modern and best equipped gymnasiums in the south. At Sanford Field a large and commodious grandstand has just been completed. Work has commenced on the new Education building, made possible by the gift of The George Peabody Educational Board of Trust. The corps of cadets has just returned from the annual encampment at Augusta. The camp was a success in every way and was thoroughly enjoyed by all.

#### **ATHLETICS**

During the past year we have been unusually successful in athletics. Our football team was the best in the history of the University, and the season was marked by a string of victories over such teams as Alabama, Sewanee, Tech., and Clemson. Vanderbilt was the only team that defeated us. The baseball team also made a wonderful record this season, winning fifteen and losing only five. Owing to the failure to finish the new gymnasium and track this spring, the University had no basketball or track teams.

#### **FRATERNITIES**

Eleven fraternities are now represented at Georgia. These in order of their establishment are:

Sigma Alpha Epsilon.  
 Kappa Alpha (Southern).  
 Chi Phi.  
 Phi Delta Theta.  
 Alpha Tau Omega.  
 Chi Psi.  
 Sigma Nu.  
 Kappa Sigma.  
 Pi Kappa Alpha.  
 Sigma Chi.  
 Delta Tau Delta (Reestablished).

The feeling between the fraternities is excellent, as it is between the fraternities and non-fraternity men.

### THE CHAPTER

We are still located in a convenient house on Barber Street. Twelve brothers room in the house, and three others take their meals here. We began the experiment of eating in the house last October and are delighted with the results. There are twenty-six men in the chapter this year. The new men initiated are:

Albon Williams Reed, Athens.  
 William Kenneth McLain, Dawson.  
 Herbert Clifton Dobbs, Marietta.  
 Joseph Carlisle Stewart, Athens.  
 Linton Burnside West, Cuthbert.  
 Burke Hood. Cuthbert.  
 Wesley Houser, Fort Valley.  
 William Weeks Houser, Fort Valley.  
 Charles Williams Gunnells, (Affiliated from Emory), Bronwood.  
 Frank Lee McCoy, (Affiliated from Emory), Gainesville.

### Honors

W. K. Meadow, captain Company "C," military hop committee, senior advisory council, Pan-Hellenic hop committee, Gridiron Club, cheer leader.

## **GEORGIA BETA**

### **EMORY COLLEGE**

---

PHI DELTA THETA HOUSE,  
GEORGE STREET,  
OXFORD, GA., MARCH 25, 1912.

*Georgia Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### **THE COLLEGE**

The college opened in September with unusually bright prospects to begin another year's work. Although there was not much increase in the enrollment, yet, Emory has taken great strides toward a bigger and better college in the last two years. The theological department was added this year under the leadership of Dr. C. E. Dowman.

Professors Stipes and Lester have been added to the faculty since last year. Plans are being drawn for a new and up-to-date dormitory, which will more than likely be built in the near future.

#### **ATHLETICS**

Emory has never been allowed to enter into intercollegiate athletics, but each class puts out a team in every form of college athletics.

The football pennant was won this year by the seniors after a close and exciting season. The basketball season closed this year with a hard fight between the seniors and juniors—the juniors were the victors.

The old fight for intercollegiate athletics will surely come up before the trustees next June and we think the prospects for its passing are better than ever before.

#### **FRATERNITIES**

Fraternities at Emory have advanced at a rapid rate in the last two years. Up until last year Phi Delta Theta was the only fraternity here in a home but since that time three others have entered

houses. Alpha Tau Omega has built and Kappa Alpha and Delta Tau Delta have rented houses. We predict that every fraternity represented at Emory will be in a house within the next three years.

There is much talk of another fraternity placing a chapter at Emory in the near future, although no definite steps have been taken as yet.

### THE CHAPTER

At the opening of school, Georgia Beta returned twelve men and after the most successful spiking in the history of the chapter, pledged nine men without losing one.

We finished paying for our house and lot last year and since that time have made great improvements on the property.

Georgia Beta was thrown into an extreme state of sadness this year by the death of Brother Curtis Lake Holt of Sandersville, Ga. Death came to him in our chapter house, January 27, 1912, after the illness of only five days with pneumonia. He was a prominent member of the Sophomore Class and active in every phase of college life. His death was a terrible shock, not only to the chapter, but to the entire student body.

### Honors

Since the last chapter letter was written to our alumni, the following honors have been taken by our members:

L. C. Gray '12, football team '11; relay team '11; speakers place '12; special gym '11 and '12; Honor roll '11 and '12.

E. C. Culver '13, football team '11; baseball team '11 and '12; Sigma Rho Social Club.

S. B. Walton '13, baseball team '12; Sigma Rho and "Owl" Social Clubs.

W. W. Foote '13, Art editor of *Annual* '11 and '12; Sigma Rho and "Owl" Social Clubs; special gym '11 and '12.

H. J. Pearce '13, football team '11; champion, debate; Fall term debate; Impromptu debate; Owl Social Club; Phi Gamma anniversary orator; Sigma Rho Social Club.

D. V. Spenser '13; baseball team '12.

G. M. Wright '14, Honor roll '11; historian of class.

J. C. Crittenden '14, baseball team '12; basketball team '11 and '12; Sphinx Social Club.

T. J. Pearce '14, football team '11; baseball team '12; Sphinx Social Club.

C. T. Rogers '14, baseball team '11 and '12; Honor roll '11; relay team '11; basketball team '11.

George Matthews '15, Fall term debate; football team '11; captain of basketball team '11.

George Munroe '15, Publication Committee.

J. D. McCord '15, football team '11.

### CONCLUSION

We urge all our alumni to keep in touch with the fraternity. One of the best ways to do this is to keep in touch with the active chapter. Please notify us of changes of address, so that any fraternity literature will reach you without delay. We are always glad to see any Phi who comes to Oxford. With best wishes for happiness and prosperity of our brother Phis, we are,

Yours in the Bond,

A. C. RICHARDSON, *Reporter.*

# GEORGIA GAMMA

## MERCER UNIVERSITY

---

121 APPLETON AVE.,  
MACON, GA., APRIL 30, 1912.

*Georgia Gamma of Phi Delta Theta to her Alumni and to her Sister Chapters, Greeting:*

### THE UNIVERSITY

When Mercer resumed work last fall, there were, with the exception of the numbers of new students, few changes. The most important of these was the addition of Brother E. B. Murray to the faculty as professor of modern languages. Professor S. B. Cousins was made regular associate professor of English. The attendance this year is very good, being about the same as that of last year.

### ATHLETICS

Mercer has been for the past few years almost steadily advancing in her athletics. The nineteen-eleven football team was no exception, for, although in some respects it fell below our expectations, in others it eclipsed any team which we had previously produced. Georgia Gamma was represented at the first of the season on the 'varsity by Brothers Conger, Norman, Cook, Irwin, Brown and Bloom. Brothers Brown and Bloom received injuries toward the first of the season which prevented them from playing in enough games to make their M's.

The Mercer basketball team was the best team we have ever had. It can justly claim the college championship of the south. Four of the seven who made the team were Phis. They were Brothers Roddenbery, Cook, Irwin and Bloom.

The nineteen-eleven baseball team made the remarkable record of losing only four games and one series. We were represented by Brothers Hogg, Wills, Mallary and Norman.

This year's team bids fair to do almost as well as last year's. Georgia Gamma has eight men, Brothers C. E. Wills, Roddenbery,

Mallary, Norman, Irwin, Brown, T. J. Wills, and Bloom, who have played with the varsity in regular games. Fully six of these will receive their letters.

### FRATERNITIES

The various chapters at Mercer all have a very good membership this year. In most of the fraternities, the general character of the members seems to have considerably improved. There is no Pan-Hellenic organization at Mercer as for many reasons this is deemed inadvisable.

The following is a list of the fraternities in the order of their establishment:

Established.	Name.	Members.
1870	Sigma Alpha Epsilon .....	10
1872	Phi Delta Theta .....	22
1873	Kappa Alpha .....	15
1875	Kappa Sigma .....	15
1880	Alpha Tau Omega .....	11
1884	Sigma Nu .....	21
		—
Total	.....	94

### THE CHAPTER

Although there were seven Phis to receive diplomas at last commencement and several others were unable to return this year, nevertheless, we began the year with nine old men back, more than any other fraternity in school returned. Upon this nucleus we have built a flourishing chapter. The initiates for this year were Brothers Holt Callaway, Fred Bloom, J. E. Brown, D. H. Askew, R. E. C. Cook, H. S. Irwin, C. B. Jones, I. H. Jones, J. C. Lewis, Charles McMullin, J. B. Roddenbery, J. B. Turner, and T. J. Wills. We hope to return a very fine number of men next year, although we will have four brothers to receive diplomas.

Of the brothers graduated last year, Brothers A. B. Conger, and A. C. Tift are back at Mercer taking up the study of law, Brother Jelks is in business in Macon, Brother Binion is farming at Cuthbert, Ga., Brother Williamson is with the Chicamauga Manufacturing Co., Rome, Ga., and Brother Hogg is on the pitching staff of the Boston National League ball club.

### Honors

Phis have secured a number of important offices at Mercer this year as the following list shows:

C. E. Wills, 'varsity baseball; director senior class athletics; president Alembic Club.

A. C. Tift, manager baseball team; vice-president of Junior Law class.

A. B. Conger, 'varsity football.

J. B. Roddenbery, 'varsity basketball and baseball; captain basketball team.

E. Y. Mallary, Jr., 'varsity baseball.

J. B. Turner, Mercer Glee Club; instructor in freshman history.

P. O. Holliday, secretary and treasurer of Senior Law class.

J. F. Norman, 'varsity football and baseball; captain-elect of football team.

R. E. C. Cook, 'varsity football and basketball; manager basketball team; captain-elect basketball team.

J. B. Cobb, business manager of the Orange and Black; secretary and treasurer of Mercer Athletic Association.

Fred Bloom, 'varsity basketball.

J. E. Brown, 'varsity baseball.

T. J. Wills, 'varsity baseball.

C. B. Jones, historian freshman class.

H. S. Irwin, president freshman class; 'varsity football, basketball and baseball.

Besides these it is well to mention that at last commencement Brother Williamson received the general excellence medal and Brother Holliday, one of the law prizes.

### CONCLUSION

Finally, we wish to add that we will appreciate very much the aid of other Phis in telling us of suitable new men, and that we will be more than glad to see any Phis either at the regular weekly meetings or at any time and will extend to them a most cordial welcome.

Yours in the Bond,

JOHN B. COBB, *Reporter.*

# GEORGIA DELTA

## GEORGIA INSTITUTE OF TECHNOLOGY

---

PHI DELTA THETA HOUSE,  
47 W. NORTH AVE., ATLANTA, GA.

MARCH 22, 1912.

*Georgia Delta of Phi Delta Theta to her Alumni and Sister Chapters,  
Greeting:*

### THE COLLEGE

The school opened September 23, with the largest enrollment in her history and with both shop and Y. M. C. A. nearly completed. During the latter part of last year, Mrs. Joseph Brown Whitehead made a very generous donation for building a school hospital, which was very much needed, on condition that the school would raise the sum of five thousand dollars. This was done immediately by the student body taking subscriptions. This building which adds very materially to the appearance of the campus is now completed.

Another important step which has recently been taken by the students is the organization of the *Technique*, a college weekly, which brings out all school news and faculty announcements. This is well supported by the school and much interest shown.

All indications seem to point to still greater advancement in all branches of college activities.

### ATHLETICS

When last year's baseball season opened, Tech did not have a very bright outlook owing to the lack of pitchers. Even with this weakness we managed to make a very good showing by winning most of the games and tying Georgia in a series of four games.

In the outlook of the coming season we are faced by the same problem as last year, having no experienced pitchers. We have, however, among the new students quite a number of prep school stars, whom we hope will show up well when the season opens.

Our greatest victory in the football season was over Sewanee, defeating that team 23-0. Never before has Tech defeated Sewanee.

**HARRY, SIDNEY AND MERRIL HOLLAND, GEORGIA DELTA**  
Play 3rd, 1st and 2nd base on Georgia Tech baseball team

For this victory, the team was presented with a handsome silver loving cup by Captain English, who had offered this cup to the first Tech team that beat Sewanee. We lost our game, however, to our old rival, the University of Georgia by the score of 5-0.

Our track team of last year was not up to our usual standard. Much more interest will be taken in track this spring.

### FRATERNITIES

An important step has been taken by a Pan-Hellenic council, namely, that they propose to change the rushing season from the opening of the school until the first part of the second term. No positive action has been taken, however, but they hope to come to some agreement in the near future.

Ten national fraternities have chapters here. All of them have chapter houses.

The fraternities listed in the order of their establishment with the number of active members are as follows:

Established.	Name.	Members.
1888	Alpha Tau Omega .....	21
1890	Sigma Alpha Epsilon .....	19
1896	Sigma Nu .....	16
1898	Kappa Sigma .....	17
1898	Kappa Alpha (Southern) .....	20
1902	Phi Delta Theta .....	25
1904	Phi Kappa Sigma .....	17
1904	Chi Phi .....	25
1904	Pi Kappa Alpha .....	15
1907	Sigma Phi Epsilon .....	19

### THE CHAPTER

Our chapter this year is somewhat larger than it has been in some time, numbering at present 25 men.

### Honors

We are represented on the football squad this year by Brothers Ely, Hutton, Norman and by Brother H. Holland as manager of the team. On the baseball team we have quite an unusual combination, Brothers Sid, Merrel and Harry Holland, all from same family, playing first, second and third base respectively. Brother H. Holland has made All Southern third baseman two successive years with last year's

batting average .475 per cent. We are expecting great things from this combination this year.

We have officers in three classes: Brother Jones, vice-president Senior Electrical Society; Brother H. Holland, president Junior Class; Brother Hutton, vice-president Sophomore Class.

Brothers Chapman, Bullen and West are members of the Mandolin Club and Brothers W. K. Davis, Bullen and West of the Glee Club. Brother H. T. Thompson represents us on the annual board.

#### Alumni Notes

Georgia Delta considers herself very fortunate in being so closely associated with the enthusiastic Atlanta Alumni Club. It was through their efforts that the southern convention was held here in November.

Not only this year but annually Georgia Delta is entertained by this club with Founder's Day banquet on March 15.

#### CONCLUSION

Something of interest could probably be said in conclusion about our last rushing season. We extended seven invitations for membership without having a single one turned down. All these men were rushed by the other fraternities and we consider ourselves fortunate in securing them.

Georgia Delta wishes to thank very heartily all her alumni for the interest shown this year and at the same time extend a cordial welcome to all Phis.

D. C. ASHLEY,

## UNIVERSITY OF IDAHO

---

PHI DELTA THETA HOUSE,  
UNIVERSITY OF IDAHO,  
MOSCOW, IDAHO, MARCH 1, 1912.

*Idaho Alpha of Phi Delta Theta to her Alumni and Sister Chapters,  
Greeting:*

### THE UNIVERSITY

With the passing of another year Idaho has experienced the usual if not unusual growth which has been giving her more marked recognition throughout the Northwest. The attendance shows a conservative gain over last year and many departments have been enlarged to accommodate the new students.

Work has been started on the north wing of the new Administration building which when completed will give Idaho one of the finest buildings in the Northwest. The Forestry building for which fifty-eight thousand (\$58,000) dollars was given by the lumbermen of northern Idaho will be built this summer. The model dairy barn and stock judging pavilion completed last summer greatly strengthens the Agricultural department.

Idaho has five Phis on the Faculty this year, Brother Mac Lane having resigned to accept an appointment as a District Judge of the State of Idaho. The above mentioned are: Brothers Gurney, *Colby*, Professor of Physics; Larson, *Idaho*, Professor of Mechanical Engineering; Griffith, *Iowa*, Athletic Coach; Colver, *Idaho*, assistant Chemist; and Wadsworth, *Idaho*, assistant in Forestry.

The Agricultural department is rapidly becoming one of the University's leading departments. At the Northwest Live Stock Show, recently held in Portland, Idaho's two stock judging teams won first and third places over all the other colleges of the Northwest. The stock from the University also won many prizes and received much favorable comment.

The law department will have the entire third floor of the Ad-

ministration building next year. A model court room and an exclusive law library will be fixed up. A course in chemical engineering was offered for the first time this year, and has a number of students enrolled.

### ATHLETICS

So far this year athletics at Idaho have not been so very successful, in point of the number of victories. This is chiefly due to the number of athletes who were graduated last spring.

#### Football

It was necessary for Coach Brother Griffith to build up an entirely new team this fall, but four letter men returning; but with steady perseverance and hard work by the men, a good fighting team was produced. Idaho at least, was able to say that her team never laid down, and the college stood behind the men faithfully. Although we won but one game, Washington was held to a smaller score than she made against any other team in the conference.

Our first game was with Washington State College, our old rivals, and they atoned for last years defeat by a score of 17 to 0. Idaho's green team fought nobly and we have not a word to say, but that we will lick them next year.

The following week we were again defeated, by the University of Washington, the conference champions, by the same score.

Two weeks later we defeated Whitman College by 5 to 0.

Oregon cancelled their game with us the night before the team was ready to leave for Eugene, owing to the sudden death of one of their players.

Thanksgiving day we again met defeat. This time in Salt Lake City, at the hands of the University of Utah, and the score was 19 to 0.

Brother Phillips played the entire season at right tackle, and it was his kicking that won the Whitman game. Brother Gildea won his letter at right end, and Brother Dippel made the trips as sub-quarter.

We are looking forward to a championship team next year, as we do not lose a man from this year's team, and also several old men are planning to return.

#### Basketball

Basketball was even more of a disappointment than football, for we won but one conference game out of fourteen, that from W. S. C.

As in football, the team was nearly all green men, but one "I" man returning. However, the prospects for a good team next year are very good. Brother Soulen played a very consistent game at forward.

### Track

Idaho has dropped intercollegiate baseball this spring, so that track is occupying the center of athletic prominence. The prospects seem very good at least for a well balanced team. The loss of Brother Montgomery is very keenly felt as he was one of the leading track men of the Northwest and could be depended upon for from 15 to 20 points in all the meets. Captain Brother Denning has about thirty men who are working hard, and every day sees some new material brought out. Seven men will be taken to the conference meet at Portland on June 1, and of these at least four will be Phis. Meets are already scheduled with W. S. C. and Whitman College and negotiations are under way for two more.

By the careful management of graduate manager Brother Larson, over one thousand dollars of the student debt has already been paid off, and within one year more, he expects to have us out of debt.

### FRATERNITIES

The fraternity situation at Idaho is very much improved over that of preceding years. We have a Pan-Hellenic council and through this medium inter-fraternity matters are decided and satisfaction for all much more easily obtained than before the council was formed.

An inter-fraternity baseball league has been formed for this baseball season. Each fraternity playing four games, one of which is with a non-fraternity team. This is expected to aid in bringing about a better feeling between fraternities. As a whole, the cause is working out very nicely.

The following is a list of fraternities and sororities, together with the number of members in each:

Established.	Name.	Members.
1905	Kappa Sigma .....	32
1906	Theta Mu Epsilon (local) .....	20
1908	Phi Delta Theta .....	24
1910	Zeta Delta (local) .....	30

### THE CHAPTER

At the opening of the collegiate year we returned sixteen old men, these together with eleven initiates gave us a total of twenty-seven men. We have had three brothers leave us, two because of business affairs and one because of ill health. As it is we have twenty-four men who are very active in college affairs.

All of our graduates of 1911 are boosting our chapter and also the fraternity in general by the success they have achieved in business life. Brother Loren L. Brown is assistant engineer with the Warren Paving Company, now stationed at Victoria, B. C. Brother Lloyd A. Fenn is an assistant forest ranger, stationed at Kooskia, Idaho. Brother Alfred D. Kettenbaugh is a civil engineer at Lewiston, Idaho. Brother James J. Hays is a civil engineer at Boise, Idaho. Brother James G. Montgomery is a student in Rush Medical College, at Chicago, Ill. Brother Elmer A. Williams is a mining engineer at Bellview, Idaho. Brother Arthur A. Babb is with the City Engineering Department of Portland, Oregon.

Our prospects for a new chapter house in 1913 are very good, if every alumnus will work with us. That is, the payment of all notes up to date will bring the corporation out of debt and allow the erection of the new home which has been planned.

As we lose only two men by graduation, Brothers Faris and Parker, we should start the collegiate year of 1912-1913 with twenty-two men, with the possibility of increasing this number by the return of a few brothers who have left for various reasons. Because of the above, prospects are very fine for an excellent chapter next year.

The social life of the chapter has been very pleasant. To aid this, both Alumni and Founders' Day were celebrated in great style in conjunction with the Moscow Alumni Club.

### Honors

#### CLASS OF 1912

Orville A. Faris, president, Society of Civil Engineers; cast of "The Arms and the Man"; manager of Varsity baseball.

#### Alumni Notes

Brother H. A. Wadsworth received an appointment as 2nd. Lieutenant in the United States Army and is to be stationed at Fort G. A. Russel, Wyoming.

Brother Ross E. Rowell was married to Miss Isabel Landgren of San Francisco, Cal., March 15.

Brother Walker Young is with the engineering department of the Reclamation Service. He is stationed at the Arrow Rock Dam, Boise, Idaho.

Brother A. M. Swartley is instructor in the Mining Engineering department of the Oregon Agricultural College, at Corvallis, Oregon.

Brother Howard J. David is to be married on April 8th, to Miss Marie Scroggy, of Fort Wayne, Indiana.

Brother William Leroy Ziegler is one of the two assistant engineers for the Brazil Railway Company which is erecting a series of railroads throughout Brazil.

#### CONCLUSION

We would like to have all Alumni write to the chapter reporter in regard to any desirable men who are expecting to attend Idaho.

It would be of great assistance to the reporter if Alumni would notify him of change of address.

Commencement week starts June 7, and we hope to have many Alumni with us that week.

Many Phis have visited us the past year, and we hope for a continuation of this spirit.

## NORTHWESTERN UNIVERSITY

---

PHI DELTA THETA HOUSE,  
2233 SHERMAN AVENUE  
EVANSTON, ILL., MAY 1, 1912.

*Illinois Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

Northwestern is passing thru a period of great promise just now, due to the efforts of the school to raise its standards in scholarship and athletics. This year we had a football team to be proud of; one that never laid down till the final whistle blew, and kept the best of them on pins and needles when we had the ball. We look for a winner next year. Our track team has improved wonderfully, finishing third in the Conference Indoor Meet, and winning two firsts, the only ones captured in a decade.

As part of a far-reaching plan to get more men students, the University is erecting dormitories for the men, in the shape of four quadrangles. Each quadrangle is to contain four dormitories and three fraternity houses. Φ Δ Θ has not yet decided to move on the campus, but it is to be hoped that in a few weeks this matter will be decided upon, in which case we will sell our present chapter house, and build in one of the quadrangles.

### ATHLETICS

Athletics at Northwestern are progressing nicely. Since the completion of our new gymnasium the men under able coaches have shown themselves to be the real article. The football team, winning half of the games, and losing the others by close scores, showed that within a year or two, that Northwestern would be a contender for Conference honors.

The track team did not lose a dual meet this year; having defeated Purdue twice, and Chicago once. They succeeded in wresting

third honors in the Indoor Conference track meet held March 29th and 30th in Northwestern University gymnasium.

The basketball team, altho not as successful as we had hoped them to be, played well and with an abundance of material should develop a strong team next year.

Phi Delta Theta won the inter-fraternity basketball championship.

The baseball team is just finishing spring training and is going to show up well in this years games.

### FRATERNITIES

Fraternities at Northwestern are steadily improving. The freshman class had an abundance of fraternity material this year, and the rushing was fast and furious. The interfraternity council is still in existence and is rapidly becoming an important factor in the University. This organization is composed of two representatives from each fraternity—a senior and a junior. The meetings are held at the different fraternity houses every two or three weeks. The entire council takes dinner at the fraternity house where the meeting is held and in this way a much better interfraternity feeling has been created. Among the things which the council has brought about are: (1) The revision of the faculty social committee, which now contains six students and five faculty members. (2) The granting of an unlimited number of fraternity informals. (3) An extension of the rushing period of academy students, (this eliminates the trouble of fraternities remaining after the close of college) and (4) a series of inter-fraternity basketball and baseball games.

The University has made a very generous offer to the fraternities concerning chapter houses. It has set aside a portion of the campus on which it will build dormitories. These dormitories are to be built as individual houses to accommodate between 22-28 men. The University offers to build such houses for the fraternities to cost between \$24,000 and \$30,000, and to lend the money at an easy rate of interest giving a ninety-nine year lease to the land at a nominal rental. The light, heat, and water will be furnished at a minimum cost. The exterior of the house must conform to a general plan of architecture, but the interior of the house will be built as the fraternity desires it. As there is a minimum and maximum cost set upon the buildings, no fraternity will have any material advantage over any other in the matter of costly houses. At the present time five fraternities, Sigma

**THE CHAPTER**

Of the seventeen members of last year's chapter, the following nine returned to college in September: George S. Yaple, William Pope, Robert P. Weese of the senior class; J. C. Eaton, Lloyd H. Pasewalk and Harold L. Wilson of the junior class, Floyd S. Voak, Wynne A. Nourse and Jewell Dick of the sophomore class.

William Schaeffer is with Adams Crear Railroad Supply Co., of Chicago; Marshall Beck is with the Oklahoma Portland Cement Co., at Oklahoma City; John C. Chamberlain is principal of the High school at Salem, Ill.; Everet C. Moulton is in the medical school of Northwestern; Paul J. Lukes is studying law at University of Michigan; Homer Armbruster is traveling in Central and South America; Charles Evans, Jr., is with Allerton, Green & Kerg, bond brokers in Chicago; Walter C. Armbruster is with the Armbruster Tent & Awning Co., of Springfield, Ill.; William J. Lavery, Jr., is a student at Magill U.; Earl L. MacPherson is in the college of engineering at U. of Ill.

Brother Anderson Aldrich of the class of 1912 has returned to school after an absence of two years and a half.

We have initiated the following men this year: Wilber E. Hightower, Bruce B. Paddock, Welton Stallsmith, Walter Vehe, John Forbes, Lester D. Johnson, George Stockton and William C. Kelly. Besides these Freshmen we have two other pledges who have not yet been initiated, Fred Norton and A. R. Messelhisser.

Our annual alumni smoker last June was as big a success as usual. We had a large number of alumni out and interest was further aroused by a baseball game between the alumni and the active chapter.

We have had several very delightful dancing parties this year, at all of which several alumni members have been present. We have also had two dinner parties at the chapter house.

On the 16th of October, the Chicago Alumni Club, Illinois Alpha, and Illinois Beta celebrated the alumni day with a banquet at the Union Hotel. The Founder's Day banquet was held at the University Club on the 15th of March. The entire chapters of Illinois Alpha and Illinois Beta, and a large number of alumni were present. An excellent banquet followed by several good short speeches was enjoyed by the company, and then a few vaudeville stunts were given by members of Illinois Alpha.

### THE NATIONAL CONVENTION

Next fall the national convention is to be held at Chicago. The Chicago Alumni Club is working hard to make this convention the best that has ever been held. Chicago is an ideal place for such a convention and as it is within easy reach of so many active chapters in Illinois, Indiana and Wisconsin, there is no reason why it should not be the biggest and best convention that Phi Delta Theta has ever held, and this means the biggest and best college fraternity convention ever held. The Chicago Alumni Club has elected a board of seventeen governors who are to act as an executive committee to manage the convention, an entertainment committee of twenty-five is to be appointed in the near future. This committee will be divided into five sub-committees.

Illinois Alpha has offered to raise at least \$100.00 towards the expenses of the convention by voluntary subscriptions among the alumni and active men. So if any alumni in reading this letter is seized with a generous impulse to send an X or a V towards this fund it will be duly appreciated by the chapter. This money should be sent to H. L. Wilson, 2233 Sherman Avenue, Evanston, Ill., or during the summer months, at 1326 Third Avenue South, Fargo, N. D.

### THE JAVELIN

The Chicago Alumni Club has now a paper of its own, a real live, up to date paper. It is called the *Javelin* and is issued once a month. The man who is largely responsible for its ever increasing success is its editor and manager, William E. Godso. Of course the object of the *Javelin* is to reach the Phis who are scattered about, and so assist in keeping them in closer touch with what is doing.

The subscription list is steadily growing, but it can never become large enough until every Phi is receiving it. The price is nominal, 50 cents per year, and three years for \$1.00. William E. Godso, 1521 Harris Trust Bldg., will be glad to receive your subscription. *Do it now!*

### CHAPTER HISTORY

A good many months ago—over a year ago in fact, one of the active members started to write a history of the chapter. He was assisted very materially by Brother F. J. R. Mitchell who planned the course of procedure and advised the undergraduates at every step. In fact, he was the presiding genius. But when Brother Mitchell moved to Santo Domingo last spring, the burden of the whole work has fallen upon the inexperienced shoulders of the above mentioned undergraduate.

The object of this notice is to call the attention of the alumni to the fact that they can be of immense assistance to the writer by returning as promptly as possible, such data that may be asked for, and to ask for their co-operation in this work.

## THE UNIVERSITY OF CHICAGO

---

PHI DELTA THETA HOUSE,  
5831 WASHINGTON AVE.,  
CHICAGO, ILL., APRIL 22, 1912.

*Illinois Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

The undergraduate body of the University of Chicago is gradually increasing as was shown by the fact that the enrollment last Fall exceeds any yet. Then too, the graduate departments are increasing with greater rapidity. The graduate departments of the University of Chicago have grown so much that she can boast of the fact that she issues more doctors' degrees than any other school in the United States.

The one thing which attracts the attention of the undergraduate body at Chicago is the high grade of work which it requires. It is a very common thing to hear of students so low in their work that they are in danger of being expelled from the University, as is shown by the report from last Fall quarter in which 140 were expelled from the colleges. The deans go so far as to say that they now have more undergraduate students than they want, and whenever given ample reason will expell students without any hesitancy. It is a noticeable fact that the graduate students are increasing in far greater proportions than are the undergraduates. It is predicted by many that it is only a question of time until the University of Chicago will be a university devoted entirely to graduate work.

The Harper Memorial Library which is being erected at a cost of \$800,000 in honor of our late President Harper is nearing completion. It is expected by the authorities in charge that the building will be ready for use the coming autumn quarter. It is indeed a building which Chicago is proud of possessing and one which is equalled by only few schools in the land. Then too, there has been

an extension of considerable size built to Ryerson Physical Laboratory during the last year. It will be of considerable importance to the physical department in furnishing more extensive room for research purposes.

The University regrets the loss of Professor Alexander Smith of the chemistry department. Professor Smith was offered a chair in the chemistry department of Columbia University, and accepted. Professor Smith is an exceptional man in his field, being rated as one of the best inorganic chemists in America, and is a great addition to Columbia University as well as a great loss to the University of Chicago.

### ATHLETICS

Chicago enjoyed one of the most successful seasons in the history of the institution last Fall, notwithstanding the overwhelming defeat at the hands of Minnesota. Starting the season with a band of mediocre men, Coach Stagg faced the severest test of his career and to the amazement of all Western football followers, succeeded in whipping into shape a team that suffered but one defeat. The two most important victories of the year were those over Cornell and Wisconsin. In both these contests Chicago seemed to stand little chance of winning, but to the surprise of even the most loyal Chicago rooters, won both games by a clear cut margin.

The basketball season ended with Chicago in third place and the rooters were well pleased with the showing made by the team. Considering that there were three new men on the team, the season's playing was remarkable. As all of the men will be back next year, the rooters are already pulling for a championship team.

This year bids to be a fair one for Chicago on the diamond since six of last year's team have returned to college and there are a number of men in the freshman class that promise to turn out well.

The track team was the saddest disappointment of the year, as we were beaten in a dual meet by our old rival Illinois and finished us better than fifth in the conference meet. The team for the coming year will undoubtedly be heard from in the Conference as there are four or five sure point winners on the team. The rooters are looking forward to the trials for the Olympian team that goes to Sweden this summer, as Chicago has three men that are almost certain of places on that team.

### FRATERNITIES

The fraternity situation at Chicago remains unchanged. There however is one thing which has been brought out very clearly during

the last year, namely, the furthering of closer relationship between the fraternities. This is shown by the fact that the custom of having entered fraternity football, basketball and baseball games and relay contests is now established. This will no doubt have an inestimable effect in the direction in which it is intended.

Then again the custom of having inter-fraternity freshman smokers, which has recently been established is another evidence that the fraternities are striving for closer relationship. With this idea in mind the fraternities at the University of Chicago are going to be able to give far more benefit to their members than would otherwise be possible.

### **THE CHAPTER**

Illinois Beta began the school year under conditions that were not as favorable as they might have been. Owing to a number of reasons, all good and sufficient, it being unnecessary however to enumerate them, only three old men were on hand at the beginning of the school year. Nevertheless these three put their shoulders to the wheel valiantly with the result that in little time they had a healthy chapter in the process of development. Today, while we have not yet reached the high standard for which we are striving, we have nevertheless gotten together the nucleus for a strong chapter which is shown by the fact that we have initiated six men and have three pledges.

We have received by initiation A. R. Robinson of Indianapolis, Ind., Wm. S. Mathews of Ashland, Wis., Ellsworth Bryse of Ashland, Ohio, Fritz Steinbrecker of Chicago, Ill., George D. Parkenson of Preston, Idaho, and Joseph E. Evans of Ogden, Utah.

Illinois Beta is proud of the fact that the convention is to be held in Chicago next fall. We are making plans to further the success of that meeting in all ways within our power.

### **Honors**

Walter P. Steffen, Phi Delta Phi; assistant football coach; Mechem Law Club.

George D. Parkenson, Gym team; swimming team; Clark Butler Whittier Law Club; treasurer of Reynolds Club; treasurer of 1913 Law Class.

Eugene C. Higgin, Skull and Crescent.

Carl Stephan, Skull and Crescent.

Fred M. Smith, Phi Rho Sigma; Medical Class councilor.

Lyman K. Gould, Phi Rho Sigma ; Sigma Xi.

Joseph E. Evans, Phi Alpha Delta ; Clark Butler Whittier Law Club.

Fritz Steinbrecker, varsity baseball.

Albert G. Heath, Senior Prom committee ; Settlement Dance committee ; social editor of *Maroon*.

### CONCLUSION

In conclusion we wish to thank our alumni for the attitude that they have taken towards the chapter during the last year. We earnestly hope that we may be able to show them that we are appreciative of their help and have made best possible use of it. Then again we wish to extend our invitation to all Phis to visit us when in Chicago.

*Illinois Delta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE COLLEGE

Knox College entered upon its seventy-fifth year and Diamond Jubilee with a registration of 110 new students, a larger incoming class than last year's.

The new George Davis Science Hall was moved into early in the fall and was formally dedicated at the three days celebration of the seventy-fifth anniversary of the founding of the college which took place February 15-17. The science hall was erected at a cost of \$100,000 along with a new heating plant costing \$40,000. A few changes were made in the faculty during the past year. Mr. B. W. Wells from Ohio State University has been secured as assistant instructor in Biology. Miss Helen Rudd from the University of Chicago is the instructor in French, taking the place of Miss Helen Peck who resigned last spring.

Knox is fortunate in being one of the four colleges in the West with whom Harvard University has this year entered into an exchange of professors. Dr. A. B. Hart, Eaton Professor of the Science of Government was here during the month of February conducting classes in History and Government besides giving a series of lectures. Dr. G. H. Palmer, Alford Professor of Philosophy will be the exchange professor next year.

A new field has been opened up this year by a series of weekly lectures given by Dr. Raymond of the economics department on comparative national governments.

### FRATERNITIES

The fraternities at Knox are as follows:

Established.	Name.	Membership.
1856	Beta Theta Pi .....	22
1867	Phi Gamma Delta .....	20
1871	Phi Delta Theta .....	22

## THE CHAPTER

When school opened in the fall, twelve men responded to the roll call. We lost Brothers Karl Aldrich and Henry Prince by graduation; Brothers Orcutt, Perry, Stephens, and Downing have taken up university courses and Brothers Douglas and Lindner were unable to return.

We have received by initiation the following:

Noel E. Craig, '12, Kewanee, Ill.; Robert E. Jacobson, '14, Bishop Hill, Ill.; Edward L. Atkins, '14, Rock Falls, Ill.; Beecher C. Peterson, '14, Joliet, Ill.; Charles L. Burgoyne, '15, Andalusia, Ill.; John N. Gridley, '15, Biggsville, Ill.; Samuel M. Pollock, '15, Seaton, Ill.; Paul L. Porter, '15, Galesburg, Ill.; Mark D. McWilliams, '15, Abingdon, Ill.

Illinois Delta and Illinois Zeta united and gave the annual Christmas party in the Elk's Club, December 15, at which about sixty-five couples were in attendance. The two chapters also united for the Founder's day banquet. There were sixty-five present and after the banquet a model initiation ceremony was held, Charles Burgoyne being initiated.

## Honors

Brother Vernon Welsh, '13, was the winner of the state oratorical contest held at Jacksonville, Ill., November 10, 1911. This entitles him to represent Illinois at the inter-state contest to be held at St. Paul, Minn., in May. He is a member of the debating team which will go to Beloit April 19. He is also a member of Delta Sigma Rho, honorary, established here last year.

Brother Purington, '12, is the manager of *The Student*, the college weekly publication.

Brother Adams, '13, represented us on the junior prom committee.

Brothers Welsh, '13, and Gillis, '13, are members of *The Gale* board and the College Players' Club.

Brother Prince, '14, is president of the sophomore class.

Brother Roth, '14, is accompanist for the Glee Club.

Brothers Adams, '13, and Crawford, '15, are members of the college band.

### ATHLETICS

Brothers Slough, '12, Craig, '12, and Wilkins, '13, were members of the football team and Brothers Purington, '12, and Plantz, '14, were on the 'varsity squad. The team won the state inter-collegiate and "Little Five Conference" championship. Brother Wilkins was chosen as football manager for next season. Brother Craig was picked as a guard on the All-Illinois team.

Brothers Adams, '13, Craig, '12, Prince, '14, and McWilliams, '15, were members of the basketball team. Brother Adams was captain and Brother Craig manager. Brother Prince was chosen captain for next year.

Brothers H. Prince, '11, Aldrich, '11, Slough, '12, Craig, '12, Pratt, '13, I. Prince, '14, Orcutt, '13, Stephens, '14, were members of the baseball team last spring. Brother Aldrich captained the team. Brother Slough was chosen as captain and Brother Pratt as manager for the coming spring.

Brothers Adams, '13, and Gillis, '13, were members of the track team last spring.

Brothers H. Prince, '11, and I. Prince, '14, represented Knox in the conference tennis tournament last spring.

### ALUMNI NOTES

Brother Lewis Lillie, '10, was married June 14, 1911, to Miss Bertha Merrill of Avon, Ill. He is with the Williamsburg Insurance Co., Freeport, Ill.

Brother Karl Aldrich, '11, was married in October, 1911, to Miss Isel Rowen of Galesburg. He is managing a ranch at Stoutsville, Mo.

Brother Geo. W. Prince, Jr., '08, graduated from Harvard Law School last spring and has opened an office here in Galesburg.

Brothers John Hilding, '07, and John Ellis, '08, will finish their law course at Chicago University this spring.

Brother Ray Hinchliff, '09, formerly with the Hinchliff Lumber Co., is engaged in agriculture in Stanford, Montana.

Brother Harry Aldrich, '10, who has been studying at the Illinois University school of Architecture is now in the office with his father in Galesburg.

Brother Henry Prince, '11, is studying law at Harvard.

### CONCLUSION

Last October the fraternity published a chapter paper, *The Effort*, edited by Brother Pratt, telling of fraternity life at the

house, problems met with there, the part taken by the boys in college activities, news items, and bits of wit and humor concerning each member. These were sent out to the alumni as far as possible. The second number was issued in March.

In closing we request our alumni to notify the reporter of any change in address which may occur during the coming year. And we would greatly appreciate it if any Phis, who may know of good fraternity material among the men contemplating entering Knox, would notify us as soon as possible.

Illinois Delta extends a hearty welcome to all Phis who may be in the city.

## **ILLINOIS ZETA LOMBARD COLLEGE**

---

PHI DELTA THETA HOUSE,  
LOMBARD CAMPUS,  
GALESBURG, ILL., MARCH 20, 1912.

*Illinois Zeta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE COLLEGE**

Lombard, although somewhat handicapped by the absence of Dr. Fisher during the summer and part of the first semester, has been doing good work in the usual manner. Dean Reifsnider ably conducted the work during the president's absence.

Several additions have been made to the faculty. Dr. Wilson, a graduate of the science department of Cornell University has succeeded Dean Rich in the Chemistry department. The department of Elocution and Dramatic Art is making a fine showing under Miss Singer. Miss Singer has studied extensively in Paris and is a graduate of the University of Utah. She also has charge of the Physical Education Course for girls. Miss Chamberlain and Mr. Hodson, the former a graduate of Oberlin College and the latter of Lombard are the new instructors in the Conservatory of Music, taking the place of Miss Alice Brown. We also have been fortunate in acquiring the services of Professor K. E. Entemore in the history department. He received his degree at the University of Wisconsin.

Two oratorical contests will be held at Lombard this year, the Intercollegiate Oratorical Contest and the State Peace Contest. We also hold the annual debate with Augustana College, and as we have a very strong debating team, we feel that another honor will be added in this line.

Although the student body is a little smaller than usual, this year, the difference is more than exceeded by the enthusiasm of those who are here. Plans are being made for a school next year which will surpass anything that Lombard has known in the past.

### ATHLETICS

Lombard played a very successful football season of six games. Three of these were won, one resulted in a tie score, and the other two were lost. Knox was the only team able to decisively outplay us, and only one other college scored on us and that on a fluke. Brother Radcliffe captained the team for his second year. Other Phi's winning their "L's" were Brothers Leeper, Shinn, Bragdon, Brumfiel, Simmons, and Webster. Brother Bragdon was elected to captain the team for the coming fall.

The basketball season was in many ways a peculiar one. Lombard lost all but three out of the twelve regular scheduled games, but still was never defeated by an overwhelming score. In the State Tournament of Colleges, held at Bloomington, we succeeded in gaining fourth place, and sprung the biggest surprise of the meet. Brother Geo. Webster captained the team and was unanimously selected for the "All State" guard position. Brother Simmons was placed on the second team and Brother Bragdon also made his letter. The team was under the management of Brother Bragdon.

The prospects for a winning baseball team are very bright. Seven of last years team are in college, including Brothers Cropper, Radcliffe, Bragdon, George Webster and Pierce Webster. Brother Cropper will captain the team. Brother Hale is manager and has arranged a strong schedule of eighteen games.

### FRATERNITIES

Phi Delta Theta continues to lead in social and all branches of school activities. Pan-Hellenic relations are very good this year. The fraternities are as follows:

Established.	Name.	Members.
1878	Phi Delta Theta .....	12
1891	Sigma Nu .....	9
1872	Pi Beta Phi .....	13
1893	Alpha Xi Delta .....	12

### THE CHAPTER

Illinois Zeta returned ten men this year. Three men were pledged and have since been initiated. They are, George L. Chain, Bushnell, Ill.; Leroy C. Harvey, Galesburg, Ill.; and Dale Grolco Simmons, Galesburg, Ill.

The social life has been very pleasant this year. The annual formal party was held with Illinois Delta at the Elk's Hall on December 15. It was the social event of the year. Illinois Zeta has been host at several informal card and dancing parties, at the house, during the fall and winter.

### UNIVERSITY OF ILLINOIS

---

PHI DELTA THETA HOUSE,  
202 EAST GREEN STREET,  
CHAMPAIGN, ILLINOIS, MAY 12, 1912.

*Illinois Eta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### THE UNIVERSITY

The distinct advancement along all lines of collegiate activity which has in the past characterized this institution has in no wise abated since the writing of our last chapter letter. Indeed the past year has been an exceptional one for the school—new buildings have been and are being added, new movements are on foot, great improvement in the handling of affairs of various colleges has been noted, faculties have been strengthened, and several courses revised to advantage.

Lincoln Hall is now completed and being used for the advanced courses in the College of Literature and Arts. The political science, economics, and history libraries are all located in this building. It is without doubt the best looking building the campus affords. Men are now at work on the new School of Commerce building which is located between the Woman's Building and the Library also on the addition to the Woman's Building. Plans are almost completed for the new Armory which will be built at the south end of Fifth street on the ground now occupied by horticultural plots. Money has been subscribed for the building of a Y. W. C. A. house on the corner of John and Wright streets.

The Illinois Union has advanced with rapid strides and become quite a factor in university activities. The annual fall "Home-coming" was a great success again this year. It was held on November 25 when Illinois met Minnesota in football. Next fall the "Home-coming" will probably be held at the time of the Chicago-Illinois game. At the "Home-coming" in the fall of 1913 Illinois Eta is ex-

pecting all of her alumni back as she is going to celebrate her 20th anniversary.

The enrollment this year is larger than ever before being something over 5,000 and Illinois spirit has far outstripped the increase in numbers.

### ATHLETICS

The 1911 baseball team completed a very successful season, losing only one Conference game. This game went to Purdue, but it did not keep the Illinois team from winning the championship. With five of the best baseball players in school ineligible, the 1912 team has won all of its games and the prospects are bright for another championship.

After winning the dual meet championship in track the Illinois 1911 track team took fifth place in the Conference meet which was won by Missouri, a dark horse. Brother Cortis in the quarter-mile and Brother Murphy in the pole-vault both did splendid work. Brother Murphy was rewarded for his hard work by being given the captaincy of the track team for 1912. In the Indoor Conference meet this year which Illinois won the same two men again were stars.

Bad weather and a little bad luck kept the football team from again winning the western championship. The Chicago game was played in a drenching rain and the Maroons who were better prepared defeated us 24 to 0. The final game of the season at Home-coming time against Minnesota was also lost 11 to 0. The Illinois team which was outweighed about twenty pounds to the man fought like fiends and held the Gophers the first half, but the weight told in the second half and they scored. Many declared it the best game they had ever seen on Illinois field. Brothers Woolston and Davis both played a stellar game and Brother Woolston is captain-elect for 1912.

The basketball team which was led by Brother Woolston this year had a very unlucky season and they did not get going well until it was too late.

The swimming and water-polo teams again won the western championship, Brother L. Green doing some fine work toward bringing the title here again.

### FRATERNITIES

The number of fraternities at Illinois has been increased by the installation of a chapter of Alpha Delta Phi. The Pan-Hellenic organization, composed of the older fraternities, has been active since the beginning of the school year.

## ILLINOIS ETA

Eta, Kappa Sigma and Delta Tau Delta are com-

### THE CHAPTER

Last fall Illinois Eta returned twenty-one men, many of whom were prominent in the various college activities. With the assistance of Phis from other chapters who are attending the University of Illinois and the town Phis we had a very successful rushing season. Brother T. M. Downing of Illinois Delta and Brother R. D. Lanier of Alabama Alpha have been affiliated with Illinois Eta.

We take great pleasure in presenting the following brothers to the fraternity in general:

- R. A. Moss, '14, Mt. Vernon, Ill.  
E. D. Claycomb, '15, Sycamore, Ill.  
Ralph Green, '15, Chicago, Ill.  
F. A. Benitz, '15, La California, Argentina, S. A.

R. C. Spalding, '15, Fargo, N. Dak.  
 B. M. Spalding, '15, Fargo, N. Dak.  
 M. E. Kimmel, '15, Duquoin, Ill.  
 H. C. Holbrook, '15, Oak Park, Ill.  
 E. R. Broadbent, '15, Chicago, Ill.  
 Jacob Reininga, '15, Oak Park, Ill.

The annual alumni reunion was held on the day of the Minnesota-Illinois football game, November 25. An easy victory for Minnesota was expected and the strength of the Illinois team was a very agreeable surprise to all alumni. Eighty Phis were present for the banquet at the chapter house. Brother Melliush was toastmaster and short talks were given by Brothers E. S. Swigart, M. J. Trees, F. H. McKelvey, J. M. Lindgren, M. E. Nebeker, H. E. Cunningham, C. O. Clark, J. M. Haselwood and Lonsdale Green. Plans are now being made for the reunion in the fall of 1913. Brother Cortis heads a committee which intends to make that reunion, at which time we will celebrate our twentieth anniversary, the largest and best that Illinois Eta has ever had.

#### Honors

University honors which are held by members of the chapter are as follows:

#### 1912.

Herman Mohr, Phi Delta Phi.  
 C. W. Davis, 'Varsity football; Phoenix; Alpha Gamma Rho.

### Alumni Notes

Every year we make the same request of our alumni in regards to their changes of address and yet we have returned to us letters which we send out because some of them move and do not let us know about it. If you do not want us to send you *The Shout* tell us so and we will not waste postage stamps. Let's get together and keep a good card index so we can locate each other.

The following Illinois Eta alumni have been married since our last letter:

William Henry Eiker, '05.

William Harrison Burch, '09.

George Davis Beardsley, '09.

Arthur Wilson McKelvey, '09.

Ernest T. Ingold, '09.

Clyde Lynn Way, '11.

### CONCLUSION

Illinois Eta extends a most hearty welcome to all visiting Phis who may be in either Champaign or Urbana, and wishes for its alumni and sister chapters a season of much success.

Yours in the Bond,

JAMES GREENLEAF ALEXANDER,  
LAWRENCE ARTHUR POPE,  
JACOB REININGA.

# INDIANA ALPHA

## UNIVERSITY OF INDIANA

---

PHI DELTA THETA HOUSE,  
BLOOMINGTON, INDIANA,  
MARCH 28, 1912.

*Indiana Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

This year has seen another remarkable increase in the attendance of Indiana University. At the beginning of the school year, Biology Hall, a new \$120,000 structure was completed to relieve the over-crowded classes of the other buildings. Mitchell Hall which was formerly used as the girl's gymnasium, is now the headquarters for the Department of Music, which is a new addition to the curriculum of the university under the supervision of Professor C. D. Campbell and Mr. Paul Clements.

Just now we are quietly bending every effort toward securing a new gymnasium for men. For many years it has been realized that Indiana was sadly in need of a home for her athletics, and it was not until recently that we dared to hope for one. The university requirement that all freshmen must be enrolled in some form of athletic training or class drill has brought out an interest in athletics which was far greater than all expectations. It is thought that before the end of another college year, plans will be well formulated for a handsome stone structure.

### ATHLETICS

Much interest and enthusiasm has been shown this year in all branches of athletics. From a financial point of view, the athletic department will undoubtedly have a most successful year for almost twice as many season tickets have been sold this year than in any other year previous.

### **Football**

The football prospects at the beginning of the year were pure speculation—eight of the eleven members being inexperienced in playing in a varsity team, but after a round of good hard coaching at the hands of Brother "Jimmy" Sheldon, the team got together and made a very creditable showing. Brother Eli S. ("Jack") Jones, was a representative of Indiana Alpha on the team. Brother Jones was very severely injured in the first few plays of the Purdue game and has been unable to leave his home until quite recently. He will reënter the University at the beginning of the spring term.

For some time there was quite a little talk about Brother Sheldon not being with us next year, but it seems that it was all talk, and he will have charge of Indiana University's football team for the coming year.

### **Basketball**

At the beginning of the basketball season our chances looked far from bright. The four members of the team of 1911, who graduated, including Brother Hipkind (captain), left a big hole to fill. However, the team got into running order during the progress of the season, and made a very worthy record. Brother Freeland was forward and Brother Edwards a sub-forward.

### **Track and Baseball**

Like the football and basketball teams, the track and baseball teams will be composed for the most part of new men, whose showings thus far in practice have been good. Captain Andy Gill of the baseball team will finish his splendid athletic career on a team where he is the only veteran.

Captain Don Baase, the fast quarter-miler and an abundance of good track material are in school and a good track team is assured. Brother Clyde Morrison, the long distance runner, was recently elected captain of next year's cross country team. Brothers Jones and Shirk are also on the squad.

### **ORGANIZATIONS**

Among the university organizations there are first the broader ones as: Strut and Fret, (The Dramatic Society); the Debating Club; the Male Chorus; the Ladies Chorus and the Indiana Union. The latter organization is the one big democratic gathering of the

University—it being open to membership for all male students. The west end of the Student Building has been reserved for its use and a rest parlor, music room, reading room, billiard and pool parlor and barber shop have been equipped.

There are the following secret student organizations: Emanon, (a petitioner of Delta Kappa Epsilon); Wranglers; Independent Club; and Indiana Club.

The following are the non-student organizations: The Jackson Club; The Lincoln League; The Bacon Club; The Euclidean Circle; The English Club; Le Cercle Français; Goethe Gesellschaft; The History Club; The Philosophy Club; The Economics Club; and The Press Club.

### FRATERNITIES

There are nine fraternities and five sororities in the University. The list with date of their establishment and their numerical strength is as follows:

### THE CHAPTER

Indiana Alpha returned the following old men this year:

1912

F. W. Beck, Miller C. Kent, M. C. Kent, E. M. La Rue, P. R. Hawley, F. M. MacGriff, L. B. Rogers, D. O. Herold.

1913

M. L. Scott, R. W. Kent, H. J. Freeland, S. R. Edwards, F. A. Ramsey, Clyde Morrison.

1914

E. S. Jones, W. S. Haezlitt, S. S. Shirk, C. A. Beal.

We initiated the following:

1915

J. H. Maus, L. A. Corya, C. B. Wilson, L. S. Cravens, Sherman Minton, E. C. McGriff, H. P. Graessle.

### Honors

The following honors have been conferred on the active chapter:

F. W. Beck, Phi Delta Phi; Sphinx Club.

M. C. Kent, Phi Delta Phi; baseball team.

M. C. Kent, Alpha Chi Sigma.

P. R. Hawley, Phi Rho Sigma.

F. M. MacGriff, business manager, *Daily Student*; Tau Epsilon Pi; Press Club.

L. B. Rogers, *Arbutus* staff.

D. O. Herold, editor-in-chief, *Arbutus*; Press Club; Sphinx Club.

E. S. Jones, football team.

M. L. Scott, University Quartette; Chorus.

H. J. Freeland, basketball team.

S. R. Edwards, basketball team.

F. A. Ramsey, baseball team.

Clyde Morrison, track team.

Sherman Minton, debating team.

### INDIANA'S NEW CHAPTER HOUSE

In the fall of 1911 Indiana Alpha purchased two lots which face the campus on the north, and this was the start of the movement for a new home of her own. Since then the chapter house association has been active on plans for raising funds for building a \$25,000 house, and it is hoped and expected that the way will be made clear toward laying brick and stone before another school year starts.

In doing this, Phi Delta Theta is only keeping abreast of the other fraternities. Three others at Indiana have definite plans on foot, and Indiana Alpha feels that no other fraternity should have the edge on her in any particular.

### CONCLUSION

We take this means of thanking those of our alumni whom we have not been able to thank by personal letter for the kind assistance as to new men and other matters; and we earnestly hope that we may have their co-operation in the future.

Yours in the Bond,

INDIANA ALPHA.

M. C. KENT, *Reporter*.

**INDIANA BETA, ACTIVE CHAPTER, 1911-1912**

## INDIANA BETA

### WABASH COLLEGE

---

PHI DELTA THETA HOUSE,  
114 WEST COLLEGE STREET,  
CRAWFORDSVILLE, IND., MARCH 15, 1912.

*Indiana Beta of Phi Delta Theta to her Alumni and Sister Chapters,  
Greeting:*

#### THE COLLEGE

Wabash College entered upon the eightieth year of her existence September 21, 1911, and bids fair to have even a more successful year than those in the past. About 110 new students registered at the beginning of the college year, making a total number of students enrolled now about 325. This is a slight increase over the number enrolled last year.

During the summer vacation the appearance of the College Campus was materially improved by the construction of new concrete walks. The condition of the College Gymnasium is also much better than it was last year. New shower baths have been installed, and the heating facilities have been greatly improved.

The student body was deeply shocked during the latter part of the winter term by the death of Mason B. Thomas, head of the Botanical Department and Dean of the Faculty. Professor Thomas' ability as a Botany teacher was well recognized and his loss will be keenly felt by the college. Mr. Jacob Schramm, of the Shaw Botanical Gardens at St. Louis, Mo., will have charge of the department during the remainder of the college year.

Professor L. H. Gipson has charge of the History Department, the head of which was made vacant last year through the resignation of Professor Duff.

Professor Francis Daniels, head of the Department of Romance Languages, is away on leave of absence. Professor Daniels is one of the two men receiving the Kahn Traveling Fellowship, and is at present making a tour through Europe. Professor H. V. Wann has taken the position as head of the Department during his absence.

Brother C. M. McDaniel, Wabash, '85, was reelected alumni trustee of the college last June.

ORATORY

In the field of oratory at Wabash, Phi Delta Theta has held the lion's share of honors. Brother Price secured first place in the State Oratorical Contest at Indianapolis, February 24, 1911, competing with the representatives of six other Indiana colleges, and fifth place in the Interstate Contest at Sioux City, Iowa, in May. In this contest his manuscript ranked first.

The varsity debating team was an All-Phi team, composed of Brothers Hays, Carrithers, and Davidson, with Brother L. Roberts as alternate. Brother Hays represented Wabash in the State Prohibition Contest held at De Pauw University April 21, 1911, and won second place. Brother L. Roberts was successful on the Commencement Debate team of 1911. Brother Carrithers won second place in the Sophomore Declamation Contest and Brother Davidson took first honors in the Freshman Contest.

On November 22, 1911, in the Day Oratorical Contest, which is a preliminary for the State Oratorical, Brothers Hays, Carrithers, and Davidson represented Indiana Beta, Brother Davidson winning second place. Phi Delta Theta repeated its feat of last year by again securing an All-Phi Varsity Debating Team, composed of Brothers Hays, Roberts, and Davidson, with Brother Carrithers as alternate. In the Prohibition Contest, held March 12, 1912, Brother Hays won first place, and will represent Wabash in the State Contest which will be held at Crawfordsville, April 12.

We take pride in saying that Indiana Beta has men in every contest for the year.

ATHLETICS

The baseball season of 1911 was one of the most successful in the history of Wabash. A large majority of games were won, and several unusually strong teams defeated. Brothers Carrithers and Wakely were members of the squad.

Indiana Beta was well represented upon the 1911 Track Team by Captain Elliott in the hurdles, Brother Cravens in the weight events, and Brother Kingery in the distance events. Wabash won one dual meet and took second place in the State meet, the I. C. A. L. meet, losing the latter by six points.

In spite of the serious handicaps attending the opening of the football season, Wabash again played the consistent, dashing game which has earned for its teams the name of "Little Giants". Four victories, two defeats, and one tie proved the calibre of the team.

Brother Cravens played a remarkable game at center and Brother Wakely at end until an injury forced his retirement from the game. Brother Carrithers was assistant manager of the team.

With only one regular in College the outlook for a winning basketball team was indeed gloomy. At the beginning of the season just closed, however, more than a creditable showing was made.

When indoor baseball practice began this winter, nearly an entire team of old men reported. A fine schedule, including a number of games with Big Eight teams, has been arranged, and all indications are for great victories this spring. Brother Wakely is Indiana Beta's only representative on the team.

In the coming track season, Brothers Kingery, (Captain), Cravens, Gavit, Smith and Morey will be considerable factors in what promises to be a strong team.

Great credit is due Brother J. C. Harper, Illinois Beta, '06, now Coach of all athletic teams, for the showing maintained by Scarlet representatives.

#### MUSIC

The Wabash College Glee Club, one of the best known in the State, has already given a number of concerts for the season of 1912. Everywhere the Club has been highly commended. Indiana Beta is represented by Brother Spohn on the quartet and Brother Russell on the mandolin club.

#### DRAMATICS

High among the college activities ranks dramatics and Phi Delta Theta has manifested unusually strong interest in this field. Casts

for the Wabash College Dramatic Club productions are selected by tryouts, open to club members. Brothers L. Roberts and Davidson had parts in the two plays given February 28, 1911, and Brothers L. Roberts and Banta in the "Three Hats" casts of May 24, 1911. In the three plays given December 13, 1911, Brothers Carrithers, Lynn Craig, L. Roberts, Davidson, Maxwell, and Duncan handled leading roles. Indiana Beta was represented in the Greek play, presented Commencement week, by Brother Kingery, with Brother Spohn in the chorus.

The following brothers represent this chapter in plays which will be given later in the year: The Greek Play, Brothers L. Roberts and Maxwell; "House of a Thousand Candles," Brothers Carrithers, Maxwell, Davidson, and L. Roberts; Senior Minstrel and Musical Comedy, Brothers Cravens, Kingery, L. Roberts, Spohn, Smith, and Gavit. The musical comedy was written entirely by Brother Russell.

### JOURNALISM

Journalistic work at Wabash embraces the publication of *The Bachelor*, a semi-weekly college newspaper and *The Wabash*, a monthly magazine.

Brother Kingery is Athletic Editor of *The Wabash* for 1911-12, and Brother Carrithers has been elected Business Manager for the same for 1912-13.

*The Bachelor* is published by the Press Club. Membership to this club is given only to those students who show unusual ability in journalistic work. Brother Price is Editor-in-Chief and Brothers Carrithers and Hays are Associate Editors.

### FRATERNITIES

The fraternity situation has changed but little since last year, and on the whole a very good feeling has been manifest between the different chapters. At the first of the year fraternity politics were somewhat in evidence, but due to the action of Phi Delta Theta and others, this tendency was restrained by the Pan-Hellenic council.

Of the six fraternities at Wabash, three, Phi Delta Theta, Phi Gamma Delta, and Beta Theta Pi, own their chapter houses, while Delta Tau Delta, Kappa Sigma, and Sigma Chi, still rent. Kappa Sigma, at the first of the year, moved into a better house.

Wabash supports two honorary fraternities, Phi Beta Kappa, and Tau Kappa Alpha.

A very strenuous fall rush resulted as follows: Beta Theta Pi, 9; Phi Gamma Delta, 8; Delta Tau Delta, 6; Kappa Sigma, 6; Sigma Chi, 8; and Phi Delta Theta, 11.

The following are the fraternities at Wabash, in order of establishment, with membership:

Established.	Name.	Members.
1848	Beta Theta Pi .....	23
1850	Phi Delta Theta .....	24
1886	Phi Gamma Delta .....	18
1894	Delta Tau Delta .....	13
1895	Kappa Sigma .....	21
1909	Sigma Chi .....	22

### THE CHAPTER

Thirteen old men returned at the opening of the present college year. Brother Walker Marshall, '12, of Indiana Delta has been affiliated. A very successful rush resulted in the pledging of eleven Freshmen and one Sophomore, several of whom had received propositions from other fraternities. We take great pleasure in presenting the following Brothers: Frank Ostrom Maxwell '15, Crawfordsville, Indiana; James Gordon Steinbaugh, '15, Kingman, Indiana; Bernard Campbell Gavit '15, Hammond, Indiana; Gerald Percy Smith '15, Rochester, Indiana; Charles Elliott Roberts '15, Carlisle, Indiana; Ross M. Halgren '15, Oxford, Indiana; Floyd Kimes Russell '15, Frankfort, Indiana; Lee Bogart Morey '15, Clinton, Indiana; Mark Lindsey Duncan '15, South Bend, Indiana; Maurice Merrill Mummert '15, Goshen, Indiana; John Everett Wakeley '14, Danville, Illinois.

Last June five of our best men received degrees. They were: Lloyd Hayes Davis, A. B.; Lawrence Evans DeVore, A. B.; William Robert Higgins, A. B.; Harold McCorkel Johnson, A. B.; Thad Spindel McCulloch, A. B.

Brother James Bert Garner, '93, Ph. D., is head of the Department of Chemistry. Brothers T. H. Ristine, '65, and C. M. McDaniel, '85, are Trustees of the College.

Marion Davidson, Crawfordsville, Indiana, and Thomas B. Noble, Jr., Indianapolis, Indiana, have been pledged for next year.

Brother Joe Allen Swope and Phikeia Paul Buchanan have withdrawn from college during the current year.

During the summer vacation the interior of the chapter house

was decorated throughout. Every room was remodeled and decorated. A partition was torn down and another room was added to the dining room. A new table was installed, large enough to accommodate thirty men, making an ideal combination for banquets, etc. New furniture was purchased for the study rooms on the second floor, and beds were moved to the third story, where we have established an excellent dormitory.

We had the pleasure of entertaining a number of alumni at our alumni lunch given in our new dining room on Alumni Day, October 15th. It was a marked success, enjoyed by both the alumni and the active chapter, and a schedule of alumni smokers to be held at the Indiana Beta chapter house was arranged, which it is expected will arouse anew the fraternal interest of our alumni.

The regular fraternity meetings are held each Wednesday evening at 7 o'clock.

#### Honors

Indiana Beta has adopted a new ruling which demands that every Freshman shall enter two or more branches of college activities, these branches to be selected by him, i. e., he may choose one branch of athletics and one of literary work, two branches of either, go out for the Press Club and Glee Club, or arrange any other combination for which he thinks he is best adapted.

The honors held during the past year by the men now active in the chapter are as follows:

L. L. Roberts, '12, Dramatic Club Plays; Captain, Lyceum Commencement Debating Team; Varsity Debating Team; Vice-President Dramatic Club; President, Lyceum Literary Society; Greek Play Cast "Another Adam".

H. C. Hays, '12, Captain, Varsity Debating Team; Press Club; Day Orator; Associate Editor *The Bachelor*; Second Place State Prohibition Contest 1911; Wabash Representative, State Prohibition Contest 1912; Student Debate Council; President, Lyceum Literary Society; Tau Kappa Alpha.

F. G. Davidson, '14, Varsity Debating Team; First Place Freshman Declamation Contest; Dramatic Club; Second Place Day Oratorical Contest; Tau Kappa Alpha.

G. H. Steinbaugh, '14, Sophomore Basketball Team; Class Champions.

L. Craig, '14, Freshman Declamation Contest; Dramatic Club Play.

J. E. Wakeley, '14, Varsity Football Team; Varsity Baseball Team.

M. L. Duncan, '15, Dramatic Club Play.

B. C. Gavit, '15, Varsity Track Team; Second Place, Cross Country Run.

F. O. Maxwell, '15, Dramatic Club Play; Greek Play Cast; Freshman Basketball Team.

M. M. Mummert, '15, winner of college tennis tournament.

F. K. Russell, '15, Glee Club; Mandolin Club; Author, Senior Minstrel Comedy, "Another Adam."

### SOCIAL

Indiana Beta's social life, while limited in the number of events, has nevertheless been very successful. The rush dance, given in the Masonic Temple September 23, was attended by forty-five couples, fifteen Freshmen being present, with eleven of them wearing Phikeia pins. Phi Delta Theta opened the Christmas festivities December 9th with a dance at the Temple, followed by a party at the Chapter House, which was decorated in holiday attire. The chaperons were Past P. G. C. and Mrs. S. K. Ruick. The first dance of the Winter Term was given January 12. On the evening of February 9, a

dinner party and informal reception dance were tendered Brother Jesse C. Harper and bride. Brother Harper, who is Coach of Athletics at Wabash, was married February 5th to Miss Melville Campbell of Wichita, Kansas. The annual Pan-Hellenic Dance was given by the six fraternities at Wabash on the evening of March 1, and was the most successful Pan Dance in the history of the college. Brother Kingery was Chairman of the Pan committee and fifteen men represented the local chapter of Phi Delta Theta.

### CONCLUSION

We wish to urge the alumni of Phi Delta Theta to notify the Alumni Reporter, M. S. Leaming, 1826 Republic Building, Chicago, Ill., from time to time of any change in address of members of the Fraternity at large or give any other information that may be of assistance in keeping our record accurate and complete.

The present address of the following members is unknown; the address given is the last one known. If any person who sees this list knows the present address of any of these men they will confer a great favor upon the chapter by sending same to Brother Leaming at his address above. They are:

John Andrew Allison, '77, Indianapolis, Indiana.

Ross Leroy Bryant, '04, Spanish Ranch, Cal.

Rev. Andrew L. Butner, '71, Long Creek, Tenn.

Rev. Henry D. Deam, '80, Chicago, Ill.

John William Fink, '86, St. Louis, Mo.

Samuel H. Gilbert, '00, Evansville, Ind.

Charles O. Hastings, '77, Vevay, Ind.

Dr. Frank Collett Jones, '88, Chicago, Ill.

Charles J. Laval, '00, Aff. Ind. Theta.

Aaron A. McDonald, '59, San Diego, Cal.

Horace Meisenhelder, '01, Palestine, Ill.

Rev. Enos McP. Robinson, '88, Chicago, Ill.

Lewis H. Rogers, '83, Kansas City, Mo.

George T. Stuart, '83, Chicago, Ill.

Harry Corwin Thomas, '93, Dayton, Ohio.

William P. Wilson, '78, Colorado Springs, Colo.

All alumni will please notify the Chapter of any men who intend to enter college or of any men who should come to Wabash. We feel that the success of the Chapter depends upon the interest shown by the alumni. It was through the efforts of the

alumni and the splendid work of the Committee on Membership, that the Chapter obtained such an admirable bunch of new men this year.

Indiana Beta extends a most hearty welcome to all visiting Phis.

## BUTLER COLLEGE

---

PHI DELTA THETA HOUSE,  
EMERSON AVE., and E. WASHINGTON ST.,  
IRVINGTON, IND., MARCH 15, 1912.

*Indiana Gamma of Phi Delta Theta to her Alumni and Sister Chapters, Greeting:*

### THE COLLEGE

At the beginning of Butler College's 57th year, there were several changes in the faculty. Professor James Brown was appointed to the chair of the Chemistry and Physics Department to succeed Professor Richard B. Moore who resigned to take a position in the Bureau of Soils at Washington. Professor Randall succeeded Professor Christopher Coleman as head of the History Department. Professor Coleman was granted a leave of absence so that he might attend Columbia University for a year. Professor Henry Lane Bruner returned after spending a year at the University of Pennsylvania. President Thomas Carr Howe was granted a leave of absence of three months at the close of the Fall Term, by the Board of Directors. Professor Kenyon became acting President and Professor Liddell of Columbia took Professor Kenyon's classes in English.

The faculty announced at the beginning of school, that hereafter no Greek letter society could initiate new members until they had successfully completed two term's work, or had made six majors. This ruling although very good in a way, was not very well received by the fraternities and sororities, and in the initiative has proved itself to be more of a hindrance than help. We are confident that after the newness of it all has worn off, we can successfully abide by it.

The honor system instituted last year has been a success, and a student council has been established to further aid the system.

During the summer many changes and needed repairs were made

in the buildings. A new toilet room for the men was built, and new shower baths and steel lockers with combination locks were installed in the Gymnasium. A new Physics Laboratory was equipped, using the rooms formerly occupied by the Athenaeum Society.

### ATHLETICS

The basketball team this year had a successful season, winning a majority of its games and finishing high up in the race for the secondary championship of Indiana. Brother Thomas and Phikeias Richardson, Kennington and Hutchings were members of the team. Brother Thomas made a place on the all-state team, which was due recognition of his ability as a player.

The football team ended a most successful season on Thanksgiving day, playing Rose Polytechnical Institute, at Indianapolis. This was a hard fought game throughout and the score was 6 to 5 in favor of Butler until the last two minutes of play when "Rose Poly" scored a touch-down on a fluke. Brothers Thomas (Captain), Lewis, Bailey, Logan, and Phikeias Summerlin, Brayton, Tucker were members of the team. Brother Lewis was elected captain of the 1912 team.

In tennis Brothers Thomas and Baker defeated all comers and won not only the championship of Indiana, in doubles and singles, but also that of Ohio and Kentucky. As these men are in school again this year and with the addition of Phikeia Richardson who is also of championship caliber, the prospects for a repetition of last year's success is anticipated.

The baseball team did not have a very successful season but showed up better than the teams of previous years. Brothers Bailey, Lewis, Leech, Baker, Logan and Parker were members of the team. With most of last year's team back again and with the addition of several new players of ability, the prospects for a strong team this year are very bright. Brother John Cullen was the coach.

Brother Thomas who finishes his career as a participant in college athletics this year, has been appointed by the faculty, as coach in all departments of athletics at Butler.

### FRATERNITIES

The fall rush was a strenuous one and Phi Delta Theta succeeded in pledging the best of the new men. The following are the fraternities and sororities at Butler in the order of their establishment:

Established.	Name.	Active.	Pledged.
1859	Phi Delta Theta .....	10	8
1872	Delta Tau Delta .....	13	8
1879	Sigma Chi .....	1	5
1878	Kappa Kappa Gamma .....	13	7
1897	Pi Beta Phi .....	11	13
1906	Kappa Alpha Theta .....	14	14

### THE CHAPTER

Ten of last year's men returned to school last September:—Cullen Thomas, Lee Moffett, Leon Logan, Robert Hamp, Everts Johns, Mayne Parker, Enos Baker, Ernest Hunt, Edwin Lewis, and Maxwell Bailey. The following men are pledged: Grover Little, Harold Summerlin, Robert Kennington, Alembert Brayton, Albert Tucker, Rexford Pruitt, Thomas Richardson, and Willard Hutchings.

Epsilon Province Convention was held in Indianapolis, March 15-16, and the chapters in the province were bound closer together. The convention was well attended, as was the smoker and banquet, where the spirit of brotherhood ran high. The dance given at the Claypool was attended by about 150 Phis and their fair friends. It was one of the grandest social events of the year.

On Sunday afternoon the chapter held open house at the Chapter house in Irvington, for the convention visitors, friends, and parents of the brothers. It was well attended and an enjoyable time was had.

### Honors

George Cullen Thomas, student representative athletic committee; captain, football team; basketball team; track team; tennis champion; class treasurer, Chemistry Club; vice-president, "Butler Union"; director of athletics in 1912.

Lee Moffett, business manager of *The Butler Drift*; *Collegian* staff.

Leon Logan, assistant in chemical laboratory; member of student council; president, Philokurian Society; football; baseball; manager, baseball team; president of Chemistry Club.

Robert Johannis Hamp, Varsity male quartette; track team; president, Dramatic Club; Director of Music; secretary of "Butler Union".

Everts Johns, *Collegian* Staff; captain, track team; Chemistry Club.

Mayne Parker, assistant in chemical laboratory; baseball team; Chemistry Club; *Collegian* Staff.

Enos Baker, tennis team; baseball team; Chemistry Club.

Ernest Hunt, manager, basketball team; track team; Delegate to State Oratorical Association.

Edwin Lewis, captain elect, 1912 football team; baseball team; treasurer, class 1914.

Maxwell Bailey, basketball team; baseball team; football team; Chemistry Club.

### CONCLUSION

We sincerely hope that by means of this letter, Indiana Gamma will be brought into closer touch with her alumni and sister chapters. We feel that our success is in a large measure dependent upon the interest our alumni and sister chapters feel in us and wish to extend a hearty invitation to our alumni and to members of our sister chapters to visit us in our chapter house.

## INDIANA DELTA

### FRANKLIN COLLEGE

---

PHI DELTA THETA HOUSE,  
FRANKLIN, INDIANA,  
MARCH 28, 1912.

*Indiana Delta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### THE COLLEGE

Franklin College is still rejoicing and incidentally prospering through the advent of Dr. Elijah A. Hanley as president of the college. Dr. Hanley is an alumnus of Franklin College, graduating in the class of 1895, receiving the A. B. degree. He obtained his A. M. degree in 1896 at Brown University and later attended the University of Chicago Divinity School. In 1903 he received his D. D. degree from Franklin College. Since 1907 until the opening of school last fall, President Hanley was the pastor of the First Baptist Church at Providence, R. I. Dr. Hanley is recognized as one of the strongest and ablest men in the Baptist denomination in the United States. With such a man at the head of the institution, the students and alumni, familiar with the situation here, are confident that Franklin College will rapidly achieve recognition as one of the best smaller colleges of the United States.

There have been few changes in the faculty since last year. Professor F. D. Simonds has resigned and Professor H. C. Tilton is very ably filling his place in the Department of Education. Last year Professor (Brother) F. H. Hodge, Maine Alpha '94, succeeded Professor R. J. Thompson in the Mathematical Department. During the spring term Professor (Brother) Paul Van Riper, Indiana Delta '07, taught Pedagogy.

Apparently recognizing the efficiency of the faculty and the numerous advantages of Franklin College, together with the financial aid which has been pledged to the institution through the efforts of Dr. Myron W. Haynes, financial agent, students have been coming in increased numbers. The enrollment this year exceeds that of

last year, and indications are that next year Franklin College will have the largest enrollment in its existence.

### ATHLETICS

Franklin has made a very creditable showing in athletics the past year, when considering the circumstances. Last spring the baseball team won half of the games played, with Brother Ritchey, captain and pitcher. Our record in football last fall is not so good as we only won two out of six games. This showing was due to the fact that we were without a team the previous year, and a practically new team had to be built of green material. Our basketball team this winter under the leadership of Brother McQuinn, captain and manager, was the best ever turned out at Franklin, having won twelve games out of sixteen. This record justly placed Franklin high in the state secondary championship standing.

### THE CHAPTER

Although only ten old men returned to the chapter last fall, we have been enjoying another very successful year. We lost last June by graduation: Brothers Brown, Ritchey and Brewer. Brother Clay is attending the University of Pennsylvania; Brother Corbett is in Washington and Jefferson College and has affiliated with Pennsylvania Gamma; and Brother Harris was unable to return to school. After a year's absence Brother Warren Hall returned to school as a senior.

Last commencement we entertained a large number of our alumni at a smoker. The chapter house proposition was discussed, and renewed interest has been taken in the project with the signing of a number of new notes. We expect to have a very encouraging report in regard to a chapter house of our own to make to the national convention next fall at Chicago.

A number of the local alumni and members of the active chapter attended the annual Founders' Day—Epsilon Province Convention Banquet on March 15th at Indianapolis, Ind.

Indiana Delta records with deep sorrow the death of two of our prominent alumni this winter, namely: Brother Samuel Hill Thompson '84, of Richmond, Va., a prominent lecturer, clergyman and author, and Brother Frank F. Martin '95, treasurer of the Indiana Trust Company in Indianapolis, Ind.

Since our last letter we have initiated and wish to present to the

Fraternity: Brothers John Jopling, Lewis McQuinn, Harold Overstreet and Leroy Cooke of Franklin, Indiana. The prospects for new men next fall are very bright for this time of the year.

Indiana Delta is still holding a high position in all lines of college activities, as well as improving our scholarship above that of last fall. On March 8th, we gave our Annual Formal which consisted of a Theater Party to Indianapolis. After witnessing Billie Burke in "The Runaway," at English's Opera House, we retired to the Hume-Mansur Garden where a sumptuous banquet was served. Brother and Mrs. Edwin Deming chaperoned the party.

### Honors

The honors that have been gathered by Indiana Delta for the past year are listed below:

#### 1912

Warren Hall, managing editor of *The Franklin*; executive member of Student Council; delegate to State Oratorical Association.

Warren Yount, Scientific Association; manager, football team '11.

#### 1913

Clarence Hall, baseball team '11; football team '11; Y. M. C. A. cabinet; business manager of *Junior Annual*; representative to State Oratorical Contest.

Robert Todd, treasurer of The Franklin Publication Board of *Junior Annual*.

Phikeia Lee Williams, football team '11; Y. M. C. A. cabinet; assistant editor-in-chief of *Junior Annual*.

#### 1914

Walter Hobbs, football squad '11.

Lewis McQuinn, football team '11; captain and manager of basketball team '12; executive member of Student Council.

Donnell Miller, president of sophomore class; baseball team '11; football team '11; reporter on *The Franklin*.

#### 1915

Le Roy Cooke, basketball squad '12.

Phikeia Clayton Pritchard, president of freshman class.

Phikeia William Crowell, football team '11.

**CONCLUSION**

On behalf of the chapter we wish to extend our appreciation to our alumni for the support that they have given us the past year along the lines of friendly advice, in recommending new men, and in the interest manifested in the chapter house movement. With the continual and added help and support from our alumni, we expect to be in our own house in a reasonably short time.

We suggest that you look over our alumni list, and any corrected addresses will be gratefully received by the reporter. It will also be of great assistance to us if you will advise us of any desirable men that will enter Franklin this fall.

With the best of wishes to our sister chapters and brother Phis, we are,

Yours in the Bond,

WARREN S. HALL,

DONNELL D. MILLER,

N. CLARENCE HALL,

## HANOVER COLLEGE

---

PHI DELTA THETA HOUSE,  
HANOVER, IND., MAY 2, 1912.

*Indiana Epsilon of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE COLLEGE

Hanover College has made still more progress during the past year. It has an increased enrollment of 12 per cent and shows signs of improvement on all sides. President W. A. Millis has been working on an addition of \$200,000 to the endowment. We are represented on the faculty by Brother H. C. Montgomery, '80. Several new branches have been added to the already extensive curriculum. An important modification of the system of instruction in the college has been the abolition of the old degree of Bachelor of Science and a re-arrangement of courses so that all lead now to the one degree of Bachelor of Arts. Electives in all courses have been grouped so that students can choose their courses to much greater advantage. This year was marked by the introduction of self-government among the co-eds rooming at the Point House, the main dormitory for women. An Audubon Society has recently been organized among the students and will co-operate with the Indiana Audubon Society which holds its annual meeting here this month. Dr. Harvey W. Wiley, the distinguished pure food man and an alumnus of Hanover, will deliver the Commencement address on June 12.

Our Glee Club during the last season has made a tremendous success under the skilled direction of Professor Donald R. Belcher. During the season the club traveled about two thousand miles, giving twenty-eight concerts before large audiences in cities and towns of Indiana, Kentucky and Illinois. The club received unlimited praise from every concert and we can truly say that our club excels any other college glee club in the state as to real music, variety of entertainment, number of concerts and financial success. In several

places where we competed against the glee clubs of other colleges we received unanimous decisions of the superiority of our club over clubs from Indiana University, Franklin, Wabash and DePauw.

### ATHLETICS

Owing to the lack of a competent coach, our athletic teams have been working against exceptionally bad luck.

The football team disbanded early and left the schedule to be finished by the second team.

Brothers McLaughlin (captain), Mann, and Kehoe, varsity men, were unable to play for various reasons, but Brothers Knight and K. Montgomery starred for the team in the various games. Brother C. Montgomery, although out of the game from injuries, played in the games, though without practice.

The basketball season started with an abundance of material. The fellows got together and won several games, until interference of the coach broke up the spirit of the team and a failure of team work and the loss of the remaining games resulted. Brother Mann as captain and guard led his men well and Brother Kehoe starred at forward. Brother C. Montgomery was assistant manager of the team.

Our prospects for baseball this spring are very good. A fine schedule has been arranged by Brother Kehoe and the material for a good team is being developed. We are represented on the team by Brothers Kehoe and McLaughlin.

The inter-fraternity tennis tournament of last spring was won by Brothers Mann and Kehoe. In the inter-class track meet we have representatives in all classes.

A cross-country team has been organized and the men are showing great form for this time of year.

### THE CHAPTER

During the last year, our second in the chapter house, we have made many improvements about the house and grounds.

The house is surrounded by shade trees in the most beautiful part of the town and is a very desirable location for a fraternity house, being at the edge of the athletic field and campus.

We lead all the other fraternities in scholarship, athletics, literary and journalistic work of the college and are represented in all branches of college affairs. We have only eight men in the active chapter, but all are active in student and college affairs.

## **INDIANA ZETA DEPAUW UNIVERSITY**

---

PHI DELTA THETA HOUSE,  
GREENCASTLE, IND.,  
APRIL 1, 1912.

*Indiana Zeta of Phi Delta Theta to her Alumni and to Sister  
Chapters, Greeting:*

### **THE UNIVERSITY**

With the close of the first semester of the year 1911-1912, De Pauw had finished a successful campaign to raise the endowment of the University. The Rockefeller education board had offered the school \$100,000 on condition that \$400,000 additional be raised before the close of the year 1911. Under the efficient leadership of Dr. Salem B. Towne and Cyrus U. Wade, more than the required \$400,000 had been raised before Christmas of 1911. It was a great victory for De Pauw.

A number of additions will be made to the faculty next year. Professor Longden, who has been away on a leave of absence, will be back at the head of the department of German. "Cotton" Berndt has succeeded Robert C. Tapp as athletic director. The endowment which has just been raised will be used exclusively for the enlargement of the faculty and a number of new courses will be offered.

President McConnel is gradually raising the standard of the University—De Pauw now is one of the strongest schools in the second class. The amount of work required of the students in many of the departments has been considerably increased. De Pauw has changed from the three-term plan to the semester system.

The University grieves the loss of one of its respected trustees, the late Harry Whitcomb, of Shelbyville, who died in the late fall of 1911. The Alumni have not yet selected anyone to fill the vacancy left by Mr. Whitcomb.

The enrollment of all departments this year reaches the 1,050 mark. The only thing that can cast a gloom over the prospect for

a successful year in 1912-1913, is the fact that Dr. McConnel is being talked of as a bishop in the Methodist Church, however, all things seem to promise a year as successful as the past.

### ORATORY AND DEBATING

Winner of the Indiana State Oratorical contest was De Pauw's good fortune this year. Ralph Bollman, De Pauw's orator will represent the Indiana Colleges at the Interstate Oratorical contest which is to be held in Northfield, Minnesota, on May 17th. Brother Scott Brewer will accompany Bollman to this contest as delegate from Indiana to the Interstate Oratorical Association.

This year De Pauw has entered a new oratorical league called the Indiana-Ohio Oratorical Association which consists of Butler, Miami, Ohio University, and De Pauw. Claude Anderson will represent De Pauw at the contest which this league will hold at Butler College on May 10th.

De Pauw will hold a dual debate with Indiana University on May 16th. The teams for this debate have not yet been chosen, but no doubt Brother Scott Brewer will be one of their number. Brother Allan Moore won second prize in the local Peace Oratorical contest, first prize being won by Merrill Lester, who will represent De Pauw at the State contest at Earlham College, May 19th.

### ATHLETICS

Although De Pauw had some bad luck in football last fall, yet she had one of the best teams that has been on McKeen field in several years. Under the coaching of "Cotton" Berndt, a member of last year's Indiana varsity, the team played some exceptionally good football. Indiana was held to a score of 9-6, the lowest score in years, and Wabash was held to a 0-0 score on her home field. St. Louis University was also held to a 0-0 score at St. Louis. Coach "Cotton" Berndt is proving to be one of the best and most popular coaches De Pauw has ever had.

The basketball season was also an unlucky one in many respects, the cause for this being the lack of a convenient gymnasium in which to practice. However, the future of the baseball team is much more promising. Already a squad of about thirty men is practicing in the gymnasium and the season promises to be one of the best in the history of the school. Brother Mintzer is working out with the pitching staff and Brother Hawthorne with the infielders. Also

indoor track practice is being held under the direction of Coach Berndt and Captain Summerville.

Indiana Zeta has not fallen short of her usual number of men represented in athletics. Brothers Hawthorne, Bittles, Grady, and Mintzer were all steady players for the Old Gold and Black during the football season. Brother Hawthorne was also at his old position at guard on the basketball team. Owing to parental objection Brother Cook was unable to take his place at end on the football team. This was a great loss to the team for Brother Cook was considered one of the strongest "D" men to return this year.

The I. C. A. L. track meet will be held at De Pauw this spring and De Pauw expects to pull down its usual number of points in the various events. Brother Hawthorne will probably compete in the weights and Brother Smith on the track.

### FRATERNITIES

There are chapters of nine national fraternities at De Pauw; all of them with the exception of Beta Theta Pi and Sigma Nu own the houses which they occupy. Early in October the Greek-letter men held their annual smoker at the Phi Delta house to welcome Coach Berndt. Informal talks, music, and a few vaudeville numbers composed the very successful program of the evening.

Eight national sororities have chapters in De Pauw. The fraternities and sororities with the dates of their establishment and their numerical strength appear below:

Established.	Name.	Members.
1845	Beta Theta Pi .....	24
1851	Phi Gamma Delta .....	21
1859	Sigma Chi .....	20
1865	Phi Kappa Psi .....	19
1866	Delta Kappa Epsilon .....	26
1868	Phi Delta Theta .....	20
1882	Delta Tau Delta .....	21
1887	Delta Upsilon .....	24
1890	Sigma Nu .....	26

### Sororities

1870	Kappa Alpha Theta .....	34
1875	Kappa Kappa Gamma .....	35
1885	Alpha Chi Omega .....	37

1887	Alpha Phi .....	25
1907	Alpha Omicron Pi .....	28

#### GLEE CLUB

The De Pauw University glee club has just finished its final engagement of the season of 1912. Under the direction of Dean McCutcheon and Professor Barnum the club has had an exceptionally good year. Indiana Zeta was represented this year by Brother Scott Brewer as manager and Brother Copelin, second bass.

#### THE CHAPTER

Indiana Zeta last fall returned every initiated member of the chapter with the exception of the five graduates. The chapter greatly regretted the loss of these five men and yet they were proud to see so strong a class of men graduate. Among them Brother Shirley Rhea was honored with the presentation of a Phi Beta Kappa key. He not only graduated from the school of liberal arts, but also from the school of music, being the second person ever to have graduated from both. The other four men are Brothers Bodley Dicks, Edwin Thomas, James Boyce, and William Raub. Each of these men has been influential in upholding the high standards of the chapter.

The *Mirage*, De Pauw's annual, is being financially managed

this year by Brother Letzler; also, Brothers Donald Brewer and Paul Guild are on the staff.

Never has the chapter witnessed more unity than this year. Brother Donald Brewer with the aid of the rushing committee already has a large number of new men lined up for next fall. The chapter has so far this year had two smokers for new men who were visiting. The freshmen are under the same rigid studentship rules and the chapter's report in studentship at the end of the year promises to be higher than it has been for years. Preparations are now being made for an Alumni banquet to be held at the chapter house during commencement week. Already Brother Scott Brewer has the promise of many of the alumni to be present at this time.

Although the present freshmen class is small in numbers, yet every member is a hard worker and is representing the chapter in some line of activity in the university. The following men were initiated last fall: Brothers Eugene Underwood, Clyde Allen, and Asa Smith.

The chapter regrets very much that at the end of this semester it will lose Brothers Lawrence Sloan, Scott Brewer, Lamar Grubb, Earl Hawthorne, Allen Moore, and Francis Moor. Each of these men has taken some active part in various lines of activity during his college career.

### CONCLUSION

In conclusion Indiana Zeta wishes to thank the alumni and sister chapters for any new men they may recommend to the chapter and extend an invitation to all members of Phi Delta Theta who may be visiting at De Pauw.

We wish to ask every alumnus to notify us from time to time of any change in address, or give any other information that may help the chapter in any way to keep its records accurate and complete.

An invitation is extended to every alumnus who may be able to

attend the Alumni banquet to be held commencement week and we sincerely hope that we may have an even larger number present than at the banquet held two years ago.

## INDIANA THETA PURDUE UNIVERSITY

---

PHI DELTA THETA HOUSE,  
WEST LAFAYETTE, IND.,  
MARCH 29, 1912.

*Indiana Theta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

Purdue University continues to thrive and expand. In spite of the fact that each year the entrance requirements are becoming materially stiffer, every September sees a healthy growth in the size of the freshman class. This year's class is the largest in the history of the school, numbering nearly 700. The most notable increase has taken place in the Agricultural Department, whose reputation is rapidly approaching national fame. Our Schools of Engineering recognize no superior in the country and the School of Agriculture promises to occupy the same enviable position in the near future. An increase of over 12 per cent in the enrollment over that of last year furnishes Registrar Davis a sound basis for his estimate that next year the "Ags" will outnumber the students in any other department. Perhaps the biggest boost of the year was the bequest of Mr. W. C. Smith, for the extension of agricultural work. The larger part of this sum will be spent in the erection of an adequate building for the Dairying Department. A Green House costing \$10,000 has just been completed, and plans are on foot for the construction of horse and steer barns, totaling \$50,000 or more. Brother H. E. Allen of Ohio Zeta, has charge of the Animal Husbandry Department.

The campus will early next year be graced by another handsome structure. A state appropriation of \$150,000 has made possible this very necessary adjunct of an up-to-date University, a good library. The building will be modeled along the same beautiful lines as Fowler Hall, and should greatly enhance the attractiveness of the campus.

The various student organizations are enjoying an unusually prosperous year. The Harlequin Club, which last year seemed due to die a natural death, has, under the able management of Brother Sonntag, thrown off its lethargy and quelled its dissensions. The erstwhile enthusiasm of its members has returned with redoubled vigor, and Coach Herbert promises a show in April that will be both a dramatic and a financial success.

One of the most important steps taken by the University this year is the foundation laid for the Students Union. Such a general rendezvous where all students may meet and mingle on an equal footing has been a long felt want at Purdue. All the classes have met and pledged five dollars per man as a starter. The similar support of classes in the future will in time make possible the securing of a suitable building for the enterprise.

In the death of George A. Jamison, Purdue University suffered a genuine loss. One of the earliest graduates from the school, he always took an active interest in its affairs and gave freely of his time and means to further its welfare. Mr. R. D. Purcell of Vincennes, Indiana, has been appointed trustee in his place. A loss of another kind, but one which will probably be felt even more severely because of its intimate nature, is the resignation of Dr. Severance Burrage, head of the Sanitary Science Department. He also has ever been foremost in student activities; a generous allowance of common sense, broad learning and a broader experience, make him a friend to be valued and treasured; his cheery, genial nature has made him one of the most popular professors Purdue has ever had. Dr. Burrage leaves at the end of the school year to take charge of the Biological Department of the Eli Lilly Company of Indianapolis. For several years he has been prominent in the anti-tuberculosis work of the state, and begins his new duties with a years travel in Europe, studying hospital conditions.

### ATHLETICS

The past year has been one of the most successful in athletics that Purdue has ever known. In baseball we finished third in Conference circles, and in football, although not otherwise successful, we succeeded in winning the last game of the season from our old time rivals, Indiana. The showing made in the last few games gives us every reason to believe that the coming season will bring forth results which will place football on a par with other sports at Purdue. Our basketball season ended in a nominal tie with Wisconsin, although we were recognized by the authorities as having the

better team. A petition was submitted to the faculty, by the students asking that a game be arranged with Columbia, the eastern champions, but for reasons not made public the teams were unable to meet. The steady work of Brother Barr at forward was a feature of every game. Our track team, while made up of entirely new material has done excellent work. With no particular stars at first the team has developed until it bids fair to equal any ever put out by Purdue. Now that the basketball season has closed Coach Jones is putting his entire time on track, so that, by the time of the Conference Meet, which will be held here June 1, we will be very ably represented. Also the annual state High School track and field meet will be held here May 16-17-18, in conjunction with the first annual High School baseball tournament. The latter is Coach Nicol's plan and is the first affair of its kind ever attempted, but from the number of teams already entered and from the amount of interest which prevails throughout the state it promises to be a big success.

**Alumni Notes**

During the past year we have had the pleasure of entertaining a large number of our Alumni. This number, however, is not as large as it should be. We take this occasion to urge all the "old grads" to visit us as often as possible, for we feel that these men with their mature years and broader experience will be able to give us some valuable suggestions. We expect a great many to gather here May 4, for our annual Alumni reunion.

Brother W. P. Chapin and wife chaperoned our mid-winter house party. The chapter takes this opportunity to thank Brothers J. F. G. Miller and H. J. Wocher for their active interest in chapter affairs. Brothers T. S. Garber '09, R. H. Brundige ex '12, C. W. Wilson '03, M. Newcomer '10, and A. H. Worsham '08, have shown that they have the welfare of Indiana Theta at heart by an occasional visit.

**CONCLUSION**

In conclusion we wish to impress upon our Alumni the importance of co-operating with us in the matter of getting hold of new

men, and we would heartily appreciate any names of eligible men who contemplate entering Purdue. All communications regarding new men should be sent to E. C. Logan or Douglass Viele, and during the summer should be sent to their home addresses.

Again we wish to say that we are only too glad to welcome anyone who can find time to visit us.

## **IOWA WESLEYAN COLLEGE**

---

PHI DELTA THETA HOUSE,  
MT. PLEASANT, IOWA,  
JANUARY 23, 1912.

*Iowa Alpha of Phi Delta Theta to her Alumni and to Sister Chapters,  
Greeting:*

### **THE COLLEGE**

With the enrollment in the college of liberal arts constantly increasing, Iowa Wesleyan College already has entered upon a new era of growth under the presidency of Edwin A. Schell, Phi Kappa Psi of Northwestern University.

Steadfastly loyal to the college, Iowa Wesleyan's alumni, many of whom are members of Iowa Alpha of Phi Delta Theta, continue to give their alma mater hearty support in all endowment campaigns and measures for the betterment of the institution, which now has entered upon the seventieth year of its existence. "Rich in historical interest and surrounded by tradition and wholesome sentiment" is the way the Chicago Record-Herald spoke of the institution, the oldest west of the Mississippi outside of Missouri, in a recent write-up.

President Schell, in speaking of the progress of the college, said: "For the year ending April 1, 1912, we shall have added \$50,000 to the endowment fund of the institution, and the coming year will see the addition of \$100,000 more. The least improvement we can expect is the re-decorating of the auditorium and the re-roofing of the structure, together with the installation of a new pipe organ. What is likely to be the building programme for the next two years is the erection of a new science hall, and the remodeling of the German chapel building into a library. These improvements necessarily have been held up pending the increase in the endowment fund. The next five years, it seems to me, will see a growth in the college of which the men of a generation ago did not dream".

## **IOWA ALPHA**

### **ATHLETICS**

Best football team in years upheld the Purple on the grid-iron last fall. Brother Glenn H. Tallman was captain and student coach of the eleven, Phikeias Milton Nauman, Everett Shipley, Earl Shipley, and Max Hueftle being members of the team. Phikeia DeWitt G. Sowers was a member of the second team. Captain Tallman now has three service stripes and two captain's stars besides his "W".

Brother G. C. Hueftle, manager of athletics, has been securing better schedules for the different athletic teams, having full charge of the arrangements of schedules and trips for the eleven, nine and five. The varsity five has opened a strong schedule by playing the State University of Iowa. They made a good showing against the stronger university team, losing by a score of 21 to 44.

Phikeia Everett Shipley, who works at the third sack, will captain the 1912 baseball nine. Much good material is in school, and the outlook is excellent for a winning team this spring. The 1911 nine won six out of the nine games on the college schedule. The schedule will be lengthened this year.

### **FORENSICS**

Brother Carl D. Whitney is president of the Iowa State Oratorical Association, an organization of sixteen Iowa colleges, under the direction of which a state oratorical contest is held each year. This year's meeting is at the Iowa State college at Ames.

Brother Herbert N. Jeffrey is among those trying out for a place on one of the triangular debating teams which meet Des Moines College and Upper Iowa University this spring.

Phikeia Charles R. Cornic is trying out for a place on the freshman debating team which meets the first year men of Simpson College soon.

### **FRATERNITIES**

During the semester just closing, the college faculty approved the petition of eleven students to form themselves into a local fraternity, Sigma Kappa Zeta. They are petitioning Sigma Phi Epsilon for a charter. Phi Delta Theta continues to be the only chapter to own its own house.

The fraternities, sororities and the dates of their organization here follow:

Established.	Name.	Members.	
		Active.	Pledged.
1863	Beta Theta Pi .....	7	10
1867	Pi Beta Phi .....	9	10
1871	Phi Delta Theta .....	8	10
1902	Alpha Xi Delta .....	10	10
1908	Iota Phi (honorary) .....	11	
1911	Sigma Kappa Zeta .....	11	5

### THE CHAPTER

Iowa Alpha continues to prosper. Eight old men returned last fall, the chapter losing two men at the end of the school year in June 1911, Brother Harry A. Wishard, who completed his course here, and Brother Scott C. Pidgeon who entered the University of Iowa to prepare for a medical course. Brother Luther Weaver, ex-'08, returned at the opening of the fall semester. The chapter loses but one man by graduation this year, Brother Max Kinney, who finished his work at the close of the first semester. He will graduate with the class of 1912 in June.

The chapter has ten pledges, every one worthy to be made a Phi as soon as the school's requirements are met. The alumni gave the chapter valued aid last fall in the rushing season when five men were spiked. They notified the chapter by letter or else came back themselves to assist in the rushing.

The college requirements for admittance into a fraternity are: Registration as a bona fide student for the second semester following a full semester's work, and the making of an average grade of C (78 to 85) in the studies carried. Every Greek letter organization in school is working in harmony with the faculty to meet the requirements.

The biggest event of the school year thus far, for the members of Phi Delta Theta, was the meeting of the Phi Deltas of Southeastern Iowa at the Hotel Brazelton in Mount Pleasant in celebration of Alumni day. Members of the Mount Pleasant Alumni club and of the active chapter co-operated in making the gathering what "old grads" declare was the best Phi Delt meeting ever held in Mount Pleasant. The meeting was honored by the presence of O. P. Flower, *Miami*, '03, who now resides at Fairfield, Iowa.

The chapter gave its annual housewarming on September 18th at the home on North Main street; forty alumni members, active chapter men, Phikeias, and lady friends were present.

Other events during the fall include the Thanksgiving dinner at the house when a number of "grads" were back for the big game and spent the week-end around Iowa Alpha's hearth. The closing of school for the holiday recess saw another meeting of city alumni, members of the active chapter and pledges at the house the night before the men left for their homes.

The ten pledges of Iowa Alpha in a fine spirit of fellowship gave the active chapter a handsome upholstered davenport for the parlors, as a Christmas gift.

### Honors

Max Kinney, Iota Phi; president, Hamline Literary Society.

Carl D. Whitney, Iota Phi; Editor-in-chief of *Croaker* (junior annual); president, Iowa State Oratorical Association; member of Hamline; baseball, 1911.

L. M. Cox, member Hamline; chairman, hand book committee; Y. M. C. A. cabinet.

Herbert N. Jeffrey, business manager, *Wesleyan News* (college weekly); toastmaster, sophomore oratory class banquet; treasurer, sophomore class; member, Hamline.

Glenn H. Tallman, captain, football team, 1911.

G. C. Hueftle, manager of athletics.

Phikeia Everett Shipley, captain, baseball team, 1912; Glee Club, 1912; football team, 1911; president of freshman class.

Phikeia Earl Shipley, football team, 1911; baseball team, 1911.

Phikeia Charles R. Cornic, baseball team, 1911; Glee Club, 1912; Hamline.

Phikeia Milton Nauman, football team, 1911.

Phikeia Max Hueftle, football team, 1911; academy member, athletic council; Glee Club, 1912.

Phikeia DeWitt G. Sowers, member, second eleven, 1911.

Phikeia John W. Davis, Glee Club, 1912.

### THE LOYAL ALUMNI

Iowa Alpha has a fine group of alumni, men who are interested in the chapter, her men, and the school. They are continually "dropping in" at the home they have aided in purchasing and their visits always are enjoyed.

In revising the alumni list, the active chapter this year sent out reply post cards to every alumnus of the chapter and the returns

were gratifying. The closest possible relations with the old men of Iowa Alpha is the chapter's aim.

The Mount Pleasant Alumni Club which furthered the movement for the purchase in 1910 of the house now occupied by the chapter, is found consistently in line for anything that will aid Phi Delta Theta. The membership is made up of men prominent in all vocations and Iowa Alpha is happy to have the assistance of such a body.

The officers of the local alumni club are: A. Weir, president; Cornelius Van Brussell, secretary-treasurer; and John Myers, reporter. Mr. Van Brussell, assistant cashier of the First National Bank of Mount Pleasant, is handling the financial end of the house proposition in a manner which insures an entirely successful outcome of the whole proposition.

Efforts to locate the following members of Iowa Alpha have failed and any information about them will be appreciated by the members of the active chapter:

Vinson Byron Nash, 1875.

Howard James Cone, 1876.

Homer Charles Pershing, 1877.

Albert Whitlock, physician, 1878.

Miles Everton Harbin, 1886.

Charles Clay Miller, 1889.

#### Alumni Notes

C. E. Smith, '10, now is county engineer of Henry County, Iowa, with his residence at Mount Pleasant.

Ray I. Tennant, '09, is acting correspondent of the Associated Press at Minneapolis, Minn.

Frank Fraker, ex-'08, is a practicing osteopath at Montevideo, Minn.

Harry A. Wishard, '11, affiliate of Iowa Beta, began a law course at Leland Stanford, Jr., University at the opening of the second semester this year.

Charles H. Myers, '02, is pastor of the First Methodist Episcopal Church, North, at Chattanooga, Tenn.

Jesse M. Beck, '99, is editor of the *Iowegian*, at Centerville, Ia.

William R. Stafford, ex-'11, affiliate of Wisconsin Alpha, finished his work at the University of Wisconsin this mid-year.

Charles N. Pace, '99, is pastor of the First Methodist Episcopal Church of St. Paul, Minn.

Sherman W. Needham, '03, is editor of the *Keokuk County News*, one of the "Needham string" of papers, at Sigourney, Iowa.

Clayton L. Brady, '08, is assistant cashier of the Shoshone National Bank of Cody, Wyoming.

Thomas Nixon Carver, '87, is professor of political economy at Harvard University.

# IOWA BETA

## UNIVERSITY OF IOWA

---

PHI DELTA THETA HOUSE,  
200 SUMMIT ST., IOWA CITY, IA.

*Iowa Beta of Phi Delta Theta to her Alumni and Sister Chapters,  
Greeting:*

### THE UNIVERSITY

The attendance at the University of Iowa is about the same as last year, in spite of the raising of the entrance requirements, and the increase in the scholarship standings. The university is now under the guidance of President John G. Bowman, who for the past few years was connected with the Carnegie Institute. As this is his first year it is too early to determine his success.

The new Physics building, the best of its kind in the world, is all but completed, and will be ready for occupancy during the summer session. The new \$100,000 wing on the University Hospital has been completed and is now in use. Contracts have been let for a new Girls' Dormitory, which will cost over \$500,000 when completed. This will be located on the Coldren property on North Clinton St.

### ATHLETICS

Under the able leadership of Brother James Raymond Murphy, captain and fullback, the Iowa football team had a fairly successful season. The following are the scores of the games:

Iowa	.....	11	Morningside	.....	5
Iowa	.....	0	Cornell	.....	3
Iowa	.....	6	Minnesota	.....	21
Iowa	.....	0	Wisconsin	.....	12
Iowa	.....	11	Purdue	.....	0
Iowa	.....	0	Ames	.....	9
Iowa	.....	6	Northwestern	.....	0

Brother Curry played quarterback, Brother McGinnis halfback, and Brother Penningroth end.

Iowa was not as successful in basketball as she has been in the previous seasons.

So far this season the Iowa baseball team has done remarkably well, breaking even with Chicago, and tying a 12 inning contest with Illinois.

### FRATERNITIES

The Pan-Hellenic council passed a rule this year that no freshman could be initiated until he had passed up two-thirds of a semester's work. This has proved to be a very salutary rule.

Alpha Chi Omega installed a chapter here last spring, and Theta Psi installed a chapter here this winter.

The fraternities in the university are as follows:

Established.	Name.	Members.
1866	Beta Theta Pi .....	22
1867	Phi Kappa Psi .....	22
1880	Delta Tau Delta .....	22
1882	Sigma Chi .....	15
1882	Phi Delta Theta .....	24
1893	Sigma Nu .....	21
1902	Kappa Sigma .....	15
1905	Sigma Alpha Epsilon .....	31

### Sororities

1882	Pi Beta Phi .....	23
1882	Kappa Kappa Gamma .....	25
1886	Delta Gamma .....	22
1904	Delta Delta Delta .....	19
1911	Alpha Chi Omega .....	10
	Theta Phi (local) .....	18

The professional fraternities are: Phi Rho Sigma (medical) 1902; Phi Beta Pi (medical) 1906; Nu Sigma Nu (medical) 1906; Phi Delta Phi (law) 1893; Phi Alpha Delta (law) 1908; Psi Omega (dental) 1906; Phi Alpha Gamma (homeopathic) 1894; Sigma Tau (engineering) 1907; Theta Psi (engineering and scientific) 1912; Phi Beta Kappa (Honorary literary); Sigma Xi (honorary scientific); Delta Sigma Rho (Debating and oratory); Phi Delta Kappa (education); Sigma Delta Chi (journalistic); Acacia (Masonic.)

### THE CHAPTER

Iowa Beta has initiated the following men this year: Paul Curry, Ida Grove, Ia.; Ralph A. McGinnis, Leon, Ia.; Harter B. Hull, Oskaloosa, Ia.; Maxwell O'Brien, Oskaloosa, Ia.; Harry Roberts,

Oskaloosa, Ia.; George Williams, Primghar, Ia.; Troy Swallum, Hubbard, Ia.; Mitchell Langworthy, Cedar Rapids, Ia.; Albert Schiltz, Iowa City, Ia.; Edward Fahey, Iowa City, Ia.; Walter Penningroth, Tipton, Ia.. Last spring after the issuance of the chapter letter we initiated the following men: Denton G. Burdick, Metolius, Ore.; Max Cuning, Cedar Falls, Ia.; Henry McClintock, Cedar Rapids, Ia.; James McNiell, Postville, Ia.

We were very successful in rushing this fall and we have the largest chapter we have had in years.

#### Alumni Notes

Brother W. J. McKenna, M, 1910, is located at the Wabash hospital, Decatur, Ill.

Brother J. L. Oakes, B A '09, law, '11, has gone into partnership with Brother William Oakes, law, '03, in the practice of law at Cinton, Iowa.

Brother J. G. Griffith, '01, is the proud father of a bouncing youngster.

Vernon Lovell, '86, is mayor of Fargo, N. D.

Brother John Scott Hamilton, '10, is married and located in Fort Madison, Ia.

Brother George Stephenson, Jr., law, '10, is vice-consul to Nova Scotia.

Brother Harry Wishard, '11, is attending the law college at Leland Stanford, Jr., University.

William E. Purcell, law, '09, has opened up a branch cigar store in Iowa City.

C. C. Denio, B A, 1910, has left the Iowa National Bank of Des Moines and has gone into the banking business at Storm Lake, Ia.

The Province Convention was held in St. Louis, Thanksgiving week, Iowa Beta being represented by Brother P. A. Walters. Next Thanksgiving week, the national convention will be held in Chicago, and every effort is being put forth to have the largest attendance ever had at any convention. Iowa Beta intends to go in a body.

#### CHAPTER HOUSES

The National fraternity is making great efforts to have every chapter own its own house. Iowa Beta this year moved into a fine modern house, on which we have a lease for five years and an option to buy it within the period.

P. A. WALTERS.

## **KANSAS ALPHA UNIVERSITY OF KANSAS**

---

PHI DELTA THETA HOUSE,  
1409 TENNESSEE STREET,  
LAWRENCE, KANSAS.

*Kansas Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

During the past year the University of Kansas has made great progress. Her enrollment has passed the 2,500 mark and a greater enrollment is promised for next year. The first wing of the new administration building has been completed and classes are now being held in it. There has been a great deal of agitation lately regarding a woman's dormitory to be built on the campus and we hope, within a year or so to see the plan materialized.

### **ATHLETICS**

We have had a very successful athletic season here. We had a strong football team and only lost two games in the entire season, losing one game to Nebraska and one to Oklahoma. The Missouri game was held at Missouri this season and we are only disappointed that our team did not win the game instead of tying the score. The basketball and baseball teams both did their part in upholding the athletic honors of the school. Phi Delta Theta was represented in basketball by Brother Brown and in baseball by Brother Porter. Spring practice has already begun and, while it is early to prophesy, we are expecting to have a strong team again next year.

### **FRATERNITIES**

There are twenty-three fraternities and sororities here, ten of which are men's fraternities, five are sororities, and eight are honorary and professional fraternities. They are listed below in the order of installation:

1873    Beta Theta Pi.  
1876    Phi Kappa Psi.

- 1882    **Phi Gamma Delta.**
- 1882    **Phi Delta Theta.**
- 1884    **Sigma Chi.**
- 1901    **Alpha Tau Omega.**
- 1903    **Sigma Alpha Epsilon.**
- 1904    **Acacia (Masonic.)**
- 1909    **Pi Upsilon (local.)**
- 1912    **Kappa Sigma.**

- 1873    **Pi Beta Phi.**
- 1881    **Kappa Alpha Theta.**
- 1883    **Kappa Kappa Gamma.**
- 1902    **Chi Omega.**
- 1912    **Alpha Delta Phi.**

**Professional and Honorary**

- 1890    **Phi Beta Kappa.**
- 1890    **Sigma Xi.**
- 1897    **Phi Delta Phi (legal.)**
- 1909    **Alpha Chi Sigma (chemical.)**
- 1908    **Nu Sigma Nu (medical.)**
- 1909    **Phi Alpha Delta (legal.)**
- 1910    **Sigma Delta Chi (journalistic.)**
- 1910    **Phi Beta Phi (medical.)**

**THE CHAPTER**

This year has been one of great prosperity for Kansas Alpha. The end of this year will complete the second year of residence in our new house and we feel that we have one of the best fraternity houses in Lawrence.

The following are our initiates: Frank Miller, Topeka; Ralph Lewis, Topeka; Van Holmes, Emporia; Paul Ketchersid, Hope; Lewis Northrup, Iola; Albert DeBarnardi, Kansas City, Mo.; Leonard Hurst, Emporia; and Phillip Buck, Wichita. Our pledges are as follows: Carl Logan, Kansas City, Mo.; William Waugh, Eskridge; and Charles Martin, Emporia.

**Honors**

Loren Brown, 'Varsity basketball team.

Russel Clark, Scoop Club; Sachems; Sigma Delta Chi; Kansas Board.

Charles Robinson, manager band, Sigma Xi, Alpha Chi Sigma.

Guy Walker, Friars.

James Leidigh, assistant business manager *Kansan*, Sigma Delta Chi.

Edmund Rhodes, Alpha Chi Sigma; Sachems; president Engineers; Glee Club; Annual Board.

Ike Lambert, business manager *Kansan*; manager Thespian Dramatic Club.

John Detwiler, sophomore football.

#### Alumni Notes

C. W. Abercrombie is salesman for the Anderson Electric Co., Kansas City, Mo.

Walter R. Armstrong is division superintendent of the Oregon Short Line with headquarters at Pocatello, Idaho.

C. W. L. Armour is in the real estate business at Fort Smith, Arkansas.

Harry Allphin is in a law office at Lawrence.

Frank Bangs is traveling for the Edwards-Sloane Jewelry Co., Kansas City, Mo.

Homer Berger is taking the law course at Harvard.

Ray Sexton has moved from Topeka to Minneapolis, Kansas where he is engaged in the banking business.

Chester Cook is in a general engineering business with offices at Kansas City, Mo.

Will Perry is chief engineer for the Davis Coal and Coke Co., of Thomas, West Va.

Harry Taylor is at La Cygne, Kansas, where he is engineer in charge for Worley and Black of Kansas City.

John Powers is working in a law office at Seattle, Washington.

Solon Emery is attending Princeton University.

John Welsh is in the real estate business at Hutchinson, Kansas.

Hal Curran is with the Indian Motor Cycle Co., at San Francisco.

**CONCLUSION**

In conclusion we wish to extend our greetings to our alumni and to extend to them a cordial invitation to make the chapter house their home when in Lawrence.

We would like to urge all of the alumni to notify us of any desirable men who are thinking of coming here to school.

Yours in the Bond,

RUSSEL CLARK,

## **KANSAS BETA**

### **WASHBURN COLLEGE**

---

**PHI DELTA THETA HOUSE, 1634 BOSWELL, AVE.  
TOPEKA, KANSAS, APRIL 1ST, 1912.**

*Kansas Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### **THE COLLEGE**

Washburn College has been fortunate in a substantial increase in enrollment for the year 1911-12. Conditions are such that in the near future we anticipate receiving a promised additional gift of \$50,000 from Andrew Carnegie for permanent endowment. Eighty per cent of the professors will remain in town the first part of this summer to conduct the summer session which promises to be the most successful held thus far. A constitution for a Student Council has been submitted to the faculty and students, and will be acted upon in the immediate future. Indications are that the constitution will be adopted and Student Government will be instituted at Washburn before the close of the present school year. During the recent visit of President Taft to Kansas he dedicated the magnificent flag-pole which was presented to the college by the local organization of the G. A. R. Our 160 acre campus has been vastly improved by a complete system of cement walks, laid during the past year, which affords opportunity for many pleasant promenades. The faculty has been materially strengthened and the splendid growth of Washburn bids fair to continue.

#### **ATHLETICS**

Another year of Athletic activity is just closing and on the whole Washburn is well pleased with the outcome. Both football and basketball schedules were unusually heavy. In football we were represented by Brother Lowe at left end, Brother Crumbine at quarter and Phikiea Tomlinson who has been elected to the captaincy for next year, at left half. Brother Dunn managed the team. In basketball Phi Delta Theta was represented by Brothers Crumbine, Searle.

and Pearson. The track season has been very successful, credit for which is due largely to Brother Lowe. The chapter is also strongly identified with base ball and tennis activities.

### FRATERNITIES

Fraternities at Washburn are making their influence felt more strongly every year. The presence of only two fraternities in school in spite of the large field of eligible men makes a choice selection possible.

The Alpha Kappa Phi national legal fraternity entered Washburn the first of the year.

A faculty ruling exists whereby freshman cannot be initiated until after the satisfactory completion of the first semesters work.

Fraternities at Washburn in the order of their establishment are as follows:

Established.	Name.	Members.	
1909	Kappa Sigma .....	20	
1910	Phi Delta Theta .....	23	✓
1912	Alpha Kappa Phi (legal).....	13	
<b>Sororities</b>			
1903	Beta (local) .....	22	✓
1904	Sigma Delta Psi (Local) .....	27	✓
1910	Kappa Kappa Chi (local).....	25

### THE CHAPTER

The Chapter itself is in excellent condition. We returned 17 men at the beginning of the fall term and after a hot but glorious rushing season, we pledged six worthy men, who have since been made brothers. We take pleasure in introducing to the fraternity, Brothers Louis Hasty and Tracy Leedom both of Bellville, Kansas, Earl J. Bush and Harold H. Spielman of Topeka, John Maynard of Muscotah, Kansas and Harold H. Pearson of Whiting, Kansas.

Our college relations have been most pleasant this year and prospects for next year are very bright. The strength of the chapter is well shown by a perusal of the list of honors awarded to Brother Phis.

On November 4th the chapter gave a dance for the Brothers of

**Kansas Alpha.** The annual Phi Delta play written by Brother Pettyjohn was presented at the chapter house on March 1st. A complete stage was erected and special sets of scenery were painted for the production. Our big party, the Phi Formal will be held April 26th at the Elks Club, and we are exerting every effort to make it a great success.

We are fortunate in losing only three men by graduation this year, Brothers Monroe, Pettyjohn and Day.

### Honors

### CONCLUSION

In closing, we wish to express our appreciation to the many brothers who keep in touch with us and manifest a live interest in the chapter. To all others we say that we shall always welcome any and all suggestions which they may make, or information which they can furnish for the good of the chapter. To all Phis who may be in this vicinity we extend a most hearty invitation to visit us.

With best wishes to our sister chapters for a most prosperous year.

# KENTUCKY ALPHA-DELTA

## CENTRAL UNIVERSITY

---

DANVILLE, KY., MAY 10, 1912.

*Kentucky Alpha Delta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

Since our last letter, one more year has been added to the illustrious career of Old Centre, now Central University. In accordance with many other large institutions, it has been decided to return to the semester plan, after having tried the three terms. The attendance this year is about normal but plans are being laid to increase this next year. On April first the Gymnasium, which was donated in '91 by Brothers Boyle and Humphrey, was consumed by fire. A fund is now being collected, by means of which we hope to see a new building by the opening of college next fall. The proposed new Library will also be started in the near future.

### ATHLETICS

Central's football team for 1911 tied with Transylvania and Kentucky State for the championship of Kentucky. The team was ably captained by Brother Ramsey, who for four years has starred at tackle and at fullback. Phi Delta Theta was also represented by Brother Walker as end, Brother Caldwell as guard, Brother Wingo as center, and Phikeia Wilhelm as half-back. Following are the scores of the games in the state:

Central .....	27	Georgetown .....	0
Central .....	5	Kentucky State .....	8
Central .....	10	Transylvania .....	6

In basketball C. U. had an entirely new squad, and consequently was not especially strong. However, as most of the men will return next year we are looking forward to a winning five. From Kentucky Alpha-Delta Brothers Wingo, Swope and Ramsey were on the team.

The outlook for baseball is very good and we feel confident of

the state championship. Brothers Doyle, Ramsey, and Phikeia Byron will represent this chapter on the diamond.

### FRATERNITIES

With one exception the fraternities at Central all have houses. According to a recent calculation, seventy-five per cent of the men in college belong to fraternities. The six fraternities, in the order of their establishment, follow:

Established.	Name.	Members.
1848	Beta Theta Pi .....	17
1850	Phi Delta Theta .....	13
1876	Sigma Chi .....	11
1882	Sigma Alpha Epsilon .....	17
1883	Kappa Alpha (So.) .....	13
1884	Delta Kappa Epsilon .....	11

### THE CHAPTER

Nine active members and one pledge returned at the beginning of the school year. During the year we have initiated four men: W. B. Guerrant, Umatilla, Fla., J. L. Doyle, Ilion, N. Y., H. M. McClaskey, Boston, Ky., and E. P. Ray, Bowling Green, Ky.

On January 1st, the chapter moved into the house in which we are now located. This has resulted in a decided improvement in the fraternity spirit. As we have at present two pledges and are writing to our alumni for recommendations, we feel sure that next year will be a very successful one for us.

### Honors

W. Logan Caldwell, 'varsity football '11, vice-president senior class, *Annual* staff, class soloist, Kappa Delta Sigma.

Caldwell R. Walker, Ye Rounde Table, Fragerica, 'varsity football '11, captain track team '12, fellow in German.

James K. Ramsey, captain football '11, 'varsity basketball '12, 'varsity baseball '12, Fragerica, *Annual* staff, Kappa Delta Sigma.

Thomas H. VanSant, vice-president junior class, manager baseball '12, Kappa Delta Sigma.

S. King Swope, 'varsity basketball '12, winner Ernst debate '12, Triangle Hop Club, president Camberlain '12.

Gavin E. Wiseman, Triangle Hop Club, Kappa Delta Sigma.

William D. Fleming, track team '12, southern record for ½ mile, state record for 1 mile, chemistry assistant '12.

Relfe H. Wingo, 'varsity football '11, basketball team '12, chairman freshman class.

T. Hunton Rogers, secretary Y. M. C. A. '11-'12, winner freshman prize '11, treasurer Deinologian '11, *Cento* staff '11-'12.

W. Barnett Guerrant, vice-president Y. M. C. A. '12, president Deinologian '12, winner sophomore Latin watch '12, *Fragerica* '12, *Ye Rounde Table*.

Justin L. Doyle, vice-president junior law class, baseball team '12, winner 22d oratorical contest '12.

Henry M. McClaskey, captain sophomore baseball team '12, Kappa Delta Sigma.

Ervin P. Ray, Glee Club '12, sophomore baseball team '12.

# KENTUCKY EPSILON

## KENTUCKY STATE COLLEGE

---

PHI DELTA THETA HOUSE,  
LEXINGTON, KY., MARCH 15, 1912.

*Kentucky Epsilon of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

We have often been told, "Be interesting ; if you can tell the truth, tell it ; if not be interesting !" We are glad to be able to say we can be interesting and still tell the truth. For our University is indeed accomplishing greater and grander achievements than ever before. This year we reached the high water mark in our attendance, having an enrollment far above the one-thousand mark.

Student government was inaugurated at the beginning of the second term and to this is due part of the spirit which is pushing us on and upward. For each student seems to have at heart the interest of the university.

The College of Agriculture is rapidly forging to the front as is evidenced by the success of our "Ag" teams. We were represented at the National Dairy Show in Chicago last fall by a team that returned home covered with honor, winning four out of a possible six cups. This is the largest number of trophies which any team has ever won. Our Saddle Horse Team won the Saddle Horse Judging Contest at the International Live Stock exhibition in December.

The legislature seems to appreciate our work and has made us an additional appropriation of fifty-thousand dollars.

All of the colleges in the university are doing splendid work: To our new president, Judge H. S. Barker, is due much of the success which we are enjoying.

### ATHLETICS

Realizing that the growth of the University depends to a great extent upon Athletics and that no better advertisement can be had than successful teams, every effort is being expended by the trustees

and the Athletic Association to make our teams successful, by furnishing them with the best possible coaching.

The football team was coached by C. C. Douglas of Nashville and R. B. Webb, our old center of '09. Under the capable management of these two men a team was developed out of men to whom the game was new. Three games were lost, University of Cincinnati, Vanderbilt and Transylvania, being the victors. Among those defeated by our team are Miami, University of Tennessee, Tulane, Ohio and our old rival Central University. We were represented on the team by Brothers James Park and H. Spears.

For the first time in the history of this institution we have an undefeated basketball team, the season closed March the first, with every game a victory for us. To Coach Sweetland, who last year left us to coach Miami but returned to us the first of the year, is due a large part of our success.

Prospects for baseball are bright, Coach Ingles who has been with us for two seasons will again have charge of our team. Material is plentiful and this year's team promises to be the best of many seasons.

### FRATERNITIES

The Pan-Hellenic Council is a stronger organization this year than ever before and is doing much good work toward helping the fraternities. At the beginning of the present school year they wisely decided that no fraternity could initiate until after the first term examinations; and that no man could be initiated, who had failed in more than one subject.

The following is a list of active fraternities and sororities at Kentucky State University together with the year of their inauguration.

Established.	Name.
1893	Kappa Alpha (S)
1893	Sigma Chi.
1900	Sigma Alpha Epsilon.
1901	Kappa Sigma.
1901	Phi Delta Theta.
1901	Pi Kappa Alpha.
1902	Sigma Nu.
1909	Alpha Tau Omega.
1910	Tau Beta Pi (honorary engineering.)
1911	Phi Delta Phi (law.)

**Sororities**

- 1908 Alpha Gamma Delta.
- 1908 Alpha Xi Delta.
- 1910 Kappa Kappa Gamma.
- 1911 Kappa Delta.

**THE CHAPTER**

The following men were returned this fall from last year's chapter: J. W. Cary, J. M. Lewis, H. E. Melton, W. G. Woods, W. H. Edwards, R. J. Working, H. H. Grace, J. L. Pinkerton. We are sorry to state that Brother Melton withdrew from the University January 1st, to accept a position with the Jacksonville, Fla., Waterworks Co.

The following men have been initiated since our last letter: James Park, Richmond, Ky.; L. W. Nones, Louisville, Ky.; W. H. Rogers, Danville, Ky.; H. L. Perry, Richmond, Ky.; J. W. McDonald, Louisville, Ky.; G. C. Rogers, Lexington, Ky.; A. E. Waller, Louisville, Ky.; C. C. Duck, Lexington, Ky.; F. H. Kennedy, Youngstown, Ky.; J. W. Petrie, Louisville, Ky.

The chapter is in excellent condition at the present time. We inaugurated a campaign for a chapter house, recently, in a big banquet at which several of our alumni were present. A new chapter house seems a certainty in the near future.

**Honors**

J. W. Cary, '12, Lamp and Cross, Strollers Dramatic Club; Mystic '13, Key Society, Tau Beta Kake.

J. M. Lewis, '12, editor-in-chief *Transit*, Key Society, *Idea* staff, Brooks Engineering Society.

# LOUISIANA ALPHA

## TULANE UNIVERSITY

---

NEW ORLEANS, LA.  
JULY 22, 1912.

*Louisiana Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

It gives us great pleasure once more to have the opportunity of telling of the progress of Louisiana Alpha of Tulane University during the session 1911-1912.

### THE UNIVERSITY

Plans for the erection of the new Newcomb College are now being drawn up and the actual work of construction, on ground adjoining Tulane will not be very long delayed. Newcomb with its endowment of nearly four million dollars is the richest woman's college in North America.

The technological department which was formerly considered a part of the academic college, has been made a separate department and Prof. W. H. P. Creighton chosen Dean. This improvement of the department was occasioned by the recent Stanley O. Thomas bequest which has provided the technical students with a new building and larger laboratories. Tulane is now better able to cope with other Southern universities in her engineering department.

The registrar of Tulane University in commenting on the new department of Tropical Medicine writes as follows:

"The donation of \$25,000 by the United Fruit Company has made possible the establishment of the Department of Tropical Medicine, Hygiene and Preventive Medicine, to become the School of Tropical Medicine as soon as a sufficient foundation warrants." This department is especially important when we consider Tulane's geographical position with reference to the tropics.

The University has increased the number of her buildings by two during the past year. One of these the Stanley O. Thomas engineering building was completed when we returned last fall but the new machinery has not yet been installed in it. The second

building, the much longed-for gymnasium is rapidly nearing completion. This modern structure which adjoins the Tulane stadium will cost about \$20,000 and will be equipped with all facilities for the development of the physical man.

### CHANGES IN FACULTY

Our much esteemed President, Edwin B. Craighead, has resigned to accept the presidency of the University of Montana. Doctor Robert Sharp, Dean of the Graduate department, has been appointed President pro tem. until Dr. Craighead's successor is chosen by the Board of Administrators.

Prof. A. B. Dinwiddie, a man of sterling personality and of executive ability, has been chosen Dean of the academic department. His was the popular choice, both of the faculty and of undergraduates.

Prof. J. Harry Clo has been secured to fill the chair of Physics made vacant by the resignation of Prof. Samuel J. Barnett.

Owing to the leave of absence granted Prof. O. M. Jones, Prof. Nichol has had charge of the Civil Engineering department.

Prof. M. J. White has been chosen to succeed Prof. Ulrich B. Phillips in the chair of History.

### STUDENT ORGANIZATIONS

The *Tulane Weekly*, the official publication of the university, has been very influential in instilling college spirit.

The *Newcomb Arcade*, published by the alumnae and students of Newcomb College, has maintained its popularity as a literary magazine.

The 1912 *Jambalaya*, the Tulane annual, was a handsomely bound volume and contained all matters of interest in the social, fraternity and athletic life of the university. The cuts and short stories were good and fully came up to expectations.

The Tulane Oratorical and Debating council deserves much credit for having arranged a pentagonal debate with the Universities of Vanderbilt, North Carolina, Virginia and Georgia.

The interest in the French circle has been revived, much credit of which is due Brother J. Frank Fortier.

### ATHLETICS

In making a comment on the 1911 football season at Tulane, we all agree, that taking everything into consideration, it was one of the good seasons in recent years, especially financially. In the winning

of games the only stigma was our defeat by Louisiana State University, the final score being L. S. U. 5-Tulane 0. This game was the principal feature of the renewal of athletic relationship between Tulane and Louisiana State University. Much of the credit for Tulane's success in football is due to Brother J. F. High, Brown '09, who was assistant coach and who developed a team out of absolutely raw material. We have a just right to look forward to great things for the '12 season, for we will have ten T men on hand and several others who will be eligible to the 'varsity.

Our baseball team has ably represented the University both at home and on their extended trip.

In track Tulane again demonstrated her supremacy. Owing to the ideal climactic condition for this sport in New Orleans, Tulane has always devoted much of her time to track and in years past has always defeated her rivals.

In the S. I. A. A. meet which was held under the auspices of Tulane University in New Orleans, Tulane scored the greatest number of points in track and field events but was defeated for the first place by Vanderbilt who won the relay race, which event counted for ten points to the winner. The final score was Vanderbilt 46, Tulane 39, Clemson 33, with L. S. U., Mississippi, Citadel and Louisville in the order named. The crowning event to a successful season was reached when Tulane captured the Southern Athletic Amateur Association meet, in both Senior and Junior events, defeating the nearest rival by a large score and establishing several new southern records.

The annual interfraternity tennis tournament for the Phi Delta Theta trophy resulted in a victory for the Σ A E team. The interest displayed in the tournament was very great and though the cup had been in play for four years the competition between the fraternities waxes warmer and much friendly rivalry is attached to the Phi Delta Theta trophy. Louisiana Alpha was represented in the tournament by Brothers Provosty and Charbonnet.

### FRATERNITIES

The Phi Delta Phi legal fraternity has granted a charter to the petitioning Edward Douglas White Club. Brother Michel Provosty, law '12, presented the claims of the club for a charter at the Phi Delta Phi national convention at Cincinnati, Ohio, and it was largely through his efforts that the charter was granted so quickly. Brother James J. A. Fortier was very instrumental in the organization

of the E. D. White Club. This is the first national legal fraternity to enter Tulane.

The Pan-Hellenic Council at Tulane has passed a law stipulating a prescribed rushing season. No man can be pledged until he has entered the university. As there is a heavy penalty imposed for any infraction of the rules it is thought that at last Tulane will succeed in Pan-Hellenicism.

The fraternities at Tulane in the order of their establishment are as follows:

Established.	Name.	Members.
1881	Kappa Alpha .....	10
1886	Sigma Chi .....	18
1887	Alpha Tau Omega .....	11
1889	Delta Tau Delta .....	6

------	---------------------------------------	----

#### THE CHAPTER

The condition of Louisiana Alpha has been exceedingly prosperous throughout the year. Brothers J. J. A. Fortier and O. D. Hooker were back at the university doing special work. We lose by graduation five men, Brothers Lucien Amedee Fortier, James Joseph Alcee Fortier, Otto Douglas Hooker, William Davidson Stovall and Michel Becnel Provosty. Brother Louis J. Fortier and Buford L. Dean withdrew from the university last year.

We have initiated into the fraternity five promising young men, Spencer Stubbs, John Dicks, Farrar Parker, Frank Fortier and Pierre Charbonnet. We also have affiliated Brother Hilliard Miller of Tennessee Beta.

The prospects for a chapter house for Louisiana Alpha in the near future seem very bright. The Louisiana Alpha Chapter House Association which was incorporated recently has elected the following officers: Dr. Herman B. Gessner, President; John Upton, Vice President; Chas. J. Rivet, Secretary; Julian Sherrouse, Treasurer. The above with the following brothers: Michel Provosty, A. C. Chappius, James J. A. Fortier, George Upton and Jack Chambers compose the board of directors. The treasurer is now collecting the notes due which amount to several thousand dollars and the house will be bought through a homestead association. There has already been collected the sum of \$700 which indicates that the brothers are very much in accord with a chapter house movement.

#### Founders' Day

On Saturday evening, March 30, at 7 o'clock, the Alumni Club of this city with the members of the active chapter held a most successful banquet. Great interest was taken by the alumni, several

notices to every Phi in a radius of many miles were sent out, and one on that day reminding them to be sure to gather with all true Phis at seven. The great success and very large attendance is due entirely to Brothers Chas. A. Chappius, Tulane '07; Donald Renshaw, '10; Chas. J. Rivet, '10; George H. Upton, '07; Coach Jake High, Brown '09.

Brother Herman B. Gessner, M. D., one of our able faculty of the Medical Department, presided as toastmaster. Good fellowship prevailed. The following were called on for speeches: Michel Provosty, "Work on Fraternity and approval of men of good standing;" G. H. Upton, M. D., "Alumni chapter house association;" Chas. A. Chappius, "Loyalty and the real good conventions;" Hilliard E. Miller, "True Phi spirit;" Jake High, "The spirit of the East;" Chas. J. Rivet, "Promoting of Phi spirit in New Orleans;" Omer V. Claiborne, "Social standing and how we have kept it;" C. Hamilton Tebault, M. D., one of the founders, "Founding of Alpha;" Grantland L. Tebault, "The building up of a chapter—Them was the Happy Days."

#### Honors

##### 1912

Otho Douglas Hooker, Theta Nu Epsilon; Alpha Kappa Kappa; Junior German Club; T. A. A.; Assistant department manager, *Jambalaya*; Mississippi Club.

Lucien Amedee Fortier, Theta Nu Epsilon; Alpha Kappa Kappa; senior German club; junior German club; T. A. A.; resident student, Charity Hospital.

## MAINE ALPHA COLBY COLLEGE

---

PHI DELTA THETA HOUSE,  
WATERVILLE, ME., APRIL 30, 1912.

*Maine Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE COLLEGE

The year of 1911 marks a new and distinct epoch in the history of Colby College. Instead of the usual hundred, or thereabouts, in the entering class, there were 250 odd students enrolled for the first time in the history of the college. This remarkable increase we attribute solely to the untiring efforts of President Roberts, Maine Alpha '90, aided by the consistent work of the Colby faculty.

This influx of new students has rendered extra accommodations necessary. So much so, in fact, that President Roberts was forced to erect a new dormitory for men. This building situated between the athletic field and the river, stands as a silent testimonial of the rapid, consistent growth of the College.

This year has seen a decided enlargement of the faculty. Doctor Neuf and Professor MacCleary have been added to the English department. Doctor Ashcroft of M. I. T. now occupies the head of the surveying department, left vacant by the resignation of Professor Holder. Doctor Mott-Smith and Doctor Grover conduct the advanced course in Engineering installed this recent year; while Professor Obear has taken charge of the undergraduate work in Physics, formerly under the jurisdiction of Doctor Mott-Smith.

Professor Trefethen has sole charge of the course in Astronomy which is fast becoming one of the best departments in the College.

Under the auspices of Professors Hedman and Crowell, Spanish and Italian have been added to the Language course. With this addition the language curriculum is well nigh complete.

Throughout the College the work in all literary departments has received a great impetus during the past year. Debating clubs among the fraternities have been formed from which the team is to be chosen

to represent the College in the Inter-Collegiate debate held in Waterville this spring.

In all departments, social or scholastic, athletic or literary, we are glad to recognize a well defined tendency to progress; to assume such standards—and maintain them—that shall eventually rank Colby among the leading colleges in New England. We are particularly glad to say that the Maine Alpha of Phi Delta Theta has been—and still is—an important factor in this well merited march of progressiveness of Colby College.

### ATHLETICS

Colby's chief success this year seems to have been in the line of track. From being an insignificant factor in the Maine Inter-collegiate meet, she has attained the place of a contestant always to be feared and reckoned with. The team captained by Brother Nardini defeated University of Maine in a dual meet, and wrested 30 points from the Maine intercollegiate meet. The prospect for next year is as good as this one and probably better. A new era has dawned for Colby in track athletics.

Baseball was not as successful. Although Colby obtained a fair share of victories, the championship went to Bowdoin, with the other three teams of the Maine colleges tied for second place. Brother Harlow represented Phi Delta Theta on the varsity nine.

Although beginning the season with what was evidently a splendid amount of material, Colby did not realize early anticipations in the Maine football series. Bates, indeed was defeated in a fine contest 14—0, but Colby was only able to tie with Bowdoin 0—0, and went down before Maine's powerful eleven 20—0. The seasons lessons have not been without profit, however, and no college in Maine will exceed Colby in strength both of men and preparation for the coming fall. Four Phis were prominent factors in football: Brother "Ginger" Fraser, fullback, Brothers Thompson and Ladd, tackles, and Brother Hunt, end. Brother Taylor began the season at halfback and made a fine showing, but was unfortunately early judged ineligible under the one year rule. All these men with the exception of Thompson, return next fall. Phi Delta Theta will be able to furnish Captain Good's team with a strong aggregation.

### FRATERNITIES

At the beginning of the year there was a tendency to revive the ancient rivalry between the fraternities but it has completely dis-

appeared. The various interfraternity contests that have been practiced the latter part of the winter had much to do with establishing the old friendly feeling. Interfraternity bowling, baseball and other leagues have been established this year.

**THE CHAPTER**

When college opened this year, we were glad to welcome all but five of our old chapter back. Of the freshmen delegation of the year before, only one was absent. With but these few absences, we were very successful in our rushing season and with great pleasure we introduce to the fraternity the following men: Walter C. Dacy, '14, Donald McGuffie, '14, Norman J. Merrill, '14, Earle A. Carpenter, Paul A. Frazier, G. Curtiss Foster, Ronald B. Hutchins, Arthur S. Hawes, Byron A. Ladd, Frank T. Murphy, Joseph Moore, Arthur C. Niles, Charles D. Robinson, Fred W. Rowell, Ralph D. Rivers, James E. Shepard and Carl H. Taylor, all of '15.

At the present time the chapter is in a very wholesome and flourishing condition. We have some of the strongest as well as leading men in all the college activities.

We have not as yet been able to secure a house of our own but the one at 31 College Avenue is very pleasantly located and is a very home-like place. Brother President Roberts has recently informed us that we will soon have a veranda in front and with this addition the appearance of the house will be much improved. In a few years we are in hopes to announce a new home as architects are now at work upon plans for a new house.

### Honors

Some of the honors received by the members of the chapter this last year are as follows:

Brother Allen, '12, Epicurean; vice-president of class.

Brother Jackman, '12, Class orator; assistant editor of *Echo*; second prize in Goodwin Speaking Contest.

Brother Thompson, '12, 'Varsity football; class executive committee.

Brother Cushman, '13, Mandolin Club.

Brother Harlow, '13, 'Varsity baseball.

Brother Hunt, '13, 'Varsity football.

Brother Keyes, '13, Glee and Mandolin Clubs; class treasurer; president Y. M. C. A.

Brother Nardini, '13, 'Varsity track.

Brother Doyle, '14, leader of Mandolin Club.

Brother Jones, '14, Glee Club.

Brother Mayo, '14, *Echo* Board; *Oracle* Board.

Brother Carpenter, '15, Glee Club.

Brother Niles, '15, class president.

Brother Fraser, '15, 'Varsity football.

Brother Ladd, '15, 'Varsity football.

## MASSACHUSETTS ALPHA WILLIAMS COLLEGE

---

PHI DELTA THETA HOUSE,  
WILLIAMSTOWN, MASS.  
APRIL 22, 1912.

*Massachusetts Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE COLLEGE

Williams began its one-hundred and eighteenth year on September 21st, with a total enrollment of 533 men, a decrease of nine from the preceding year. The senior class numbers 89, the junior class 113, the sophomore class 131, and the freshman class 197.

During the past year numerous changes have been made in the faculty. Six members have permanently resigned: Edward Morgan Lewis, assistant professor of oratory; Theodore Frelinghuysen Collier, assistant professor of history; Frank Loxley Griffin, assistant professor of mathematics; John Martyn Warbeke, instructor in philosophy; Jean Norton Cru, instructor in French; and Charles Wilbert Snow, instructor in English. Three other members are away on leave of absence: Frederick Carlos Ferry, Dean of the College; Henry Daniel Wild, Professor of Latin; and Herdman Fitzgerald Cleland, Professor of Geology. The new instructors are as follows: Harry Leslie Agard, instructor in mathematics; Francis Brown Barton, instructor in the romance languages; Arthur Howland Buffington, instructor in history; Roy Stanley Corwin, instructor in geology; and Alfred Mitchell Dame, instructor in Latin. Two of the members of the faculty, Richard Austin Rice, Professor of Art, and Byron Johnson Rees, Assistant Professor of English, have returned from leave of absence. During Dean Ferry's absence his position will be filled by Carroll Lewis Maxcy, Morris Professor of Rhetoric.

Building operations have been active during the past year, and are still going on. Early last June the new infirmary, the gift of Mrs. Frederick Ferris Thompson, of Poughkeepsie, was completed and ready for occupancy. This building is built entirely of brick,

is thoroughly fireproof, and is provided with the best of modern surgical and medical apparatus. The new dormitory, Williams Hall, built by means of a fund subscribed by the alumni, was completed at the opening of college, and is now fully occupied. Through the generosity of Mr. Francis Lynde Stetson, of New York City, a wing was added to the western end of the building, thus enclosing the northern and a portion of the western sides of the of the new quadrangle. Work on the new auditorium, Grace Hall, the gift of Mr. Arthur C. Chapin '69, of Brooklyn, has proceeded rather slowly, more time being required for completion than was originally expected. The building will be dedicated some time this spring. Both buildings are constructed of red brick and granite, and are an unusually attractive addition to the college. Grace Hall, in particular, will undoubtedly rank among the finest college structures in the East.

### FRATERNITIES

Williams has at present thirteen fraternities, including eleven national fraternities, and two locals. They are listed below with their members, and in order of establishment:

### ATHLETICS

The baseball season, while not up to standard set by the 1910 team, was on the whole a very successful one. With the advantage

of a week's practice during the Easter recess the team started off with a rush, winning the first five games. A mid-season slump unfortunately put a check to this winning streak, and the next three games were lost to Amherst, Cornell and Dartmouth. A week later, however, saw the team back in form, and five of the remaining seven contests resulted in victories for the Purple. The hardest blow of the season came in the defeat of the Amherst game on May 30, in which the Purple and White profited by eleven inexcusable errors, and won by the score of 11 to 7. The most important victories of the season were: Princeton, 7-0; Cornell at Ithaca, 5-0; Yale, 2-1; Dartmouth, 6-5; and Holy Cross, 2-1. Brother Hodge was a member of the squad during the entire season, and played in right field in several of the games.

Although Wesleyan won the New England Basketball Championship, the 1911 season was, nevertheless, a successful one. Of the ten games played, all but two, the two with Wesleyan, resulted in decisive victories, and in several we doubled our opponents' score. The series ended satisfactorily with the 38-15 defeat of the strong Dartmouth five.

In view of the fact that this year's team has been considerably weakened by the ineligibility of several men, and by the sickness of three of the regular team, the prospects for a successful series are not of the brightest. The season opened on January 20th with a 32-25 victory over Rhode Island State. The following two games, however, have resulted in defeats, Union winning by the score 25-19, and Brown by 35-19. A two weeks rest until the next game on February 10th should put the team in good condition, and should see a complete reversal of form. Brothers McCredie, Hodge and Dempsey are on the squad, and after mid-years Brother Hodge will probably hold a regular position on the team.

After the disastrous football season of 1910 the showing made last fall by the football team, the final 8-0 victory over Amherst, is a brilliant contrast. With only four veterans back, the outlook was at first discouraging, but by dint of hard work and good coaching the team gradually developed, and was playing at top speed when it met Amherst on November 18. The season opened with a 0-0 tie with R. P. I. on September 30. The following three games resulted in defeats at the hands of Springfield Training School, 6-3; Harvard, 18-0; and Dartmouth, 23-5. From this time on the team took a decided brace, and won from the heavy N. Y. U. team, 9-7. The next game went to Cornell by the very close score of 15-14, but

AMHERST, MASS., APRIL 23, 1912.**

*Massachusetts Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE COLLEGE**

It is difficult for the undergraduate with his perhaps distorted view of college affairs to gauge the fluctuating progress of Amherst, but that there has been substantial progress no one will gainsay. Amherst has taken a decisive stand on the question of the classics and is committed to the ideals of the small New England College. With the advent of the group system, with its "majors and minors", comes the raised requirements for degrees, the raised passing mark and the encouragement of the study of Latin and Greek by means of various prizes, etc. Sir Gilbert Murray, Regius Professor of Greek in Oxford University, is now delivering a course of lectures on Greek literature and is conducting some of the more advanced classes.

The parents of Clyde Fitch '86, have established a lectureship in drama in honor of their son. Professor Brander Matthews was the first incumbent and has just completed his course of lectures.

The raised passing mark for all courses received its first thorough test at the mid-year examinations and the result was a complete vindication of the innovation concerning which so much scepticism prevailed. Not only did fewer men "flunk" out of college, but it was found that a great many more students attained the new passing mark of 60 than had attained the old mark of 50 last year. The number of men attaining higher marks was also increased.

All Amherst men are wondering who will succeed President George Harris, whose resignation was accepted by the trustees at their fall meeting. Dr. Harris has proved a successful, popular and diplomatic leader of the college for thirteen years. In the last year several undergraduate demonstrations have called for action on

the part of the authorities and the manner in which President Harris has firmly censured the parties concerned and done so in such a kindly, witty and yet sarcastic way that the offenders have been more mortified and ashamed than if visited with a harder penalty. After a particularly flagrant breach, Dr. Harris delivered a rebuke to the student body which in the words of a member of the faculty was classical. "Prexy" concluded with the words "I love you all as much as ever" and we are sure the feeling is reciprocated by all those who know him.

The advent of two new clubs in the college is perhaps a noteworthy fact. While noted for the strength of her alumni in governmental, political and social life, Amherst undergraduates have never displayed any marked interest in such affairs. This year has been marked by the formation of the Amherst Forum, a non-partisan association for the study of politics, government and contemporaneous legislation, and the Socialist Study Club. Both organizations have secured many notable men to speak at meetings open to all undergraduates and faculty, irrespective of their being members. Among the speakers have been Lawrence Abbott '81, of the *Outlook* and Rabbi Fleischer of Boston.

The equipment of the college has been augmented by the now nearly completed new dormitory, given by C. M. Pratt '79, in memory of his son Morris, ex-'11. The new Psi Upsilon house is also nearing completion. Plans are now being drawn for Massachusetts Beta's new chapter house and it is assured that work will be begun this year. At present, it is planned to tear down the old house immediately after commencement and to build on the same property. These three new buildings will all be of a colonial type and will undoubtedly do much to improve the architectural beauty of the college.

The ancient institution of "senior vacation" has just been abolished. It has been determined that there were few seniors taking nothing but so-called senior courses. Consequently, the majority of fourth year men still had regular examinations to take at the close of the senior examination week, so examinations will be held this year irrespective of classes.

For six months ending in February, the Amherst Biological Expedition under the lead of Brother F. B. Loomis '96, has been exploring the wilds of Patagonia in the attempt to amplify present knowledge of the extinct fauna of the country. This expedition is

sent out by the class of 1896 on the occasion of its reunions. Brother Loomis is Professor of Comparative Anatomy in Amherst and is an authority on vertebrate palaeontology. Besides bringing back a fine collection of specimens, the party collected a fund of anecdotes and incidents concerning the trip. Brother Loomis very kindly spent an evening at the chapter house and entertained the brothers with a complete description of the trip and the very interesting country and people of Argentina.

### AMHERST FACULTY

Since the last publication of the chapter letter, Amherst has lost by death two members of her faculty who have been connected with the college for more than half her existence. The fifteenth of February, 1911, saw the passing of Professor Edward Hitchcock, known to all Amherst men as "Old Doc". Since 1845 Professor Hitchcock has had an active part in all that has stood for the best interests of the college: his influence has been the keystone of the College. The entire student body followed the remains to the college church where President Harris delivered an appreciation of the best loved of all Amherst's sons.

On March 25, 1911, Professor Edward P. Crowell died at his home in Amherst. Classes began the study of Latin under his guidance in 1868, and only within the last few years had his poor eyesight compelled him to stop active work in the College.

Two new members have appeared on the Faculty roll this year, Mr. Charles E. Bennett, instructor in Latin and Mr. Eugene H. Byrne instructor in history. Professors Cobb and Churchill of the regular staff have returned to their duties after leaves of absence.

The Henry Ward Beecher Lectureship was this year held by H. Morse Stevens, LL. D., Professor of History in the University of California, who held this position in 1909, being succeeded by Ambassador Bryce and Professor Edward Alsworth Ross, of the University of Wisconsin.

Preserved Smith, '01, Kellogg University Fellow, is a special lecturer on history.

E. M. Roberts '11 is Edward Hitchcock Fellow in the department of Physical Education. The following members of the same class appear on the faculty list:

C. B. Ballard, Assistant in Geology.

D. B. Young, Assistant in Biology.

Wm. I. Fletcher, h-'84, has resigned as Otis Librarian and has

become Emeritus Librarian. He is succeeded by his son, R. S. Fletcher, '97.

George B. Parks, '11, is Assistant Registrar and Laurens Seely, '11, is Secretary of the Christian Association.

### STUDENT ORGANIZATIONS

The Amherst Dramatic Association has again exhibited to the theatre going public the excellence of well trained college productions of Shakespeare. This year "Twelfth Night" was produced and the results of the performances have been most satisfactory. Large houses greeted the presentations on the western trip during the Spring recess, the organization going as far west as Chicago and other Illinois cities.

The Glee and Mandolin Clubs, this year upheld the reputation of the college as one of the foremost in singing. The Easter trip included stops at cities in New England and New York State.

The Y. M. C. A. has carried on successful Sunday evening meetings and has been most fortunate in the list of noted speakers. Brother Ray Stannard Baker, Michigan '89, being among the best received. A number of active boy's clubs have been organized in near cities to aid in a great cause among poor children. On several occasions the boys have been given the time of their lives in the College Natatorium.

The Debating Union has held well attended meetings through the winter, at which extemporaneous debating and speaking were the features. The interest in this line of college activities has been growing steadily and the competition for the positions on the debating teams is more sharp each year. The Union is now petitioning for a chapter of Delta Sigma Rho the National Public Speaking fraternity.

The Amherst Forum and the Socialist Study Club have both been active in securing prominent speakers at public meetings in the College Hall. The *Amherst Student* the semi-weekly paper has been edited in unusually clean and concise style this year. The contributions to the *Amherst Monthly* have been of a high class this year, the stories and poems having received many favorable comments from the critics. The new *Amherst Quarterly*, the graduate magazine, has met with signal success. The need of such a publication has long been felt by Amherst Alumni.

## ATHLETICS

The current year at Amherst has so far proved unsuccessful in all branches of athletics. The football season was a disappointing one. The material available at the beginning of the season seemed to justify our hopes for a winning team, but injuries and the ineligibility of several men proved disastrous, and despite the heroic efforts of Coach Savage and the encouraging showing made against Harvard where Amherst played her to a standstill for three periods and held her to a score of 11-0, the team seemed to slump as the season progressed, and in the big game of the year Williams proved the victor by a comfortable margin. Brother Guetter played his usual steady game at right tackle, and Brother Proudfoot showed up well in the final game at Williamstown.

The hockey season also proved an unsuccessful one, due to the loss of man after man through ineligibility as the season progressed. However we sprang a surprise upon Williams, for after an easy defeat at her hands on the home rink, Amherst reversed the decision to the tune of 3-0 in the final game at Williamstown. Brothers King and Wilcox played regular positions on the team, and should prove valuable men next year.

The swimming team likewise came under the hoodoo, losing to Columbia, Cornell, and Brown, and breaking even with Williams.

The outdoor relay team may be said to have had a fairly successful season, losing to Brown but winning from Columbia.

The heavy gym team proved to be one of the best Amherst has produced for several years, Brother Shrewsbury winning many points by his creditable performances.

The baseball team has just returned from a Southern trip, which with a record of five out of nine games won, gives promise of a very successful season. Brother Vernon is in his old position as regular 'varsity pitcher, while Brothers Beckwith and Proudfoot show every indication of making the team. The schedule has been cut down to fourteen games, which however, includes the best college teams in the East.

The track team is hard at work preparing for a meet with Williams and the New England Intercollegiates, and we are sure of several good point-winners from the strong squad out.

The high standard of scholarship in Amherst, and especially the recent raising of the passing mark, have proved disastrous to all branches of athletics, and scarcely a team has been able to take advantage of the best material at hand. However, we are looking forward to a successful track and baseball season.

FRATERNITIES

The percentage of fraternity men in Amherst College shows an increase of 3 per cent over last year, the proportion now being 79 per cent. Startling as this may appear, as a matter of fact the total enrollment of fraternity members is less than last year. There are at present 363 members enrolled in the 11 national and 2 local societies at Amherst, while a year ago the same societies had a total of 377 members. Owing to the higher requirements, both for entrance and degrees, the undergraduate body is smaller in numbers, enrolling this year only 459 students. As a result, the problem of getting good fraternity material is becoming more difficult to solve each year. However, the progressive spirit of Amherst fraternities still remains.

Below is a list of fraternities in order of their establishment at Amherst:

THE CHAPTER

The chapter returned to Amherst last fall depleted by the loss of the 1911 delegation, numbering five men, and the loss of Brother Elliott '13, who entered business, and Brothers Barnes and Blackmer '13, who are pursuing technical courses at the University of Pennsylvania and Yale respectively. By dint of hard, enthusiastic rushing, although handicapped by an old unsightly house, eight men were pledged and later initiated. Later in the year Brother K. B. Colton '15, had to withdraw from college because of illness, but will return next year. We have initiated C. L. Hopkins, '13, of

Lansing, Michigan. The loss of the present senior delegation of eight men will probably be felt deeply but this will in all probability be offset by the new house.

Early last year Brother H. G. Lord '11 started a campaign for a new house and himself succeeded in obtaining pledges from the undergraduate members totalling four figures. Seeing that the undergraduates really meant business, the alumni under the leadership of Brother F. B. Loomis '96, took up the matter. A committee consisting of Brothers Loomis, J. S. Lawson '95, E. M. Brooks '99, and R. J. Bottomly '05, was appointed. "Get together" meetings were held in Boston and New York and enough money has now been subscribed to begin work immediately after commencement. Brother Loomis, whose continued service to the chapter is so often taken for granted by us undergraduates and who gives his time and support to so many chapter interests, is the one man who has enabled us to get the new chapter house. The chapter deeply appreciates his help and advice given so readily at all times.

The house is to be of a colonial style, in harmony with other college buildings now in course of construction and will accommodate about eighteen roomers. Each study will contain a fireplace and will have two single bedrooms connected with it. The main floor will be entirely given over to social interests of the chapter, the arrangement being such that all rooms can be thrown into one big apartment for dances, receptions and the like. Owing to the slope of our property toward our tennis court, the house will have a greater number of stories at the back than in front. The ground floor of the rear, facing upon the tennis court will in all probability be occupied by shower baths and athletic lockers. Two brothers have promised to give in conjunction a pool or billiard table so a game room is also possible.

At the mid-year examinations, Phi Delta Theta received the smallest number of failures of any fraternity in college. In the entire chapter, but five delinquencies were incurred and among these, there were but two conditions. Only one delinquency was received in the two upper delegations. Only one man received more than one delinquency and not a single brother came anywhere near "flunking out." In view of the raised requirements, this is a noteworthy fact, especially when the delinquencies in several other houses in town numbered among the thirties. Moreover, the fellows have held their share of honors in outside activities as an examination of the following list will attest.

Our annual initiation banquet was attended by many alumni and visiting brothers. According to custom, we sent delegates to the banquets held by the Williams and Dartmouth chapters and the Boston Alumni Club.

Next year, during the erection of our new house, we hope to rent an entire house in close proximity, although it may be necessary for us to room in the new dormitory.

#### Alumni Notes

Our initiation banquet, held on the night of November 3, 1911, with Brother Louis E. Cadieux '03 as toastmaster, was a great success. Among those who honored us with short addresses were Brothers R. F. Paul, Dartmouth '11, J. W. Rahill, Williams '12, and N. M. Wright, Jr., Brown '14. It was our great pleasure to have with us Brothers Luitweler '12, Borland '13, Dudensing '13, Bullis '14 and Littlewood '14, all of Dartmouth; also A. W. Blackmer '09, Butts '09, Parmelee '09, Schellenberg '10, Elliott ex-'13 and Mabry ex-'13 of our own chapter.

Other visitors during the past year were: Brothers Burke '03, O'Donnell '04, Lord '11, McClure '10, Willits ex-'13 and F. W. Rane '91, Ohio Zeta, now State Forester of Massachusetts.

The engagement of Brother A. W. Blackmer '09 to Miss Helen T. Dana of Portland, Maine, Smith '09 has been announced.

Brother McClure '10 has graduated from the University of West Virginia Law School, and is now with Enslow, Fitzpatrick, Alderson & Baker, attorneys and counselors at law, Huntington, West Virginia.

Brother Cooke '11 was recently married to Miss Clara Thieme, Smith '10. Brother Cooke is a chemist with the Standard Oil Co., at Whiting, Indiana.

Brother Lord '11 is with Potter, Choat and Prentice, Bond Brokers, New York City.

Brother Gormley '11 is working for the Bullard and Gormley Sporting Goods Company of Chicago, Ill.

Brother Treadwell '11 is now with the Standard Oil Co., at New York City, and expects to go abroad during the next year in the capacity of agent for that company.

Brother Beckwith '11 is with the New Departure Manufacturing Company of Bristol, Conn.

Brother Elliott, ex-'13, who of late has been working as reporter for *The Boston Journal* is now with the United States Tire Company at Boston.

Brother Willits, ex-'13, is manager of the branch office of the National Steam Pump Company at Kansas City, Mo.

### CONCLUSION

In conclusion we ask that all alumni or members of other chapters who know of desirable men intending to enter Amherst, will confer a much appreciated favor for Massachusetts Beta by notifying the chapter of such men. Our "rushing" takes place the week before the opening of college. Address all communications regarding new men to the chairman of the rushing committee, Phi Delta Theta House, Amherst Mass., or in summer to John L. King, Winnetka, Ill.

Of the Alumni of Massachusetts Beta also we ask that they forward immediately any change of address or occupation and any other note of interest about our alumni for entry in our roll book, and assistance in compiling the address list. All such communications should be addressed to the chapter reporter who will convey them to the college registrar if requested to do so. Remember that communications to the registrar do not reach us, save by the long and arduous work of checking up our address list with his. We have this year made a special effort to have an up-to-date, absolutely reliable address list by means of careful checking with the registrar, return postal cards and personally questioning alumni. That the list is not perfect, we feel quite sure, so any information particularly regarding addresses of brothers will be gratefully accepted.

We cordially invite every alumnus or member of any other

chapter, who can do so, to visit us in Amherst. With best wishes to our alumni and sister chapters for a most prosperous year, we remain,

Yours in the Bond,  
JAMES Z. COLTON,

## UNIVERSITY OF MICHIGAN

---

PHI DELTA THETA HOUSE,  
ANN ARBOR, MICH., MAY 2, 1912.

*Michigan Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

The enrollment in the University for the year 1911-12 shows the usual increase and the University now stands well above the 5,500 mark.

As in former years, the University has lost several valued members of the faculty. George P. Burns, Ohio B. '98, assistant professor of Botany was called to Vermont to become professor of the same subject in that institution; Professor Gardner S. Williams, head of the Civil Engineering department has resigned and has established an office in Ann Arbor as Consulting Engineer; Dean John O. Reed of the Literary department has taken a years leave of absence, his vacancy being filled by Professor Effinger. The departure of the dean was necessary because of a physical breakdown due to over work; Assistant Professor McLucas of the Law department has already left to enter the field of active practice.

While we have been unfortunate in losing good men, the University is to be congratulated on securing Brother A. E. White, Rhode Island A. '07, who came to Michigan this year to accept the chair of assistant professor of Metallurgy.

The Hill Auditorium is well under construction and when finished will be the largest Auditorium in the state, capable of seating 5,500 people. Since our last letter, the new athletic club house on Ferry Field has been finished. The building is a two story brick structure with stone trimmings. This building fills a long felt need in athletic circles, as it affords a fit place for all athletes to take shower baths and to dress, as well as providing lounging rooms for visiting teams. No longer is it necessary for athletes to tramp up to the gymnasium after a hard fought game, before taking shower baths and rubdowns.

During the Summer School of last year, the Old Medical building caught fire due to an explosion of gasoline, and was completely gutted. It will soon be torn down, thereby destroying one more old land mark.

At last the "smudge pot" is to be removed from the campus. The regents voted several hundred thousand dollars to erect a new power and heating plant near the M. C. tracks. Not only will the removal add greatly to the beauty of the campus by doing away with the smoke and unsightly chimneys, but it will be a great financial saving as well, for it will obviate the long hauling of fuel.

Due to the crowded conditions of the General Library, a new room has been opened on the second floor in the space formerly occupied by the art exhibit, which has been moved to Memorial Hall. This library includes the more scientific reference books.

The Literary department has a new system of marking as a result of which no conditions are given. Under the new system "honor points" are given for excellence, a certain number of which are required for graduation.

The "million dollar campaign" for the new Michigan Union Club House has just been launched, and the committeemen composed of both alumni and undergraduates have been assigned territory in every part of the country, to obtain life memberships.

This year marks the seventy-fifth anniversary of the establishment of the University. Extensive plans have been made to entertain the large number of alumni and guests who will be present during Commencement week. A big celebration has been planned. A monster tent is to be put up, in which will be furnished by University talent, vaudeville and other high class entertainments. A long parade composed of campus societies and organizations will pass before the old boys for their approval and to show the changes that have taken place on the campus since the early days. The regents have voted several thousand dollars to help make this celebration a success.

The work of organizing the alumni which was begun last year has been pursued with added zeal by President Hutchins, until that body is beginning to have a fairly complete unification.

### ATHLETICS

The biggest thing that has happened in athletic circles for years, was the adoption, by the Board of Regents, of the Blanket Tax. Be-

ginning with next fall, every student entering the University will be required to pay five dollars additional fee, for which he will receive a ticket, admitting him to every athletic event of whatsoever kind or nature, for one year. Three of the five dollars paid by women will be used as an improvement fund for Palmer field. Ferry field will also be provided with a permanent fund for improvement and maintenance. The resolution adopted encouraged athletics on the part of the entire student body and provides for financing and encouraging minor sports of all kinds.

Another dream, toward which Michigan men have ever looked forward, is beginning to look like a reality. The Edison Co., is soon to construct a huge dam across the Huron, which will back up the water, making a lake five miles long and about a half mile wide. This will afford an ideal place for a crew, and already, Michigan rooters are beginning to wonder what eight Wolverines will look like as they skim through the water in a shell.

The 1911 football season started in a blaze of glory for the team by overwhelming our opponents in the first five games and piling up heavy scores. But injury and sickness overcame several of the players, and with the possible exception of the last half of the Pennsylvania game, the team seemed unable to play together in the usual spirit that is such a large factor in one of Coach Yost's football machines. The most important game of the football season was with Pennsylvania, who came to Ann Arbor a top heavy favorite because the Michigan team had been beaten the week before by Cornell at Ithaca by a 6 to 0 score, and several players had returned home with injuries which put them on the cripple list until the close of the season. The Michigan-Pennsylvania game is never to be forgotten. With a furious snow storm blowing down the field and the weather somewhat below freezing, the teams fought as few teams ever fought on Ferry Field before. Pennsylvania gained about twice as much ground as Michigan, which was due mostly to the wonderful plunging and open field running of their captain, Mercer. The score stood 9 to 5 in Pennsylvania's favor and only two short minutes left to play, when Jimmy Craig, on an old trick play, darted around Penn's right end for a touchdown. It was the same play that had defeated the Red and Blue two years before. The final score was 11 to 9. The Nebraska game was a disappointment in a way, yet many think Michigan was lucky in tying the strong Cornhusker eleven. The score was 6 to 6. The team went to Lincoln with three stars crippled,

and the general condition of the men none too good because of the bitterly fought game against Penn. the week before. The men were in condition for the Penn. game and the game at Lincoln seemed more like a post-season game, there being a general "let down" after the previous week's hard fought battle.

Considering the casualties which befell Yost's men, the football season was very successful. Syracuse and Nebraska held Michigan to tie scores. M. A. C., which had a very strong team was beaten 15 to 3. Cornell was the only team to humble the Maize and Blue, defeating us by a score of 6 to 0. Case was defeated 24 to 0; O. S. U. by a score of 19 to 0; and Vanderbilt was barely outplayed with a score of 9 to 8. The climax was reached when the Wolverines humbled Penn, 11 to 9.

Michigan's 1911 track season was full of surprises. With only Craig and Horner, as a foundation upon which to build a team, Dr. Kranzelein, the new coach, took a squad of inexperienced men and made a strong aggregation before the season was over. Michigan lost both indoor meets, one to Syracuse at Syracuse and the other to Cornell at Ann Arbor. The meet here was spectacular. Berna and Jones of Cornell, and Craig and Horner of Michigan, all of whom are intercollegiate record holders, performing in brilliant style. Michigan defeated Syracuse easily in the outdoor meet held here, by the score of 80 to 24. Michigan sent only the mile relay team to the Pennsylvania relay games, and again it was forced to yield first place to Chicago, getting second as in the previous year.

Doctor Kranzelein took only ten men to Boston to represent Michigan in the Eastern Intercollegiate at the Harvard Stadium. It was the most wonderful track meet ever held in America. Records were broken or tied in every track event except the hurdles, and in the pole vault and shot-put new marks were set up. Craig of Michigan tied his own world's record in the 220 yard dash, running it in 21:1-5. In the 100 yard dash he also equalled the intercollegiate record of 9 4-5. Horner made a new intercollegiate record for the shot-put. Michigan got third place with a total of 24 points, Yale barely getting second by one-half a point. Cornell won the meet with 30 points.

Coach Rickey turned out a very successful baseball team from scant material. Michigan lost the final game to Brown at Providence, by a score of 2 to 1. Out of the 26 games played, 16 were won, 8 lost and 2 tied.

The chapter was represented by Brother Barton on the football squad, Brother Haff on the 'Varsity mile relay team, and Brother M. Shafroth on the 1911 'Varsity Tennis team. Brother Haff was also a point winner in the 440 yard dash at the Intercollegiate.

### FRATERNITIES

Fraternities still hold the important place which they always have enjoyed at Michigan. Since the organization of the Inter-fraternity Council three years ago, it has lead in several matters of reform, and now as always stands for advancement, and all that is good to further both the interests of the University and of the fraternities themselves. At its instigation cards giving the grades of fraternity members are received from the faculty, and by its efforts certain rules pertaining to freshmen have been invoked.

During the past year, Phi Kappa Sigma purchased the old Koon property back of us and remodeled the house throughout. Gamma Phi Beta has broken ground for the erection of a splendid new home on South University Avenue about one hundred yards east of our house. Alpha Sigma Phi and Alpha Tau Omega have purchased houses.

The Fraternities with years of establishment at the University and memberships are as follows:

## THE CHAPTER

During the past year, we lost by graduation Brothers Herbert A. Goetz, Robert E. Kusterer, Orville E. White, Albert J. Wohlgemuth, and Charles F. Landsheft. Brothers Morrison Shafroth, Wade W.

Oliver, and Woodward S. James have left college. Brother Karl M. Scott is a senior in the Medical Department.

We have affiliated Brothers Robert G. Beck, Ill., Beta '13 and Joseph C. Bogue, Colo., Alpha '14.

We have initiated Albert L. Carpenter, Detroit, Mich.; Edgar M. Williams, Akron, Ohio; Francis A. Bade, Goshen, Ind.; John H. Jay, Shenandoah, Ia.; Gray B. Gray, Denver, Colo.; and Edward H. Idema, Grand Rapids, Mich.

We are represented on the faculty this year by Brothers H. A. Sanders, Michigan Alpha; E. D. Jones, Ohio Beta; Dr. C. W. Edmunds, Indiana Alpha; E. C. Case, Kansas Alpha; E. D. Rich, N. Y. Epsilon; A. E. White, Rhode Island Alpha; and Earl V. Moore, Michigan Alpha.

Early last fall, Washtenaw Avenue was paved with concrete, and a new cement walk was put in on South University.

The lodge room has been completely refinished. A dome ceiling has been put in with brown strips running the entire length and breadth of the room, giving the ceiling a beam effect. The walls have been done in light blue, carrying out the same idea of beams with strips at regular intervals. Running the entire length of the walls, is an oak seat with a high back. At the head of the room is a slightly raised platform, on which are the president's chair and desk. The reporter and secretary each has an oak desk, and the warden an oak pedestal. On the floor is a red velvet rug which completes the tone of the room.

Entire new paraphernalia has been purchased and upper classmen appear in robes at all regular meetings. Every meeting is a "model meeting," to which our new acquisitions lend greatly to the solemnity of the occasion.

The first floor and dining room have been newly curtained with netting and silk overdrapes. The first floor has been done in cream with green overdrapes, excepting the ladies' reception room which is a rich gold color. The dining room curtains are light tan with brown overdrapes and sunbursts. The subdued effect produced is much more pleasing than the glare caused by the old white curtains.

Plans are now on foot to completely remodel both bath rooms. They are to have tiled floors and sides with additional tubs, showers, and lavatories. Our bath rooms are now wholly inadequate, and it is our intention that this work be done during the coming summer. The chapter has voted to raise \$500.00 and we shall endeavor to raise a like amount from the alumni. Already money is coming in for this purpose.

George Jay, '10, is managing his father's drug firm at Shenandoah, Iowa.

M. Shafroth, '10, has been taken into law partnership with his father at Denver, Colo.

George Morrison, '07, was married on last Christmas to Miss Mabel May Snyder, of Oneil, Nebraska.

### CONCLUSION

The chapter has maintained its scholastic standing among the fraternities represented at Michigan.

We wish to thank our alumni for recommending new men, for their aid in rushing, and for their ever thoughtfulness in the welfare of the chapter. You can do us no greater service than that of recommending to us good material entering the university. We ask that you please forward immediately any change in address or occupation, and any other notes of interest about our alumni for entry in the roll book and address list.

We want the alumni to know that they are always welcome and that there is always a standing invitation for them to visit us.

With the sincerest wishes for the success of every member of Phi Delta Theta, we are,

Yours in the Bond,

# **MINNESOTA ALPHA**

## **UNIVERSITY OF MINNESOTA**

---

PHI DELTA THETA HOUSE,  
1812 FOURTH ST., S. E.  
MINNEAPOLIS, MINN., MARCH 30, 1912.

*Minnesota Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

The University opened September 21, in all departments with an enrollment of close to 5000.

During the year, two new engineering buildings have been completed and two medical buildings and an agricultural engineering building are in process of construction. The Elliot Memorial Hospital is completed and in operation.

The inauguration of President George Edgar Vincent, took place in October and was an event in which educational leaders from over the entire country participated. A feature of the student demonstration was a mammoth torchlight parade.

Professor James Paige is now acting dean of the Law College until Professor W. R. Vance of Yale assumes active duty next fall. We regret to announce that Miss Ada Comstock, Dean of Women, has resigned her chair to accept a similar position at Smith College. Dean F. J. Wulling, Dean of the College of Pharmacy is being mentioned as a successor to Dr. Wiley of the Department of Agriculture.

In debate Minnesota came out with flying colors, winning both decisions in the three cornered contest with Wisconsin and Nebraska.

Commencement is to be held the week of June 9th, Wednesday being Alumni day and the graduation exercises on June 13th, concluding the week.

The University year for 1912-1913 will begin Monday September 10th.

The number of students in the University is as follows: Gradu-

ates, 144; Academic Department: Seniors, 214; Juniors, 242; Sophomores, 399; Freshmen, 517; Special, 249; Law department, 442; Women, 1,475; Engineering department, 420; Mining department, 105; Medicine department, 171; Dentistry department, 206; Pharmacy department, 90; Agricultural department, including the Forestry students and only those agricultural students of collegiate grade, 434. Grand total of 5,118.

### ATHLETICS

In all departments of athletics, Minnesota has been particularly successful, especially in football, in which she won the Western Championship. In basketball she finished in fourth place. Prospects are bright for a successful track and baseball season and it is expected that the University will be represented at the Relay Carnival in Philadelphia this spring.

### FRATERNITIES

Phi Delta Theta ranks fourth in scholarship, being preceded by Delta Upsilon, Beta Theta Pi and Phi Gamma Delta in the order named.

The fraternity council is stronger than ever this year and is receiving the support of all the fraternities in regulating Greek letter affairs.

The Phi Gamma Delta has just entered their new \$15,000 home and the Alpha Delta Phi expect to enter their house before the year closes. Alpha Zeta, the agricultural fraternity, are occupying a new \$8,000 home near the farm school.

The following is a list of the fraternities and sororities at Minnesota in the order of their establishment, together with the active membership of each.

**THE CHAPTER**

Twelve men returned in the fall. Brothers Stanley M. Vance and George M. McCanna took their degrees in law and Brother Charles W. Walters graduated from the School of Mines. Brother Herbert L. Thompson returned to finish his course in engineering. Brothers Leo M. Blanchette, George C. Lindeberg and George W. Snyder were initiated. Brothers Neely Pardee, Wisconsin Alpha, and Harvey Hoshour, Pennsylvania Beta, have been affiliated—giving an active membership of 18.

Four other Phis are now attending the University, Brothers Zimmermann, Indiana Beta; Paul Wilson, Iowa Alpha; and Dennis Sullivan, South Dakota Alpha, in the School of Medicine and Brother Herman Pettibone, Illinois Alpha, in the College of Forestry.

The chapter was favored by a visit from Brother George Banta early in the year.

The annual banquet was held March 15th, at the St. Paul Hotel. About seventy brothers were present. Plans for a new chapter house were discussed and prospects are bright for our entering a new home in September.

This year the chapter will lose seven men by graduation.

**Honors**

Brothers Breckenridge, Lindeberg, McCormick and Pettibone won the interfraternity relay for the fourth time in five years.

Brother Hayward won his "M" in football last fall.

Brother Lindeberg is on the track squad.

Brother Snyder is a member of Nu Sigma Nu (medical), and Brush and Pencil (art).

Brothers Hoshour and Webster are members of Phi Delta Phi.

Brother Breckenridge was on the Junior Ball program committee and is a member of Phi Delta Chi (pharmacy).

Brother Peppard is president of the senior medical class.

Brother Johnstone was assistant football coach last fall.

Brothers Klimenhagen and Webster are members of the Glee Club.

**Alumni Notes**

E. C. Parker '05, has just returned from government service in China.

R. W. Wetmore '02, has been elected director in the Shevlin Co., and secretary and treasurer of the Shoshone Lumber Co.

Dalton Andrew '10, has gone to San Francisco where he will take up advertising with the San Francisco *Times*.

Victor Tryon '05, has entered the banking business in Manhattan, Montana.

S. M. McCanna '09, has given up his law practice and entered the real estate business.

### CONCLUSION

In conclusion we wish to urge our alumni and our brothers of this or any other chapter, who know of desirable men intending to enter Minnesota, to notify us to that effect. On behalf of the active chapter we extend thanks and gratitude to the alumni for the interest they have shown in the active chapter.

It will be of great assistance if every alumnus will kindly acknowledge the receipt of this letter and notify the reporter from time to time of any change in address or give other information that may be necessary to keep our records accurate and complete.

## MISSISSIPPI ALPHA UNIVERSITY OF MISSISSIPPI

---

PHI DELTA THETA HOUSE,  
UNIVERSITY, MISS., APRIL 25, 1912.

*Mississippi Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

In probably no period of the history of the University has the institution gone through such a trying crisis as it has experienced in the last year. After about eighteen months of student and political anti-fraternity agitation, the Board of Trustees gave its decision against the continued existence of Greek letter fraternities here. At the last session of the legislature, the anti-fraternity party in school and state, not content with the decision of the trustees in their favor, succeeded in swaying both the senate and the house so completely that a violent anti-fraternity bill was passed, and the seal of the state placed on the verdict of the trustees.

All the efforts in its power have been made by the Pan-Hellenic, of which Brother McKinney is president, to stem the tide and gain a hearing from the state, but the opposing forces are too strong at present to be coped with. It is to be hoped that the agitation will die down with the subsidence of last year's intense political feeling, and that when the state is less bitterly divided against itself, the question will receive cool and judicious consideration, strictly on its own merits. Such a consideration will, we are sure, result in the exoneration and restoration to our Alma Mater of the fraternity we love, and her Hellenic sisters.

Speaking for the whole body of fraternity men here, we are glad to say that, even in the moments of most acute excitement our party has not been guilty of any dishonorable act. Whatever the final outcome, the fraternity men have been true Greeks, and we are certain that when the matter again comes up, this conduct on our part will help put us right in the public mind.

In the meantime, in spite of the anti-fraternity upheaval, the

school has progressed in the matter of buildings and of campus improvements. In the last session of the legislature, the \$40,000 offered the University from the Peabody Fund was supplemented by the appropriation of \$10,000 necessary before this offer should be made good, and we are now to have a handsome new Educational building, called the George-Peabody Hall. The new \$50,000 library has been in use all this session, and is by far the handsomest and most spacious building the University has ever had.

There have been very few changes in the personnel of the faculty. Doctor Purdue, S. A. E., Ph. D. from Princeton, came this year to fill the position of Assistant Professor of Chemistry made vacant by Doctor Kennon. The latter is now head of the department of Physics and Astronomy, to succeed Doctor Johnson, who died last summer. Doctor Smith from Virginia is a new member of the Medical faculty.

### ATHLETICS

Our last spring's baseball team was weakened by the prevailing dissensions and consequently though otherwise we had a fairly successful season, we lost two out of three games with our inveterate enemy, Mississippi A. and M. Phi Delta Theta was represented on the 'Varsity by Brother Bill Bailey, who did good batting and out-field work.

The football season bade fair to be the most glorious in our history, but, for various reasons which we are confident will be removed next fall, we lost both the Vanderbilt and the A. and M. games. Brother Haxton, who was not eligible on account of protracted absence last session, was the efficient coach of the scrub team, and did splendid work with very raw material.

The basketball season, which was a fairly successful one for the 'Varsity, was especially remarkable for the unusual interest awakened in this game, among the student body. Class teams were organized, and great enthusiasm was manifested.

### FRATERNITIES

Herewith, given in the order of their organization here, is a numerical comparison of the local chapters:

Established.	Name.	Members.
1850	Delta Kappa Epsilon .....	13
1855	Delta Psi .....	6
1857	Sigma Chi .....	9

1857	Phi Kappa Psi .....	14
1866	Sigma Alpha Epsilon .....	6
1877	Phi Delta Theta .....	5
1886	Delta Tau Delta .....	12
1899	Chi Omega .....	1
1900	Kappa Alpha .....	11
1904	Delta Delta Delta .....	2

### THE CHAPTER

Mississippi Alpha opened the year with five returned men. Brother Robert Baird, of Tennessee Alpha, was with us for the mid-term, but withdrew at the end of that period.

Small as our chapter has been, we feel no hesitation in saying that our influence in the school is wide and strong. The attacks of the hostile faction have naturally drawn us closer together in fraternity bonds, and, though the ruling of the trustees and the legislature prevented the usual initiations, we do not feel that the past year has been a wholly disastrous one for Mississippi Alpha.

### Honors

Brother Bailey made the 'Varsity basketball and baseball teams, and was captain of the sophomore basketball team.

Brother Franklin is assistant librarian and a member of the Junior Prom. Dance committee.

Brother Haxton was coach of the Scrub football team, and captain of the Junior basketball team.

Brother Mayo is president of the Scribblers' Club, and chairman of the Social committee of the Y. M. C. A.

Brother McKinney is president of the Pan-Hellenic Council, society editor of the *Mississippian*, the college weekly, a member of the Junior Prom. Dance committee, vice-president of the Masonic Club, a member of the Scribblers' Club, and has a place on the editorial staff of *Ole Miss*, the annual.

### CONCLUSION

Scarred and battered by the last year's dissensions, the University yet looks forward hopefully to a better and more peaceful future, when the anti-fraternity party is no more, and when fraternity man and non-fraternity man shall be united in patriotic efforts to serve the school.

As for Mississippi Alpha, though her fortunes are at present under a cloud, yet she is by no means ready to give up hope, and she takes this opportunity of appealing to her sister chapters and to her alumni not to desert her in her hour of need. To all Phi Delta Theta's who feel enough interest in us to read this letter, we extend our greetings and best wishes for this year and all the years to come.

CORNELL S. FRANKLIN,

R. KENNETH HAXTON.

## MISSOURI ALPHA UNIVERSITY OF MISSOURI

---

PHI DELTA THETA HOUSE,  
COLUMBIA, MO., APRIL 24, 1912.

*Missouri Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

The University is gradually coming into its own as a state institution, and with the increased attendance in every department this year, it will soon be recognized as one of the highest schools in the United States. Already its Agriculture Department has gained nation wide reputation, for every year at the International Stock Show in Chicago our Stock Judging team carries away the honors from all the competing schools in the Union.

A new \$50,000 Veterinary Building was moved into this year, and this department is growing immensely in efficiency, and in attendance. There is also a new modern Dairy Barn for the famous "Josephine," and the other fine dairy cattle to occupy.

It is the intention of the board of curators to make a second Quadrangle where the Horticulture grounds now are. The Horticulture Building will bound it on the west, the magnificent Agriculture Building will bound it on the north, and the contract has been let for two new buildings to bound it on the other two sides. Work has already begun on a \$75,000 Physics Building which will be on the south side, and as soon as this is completed work will be started on a new Chemistry Building which will be on the east.

Dean Lawson of the Law Department has resigned as Dean and will leave as soon as school is out for France where he will take up the study of criminal procedure in that country. The vacancy caused by his resignation will be filled by Brother E. W. Hinton, Mo. Alpha '90.

### ATHLETICS

Missouri has not done much in athletics so far this year. In football we did not have as good a team as usual, and were never in the

running for the championship. We tied with Kansas our old rivals and had to be contented with this.

In basketball we did not have our usual good team, and proved to be easy for most of our contestants.

The track team was strong as usual, and up to their old form. We won the meet against Kansas by a score of 55 to 30.

Our baseball season began about a week ago with Wisconsin as our first opponent, and the game resulted in a tie. Brother Helm is on the pitching staff of the 'varsity and pitched a very good game against Wisconsin. On account of the bad weather this spring the team has had no outside practice as yet, and considering this disadvantage they showed exceptionally good form, and we have hopes of winning the Missouri Valley Championship.

### FRATERNITIES

The fraternities as a rule are not in as prosperous condition as usual because of the new freshmen rule which went into effect this year. This rule was passed by the faculty last spring and reads as follows: No man shall be initiated into a fraternity nor live in the house, until he has 24 hours credit in the university. This has caused the fraternities as rule to have a smaller number of men and thus works a hardship on them, but it is beneficial in some ways, as it does away with the class of men who come to school merely to make a fraternity and then leave at the end of their first year. It was passed to raise the scholastic standing of the fraternities, and there is no denying that it has succeeded, for previously the fraternities always stood below the average student body but the first semester this year they climbed above this average.

The Beta Theta Pi house burned down during the Christmas holidays, and they will start a new fine home sometime in the near future. Their new home will be directly across from us.

The Sigma Alpha Epsilon and the Phi Gamma Delta moved into fine new houses this year.

The Pi Kappa Alpha's were admitted to the Pan-Hellenic Council this year. This now makes 12 national fraternities in the Council. There are also five national sororities here now and the Chi Omegas are going to grant a charter to a local chapter who has been petitioning them.

The fraternities in order of their entrance in the university, and the number of active members are as follows:

Established.	Name.	Members.
1870	Phi Delta Theta .....	19
1884	Sigma Alpha Epsilon .....	12
1886	Sigma Nu .....	18
1890	Beta Theta Pi .....	13
1891	Kappa Alpha .....	19
1896	Sigma Chi .....	21
1898	Kappa Sigma .....	18
1899	Phi Gamma Delta .....	9
1905	Delta Tau Delta .....	15
1906	Alpha Tau Omega .....	20
1908	Phi Kappa Psi .....	17
1910	Pi Kappa Alpha .....	19

#### Sororities

1890	Theta Nu Epsilon .....	22

### THE CHAPTER

On account of the new ruling the chapter has fewer men than usual, which makes it hard on the active men to keep up the house. Otherwise the chapter is in excellent condition. At a banquet here in November a movement was begun to collect money to pay off the indebtedness on our lots. This money has been collected and the lots now stand free from debt. These lots are in the most desirable location in the city, and now that they are clear from debt we can go about building a new chapter house in the right way. To do this we must have help from the alumni, and all assistance from them will be greatly appreciated. It is nearly a necessity that we have a new house within the next two or three years. All the fraternities here in school have either built new houses within the last three or four years

or they have plans for building within the next few years. The Phi Gamma Delta's just moved into a fine new house on the left of us and the Beta Theta Pi's are constructing a new house on the right of us. It seems funny that all these other fraternities can have nice new homes owned by themselves, when Phi Delta Theta the best fraternity here, and one that was here 15 years before any other, has to live in an old dilapidated house which we rent. I am sure that if the alumni realized the importance and the necessity of a new house they would be more willing to help the active members.

There are three Brother Phi's in the faculty now. They are Dean E. W. Hinton, of the Law Department, Mo. Alpha '90; J. P. McBaine also of the Law Department, Mo. Alpha '02; and D. H. Dolly in the School of Medicine, Va. Gamma '97.

There are now 19 active men in the fraternity and 9 pledges who will soon be initiated.

The regular meeting is on Tuesday night, Founders' Day is observed on the 15th of March, and Alumni Day on the 15th day of October.

#### Honors

The most important honors held by men in the fraternity are:

Charles C. Byers, President of the Pan-Hellenic Council, Phi Delta Phi, Mystical Seven, Delta Sigma Rho.

J. P. Klein, Tri Chi.

R. A. Drum, Cadet band.

G. N. Lockridge, Phi Alpha Delta.

C. A. Calvird, Theta Nu Epsilon, Phi Delta Epsilon.

F. C. Mann, Tri Chi, secretary of the senior law class.

C. T. Helm, Theta Nu Epsilon, pitcher 'varsity baseball team.

J. T. Ready, Theta Nu Epsilon.

R. L. Dearmont, Phi Delta Phi, vice-president of the freshman law class.

H. B. Pankey, Phi Delta Phi, Theta Nu Epsilon.

#### CONCLUSION

It is the earnest wish of the chapter that all alumni communicate with the chapter in some way during the school year. A visit to the chapter by the alumni is not only enjoyed by the active members, but the benefits to the chapter of a visit are readily apparent. In the past years many good men have been won for Phi Delta Theta as a result of the efforts of the alumni, both in speaking to the prospective

students, and in writing to the chapter the date and time, as nearly as possible, that the new student will arrive. The fall session of school of 1912 begins about the 18th of September and communications to the chapter, both in respect to new men and suggestions will be greatly appreciated. The rushing committee, to whom communications referring to new men should be addressed, will be glad to have a notification as near the opening day as possible. The active members wish to extend their thanks to all alumni, for their efforts in bringing Missouri Alpha to the position she now holds.

JAMES P. KLEIN,

## **MISSOURI BETA WESTMINSTER COLLEGE**

---

PHI DELTA THETA HOUSE,  
9 EAST TENTH STREET,  
FULTON, MO., APRIL 1, 1912.

*Missouri Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greetings:*

### **THE COLLEGE**

The New Westminster is a reality. Westminster Hall is completed and occupied. It answers its purpose very well, but will soon be supplemented by a gymnasium, library, and chapel. Some money has been raised for these buildings, but more is needed. This is a splendid opportunity for the friends and alumni of the college to show their loyalty. If they do, "Greater Westminster" will be the result.

Dr. C. B. Boving of Hannibal, Mo., a Westminster man, has taken hold in the presidency, last held by Dr. D. R. Kerr. The chair of English, left vacant by Prof. W. H. Kerr's resignation, has been filled by Prof. J. H. Atkinson. Prof. Russell Johnston has succeeded Prof. Brenneman as head of the Department of Physics. The chair of Biology, left open by Prof. W. I. Utterback's resignation, is occupied by Prof. Knapp. Prof. A. L. Hall Quest has taken the place of Prof. C. Vandervelde as the head of the department of Philosophy and Bible.

### **ATHLETICS**

E. M. Tipton has taken charge of the college athletics. He has put a new spirit into all of the teams.

In baseball, season of 1911, the team was very successful, winning most of the games played, and barely losing the state championship of the colleges. Our prospects for a winning team in 1912 are even better.

In football, Westminster won the college championship of the state. Several of the men made the All-Missouri team.

**FRATERNITIES**

The three fraternities have very high standing in the college, and have a great influence in the college activities. In the order of their establishment, with membership, they are as follows:

1868 Beta Theta Pi, 11 active, 4 pledged.

1880 Phi Delta Theta, 17 active, 1 pledged.

1890 Kappa Alpha( Southern) 17 active, 4 pledged.

**THE CHAPTER**

Our chapter returned ten men this year, losing by graduation: Brothers J. S. Penney and H. H. McIntire; by withdrawal, Brothers J. T. Ready, T. H. Harp, R. H. Kerr, B. C. Riley, and K. J. Maxwell.

Since February 1911 we have initiated: Albert G. Edwards, St. Louis, Mo.; Robert F. McCampbell, Goliad, Texas; Francis E. Fisher, St. Louis, Mo.; John S. McCampbell, Goliad, Texas; Boulware H. Jameson, Fulton, Mo.; William R. Wells, Jefferson City, Mo.; and William Brewer Whitlow, Fulton, Mo.

We have pledged John Moore of Fulton, Mo.

The roll of the chapter by classes is as follows:

**Class of 1912.**

Charles Norval Cofer.

Herbert Gerald McElhinney.

David Wallace McKee.

William Bush Smith.

**Class of 1913.**

John Douglas Bartley.

Francis Minor Rootes.

**Class of 1914.**

Alvin Rudolph Dallmeyer.

Harry August Feldbush.

James Graham Robertson.

**Class of 1915.**

Albert Gallatin Edwards.

Francis Ellsworth Fisher.

Boulware Herndon Jameson.

John S. McCampbell.

Robert Floyd McCampbell.

William Russell Wells.  
William Brewer Whitlow.  
Frank Hall Wright, Jr.

#### Honors

Brother Cofer—Editor in Chief *Blue Jay*, Glee Club.  
Brother Bartley—Manager *Blue Jay*, Glee Club.  
Brother McElhinney—Football team, Athletic Board.  
Brother Smith—Pres. Philalethian Literary Society, Manager  
*Monthly*.  
Brother McKee—Captain Baseball team, Football team.  
Brother J. McCampbell—Football team.  
Brother Whitlow—Football team.  
Brother Fisher—Baseball team.

#### CONCLUSION

Our Alumni will help us greatly if they will notify us of any fraternity material coming to Westminster next year. If we could have this information early, it would simplify matters a great deal and help the chapter to keep up in good standing.

We would enjoy visits from any of our Alumni; in fact, they are always welcome.

## MISSOURI GAMMA WASHINGTON UNIVERSITY

---

PHI DELTA THETA HOUSE,  
ST. LOUIS, MO.,  
FEBRUARY 10, 1912.

### *Missouri Gamma of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

It is with the greatest pleasure that Missouri Gamma takes this opportunity of writing to her alumni and to the Fraternity in general.

#### THE UNIVERSITY

The past year has been a most prosperous one at Washington University, and a marked increase has been made, not only in numbers, but in teaching facilities as well. The enrollment at the beginning of the college year was 1,329 divided among the six colleges comprising the University. This was an increase of about 27 per cent over the enrollment at the same time last year. There have been few important changes in the faculty during the year, though a number of departments have been enlarged.

At the beginning of this year, the University received a very welcome gift amounting to half a million dollars, contributed jointly by Mr. Samuel Cupples, and Mr. Robert S. Brookings. This consists of a block in the center of the wholesale business district of St. Louis, and means a material increase in the endowment fund of the University.

Ground has been broken for the first of the new buildings to comprise the Medical Department, which will be one of the finest in this country. The new location is far superior to the old one, which was too near the center of the city and was consequently very crowded. The free clinic, however, will remain in its present location for some years to come.

A great friend and benefactor was lost to Washington University when Mr. Samuel Cupples died on January 6, 1912. He had always felt a keen interest in the welfare of the University and by

his generosity, many things have been made possible, which otherwise would not have materialized. He was one of the most active of the directors of the University and had made gifts amounting to millions of dollars.

The University Debating Club is flourishing, and will engage in several intercollegiate debates this year. The two dramatic clubs, Thyrsus, and Quadrangle Club, have done excellent work this year in several plays, one of which was a musical comedy, "Pierrette," given at one of the theatres.

### ATHLETICS

Washington University has made a very good record in Athletics so far this year. The football team was very successful, losing only one game to Indiana University, and playing tie games with Missouri University and Drake University. A great deal of credit is due to the coaching of Brother Frank Cayou and we hope that next year under his guidance that we will have a still better record to show. The chances are very bright for twelve veterans will return; the freshman material is also very good.

The basketball is due for a good season, with the chances for the Missouri valley championship. The record up to date is four games won and one game lost; the team is a fast one and should keep up their winning streak.

The track team has scheduled three intercollegiate meets, and with an early start should make a very good showing. Up to last year, Washington had not indulged in track athletics for some time; however, interest has been reawakened and excellent results are expected. Wrestling and gymnasium classes are larger this year than before; it is hoped that in the future gymnasium classes will be made compulsory for the lower classmen, at least. Baseball is an unknown quantity, for at the present date, the Missouri Valley Conference has not decided whether or not there will be intercollegiate baseball.

### FRATERNITIES

The fraternities at Washington University have been brought into closer touch than before, due to the establishment of a Pan-Hellenic council. Several interfraternity smokers have been held, which were very successful. The council is at present considering a fraternity eligibility rule, with regard to scholarship, which will be very valuable. The sororities have decided to do away with a

special day for pledging freshmen, having decided that the plan is a failure.

The interfraternity baseball schedule will be played this spring. Last year the cup was easily won by Theta Xi, but this year the competition will be keen. Missouri Gamma expects to put a strong team in the field.

The fraternity situation is practically the same as last year, except that several of the chapters have weakened materially. No chapters have been strengthened except Missouri Gamma, which made great progress over last year. The only other noticeable advance is that made by  $\Pi B \Phi$  sorority, which was very successful last year and this year.

The following is the list of the fraternities and sororities at Washington University and their present numerical strength.

### THE CHAPTER

Missouri Gamma returned only eight men this year. Brother Clay Preston affiliated from Texas Beta and seven men were initiated, bringing the total membership of the chapter up to sixteen. The chapter came through the mid-year examinations very well, losing only one man. This chapter is the strongest one that has represented Missouri Gamma for a number of years.

Several parties have been given this year which were great successes. A large celebration was held on the 28th of March, which

marked the twenty-first anniversary of Missouri Gamma. The chapter as a whole is becoming more prominent in college activities and promises to take its former place as leader in such.

Brother Tiedemann, '12, is in the Greek play, is assistant editor of *Student Life*, in Civics Club, Quadrangle Club, in the Glee Club, and on *Hatchet*.

Brother Lockwood, '12, is in the Greek and annual plays, is an editor of *Student Life*.

Brother Glasgow, '12, is in Pralma, the senior society and Glee Club.

Brother Penney, '12, is in Civics Club and  $\Phi \Delta \Phi$ .

Brother Maverick, '13, is junior class treasurer, member of Student council, Debating Club, and is assistant editor of *Hatchet*.

Brother Paul Coste, '14, is on the Glee Club, freshman football team, and in Lock and Chain, the sophomore society.

Brother Brookes, '15, is in Obelisk, the freshman society, and freshman basketball team.

Brother Summersby, '15, is on the Mandolin Club, and the freshman football and baseball teams.

Brother Russell, '15, is on the Mandolin Club and in the Architectural society.

Brother Milford, '15, is on the freshman football team and is captain of the baseball teams.

Brothers Felix Coste and Summersby were the freshman dance committee.

### CONCLUSION

The chapter expresses its appreciation for the support which the general alumni have given us. We hope that we may co-operate with them more every year so that Phi Delta Theta may be upheld as is her due. A cordial invitation is extended to all Phis to visit us.

Yours in the Bond,

F. EWING GLASGOW,

# NEBRASKA ALPHA

## UNIVERSITY OF NEBRASKA

---

PHI DELTA THETA HOUSE  
2600 Q ST.

LINCOLN, NEB., MAR. 30, 1912.

*Nebraska Alpha of Phi Delta Theta to Her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

During this year the University has prospered greatly in the matter of appropriations for new buildings, securing the same for the erection of a law building on the campus, a horticulture building at the State Farm campus, and an experimental station at Curtis, Nebraska. This is the first time in the history of the institution that an appropriation for the sole benefit of the law college has been made and the students of that college are very jubilant over the prospects. Also, within the last few days, the courts have decided that it is legal and right to build a new medical building on the campus of the medical college at Omaha.

The only change in the requirements for graduation is the rule that twenty per cent of all the work of the student must be above the grade of seventy.

### ATHLETICS

Once more the Cornhuskers can shout for joy and wave the flag of victory over the schools of the Missouri Valley in regards to football. Although we suffered defeat at the hands of Minnesota, we blotted out those painful memories by decisive scores against Kansas, Missouri and Michigan. Nebraskans feel very proud over the result of the game with Michigan, played here on the 25th of November. While the score stands 6 to 6, we look upon it as a victory for Nebraska and we are counting upon more games with the teams of Michigan and those schools farther east.

The cross country team was disqualified in the Missouri Valley meet at Lawrence, Kansas and got fifth place in the Chicago Conference meet at Iowa City a week later.

With the exception of our game lost to Minnesota, early in the season, Nebraska has been undefeated in basketball this year. We played Kansas, Ames and Drake four games each and were victorious in every game.

The Athletic board has decided to put a baseball team in the field again. We dropped the game two years ago on account of unfavorable rules laid down by the Missouri Valley Conference but as they have now changed the eligibility requirements to suit Nebraska we have taken up the game again.

Nebraska has prospects for another successful track team. With the exception of last year's star and captain, Reed, the team are all back and at work. We have a heavy schedule but with an even break of luck we should make the year as memorable in track athletics as it has been in football.

Nebraska is fortunate this year in procuring the services of "Jumbo" Stiehm as all-year coach. Stiehm's work on the football team has won him a home in the hearts of all true Nebraskans. both in and out of school.

### FRATERNITIES

The general condition of fraternities is not so good this year as last, several having lost a number of men through various causes. The scholarship has not been up to standard and, as a result, we anticipate movement on the part of the faculty and the board of regents toward more direct faculty control.

Sigma Alpha Epsilon has built a fine new home and we ourselves have temporarily moved from our old location into a house in the residence portion of the city.

The following is a list of the fraternities in Nebraska, the year of their establishment and the number of active men in the chapter:

### THE CHAPTER

Nebraska Alpha lost four men through graduation last spring, Brothers Coad, Cain, Thomas and Lee. However we were again fortunate in returning twenty-two men in the fall. We came back early and began the work of wrecking the old house at 1504 S Street. Within the next few weeks we pledged eight men and again started the work with a vengeance.

During the first semester we suffered the loss of fourteen of the active men through sickness and other reasons. We are also sorry to have to report the death of Phikeia Hutchins, of Falls City. He was a victim of the typhoid epidemic and after a sickness of four weeks, died at his home on Feb. 5, 1912. The active chapter conducted the funeral ceremony.

We have now an active chapter of eighteen men, eleven of whom are living in the house and as usual the table is supported by the entire chapter.

On March 15th and 16th, respectively, an informal party and the thirty-seventh annual banquet were held. The banquet was held at the Lincoln Hotel, Brother Stephens, Neb., '89, presiding. Forty-nine Phis were in attendance. A new house proposition was discussed and a committee of alumni members was appointed to take immediate action.

Nebraska Alpha takes great pleasure in introducing to the fraternity Brothers Leonard Clark, St. Edwards, Donald Owen, Harry

De Lamatre, and Philip McCullough, Omaha, Hartman Goetze, St. Joseph, Mo., Victor Halligan, North Platte, Lee Metcalfe, Lincoln, Harry Thomas, University Place, and Kirk Lee, Fremont, Nebraska.

### Honors

Among the important honors bestowed upon members of the active chapter during the past year are the following:

Bert Barber—Stock judging team at International Stock Show, Alpha Zeta, (Agricultural honorary society.)

James MacWoodward—Viking (Junior Society) Phi Rho Sigma (Medical Fraternity.)

Lewis Anderson—Track captain, Innocents, (Senior) University Athletic Board, holder of Missouri Valley mile record, time 4:26.

John Frank Mead—Glee Club, Kosmet Club.

John Andrews—Spikes (Freshman) Varsity football.

David Reaves—Varsity track, Iron Sphinx (Sophomore.)

Philip McCullough—President Freshman class.

Jean Cain—President Junior Law class.

Victor Halligan—Freshman football team.

Harry De Lamatre—Freshman football team.

### Alumni Notes.

William H. Hayward, Neb., '97, Burt D. Whedon, Neb., '00, have gone into partnership with Thomas Wing, Neb., '93, and Philip Russell, Neb., '98, in law.

Earl Lantz, '00, Fred Brown, '07, and Donald Owen, '15, were married in the past year.

Allen Jerome Lee, '09, died.

Hugo Birkner, '10, and Willet Thurston, '08, are on a fruit farm in Idaho. George Reeder, '13, is also with them.

E. J. Lee, '11 was elected justice of peace of Fremont, Neb.

H. N. Cain, '11 is city engineer of Falls City, Neb.

We extend to all a hearty invitation to Nebraska Alpha.

## NEW HAMPSHIRE ALPHA DARTMOUTH COLLEGE

### THE COLLEGE

The college opened last fall with the largest Freshman class in the history of the College, the enrollment being 405. In this and in other departments of the college the impetus of President Nichol's administration is showing its results. The president is ably carrying on the work started by his predecessor and is fast gaining the respect and regard of the student body. Donations by wealthy alumni are increasing and the growth of the prestige of the College is marked.

During the Christmas vacation Dr. Nichols took an extensive tour visiting the alumni of Springfield, Syracuse, Buffalo, Chicago, Cleveland, Omaha, St. Louis, Pittsburgh, Washington and Philadelphia. He was received with admiration by his hosts in the various cities. To them he reported the exceptional progress of the college and in turn brought home expressions of friendship and regard both for himself and the institution he represents.

The increase in building operations goes on, under the direction of Brother Hunter, '01. By a grant from the Trustees, the College is building two new dormitories and remodeling old Wentworth Hall with the end of making it into a lecture and recitation hall. The dormitories will be called North and South Massachusetts Halls. Since our letter last year, both the new Administration building and the Alumni gymnasium have been completed and are in complete use. The gymnasium is equipped with handball courts, two board running tracks, cinder tracks, a baseball cage and adequate locker and shower equipment, and is now one of the largest and best gymnasiums of its kind in the collegiate world.

The "Dartmouth Night" which was observed last fall was the greatest and most enthusiastic in the annals of the institution. Edward Tuck, '61 was present, a guest of Dr. Nichols and this of course gave an added impetus to the occasion. The Club of Boston, headed by Melvin O. Adams and Samuel L. Powers, attended *in toto*. Telegrams from many alumni associations were read and the receipt of several prize donations were announced. Mr. Tuck made one of the addresses of the evening.

There have been no changes of importance in the faculty. It has been announced that Professor Page, formerly of Columbia, but now of Northwestern University, will step next fall into the place of Professor Richardson, resigned. Professor Laycock has been serving this year in sort of a deanial apprenticeship, to assume complete control in that office next year. There were several minor additions to the faculty.

The College has now taken over the Summer school and it will hereafter be known as the Summer Session of Dartmouth College. Professor Bingham has been made director and from the bulletin just issued, a success is intended to be made of the venture.

### ATHLETICS

The past year in athletics has been one of alternating brilliant successes and mediocre seasons. The basketball team was the most successful of any team of the past year, christening its entrance into the Intercollegiate Basketball league by taking second place. In football, although a loser in both big games, the team was credited by many critics as being one of the most successful teams in the history of Dartmouth athletics, because of the admirable spirit shown by the backers of the green.

Although not an extraordinarily successful baseball season, it was far from being a failure. Of the 19 games played, 10 were victories, the repetition of last year's victory over Harvard being among the number. The chapter was represented on the squad by Brothers Ekstrom and Kennedy. The scores of the season, omitting the preliminary training trip are:

Dartmouth	.....	4	Bowdoin	.....	2
Dartmouth	.....	4	Bowdoin	.....	9
Dartmouth	.....	9	Mass. Agri. College	.....	2
Dartmouth	.....	1	Syracuse	.....	2
Dartmouth	.....	8	Cornell	.....	1

Dartmouth	0	Cornell	6
Dartmouth	4	Tufts	10
Dartmouth	5	Williams	6
Dartmouth	3	Cornell	2
Dartmouth	0	Vermont	2
Dartmouth	4	Williams	0
Dartmouth	4	Tufts	3
Dartmouth	0	Holy Cross	1
Dartmouth	10	Harvard	5
Dartmouth	9	Vermont	3
Dartmouth	7	Pennsylvania	10
Dartmouth	1	Amherst	6
Dartmouth	6	Amherst	2

Starting out with the poorest prospects on paper for several years, Coach Cavanaugh developed a football team which lost to Princeton only by a fluke kick and held Harvard to a 5 to 3 score. At the end of the season, his re-election for the next three years was announced. The chapter was represented on the squad by Brothers Ahlswede and on the team by Brothers Gibson and Snow. The complete schedule is:

Dartmouth	18	Norwich University	3
Dartmouth	22	Mass. State	0
Dartmouth	23	Bowdoin	0
Dartmouth	12	Colby	0
Dartmouth	6	Holy Cross (three periods)	0
Dartmouth	23	Williams	5
Dartmouth	12	Vermont	0
Dartmouth	18	Amherst	6
Dartmouth	0	Princeton	3
Dartmouth	3	Harvard	5

In track the prospects were brightened last year by the opening of the new gymnasium. Coach Hillman held there a series of weekly class meets for the winter training and the results surprised the most optimistic. The outdoor season was a series of surprises, chief among which were the winning of the Harvard dual meet and the loss of the New England meet.

Harmon, a transfer from Maine, surprised his team mates by capturing third in the Hunter five mile at the B. A. A. games against

such men as Kiviat of the Irish-American A. C. and Hedlund of the Brookline gym.

At the Madison Square Athletic carnival in New York, the Green took second place to Yale with a score of 11 to 10. Pennsylvania was a close third with 8.

At the Penn relay carnival the freshman relay team captured the championship. Tilley took first place in the hammer and fourth in the discus.

The winning of the Harvard meet 60 to 57 upset the calculations of the wildest dopesters who could see nothing but Harvard by a lead of at least 10 points.

The dopesters were foiled again at the New England meet, when Williams proved a dark horse taking the meet with 30 to Dartmouth's 24. The M. I. T. dual meet was easily Dartmouth's according to expectations, the Green leading 81 to 45.

The Intercollegiates showed many surprises, one being the capturing of fifth place by Dartmouth, a wonderful record for a college outside of "The Big Four."

Dartmouth joined the Intercollegiate Basketball league, consisting of Columbia, Cornell, Pennsylvania, Princeton and Yale, this year and celebrated its initiation by taking a clear second place, with Columbia leading it. Of the league games the team won 6 and lost 3. Brother Mensel captained this year's squad. Brothers Snow and Gibson were regulars on the team. Brother Gibson has been elected captain for 1912-13. The schedule:

Dartmouth	30	Columbia	18
Dartmouth	37	Yale	16
Dartmouth	38	Princeton	43
Dartmouth	27	Wesleyan	31
Dartmouth	19	Cornell	16
Dartmouth	19	Wesleyan	22

FRATERNITIES

The fraternities and other social organizations at Dartmouth, with the dates and enrolled memberships, are as follows:

Established	Name	Members
1842	Psi Upsilon .....	49
1842	Kappa Kappa Kappa (local) .....	53
1846	Alpha Delta Phi .....	37
1853	Delta Kappa Epsilon .....	48

1908	Gamma Delta Epsilon (local) .....	37
1909	Sigma Phi Epsilon .....	40

The fraternities of Dartmouth College are still struggling to perfect a "chinning" season. By the formation of an undergraduate interfraternity council with delegated power to legislate for interfraternity activities a long step has been taken in the solution of the problem. An alumni interfraternity council has been organized to act as a judicial and advisory body. By a regulation adopted by the fraternities of the college, hereafter, no man can be initiated into a fraternity until he has received credit for twelve hours' work.

The date for "chinning" is now being considered. The older fraternities, including Phi Delta Theta, desire a pledging day about the first of March, but the younger chapters urge a date soon after the opening of college. As twelve of the eighteen fraternities can carry a motion in the council, it looks as though an early "catch-as-catch-can" season will receive a trial next fall.

THE CHAPTER

The present year sees New Hampshire Alpha in the most flourishing year of its existence. Returning to college last fall with the

sophomore and junior delegations depleted in ranks, the chapter began the "chinning" season with a determination to surpass its rivals.

A delegation of sixteen freshman was pledged, which although not made up of the "whales" of the class, is of the type that argues well for the last years of its undergraduate activities. Not a member was lost after the mid-year exodus, a remarkable record in view of the experience of other fraternities.

Although the scholarship average of the chapter has fallen off since the year 1909-10, when it was the only one of the older fraternities to have an average higher than that of the whole college, last year none of the other "older groups" of fraternities stood higher. The average of Phi Delta Theta was 69.3 per cent, the college average was 71.1 per cent, while the fraternity average was 69.6 per cent. The record of the seven oldest fraternities is as follows:

	1909-10.	1910-11.
Psi Upsilon .....	67.6	67.7
Kappa Kappa Kappa .....	69.5	68.5
Alpha Delta Phi .....	66.4	69.3
Delta Kappa Epsilon .....	70.4	68.8
Theta Delta Chi .....	67.5	66.0
Phi Delta Theta .....	70.7	69.3
Beta Theta Pi .....	65.7	67.3
College average .....	70.6	71.1
Fraternity average .....	68.9	69.6
Non-fraternity average .....	73.5	73.5

The chapter lost by graduation last June, Brothers Allison, Ayers, Grover, T. L. Parker, Stafford, Thompson and Trask.

We take great pleasure in announcing the initiation of the following new brothers: 1914—Paul Howe; 1915—August Stein Atwood, Dorchester Center, Mass.; Ralph Wolcott Brown, Brighton, Mass.; Tracy Cushman Brownell, Glens Falls, N. Y.; Frederick Wallace Drew, Portsmouth, Ohio; Frank Caleb Ekstrom, Nashua, N. H.; Harold Stimpson Ellms, Everett, Mass.; Paul Swan Gibson, Denver, Col.; Carl Knickerbocker Gish, South Bend, Ind.; Charles Henry Ingram, Eau Claire, Wis.; Lowry Raeburn Lytle, St. Paul, Minn.; Kenneth William McPherson, Palmyra, N. Y.; Richard Wilson Redfield, Evanston, Ill.; William Riggs Reynolds, Jr., Jamestown, N. Y.; Edward Joseph Shea, Nashua, N. H.; John

Maxson Wilcox, Brookline, Mass.; Wendell Howard Woolworth, Niagara Falls, N. Y.

Brothers Richard F. Paul and Glen G. McConnell completed the requirements for their degrees in February. The former is in the employ of Ginn and Company, Cambridge, Mass., while the latter is in the insurance business in Chicago. Brother Ashley H. Gale retired from college in February to return next fall, and is in the lumber business in Paducah, Ky.

### ALUMNI

B. M. Stout '11 is taking graduate work in chemistry at the University of Chicago.

Frank A. Musgrove '99 is a prominent leader in the "progressive" movement in New Hampshire. He was speaker of the last legislature, is a member of the Governor's Council, and was recently appointed State Auditor by Governor Bass. He is prominently mentioned as a candidate for Congressman next fall.

M. C. Grover '11 is studying law at Northwestern University.

A. W. Stevens '11 is with the Chicago branch of the Page Belt Company, of Concord, N. H.

B. K. Ayers '11 is attending the Yale Forestry School.

A. R. Urion, Jr. ex-'13, is assistant cashier for S. B. Chapin and Company, Chicago.

B. R. Allison '11 is studying medicine at the College of Physicians and Surgeons, New York City.

Edward Stafford '11 is studying law in Washington, D. C.

A. B. Meservey '06, a former Rhodes scholar from New Hampshire, is instructor in physics at Dartmouth.

W. S. Thompson '11 is with the Coles Manufacturing Company, Troy, Ohio.

H. S. Trask '11 is graduate secretary of the Dartmouth Christian Association.

W. W. Judson ex-'13 is secretary and treasurer of the World Brokerage Company, Portland, Oregon.

Frank Haigh Dixon, Michigan '92, Professor of Economics at Dartmouth, is Chief Statistician for the Railway Publicity Bureau at Washington.

Recently the chapter received a valuable gift from Brother Edwin Osgood Grover, '94, in the form of a frame containing rare old engravings of the first and second Earls of Dartmouth and a bill dated 1711 bearing the signature of the first Earl.

George E. Liscomb '07 is advertising manager for the Battle Creek (Mich.) *Evening News*.

P. B. Paul, '06, is New England manager of the surety department of the Maryland Casualty Company, with his office at Boston, Mass.

Eugene R. Musgrove '05, instructor in English at Worcester (Mass.) Academy, has recently published a text book in English for use in secondary schools.

Kendall Banning, '02, editor of *System*, has recently written a one act play of newspaper life, which is being presented in vaudeville.

J. J. Ryan '11, captain of the 1911 football team, is athletic director at St. Thomas' College, St. Paul, Minn.

A. A. Ricker '10 is secretary of the Board of Trade, Nashua, N. H.

## NEW YORK ALPHA CORNELL UNIVERSITY

ITHACA, N. Y., FEBRUARY 1, 1912.

### THE UNIVERSITY

The University opened on September 28, with a total enrollment of approximately 5,000 students, showing a slight increase over last year.

Mrs. Florence O. R. Lang gave the University \$50,000 to be used in the construction of a new shop building, in connection with Sibley College. The gift was made in memory of her father, her uncle, and her brother, Joseph R. Rand '97. The shop is to be known as Rand Hall and is now practically completed. The need for more shop space has been felt for some time and the addition will be a valuable one.

A gift by Mrs. Russell Sage of \$300,000 is to be used for a new women's dormitory, to be known as Prudence Risley Hall. The new hall is being constructed north of Fall Creek Gorge. Mr. Emerson McMillin, a member of the Board of Trustees, gave \$18,000, which was used for the purchase of the land.

Several new additions to the State College of Agriculture are now being constructed. These were made possible by an appropriation of \$155,000 by the state legislature. One is a building to be used entirely for the study of Home Economics. Another is an auditorium and laboratory building. The auditorium will seat 3,000 and by crowding, the entire University will be able to assemble there. This has been one of the greatest needs at Cornell for years and will greatly advance University spirit. It will be a novel experience for a Cornell undergraduate to see the entire University assembled at a single gathering. Another addition to the Agricultu-

**J. W. Little, '13**

ral College is the new agricultural barn, now nearly completed. This improvement will greatly aid in the study of animal husbandry and other similar courses. In connection with the new barn there is also to be a new poultry building. Assemblyman Parker has introduced a bill to appropriate \$327,000 for new agricultural buildings. It is to be divided as follows: A headquarters building for the department of animal husbandry, \$91,000; a stock-judging pavillion, \$36,000; the forestry section of the plant industry building, \$100,000; extension to the agronomy building, \$100,000.

The legislature has also appropriated \$140,000 to be used in constructing an addition to the Veterinary College. This is the second addition to this school within the last five years and shows the rapid advance of this department.

An addition to the Infirmary is now under course of construction and has room for 62 beds, which, with 20 in the other building, gives accommodation for 82 patients. The new building is absolutely fire-proof and will now meet the needs of the University.

Jacob H. Schiff gave the University \$100,000 to be used for the promotion of studies in German culture. Cornell has lately received an art gift of rare beauty, painted and presented by Carl Melchers. It is an interior view of an ancient church and hangs in Goldwin Smith Hall.

New residence halls are now being widely discussed by faculty, undergraduates and alumni. When the project is realized, they are to be located between Stewart and West Avenues and University and South Avenues. The architecture is to be such that additions can be made at any time. The court idea is to be followed, so that, when the dormitories are finally completed, they will present an imposing piece of work as well as the best possible accommodations for students. Another future possibility, to which all Cornellians have to look forward, is a new gymnasium. The room, which at present serves the purpose of a gymnasium for the University, is far too small, and the new one must come sooner or later. A new training house, costing \$30,000 is now almost completed on Alumni Field. This house will aid greatly in track and football practice and was made possible by the liberal donations of interested alumni.

Dean Smith, of Sibley College, sailed from New York in February for an extended tour in Europe. He expects to return to Ithaca about May 1. Professor Dann, head of the musical department, is also in Europe and will be absent from the University for a year.

Professor Fetter of the Political Science department has accepted a position on the Princeton University faculty. Professor J. W. Jenks returns to the University this February after a year's trip in Europe.

A Department of Forestry has been added to the curriculum of the Agricultural College and Professor Roth of the University of Michigan has accepted the position of its head. Professor W. Mulford, also of the University of Michigan, is acting as temporary head.

A course in Mining Engineering has been added to Sibley College, a demand for which has been felt for some time. A Bachelor of Chemistry degree is now being conferred by the University, the class of 1911 being the first to receive it.

Hiram Corson, the well known venerable professor of English literature, died June 5, 1911. Another great loss to the University and especially felt by the Law College, was the death of A. H. R. Fraser, who for many years has acted as librarian for that department.

The undergraduate body regretted deeply the withdrawal of Captain Philips from the head of the Cadet Corps. Being a Cornell graduate he was greatly interested in the work, but his services were needed in the U. S. Regular Army. However, the vacancy is being capably filled by the new appointee, Lieutenant Gilmore and the high standard of the military department bids fair to be maintained or even raised. A Signal Corps has been incorporated under this department and is a valuable addition.

A new Cornell emblem has been adopted by the University. It is not intended that it will take the place of the old seal, but will be used as a social emblem. It consists of a shield, bearing a golden field, which in turn contains at its top the shield of the United States and that of the State of New York in their proper colors. Beneath this on a field of University colors rests an open book, bearing the words of Ezra Cornell, "I would found an institution, where any person may find instruction in any study."

The ninth annual music festival, under the direction of Professor Dann, was held in Sage Chapel, May 4-5-6. The soloists were Evan Williams, Mrs. Grace Bonner Williams, Mrs. Mulford, Willard Flint and Gwilyn Miles. The chorus consisted of the University Glee Club and Sage Choir, combined with some of the best talent in the city. The Boston Festival Orchestra, with Edward Johnson, the University organist, formed a very able accompaniment for the singers.

The Spring Day Carnival, held the morning of May 27, cleared about \$2,800 for athletics. The short course registration in the College of Agriculture has increased rapidly each year, about 500 men having registered for this term. Farmers' Week has also become a permanent feature of the Agricultural Department and many of the agriculturalists throughout the state are taking advantage of the practical lectures, that are being given by some of the best posted men in the country.

The past year has been a marked one in the growth and expansion of the University. In speaking at a late New England dinner, Director Bailey, Michigan Beta, '82, said that there were over 5,000 students in the University and that there was practically no limit to the growth of the University except a physical one. At Columbia University in New York City the problem was largely a vertical one. This has been solved by high buildings and transportation is furnished by elevators. At Cornell the problem will be a horizontal one. The campus and the adjacent farm lands now include between 300 and 400 acres. The question of transportation will really become a serious one. The time may come when it will have to be solved by such things as moving side-walks, campus car-lines or motor trucks. Director Bailey expressed no fears, however, but that future increases in land and students would be met with justice to all.

### ATHLETICS

In athletics Cornell has just completed one of the most brilliant years in her history. Of the four major sport teams, three have proved themselves to be without a superior and this, together with three minor sport championships, is a record of which Cornellians may well be proud. The history of intercollegiate athletics does not show and probably never will show such a day of athletic triumphs for any University as May 27, 1911 was for us. On Cayuga Lake the 'varsity and freshman crews won easy victories over Harvard, while at Percy Field the baseball team worsted Yale in a hard-fought fourteen inning battle. Nor were our victories confined to home events, for on the same afternoon the Junior 'varsity crew won the American Henley on the Schuylkill River, the freshman baseball team beat the Dartmouth youngsters on the Hanover diamond, and to crown the list of triumphs, the 'varsity track team on Soldiers Field, carried off the Intercollegiate Championship for the fourth time in five years.

The crews, under the guidance of Coach Courtney, began a season of great success by defeating Yale and Princeton in a three cornered race on Carnegie Lake, May 20, and on June 27, just one month after the victory over Harvard, the 'varsity eight won the Intercollegiate Regatta on the Hudson, passing Columbia by a wonderful burst of speed in the last half mile. The 'varsity four was also successful but the freshman lost a well-rowed race to Columbia.

Under the leadership of Brother E. G. McArthur the track team made a hardly less brilliant showing on land. The indoor season, opening with a series of relay victories, closed with the defeat of Michigan at Ann Arbor on March 25th. On May 6th at Philadelphia, the annual dual meet with Pennsylvania fell to Cornell with a margin of one point. In the last event, the broad-jump, Brother J. W. Little decided the meet and won his letter by taking first place. One week later on Percy Field, a defeat of the previous year was wiped out by an overwhelming victory over Princeton. Perhaps the most remarkable feature of our victory at the Intercollegiate meet was the wonderful work of J. P. Jones, who broke the world's amateur record in the mile run and twenty minutes later set a new intercollegiate record for the half mile. The work of the whole team showed that the Cornell runners were back to their usual form after a year's slump and we confidently expect that another intercollegiate victory this year will give us permanent possession of the cup.

The baseball season was characterized throughout by closely contested games, both at home and on out-of-town diamonds. Most notable among the former were the Princeton game, which was called on account of darkness after fourteen innings of close calls had failed to break the tie, and the victory over Yale in the fifteenth inning on May 27. At the end of the season Cornell was named to divide the championship honors with Princeton.

Last fall the football team was called upon to face the hardest schedule ever mapped out for a Cornell team, and, all things considered, made a fairly good showing. The lighter end of the schedule was handled very successfully, seven of the first eight games being victories. The team was at its best on November 11, when the Michigan warriors came to Ithaca and were defeated by the score of 6-0. However, the climax reached, a slump was inevitable. The following week we met defeat at the hands of Chicago and in the final game of the season at Philadelphia we lost a hard fought game to our old rival Pennsylvania. There is undoubtably

room for improvement in Cornell football and the improvements are coming. Already plans for a new coaching system and home-and-home games with Pennsylvania make the prospects for future seasons look brighter.

In the minor as well as the major sports, Cornell has been remarkably successful in the past season, the cross-country, hockey and fencing teams winning intercollegiate championships. This is the first time in the history of intercollegiate fencing that the championship has been out of the Service. The hockey team lost heavily by graduation and has small hope of retaining the championship this year. The basketball team, however, holds second place in the league with but few more games to play and a good chance of finishing first.

A new feature in athletics here this year will be an interscholastic meet to be held at Percy Field May 25th, under the supervision of the Athletic Association. All of the leading preparatory schools will be represented and it is hoped that the system, when once started, will soon find a place in Cornell tradition.

The new alumni athletic field is now nearing completion, and when finished, will prove a great boon to athletics as it is much more accessible than Percy Field. A start on the new stadium is to be made this year and the first game will probably be played in the fall of 1913.

### FRATERNITIES

The past year has been one of considerable activity among the fraternities at Cornell. A material aid in the selection of new men has been a modification in the Inter-fraternity Rushing Agreement, first made in 1910 to replace the old and much to be abhorred sweat-box system, so much in use during the past few years. Under the new regime, date cards are sent to the desired men, who select their own dates and return the cards. Rushing is not permitted until the day after freshman registration and then only between the hours of one and eight P. M. This system gives both men and fraternities much more opportunity for consideration. We were fortunate this year in securing ten new men and one affiliate.

On June 10th the house of the local chapter of Sigma Alpha Epsilon was completely destroyed by fire. No lives were lost, but the loss of personal property was great. A new house is now being planned, which will be one of the most modern fraternity houses at the University. It is to be of fire-proof construction throughout,

## NEW YORK ALPHA

used being stone, which is to be presented by one of  
ent alumni.

in April, 1911, the Sigma Nu fraternity had a small fire, which did but little damage. The chapter has since moved into a new house, which faces on Fall Creek Gorge, giving a magnificent view up the lake. The Delta Phi fraternity has moved from its old house on Stewart Avenue to the old Cornell residence, which has been re-furnished and made suitable for their occupation. This house is also beautifully situated just off the campus giving a fine vista of lake and valley. Their old house is now occupied by Zodiac, one of Cornell's prominent local societies. Cerberus, another prominent local club, has recently been given a charter in the national fraternity of Phi Kappa Sigma and is now installed in a new house at the foot of Beebe Lake. Another fraternity, a chapter of which has but recently been installed, is Eta Kappa Nu, a national electrical engineer's fraternity, which has about ten chapters, principally throughout the West and Middle-West. This indicates the rapid growth in importance of this department of Sibley College.

During the past year there have been inter-fraternity leagues in several branches of athletics, most important among these being, baseball, hockey, tennis and bowling. Several of the fraternities have flooded their tennis courts and the many games of hockey, which have been played, have given quite an impetus to the sport, which, heretofore has been engaged in by only a few.

The corner on Junior Week carriages, held for so long by the Ithaca livery men has at last been broken by concerted action on the part of the fraternities. An agreement was drawn up by which none of the fraternities were to pay more than a certain stipulated price for carriages during that week. A great many of the fraternities rented automobiles and some few chartered street cars, while the rest were able to secure carriages at the stipulated price. It is with great pleasure that we see this highway robbery at last stopped, and doubtless, many other things could likewise be improved, if the fraternities would more often get together and discuss the affairs so important to student life.

The fraternities and sororities at Cornell follow in the order of their founding:

### THE CHAPTER

The past year has been a very successful one for the members of New York Alpha. Both financially and socially, the house has progressed and another prosperous year may safely be looked forward to.

March 25, 1911 the Annual Alumni Banquet was held at the house and a very enjoyable evening was spent. Quite a number of graduates returned and aided in making the affair a success. A good dinner was served and Brothers Names, Wynne and Whipple,

with Brother Dugan as toast-master, comprised a very excellent toast list.

The chapter's annual boat-ride up the lake was held May 15. Taughannock Falls was the stopping place and baseball and other sports were participated in.

Quite a large number of graduates returned to take part in the Alumni Week festivities, about ten staying at the house.

Brothers V. H. Ehrhart, E. G. McArthur, T. M. Morrison, J. G. Retick, Sewell Names, and B. S. Sivyver graduated with the class of 1911. Twenty-two men returned to the chapter this fall. Nine freshmen and one junior were initiated and Brother Evans of Tennessee Alpha was affiliated. There are at present twenty-one men living in the house. The chapter passed through the mid-year examinations this term without losing a man through failure in work. This is a standard which should be maintained. The practice of obtaining monthly reports of the freshman and sophomore work is now being observed and is meeting with great success. Brother T. M. Morrison '11 has accepted a position on the Agricultural College faculty. Several minor improvements have been made about the house during the last twelve months.

A new idea has been tried out this year and has proved very successful. A smoker is held at the house two or three times a term. The object is to make it possible for the faculty members, unaffiliated Phis and active men to become better acquainted. Light refreshments are served. No program is arranged, the idea being simply to pass a very informal social evening. On the last Saturday night before Christmas vacation a Christmas tree was given. A show by the freshman class was the main feature, together with the distribution of gifts by the committee.

The Initiation Banquet was held January 13, 1912. The unaffiliated Phis, faculty members and several alumni were present. Brothers Liggett, Phoenix, Kingsbury and Whetzel comprised the toast list, together with Brother Dugan as toast-master.

The Junior Week party of 1912 was one of the most successful ever given at the house. There were sixteen girls and five chaperones. A new flat-rate scheme of paying dues is being carried out this year, whereby it is possible for the house to assume the greater part of the Junior Week expenses and this is mainly responsible for the great success of the party.

The second mortgage bonds have been entirely paid off and the house now stands clear of debt with the exception of the first mort-

gage bonds, amounting to \$6,000. This is being paid off at the rate of \$500 per year. At this rate the house will be in excellent financial condition in a very few years. A new house is something, which every Cornell Phi, both active and alumni, has to look forward to. While at present the old house serves the purpose without any great amount of crowding, still the University is growing in every department and the fraternities cannot stand still. A new house will be needed in the near future and when the time arrives both active and alumni members must combine to make the project possible.

## NEW YORK BETA UNION COLLEGE

---

PHI DELTA THETA HOUSE,  
SCHENECTADY, N. Y., MARCH 30, 1912.

*New York Beta of Phi Delta Theta to Her Alumni and to Her  
Sister Chapters, Greeting:*

### THE COLLEGE

College opened on September 18, 1911 with 69 Seniors, 67 Juniors, 80 Sophomores and 95 Freshmen. In addition to the above there are 19 men who are candidates for a Master's Degree and 7 graduate students, making a total of 337 men in college.

The changes on the faculty are as follows: George D. Kellogg, Ph. D., professor of the Latin language and Literature; Walter S. Hastings, A. M., instructor in French; Stanley P. Chase, Ph. D., instructor in English; Samuel McC. Cavert, A. B., '10, instructor in Greek; Gilbert Anthony, B. S., instructor in engineering, mathematics, and J. George Steinle, C. E., instructor in engineering.

The movement for a new gymnasium is progressing rapidly and it is expected that the class of 1914 will see its completion upon their graduation. A new set of plans is being drawn up by a New York firm of architects.

On Feb. 28, 1912 the Dramatic Club gave its first performance of the season in "A Night Off." The play was very well acted and a great deal of credit is due to those who took part in it.

Dr. Hale and Instructor Chase have organized an English Club for the purpose of advancing the study of English literature and to make it more interesting to those electing that course. Brothers Patterson, '12 and Palmer, '12 are members.

Commencement week last June was entirely satisfactory both from the social and scholarship standpoint. The class of 1911 graduated forty-nine men. There were eleven honorary degrees conferred and four in course.

The Honor system has been slightly changed this year, making

it a little more strict than formerly. Freshmen are now required to sign the constitution of the Honor system upon their matriculation.

The debating teams have been very successful this year, winning from Cornell, South Lawrence and Hamilton and losing to Colgate.

Brother Lomas, Texas Beta, '97, delivered a very interesting lecture March 29 in the College chapel on the "Songs of The Cowboy."

During the year a college band has been organized which has given excellent service and is filling a long felt want.

### ATHLETICS

The footall season last fall did not result as favorably as we had hoped for. Union had the men, good men, but they seemed to lack that all-essential requisite—team-work. What the Athletic department needs is a permanent coach, one who is fitted to coach all three of the sports. The student body, Athletic board, and Graduate Council are realizing this and a movement is under way to secure a man for this position.

Although the basketball team did not enjoy quite as successful a season this year as last they put up a good exhibition of how the game should be played winning a majority of its games and tying Colgate and Rochester for first place.

The baseball team last spring, with Brother Dunn, '11, as captain, had a very successful season winning a good majority of its games, and are looking for a successful season again this year.

Track material seems to be good for this season. Most of the former members of the track team are here again and there are some very good runners in the Freshman class.

### FRATERNITIES

The fraternities at Union together with the number of active members are as follows:

Established	Name	Members
1825	Kappa Alpha .....	17
1827	Sigma Phi .....	10
1827	Delta Phi .....	12
1833	Psi Upsilon .....	21

1838	Delta Upsilon .....	18
1841	Chi Psi .....	14
1859	Alpha Delta Phi .....	26
1881	Beta Theta Pi .....	15
1883	Phi Delta Theta .....	15
1890	Phi Gamma Delta .....	16
1911	Theta Lambda Phi .....	12

### THE CHAPTER

New York Beta returned twelve strong in the fall, Brothers Dunn, Hunter and Patterson having been graduated in June, and Brother Abbott having accepted a position with the state. The entering class of 1915 was slightly smaller than usual, but we are fortunate in securing four very desirable men, whom we initiated on October 17, 1911. We therefore take pleasure in presenting to the fraternity the following brothers: Howard S. Hawn, Ravena, N. Y.; Stephen W. Brennan, Clinton, N. Y.; Charles H. Purdy, Downsville, N. Y.; and Earl J. Sharpe, Altamont, N. Y. Brother Brennan was forced to leave college in the fall, owing to an operation for appendicitis. Both Brother Abbott and Brother Brennan expect to re-enter next year.

The chapter is well represented in all four classes, and it is doubtful if it was ever better balanced than it is at present. Phi Delta Theta has played a prominent part in all branches of college activity this year; we pride ourselves particularly on our scholarship, which is the highest of any fraternity represented here. The internal condition is very sound; the harmony and unity of the Chapter is on a very high plane. The financial condition is excellent, and a great improvement upon that of former years.

### Honors

#### 1912

Brother Van Aernam is leader of Glee Club and leader of the Senior class song.

Brother Patterson was manager of 'varsity basketball 1911-12; was alternate in the Colgate debate; is a member of the English Club, and is vice-president of the Senior class.

Brother Palmer is a member of the English club.

Brother Mack is a member of the American Chemical Society 1913.

Brother Lent is assistant manager of 1913 *Garnet*, and was on the Junior Prom. committee. He is also on the baseball squad.

Brother Hall is secretary of the Junior class, and is on the track team. He is also a member of the Honor Court.

#### 1914

Brothers Lacey, West, Lewis and Tinkelpaugh made class baseball, the latter winning the captaincy.

Brother Telfer is assistant manager of the 'varsity football team for 1912; he also represented Phi Delta Theta on the Soiree committee.

Brother Lewis was chairman of his class Pipe committee.

#### 1915

Brother Purdy is on the Glee Club, and plays in the College band.

Brother Sharpe is on the baseball squad.

During the past year the Chapter has enjoyed visits from the following of its alumni:

Brothers Blessing, '88; Dean, '90; Knox, '90; Blessing, '94; Multer, '97; Willis, '97; Grout, '02; Bishop, '03; Hawn, '03; Donhauser, '04; Guardenier, '04; Haight, '06; Hall, '06; Moon, '06; Davidson, '07; Bell, '08; Jewel, '08; Guardenier, '09; Lent, '10; Seamans, '10; Shutler, '10; Dunn, '11; Hunter, '11; Patterson, '11; Whiteside, '11; Smith, '13 and Abbott, '14; and the following from other chapters: Brothers Banta, Indiana Alpha, '76; Henderson, Missouri Beta, '93; Lomax, Texas Beta, '97; Simonton, New York Alpha, '06; Burgess, Alabama Beta, '07; Snyder, Indiana Theta, '09; Shafroth, Michigan Alpha, '10; Crowell, New York Epsilon, '12; and Fritsch, Pennsylvania Beta, '12.

#### Alumni Notes

Brother Philip F. Shutler, '10, is employed as a civil engineer by the J. G. White Construction company at Shelbourne Falls, Mass.

Brother Seward D. Hendricks, '10, is located at Lockport, N. Y., where he is employed by the state on the barge canal work.

Brother Harry G. Van Deusen, '10 is teaching at Sayre, Pa.

Brother Edmund LeC. Hegeman, '99 was married to Miss Elizabeth Marion Seaton, September 9, 1911, in Iquique, Chile. They reside at Calle Bolivar 841, Iquique.

Brother Harold E. Seamans, '10, is assistant superintendent of the Cortland County Traction company, at Cortland, N. Y.

Brother Henry E. Whiteside, '11, was married on December 6, 1911, to Miss Rosalie M. Thieringer at Bayonne, N. J.

Brother T. Gillespie Dunn, '11 is with the law firm of Salisbury and Rowe of Saratoga, N. Y.

Brother Allen A. Patterson, '11, is employed as an assistant engineer on the Barge canal at Montezuma, N. Y.

Brother John S. Hunter, '11, is employed in the testing department of the General Electric Co., at Schenectady, N. Y.

Brother Allen A. Patterson, '11, was elected to Sigma Xi, honorary engineering society, last June.

The Reporter has been unable to locate several of the alumni, whose addresses are unknown; and information as to their whereabouts was lacking. Any brother who can furnish us with addresses of these missing alumni, or can correct any mistakes in the Chapter Roll, would confer a great favor upon the Chapter by reporting the same to the Reporter.

It is with the greatest pleasure that New York Beta is able to announce to the Fraternity that its chapter house is now an assured thing. A short but very effective campaign has been waged by several of the alumni with very good results, and ground will be broken during June. The Chapter hopes to be able to move into their new house in September. A site on the campus has already been selected, and Brother Squires of Massachusetts Alpha is at present busy with the plans. While the success of the project is absolutely assured, sufficient money having been contributed or advanced to make failure an impossibility, the assistance of other alumni is needed, in order to "do the thing up right." Thus far the subscriptions have come from a very small portion of our alumni; by making the contributions more general and widespread, a much larger sum can be realized, and more honor reflected on Phi Delta Theta in the shape of a better house. To this end all brothers are urged to communicate with Brother John Leslie Moon, treasurer, Phi Delta Theta Club, Schenectady, N. Y.

### CONCLUSION

In conclusion, we would repeat that the Chapter's pleasure at realizing their hopes of owning a house is very great; and it is with a feeling of the deepest gratitude that we extend our heart-felt thanks to those of our alumni who have labored unceasingly to

accomplish this, and to the General Council and Brother Lamkin in particular, for their valuable assistance, hearty encouragement and steadfast loyalty to New York Beta. The Chapter will surely show its appreciation in the form of a stronger and better representation at Union, which will greatly redound to the credit of the general fraternity.

Yours in the Bond,

ROBERT P. PATTERSON, '12

GEORGE E. LEWIS, '14.

## **NEW YORK DELTA COLUMBIA UNIVERSITY**

PHI DELTA THETA HOUSE,

### **THE UNIVERSITY**

Columbia's growth during the past twelve months has surpassed that of former years. The total productive funds which the University now holds reached \$36,000,000, exceeding by far the resources of any other educational institution in the country, \$3,000,000 more were received this year, \$2,000,000 of which went to the new Pulitzer School of Journalism which is to open in a new building next fall, when several of the brothers will enter the new course.

Raising the standard of the courses in applied science, Brother F. A. Goetze, Dean of the Faculty of that department, was one of those instrumental in changing the engineering courses to work of a graduate character, requiring six years of study for a diploma.

Extension courses offered in local centers outside of New York City and at the University on evenings during the week and Saturdays have proven a great success. The new department has given opportunity for college work to many who would not have had it otherwise.

The new Philosophy building which was opened last fall has been a worthy addition to Columbia's many recitation halls. The School of Architecture will occupy the new Avery Library Building, which is to be opened during the summer.

In the new general catalog of the University fraternities are especially recognized, not only by mention in the description of the institution itself, but by a map which includes the chapter houses in the group of university buildings.

**ATHLETICS**

The new system of student management and financing of athletic activities with graduate managers and advisers has proven very successful during the past year. More complete schedules and larger attendance at events has marked the work of the new managers. Columbia won the intercollegiate basketball championship after being handicapped by the training of three new men on the team, making the third championship in succession for the Blue and White quintet. Fencing, wrestling, swimming, indoor track work, soccer and hockey teams have all had successful seasons and the crews are hard at work training on the Hudson. Columbia easily won the championship of greater New York in her opening outdoor track meet.

**FRATERNITIES**

The following fraternities are at Columbia, with years of establishment at this University:

### THE CHAPTER

Twenty-three members returned last fall, eight being lost by graduation. Those finishing their four-year courses were Brothers W. H. Wheeler, I. Wheeler, L. E. Jeanneret, W. B. Murray, H. B. Jenkins, H. C. Penfield and C. H. Ramsdell. Brother Tooker is now attending Brown University, while Brothers Kilborn and Bertrand have now left college to enter the automobile business. Brother H. T. Johnston, who has joined the Biltmore Forestry School, will return to Columbia for his degree next year.

After a strenuous rushing season, we initiated fifteen men and take great pleasure in introducing to the fraternity Brothers Brainerd Fischer Philippon, '13, Louis L. deL. Battey, '13, Palmer A. Hewlitt, '13, Stanley W. Thompson, '13, Robert Beach Phillips, '14, David Rumsey Wheeler, '14, Harrison Sayre Wheeler, '14, Alvin Liddon Graham, '14, Rudolph R. Reeder, '15, Gwilym Dudley Evans, '15, Warwick H. Todd, '15, William J. McHale, '15, William E. Brophy, '15, Andre Jeanneret, '15 and Charles W. Bennett, '15. Five of the brothers have since left college, leaving the total membership now thirty-two.

Maintaining its social standards of past years the chapter has held the usual rushing and alumni smokers, dances in the chapter house, and several successful musicales. The fall dance was a brilliant event and the annual tea was attended by 300 alumni and friends.

#### **CHAPTER HOUSE**

The chapter house is one of the very best on the campus and is well equipped for the chapter's use. Active plans have been made to reduce and finally annihilate the mortgage on the house and the note system has been more than well started. Ten thousand dollars worth of notes are now signed up and the plan contemplates the reduction of the mortgage by \$1,000 per annum. On November 1 last the first set of notes came due and the chairman of the note committee has just reported them honored and paid in 100%.

#### **THE ALUMNI**

Marking another great stride in the standing of the national fraternity was the New York Alumni banquet held at the Waldorf-Astoria on March 15, when great interest was revived among the alumni in New York City, representing twenty chapters of the east and mid-

dle west. The speakers were Brothers F. A. Heintze, W. N. Compton, F. A. Winslow, J. C. McReynolds, Edwin Emerson and Judge Mayer. Officers for the year were elected by the association of alumni and future meetings and dinners were planned. The banquet attracted much attention in New York fraternity and social circles. Those present represented New York's best known members of the bar, officials and business houses.

### CONCLUSION

Members of the alumni of the fraternity who know desirable students who are planning to attend Columbia are urgently requested to forward their names to the chapter as early as possible. Alumni and undergraduates will always find a hearty welcome awaiting them at the chapter house whenever they are in the metropolis or find it convenient to visit us.

The chapter wishes to express its deep gratitude for the support it has received from the alumni.

## **NEW YORK EPSILON SYRACUSE UNIVERSITY**

---

PHI DELTA THETA HOUSE,  
SIBLEY MEMORIAL LODGE,  
SYRACUSE, N. Y., APRIL 1, 1912.

*New York Epsilon of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

It may be truly said that the past year at Syracuse has been one of improvement. A year's work in beautifying the campus has accomplished sufficient to give us a foretaste of the "Syracuse Beautiful". The landscape architects are to be complimented upon their work. Only a small part of the \$100,000 appropriated by the Syracuse citizens for the improvement of the campus, has been spent, and with the balance, it is hoped that our grounds may be made the most beautiful in this part of the country.

The University has now enrolled 3,357 students, an increase of more than 200 over last year's registration. Part of this increase is due to the opening of the new school of Forestry, installed in September 1911, with a large appropriation from the state. Syracuse is now the State school of Forestry.

The hydraulic laboratory, installed in the engineering college by the late Lyman C. Smith, has been completed and is now being used by the students.

Mr. John D. Archibald has lately installed in our gymnasium six new bowling alleys. Bowling promises to become one of the most popular sports on the hill. The installing of these bowling alleys has completed the equipment of our gymnasium.

Dean Shepard of the college of engineering has resigned and his place has been filled by Professor Graham. Dr. (Brother) Hugh Baker from Pennsylvania State College has been appointed Dean of the College of Forestry.

At a meeting of the trustees, it was decided to abolish the degree of Ph. B. and to grant in its place the degree of A. B. Heretofore only students of Greek received the degree of A. B.

## ATHLETICS

### Crew

The success of our crews last spring was very unsatisfactory due to a conspicuous lack of material and the fact that outdoor practice was forbidden by the athletic governing board until a large financial deficit had been made up. This year however promises to tell a different story. Although late in getting on the water due to the protracted winter, the men who have now been outdoors about two weeks, are showing up remarkably well. Under the admirable coaching of that grizzled old champion, James Ten Eyck, they are rounding into a form that will show up well during the coming season.

The Varsity men in particular are coming on fast. With many of the veterans from other years, and all of last year's freshman crew striving for a seat, the prospects are the brightest in years.

Coach Ten Eyck has made his final cut until just before the annual regatta, retaining two Varsity eights, a four oared and two freshman eight oared crews.

The Junior crew is a new departure at Syracuse this year, but it bids fair to do good service in developing new material for the Varsity. This crew goes to Annapolis on May the 18th and will race the Middies Junior crew there.

The Freshman crew this year is the lightest in years, only two men tipping the scales at over 160 pounds. But in spite of this the Freshman candidates are showing up so well that a winning crew is expected. Brother Glendon R. Lewis, '15 is one of the candidates for coxswain and is displaying Varsity caliber.

From the present outlook therefore the season of 1912 promises to be a winning season. Everything is favorable for a championship crew and it is to this we are looking forward.

### Track

The track team of last spring met with varied success in its contests. During the indoor season both Michigan and Columbia were defeated, Columbia decisively and Michigan by only a few points. On the outdoor track Syracuse defeated Columbia by a large majority but owing to a weakened team, due to the injury of Captain

Reidpath and the inability to use Freshmen we were beaten by Michigan. In the intercollegiates at Boston in which only five men were entered we were also unsuccessful.

This year the team promises to be the best seen here in many years, due not only to the presence of Reidpath, Fogg, Downey and Brother Taylor, but to the fact that the whole team is remarkably well balanced. Thus far in the indoor season just finished we have been very successful. For the third consecutive year we have won the Intercollegiate one mile indoor relay championship. In two other minor meets we were unsuccessful due to unavoidable accidents. In our indoor dual meets we have defeated Columbia by a fair margin and also defeated the strong Michigan team decisively. The Orange stars showed up remarkably well. Algire lowered the mile record 5 seconds, Reidpath broke his own records in the 300 and 440 yard dashes. Records were also broken in the relay and 45 yard high hurdles. New York Epsilon was represented on the team by Brother Garrick M. Taylor, '14, who won the half mile in both the Columbia and Michigan meets.

With such a team as this Syracuse is looking forward to a most successful completion of the track season.

### **Basketball**

Syracuse had a wonderful season this year, going through with but three defeats out of fourteen games. It is to be regretted that we were not in the Intercollegiate Basketball league, for with a team of such caliber at Syracuse she could have made a strong bid for the championship. Owing to the success of the team in defeating such teams as Pennsylvania and Colgate, the Varsity were awarded the block "S." Brothers Grimes and Heustis represented Phi Delta Theta on the squad.

There was great interest shown by the entire student body in the Interfraternity championship series this year. There were four leagues and Phi Delta Theta won the championship of one league, but lost out in the semi-finals, Delta Tau Delta winning the championship. These games have proven a great success, for in this manner several stars have been discovered. Next year Phi Delta Theta will be in line for the championship. The house was represented in the Interfraternity League by Brothers Crowell, Crosby, Heustis, Darby, (Capt.), Fisher, Grimes and Luddington.

### Baseball

The baseball season last year was a great success, Syracuse turning out one of the best baseball teams in the country. Brothers "Tiff" Dexter and "Piggy" Parsons represented Phi Delta Theta, and will do the same this year. A great many victories were due to the wonderful pitching of Brother Dexter.

This year the team is rather slow getting started because of the lateness of outdoor work, but from the way the material is showing up in the cage, it looks like another winning year for Syracuse. Brother Dexter is the only pitcher that has shown any first string ability as yet, it is hoped however that Coach Carr may be able to make a find out of the ten candidates for this position the season opens.

A very hard schedule of twenty-one games faces Syracuse, including Dartmouth, Michigan, Harvard, Williams and West Point. Brother Darby, assistant baseball manager is arranging a good schedule for the Freshmen team, for which every Freshman in the house will try out.

### Football

Last fall marked the beginning of a new era in the football history of Syracuse University. Like some other great universities of the east she adopted and put into operation the system of graduate coaching. The athletic governing board chose C. De Forest Cummings '01 as head coach; Rogert E. Cadigan, '08 as line coach.

During the early part of the season the team did not show up well and there was some doubt expressed regarding the outcome of the new coaching system. However just before the Michigan game, Captain P. D. Fogg was switched from halfback to quarterback and it was then that the team struck its stride. They opened the eyes of the football experts by holding the Michigan team to a 6 to 6 tie. The following Saturday Vermont was defeated by the large score of 18 to 0. The climax of the season was reached when the strong Carlisle Indian team, hitherto undefeated, went down before the Syracuse aggregation, 12 to 11.

On the western trip Syracuse defeated the team from Ohio State and managed to play the powerful St. Louis team to a tie score. Brothers Throckmorton and Darby represented Phi Delta Theta on the squad.

For the coming season Syracuse has the hardest football schedule in her history. Games with Princeton and West Point have been

substituted for the western trip. In order to carry out the heavy schedule a reserve squad has been instituted. C. De Forest Cummings has again been appointed head coach. P. D. Fogg will coach the reserve squad.

The schedule for the coming season includes games with Hobart, Yale, Carlisle, Princeton, Michigan, Rochester, Lafayette, Colgate and West Point.

## **NORTH CAROLINA BETA UNIVERSITY OF NORTH CAROLINA**

PHI DELTA THETA HOUSE,  
CHAPEL HILL, N. C., FEB. 12, 1912.

*North Carolina Beta of Phi Delta Theta to Her Alumni and to  
Sister Chapters, Greeting:*

### **THE UNIVERSITY**

During this scholastic year the University has had most marked improvement. It has not only kept up to the time in its ordinary, gradual step in improvements, but it has made unusual steps of further growth. There has been a most important step on the part of the state toward the University in its appropriation of \$50,000 annually for the erection of new buildings. The state also increased the University's annual income to \$87,000.

The use of the appropriation has, by no means, been delayed. The Caldwell building has lately been erected for the purpose of the School of Medicine. The school will occupy it during the session of 1912-13.

The Peabody Education Board appropriated \$40,000 for the erection of a George Peabody Building to be devoted to the purposes of the School of Education, with the condition that a fund of \$10,000 be set aside annually by the University for its support. This building is to be erected during the present session.

Three dormitories of like capacity are, at present, in a state of erection. These are being built after the most modern architecture for such a use. They will be completed by the session of 1912-13.

Another fellowship, amounting to \$5,000, has been founded in the chemical department by Dr. Albert R. Ledoux of New York City, formerly state chemist residing in Chapel Hill.

The total enrollment in the University is at present 781. The membership of the different departments is as follows: Under-

graduate, 556; graduate, 24; law, 117; medicine, 54; pharmacy, 30. There is an increase of only twenty over that of last year.

During the past year Carolina has been most fortunate in her debates, having defeated Pennsylvania two consecutive times and the University of Georgia. The University of Virginia got away with one, giving us our only defeat. A pentangular debating series has been arranged between the Universities of Virginia, of Georgia, of Carolina, Vanderbilt and Tulane.

The personnel of the University has remained the same with one exception. Wade H. Brown of the School of Medicine having charge of the department of Pathology and Histology.

### FRATERNITIES

The fraternities at the University are twelve in number. They are as follows, according to their date of founding here:

Delta Kappa Epsilon .....	9
Sigma Alpha Epsilon .....	19
Alpha Tau Omega .....	10
Kappa Alpha (Southern) .....	8
Phi Delta Theta .....	12
Zeta Psi .....	8
Sigma Nu .....	6
Beta Theta Pi .....	9
Kappa Sigma .....	14
Pi Kappa Alpha .....	10
Omega Upsilon Phi (Medical) .....	3
Phi Chi (Medical) .....	7

Ten out of the twelve fraternities have chapter houses.

### ATHLETICS

North Carolina has had the most prosperous year in athletics up to date that it has had in recent years.

The 1911 baseball team was one of the hardest college teams to beat in the South Atlantic states. The schedule was a stiff one. The most laudable achievement of the season was the shutting out of Virginia in two out of three games. Other strong opponents who went down in defeat before Carolina were Amherst, Georgetown, LaFayette, Davidson and Guilford. Moran of Washington and Lee, who had never lost a college game out of twenty-nine games pitched, lost his thirtieth game to Carolina. To quote the Greens-

boro, (N. C.) *News*, our infield was "the fastest infield Carolina has ever known, and, perhaps, the greatest in college baseball of the south as a whole." Brother Edwards played at third base. Brother Pember played in left field. Brothers Hobgod and Applewhite played on the second team.

The 1912 team is at present making a good record. Brother Edwards is playing at his old position in his usual brilliant style.

The 1911 football team never had its goal line crossed until Thanksgiving day, when it went down in a sad defeat before Virginia. For the first time within seven years, North Carolina prevented the strong Virginia Polytechnic Institute team from crossing her goal line. North Carolina took revenge on Davidson for the defeat of 1910. Brother Applewhite carried the ball over for the touchdown. One of the victories of the season that deserves special commendation was the defeat of the heavy Washington and Lee eleven. Brothers Deans and Applewhite represented the chapter on the team. This fall Brother Deans completed his four years as a member of the varsity. Brothers Edwards and Pember were on the football squad.

The 1911 track team made an enviable record. It defeated its opponents in every dual meet. It won the state meet held at Raleigh by a large margin, thereby winning a handsome silver loving cup. In the Virginia meet North Carolina entered but 8 men, and won 7 first places and a total of 46 points. Much credit for this remarkable showing should go to our track coach, Nat J. Cartmell of the University of Pennsylvania, world's champion sprinter.

North Carolina played her second season of basketball this year. By defeating Wake Forest College last month, she put in a claim for the state championship.

In the first intercollegiate gymnasium meet ever held here, North Carolina defeated Davidson College. Brother Hughes is captain of the 'varsity team.

In tennis, North Carolina never lost a set throughout the season in any intercollegiate meet.

### THE CHAPTER

North Carolina Beta takes pleasure in announcing the initiation during the past year of the following men: Howard S. Pember, '14, Walpole, Mass.; Calvin M. Little, '14, Charlotte, N. C.; E. Badger Hart, '13, Mount Airy, N. C.; Blake D. Applewhite, '14, Wil-

son, N. C.; William Smith, law, Hendersonville, N. C.; Thomas S. Hughes, '13, Elizabeth City, N. C.; Charles W. Millender, '14, Asheville, N. C.; Wiley B. Edwards, '14, Wilson, N. C.; Swade E. Barbour, '13, Clayton, N. C.

The Chapter, though small at present, is in excellent condition. We will lose only one man by graduation this spring. We are counting on increasing the size of the active chapter next fall by recruiting several excellent men from the ranks of the incoming Sophomore class.

### Honors

Below is a list of honors held by members of the chapter:

Brother A. B. Deans, varsity football; Dramatic club.

Brother B. D. Applewhite, varsity football; all-state football team; winner prize in English; baseball squad.

Brother W. B. Edwards, varsity baseball; football squad.

Brother H. S. Pember, varsity baseball; leader band; president Musical Association; Glee club; football squad.

Brother T. S. Hughtes, varsity gymnasium team, captain; officer Philanthropic Literary Society.

Brother E. H. Yelverton, Dramatic club; Pan-Hellenic Council; Y. M. C. A. campaign committee.

Brother T. H. Norwood, Commencement Ball manager, *Yackety Yack* Board.

Brother E. B. Hart, Chi Eta Mu, Chemical Fraternity.

Brother S. E. Barbour, Member State Geological Survey.

Brother C. W. Millender, band; Glee club.

### CONCLUSION

We wish in conclusion to urge upon our alumni the importance and the mutual benefit attached to co-operating with the chapter in every possible way. The names of desirable men who will enter the University are always gratefully received by us. The chapter wishes to thank the alumni for the ready response given to the circular letters sent out by it this spring. Alumni should notify us of any change of address, profession, or occupation. Finally, we accord a hearty welcome to all Phis who may visit us.

## OHIO ALPHA MIAMI UNIVERSITY

---

PHI DELTA THETA HOUSE,  
OXFORD, OHIO, APRIL 6, 1912.

*Ohio Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

Miami has been very unfortunate in having lost Brother Guy Potter Benton who has been called to the presidency of the University of Vermont. To fill this vacancy, Raymond Mollyneaux Hughes, formerly dean of the Liberal Arts College, has been chosen as acting president; Stephen Riggs Williams, head of the Biology Department taking up the duties of dean.

The following changes have been made in the faculty: Professor Whitcomb, head of the Chemistry Department is doing graduate work at Harvard. His position is filled by Professor Harvey C. Brill, Miami, '07. Professor Scott E. Bedford has accepted a position as Professor of Sociology at Chicago University; Professor Paul Vogt has taken his place. Professor Hadsel has returned from abroad, and now has charge of the Latin Department. Professors Hedges and Craver have taken the places of Professors Carter and Dow in the English Department. Professor Uerner is assistant in the Mathematics Department following the resignation of Professor H'Doubler. Professor O'Gorman is assistant in the Philosophy Department. Professor Calderwood, Miami '11, is assistant in Public Speaking and English.

The Honor System has been adopted at Miami, and so far has proven a success. The new Womens' Dormitory is nearing completion and will be ready for occupancy next fall. The old Dorms for men are being remodeled and will furnish modern apartments for a great per cent of Miami men. A new local fraternity has been founded, the Omega Psi Rho. A chapter of Sigma Sigma Sigma has been installed, and a new local sorority, Kappa Tau Sigma has been founded.

The recent year has seen the initiation of several new and beneficial customs at Miami. Smokers for all men in the University have been started and will be kept up as regular functions throughout the year. All Freshmen are required to wear caps designating their rank, and are not allowed to wear dress suits at University functions.

### ATHLETICS

Miami made no brilliant record in football last season, due in part to the schedule, as larger schools were played, and by the number of new men filling 'Varsity positions. The team was fast and aggressive, but too light and inexperienced to overcome the handicap. Prugh, '13, was the only Phi on the team. Mr. Thomas J. Keady of Dartmouth has been hired as next year's coach, and indications at present point to a successful season.

In basketball, Brother Pine, '13, represented Ohio Alpha playing an excellent game at center. The team played well, but met the same difficulties as the football team.

Professor J. Young, Williams '09, is in charge of baseball, which has been re-instated at Miami. Brothers Pixler, '12, and Gee, '13, are on the squad, with good prospects of winning positions.

### THE CHAPTER

The chapter was exceedingly fortunate in succeeding in pledging nine men, eight of whom have been initiated; E. Monte Callis, Detroit, Mich.; Howard C. Fenner, Tippecanoe City, Ohio; Donald D. Fitzgerald, Indianapolis, Ind.; Walter Fiegenbaum, Columbus, Ind.; Ellwood P. Reeve, Somerville, Ohio; Ernst M. Ruder, Hamilton, Ohio; Harold F. Stiles, Grand Rapids, Mich.; Nelson F. Sum-

ner, Indianapolis, Ind., initiated, and Arnold C. Morner, Dayton, Ohio, pledged.

We lost by graduation Brothers Jean R. Kinder, with the Hollenbeck Press, Indianapolis; Walter E. Willey, with Proctor & Gamble, Cincinnati; Stanley J. Daley, superintendent of a paper mill in Port Huron, Mich., Brothers Ward, Doeller, and Snyder have withdrawn from school since the last letter.

Phi Delta Theta has held most of the important student offices this year, and has been a leader in many school activities.

### Honors

Members of Ohio Alpha have earned the following honors during the past year:

John V. Pixler, '12, president board of control; president Pan-Hellenic Council; manager football team; member of Phi Beta Kappa.

Edward W. Keever, '12, president Student Forum; president Miami Union Literary Society; chairman student senate; secretary-treasurer Oratorical Association; *Student* staff.

A. Dane Ellis, '12, Associate editor of *Student*; chairman of Senior-Junior smoker committee.

Herbert D. Pine, '13, Arion choir; Glee Club.

Wallace E. Prugh, '13, president junior class; University marshal; 'Varsity football team; *Recensio* staff; Student Senate.

William L. Huston, '13, Pan-Hellenic Council; Prom. committee, art editor of *Recensio*.

Bert L. Kelley, '13, business manager *Recensio*.

Fred C. Wittkamper, '14, captain sophomore football team.

William McGinnis, '14, Glee Club; Arion choir.

Roy Magill, '14, Arion choir, Pan-Hellenic Council; class cheer leader.

Nelson Sumner, '15, freshmen cap-burning committee; Arion choir.

E. Monte Callis, '15, class football team; Glee Club; Arion Choir.

Ernst Ruder, '15, Glee Club; Arion Choir.

Howard Fenner, '15, treasurer freshman class.

Harold Stiles, '15, vice-president freshman class.

Donald Fitzgerald, '15, captain class football team; Student Night committee.

**CONCLUSION**

In conclusion we wish to thank all our alumni for the many kind and very helpful services they have done for us in the past year. Many of the old men have been keeping us in close touch with new material, and we wish to thank them for all the valuable information which they have given concerning prospective members. To them in particular, and also to all other Phis we wish to say that the latch-string of Ohio Alpha is always out.

## OHIO WESLEYAN UNIVERSITY

---

PHI DELTA THETA HOUSE,  
DELAWARE, OHIO, MAY 4, 1912.

*Ohio Beta of Phi Delta Theta to her Alumni and to Sister Chapters,  
Greeting:*

### THE UNIVERSITY

The attendance in this the 71st year of Ohio Wesleyan's history shows an increase of almost 100.

The present senior class is the largest that has ever graduated from the University. It numbers about 165 and an interesting and unusual fact in that connection is that there are about five more men than women.

The University is just beginning to profit by the income from the \$500,000 Forward Movement, so successfully completed last year.

By unanimous vote of the board of trustees, President Welch has been granted a year's leave of absence. The seven years of his connection with the university as its official head have been very successful, but very strenuous ones. The year will be spent by Doctor Welch and family in rest and travel in Europe, where he will also engage in some advanced study and writing which the pressure of duties here has not allowed. He leaves about August 1st, and will return in time for commencement in 1913.

The University has suffered a distinct loss in the death of Professor L. L. Hudson, principal of the School of Business. He died suddenly in the early fall after an operation. The trustees have decided to discontinue the School of Business after this year.

Brother G. N. Armstrong, professor of mathematics, Ohio Beta, '97, is in Germany this year on leave of absence pursuing advanced mathematical study.

The Honor System, adopted at the close of last year and of which Brother D. F. McClelland, '12, is the first president, has gained a position of prominence and trust in the eyes of both students and

**OHIO BETA CHAPTER 1911-1912**

faculty. Numerous cases have been brought up for action, the result being to materially diminish all forms of dishonesty among the student body as a whole.

The Student Body has recently adopted a new primary system of elections, similar to that in vogue in several of the larger universities in Ohio and neighboring states. The aims of the system are: To make the Student Senate a more representative student organization, to discourage factionalism and to prevent railroading in the nomination and election of candidates.

### ORATORY AND DEBATING

Ohio Wesleyan this year became a member of another triangular debate league composed of Denison and Miami Universities. The old league of which we are still a member is composed of Oberlin, Western Reserve and Ohio Wesleyan. The question debated this year was: Resolved, That all elective administrative officials in Ohio should be subject to recall, (constitutionality conceded.) The victories were over Denison and Oberlin, the defeats from Miami and Western Reserve.

Brother McClelland was a speaker on the Miami team.

Brother J. R. Driver is treasurer of the Debate and Oratory Council. Brothers Carmony and McClelland are also members of the Council.

Brother Collins was a speaker on the freshman debate team which defeated the sophomore team.

### Musical Clubs

The musical organizations at Ohio Wesleyan have had a very active and successful year. The Glee Club, of which Brother E. J. Carmony, '12, is manager has just finished the most successful and extensive season in its history, having given 24 concerts and travelled over 1,300 miles. Brothers Shipps, Olds and Harris are members of the club, and Brother Wright is pianist.

Brothers Dewey and Duff are second tenor and base, respectively of the University quartette. In addition to accompanying the Glee Club, they have given several concerts themselves and have sung at six or eight High School commencements.

Brother Jones is manager and violin-celloist of the college orchestra of 40 pieces. Brother Gates is a member of the orchestra and also of the cadet band.

It may be of general interest to know that a Girls' Choral Club and Quartette has been formed and that they have recently given a thoroughly enjoyable and successful concert in Gray chapel.

### ATHLETICS

Ohio Wesleyan started the football season with an unusually strong line up and the outlook for a championship team was never brighter. Although the season may be considered very successful, yet our failure to take the state championship honors was undoubtedly due to our lack of a star quarterback. The season closed with three defeats. Ohio Beta was represented on the squad by Brothers Wright and Geyer. Brother Curl who played a star end position was compelled to leave school on account of sickness. He will return for the 1912 season.

The basketball season was the most successful in the history of the school. The team played twenty-five scheduled games and finished as intercollegiate champions of Ohio. Brother Wright played a regular forward position, Brothers Webber and Olds were first subs at guard and forward position respectively and Brother J. R. Driver was manager of the team.

Our indoor track season was closed without a defeat and in this branch of athletics also state championship honors were taken. The outdoor track season which is well under way promises to be very successful also. We are represented by Brother Geyer who runs the hurdles. The university sent the relay team, which is unusually fast this year, to the big intercollegiate meet at Philadelphia and were successful in taking first place in their class.

Dr. F. W. Dixon of New York City was employed this year as Director of Physical Education and his work has been very satisfactory and efficient.

The faculty and students at this time regret very much that Coach L. W. St. John has resigned as Director of Athletics. "Saint" has been with us for three years and as a result the quality of our athletics has been greatly raised.

Keen interest is manifested here in interfraternity athletics. Ohio Beta has won the baseball trophy cup for the past two years and with the strong team we have this year we expect to hold it for another year.

## FRATERNITIES

The fraternities at Ohio Wesleyan are to be commended on the thoroughly friendly and co-operative spirit which characterizes their relation to the faculty.

The various chapters continue to enjoy a period of prosperity and growth. Since the opening of this school year, the Delta Taus and the Sigma Chis have each moved into beautiful new chapter houses.

Following is a list of the fraternities in the order of their establishment, with their approximate membership.

Established.	Name.	Members.
1853	Beta Theta Pi .....	16
1855	Sigma Chi .....	28
1860	Phi Delta Theta .....	27
1861	Phi Kappa Psi .....	23
1866	Delta Tau Delta .....	26
1869	Phi Gamma Delta .....	22
1887	Alpha Tau Omega .....	16
1888	Sigma Alpha Epsilon .....	28
1907	Delta Sigma Rho (honorary) .....	15
1907	Phi Beta Kappa (honorary) .....	4
1909	Gamma Phi (athletic) .....	15
1910	Chi Phi .....	21

One hundred and sixty Greeks attended the Pan-Hellenic banquet on March 30, 1912. The occasion was a very enjoyable and memorable one, and served admirably to increase the fraternal fellowship between the members of the nine national fraternities.

## THE CHAPTER

The chapter is in excellent condition in every respect in its personnel and scholastic as well as financial standing. The chapter has maintained the highest scholastic record of any fraternity in school during the last semester of last year and the first semester of the present year, according to reports sent out by the Dean of Men.

Since our last letter we have initiated: T. E. Bissell, Hudson, Ohio; F. C. Olds, Ashley, Ohio; L. C. Gates, Chagrin Falls, Ohio; T. H. Jones, Lorain, Ohio; W. E. Laundon, Elyria, Ohio; D. R. Willis, Mansfield, Ohio; C. R. Helter, Mansfield, Ohio; A. R. Havighurst, Marion, Ohio; W. E. Harris, Milford Center, Ohio;

B. F. DeLaney, Lancaster, Ohio; B. G. Newbeck, Marietta, Ohio;  
J. H. Collins, Pueblo, Colo.; H. E. Hamlin, North Baltimore, Ohio.

Brother J. H. Collins, '15, freshman debate team.

**CONCLUSION**

The past year has been one of the most successful in the history of the chapter. The chapter house is in excellent condition. During the summer our old bath room was remodeled and now we have a modern equipment with shower baths, etc. We also have an excellent tennis court which we built at the rear of the house since our letter of last year.

We were unusually successful in our rushing this year and our success was due in a great measure to the help of our alumni. We would urge all our alumni to send us information concerning any desirable men who expect to enter Ohio Wesleyan. We take this opportunity to express our thanks for your support in the past. Remember that we are only too glad to have you visit us at any time.

In order that the reporter may know that he has your proper address, please acknowledge the receipt of this letter and without fail report any change of address so that future communications may reach you promptly.

Yours in the Bond,

E. J. CARMONY, '12.

## OHIO GAMMA

### OHIO UNIVERSITY

---

PHI DELTA THETA HOUSE,  
ATHENS, OHIO, APRIL 15, 1912.

*Ohio Gamma of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### THE UNIVERSITY

The closing months of the college year find Ohio University in good shape. The new catalog shows the names of 1,832 different students, enrolled during the year, including 800 in the Summer School of 1911. Science Hall is nearing completion. This handsome structure cost the state \$120,000, including equipment. A contract has just been let for the construction of a model school building, in connection with the Training School of the Normal College. This building will be ready for use within a few months. Ohio has adopted the semester system of dividing the college year and has gotten up new courses of study in the College of Liberal Arts. Some changes have taken place in the faculty roll. Many new departments have been added. The only change of interest to Phi Delta Theta was the selection of Brother Arthur Hinaman, Ohio Eta, as athletic director.

#### ATHLETICS

Our football team was successful in every way this season. With much new material from which to select a team, Coach Hinaman and Brother Lewis, captain, built up a team that played winning football from the start. Ohio Gamma was represented on the team by Brother Lewis, captain, and Brother Burrell, guard, while others were on the squad. Our prospects for next fall are bright indeed.

In basketball Ohio won more than half her games, although but one member of last year's team was in school this season. Ohio Gamma was represented on the team by Brother Nutting, guard.

Thus far we have won all baseball games this spring, winning one from Western Reserve, two games from Kenyon, one from Marietta,

and one from Denison. Brother Nutting, playing second base, represents Ohio Gamma.

### FRATERNITIES

The anti-fraternity spirit has practically died out at Ohio although the "barb" publication, the *Side Lights*, appears occasionally. The "barbs" are organized into an association called the Phronecon. This association is composed of three or four "chapters," and the "chapter" at Ohio has about 100 members. Not all non-fraternity students belong to this organization. The local Gamma Alpha Theta sorority petitioned Alpha Xi Delta and secured a charter from that organization. The chapter was installed last spring term. The date of the establishment and the number of members of each fraternity and sorority are herewith given:

Established.	Name.	Active.	Members Pledged.
1841	Beta Theta Pi .....	18	3
1862	Delta Tau Delta .....	11	2
1868	Phi Delta Theta .....	21	4
1889	Pi Beta Phi (sorority) .....	25	3
1907	Pi Delta Kappa (sorority) .....	15	3
1909	Alpha Gamma Delta (sorority) .....	23	2
1909	Sigma Pi .....	11	4
1911	Alpha Xi Delta (sorority) .....	22	2

### THE CHAPTER

The chapter is prospering in every way. In scholarship we stand high, having an average of 87 per cent for the fall and winter terms. This average is exceeded only by one other organization in school, the Phrenocons, or non-fraternity students. We have been represented in nearly all college activities. Extensive repairs were made last fall on our chapter house. Financially, the chapter is in good condition. In athletics, we have been weak as compared with other years. We had several members on every freshman team however, and at least one man on each 'varsity team.

Since our last annual letter we have initiated fifteen men. William Bundy, Athens, Clifford Icenhour, Hemlock, Wilbur McReynolds, Columbus, Herman DuBois, Chillicothe, Blaine Goldsberry, Athens, Austin Wood, Athens, Don McVay, Athens, Virgil Falloon, Falls City, Nebr.; Walter McCleery, Lancaster, William Busic, Mt.

Sterling, George Burrell, Freeport, Ray Matticks, Newark, Kenneth Longley, McConnelsville, Willard Chamberlain, Milledgeville, and Ben Biddle, Athens.

### CONCLUSION

We desire to request the alumni of Ohio Gamma and members of other chapters to send to the reporter the names of desirable men who will likely enter Ohio Univeristy.

Thanking the alumni for the support they have given us in the past and hoping that they will join in pushing the house proposition and assuring them of a hearty welcome at all times at our present chapter house, we remain,

Yours in the Bond,

F. DIX PRESTON,

## OHIO ZETA

### OHIO STATE UNIVERSITY

---

PHI DELTA THETA HOUSE,  
90 W. TENTH AVENUE,  
COLUMBUS, OHIO, MARCH 20, 1912.

*Ohio Zeta of Phi Delta Theta to her Alumni and to Sister Chapters,  
Greeting:*

#### THE UNIVERSITY

Last fall Ohio State University entered its 45th year of existence. The total enrollment has reached the 3,500 mark, with prospects to keep on increasing until it becomes the largest University in the West.

Several new buildings have been erected in the past few years: a \$100,000 student building, a \$100,000 veterinary hospital, and work is now being completed on a \$250,000 library, and a new archaeological building is to be begun this spring.

With the many advantages of a natural campus, magnificent trees, and Mirror Lake, Ohio State University promises to be among the most attractive in the country. The addition of the modern buildings is the first work in a scheme to make the University unequalled by any in the great West. The legislature is coming to realize the importance of such a growing school, and the long needed appropriations are making it possible to accomplish the ambition of the men who attended ten and twenty years ago.

#### ATHLETICS

Ohio State's '11 football team was very successful. As this was Coach Vaughn's first year with the team, it was somewhat handicapped at the beginning of the season, but it finished up with a rush by holding Syracuse to six points. A very stiff schedule is being made up for next fall, including games with the University of Michigan, Michigan Agricultural School and Pennsylvania State. Ohio State hopes to enter the Western Conference before next year.

Brother Wells filled his position as assistant coach efficiently. Brother Trautman played on the team. Brother Roberts was manager.

The basketball team was made from quite a large amount of new material; it was in line for the state championship up to the last game.

Brother Lee is on the track team, running the half mile.

Baseball practice has started. Brother Trautman is working out with the pitchers. Brother Johnson is manager.

The athletic system has been partially reorganized; heretofore the office of athletic director has been filled by the head of the department of physical education; hereafter the two offices will be separate. The Athletic Board has also been reorganized. It now consists of two student members, two alumni members and five faculty members.

### THE CHAPTER

Ohio Zeta returned 18 men to the active chapter last fall. Since then we have initiated 11 men, whom we now introduce to the fraternity: Dan Collett and Henry Merrill, of Columbus, Ohio; Trell Yocum, Andrew Wing and Paul Slater, of Mechanicsburg, Ohio; John E. Foster and Louis Pickrel, of Jackson, Ohio; Paul A. Carothers and George N. Robertson, of Sidney, Ohio; Freeman O. Chrysler, of Granville, Ohio; and George Bast, of Hamilton, Ohio.

Besides the initiates, we have affiliated Brother Hadley, of Ohio Eta, and Brother Riggs, of Pennsylvania Delta.

Brother Carothers had to retire from school on account of illness. He has gone to Montana where he expects to improve his health.

During the summer the third floor was finished off, adding five more rooms to the house. With this addition we now have rooming accommodations for 22 men. This third-floor project has long been a pet dream of the older men in the chapter. During the spring of 1911 the dream took shape in an active canvass to raise the necessary money. The money was realized by the sale of bonds, and active work on the house started in early summer. Plans for the improvement were drawn up by Brother Martin.

The chapter has entertained with a number of enjoyable dances and parties this year. On October 2, we had a dance for our pledges at the Elk's Hall. An informal dance was held at the

house at the beginning of the second semester, and a most enjoyable time was had.

Founders' Day was celebrated by a dinner and smoker at the house. About sixty were present, including, besides our local alumni, Brother Burnsides, of Indiana Zeta, class of 1882.

Brother "Pink" Tenney is president, and a charter member of "The Red-Head Club." This club was organized here last year. This year it has been nationalized under the name of Lambda Tau Rho. Chapters have been installed at Ohio Wesleyan, University of Minnesota, and Chicago University, and several more bunches are being considered, the chapter at Ohio State being the governing body at present.

#### Honors

Brother Forsythe '14, Theta Nu Epsilon.  
Brother Wm. Collett '14, University Orchestra.

### CONCLUSION

The active chapter is afforded a splendid opportunity of meeting its alumni in the weekly alumni luncheons held every Saturday noon at the Neil House. These luncheons are well attended and there always are present a few of the active chapter each week. It is a splendid means of strengthening the relations of the alumni to the chapter.

We earnestly ask our alumni to send us news of themselves and help us in getting good men into the chapter. We wish them to keep in touch with the chapter by corresponding with the reporter, and sending him any news that they think will be of interest.

We do not want to conclude this letter without reference to the loyalty of our alumni who have contributed so much towards the welfare of the chapter. On behalf of Ohio Zeta, we thank them most gratefully for all they have done, and sincerely hope that we may show our appreciation by having an active chapter of the best and most desirable men obtainable.

Visiting Phis will receive a warm welcome at 90 W. Tenth Ave., whenever they may be in Columbus.

## OHIO ETA

### CASE SCHOOL OF APPLIED SCIENCE

---

PHI DELTA THETA HOUSE,  
2107 ADELBERT ROAD.  
CLEVELAND, OHIO, APRIL 25, 1912.

*Ohio Eta of Phi Delta Theta to Her Alumni and to Sister Chapters,  
Greeting:*

College opened last fall with a flood of men offering a great amount of good fraternity material. Competition in rushing was keen and everyone was kept busy. After a push-ball contest in which the sophomore class was practically victorious and an attempt tug of war with a rotten rope, the class of "15" settled down with the intention of impressing the faculty with their unlimited capacity as willing and diligent students. Much to their surprise and chagrin a large number were dropped from the ranks at mid-year and only since the last few months have the freshmen fully appreciated the meaning of study.

Socially Case has awakened a great deal. The informal dances were well managed and afforded a good opportunity for the development of the other side of the engineering student. The "Junior Prom" was a grand success and has decided the student question of making the "Prom" an annual event. The "school supper" also was very well attended and pronounced a success by all those who were present.

School spirit has been so prominent this year that it is certain the slogan of the school will no longer be a mere pass-word but that we are rapidly approaching the goal of a "Greater Case."

### ATHLETICS

The interest in Athletics still runs high, and is increased financially by the aid of a student's activity fee. This year the football season was opened as usual with Michigan, who defeated us by a good score. In the Ohio Conference the team played a wonderfully strong game and the only mark registered against our record was by

Oberlin, who defeated us by one point. The game on Thanksgiving day was played as usual with Western Reserve, and Case was victorious by a good margin.

During the winter season Case dropped hockey and substituted basketball. The team rounded into good form, but the year could not be said to be particularly successful. Three games were played against Western Reserve, and the same keen rivalry existed as in other branches of sport.

The Case baseball team promises to have an exceptional season, having lost only one game against Michigan.

Case has shown exceptional strength in all branches of athletics during the past season, and the school spirit runs high, increased by the numerous victories.

### FRATERNITIES

In Case at present there are sixteen fraternities, eight of which are national. They are given below in order of their establishment, together with number of active members:

Established.	Name.	Number.
1884	Zeta Psi .....	19
1896	Phi Delta Theta .....	24
1903	Kappa Sigma .....	25
1905	Sigma Alpha Epsilon .....	22
1905	Beta Theta Pi .....	22
1906	Phi Kappa Psi .....	24
1907	Sigma Nu .....	20
1909	Sigma Chi (joint chapter with Western Reserve)	28
1905	Tau Beta Pi (honorary) .....	12
1905	Sigma Xi (honorary) .....	5
1902	Owl and Key (senior) .....	10
1903	Skull and Bones (junior) .....	11
1906	Alpha Phi (sophomore) .....	11
1906	Alpha Chi Sigma (chemical) .....	12
1911	Theta Tau (mining) .....	17
1910	Eta Kappa Nu (electrical) .....	20 ✓

### THE CHAPTER

During rushing season Ohio Eta experienced exceptional success. As twenty-two men were returned, losing only three by graduation, we pledged but seven more. Ohio Eta has the pleasure of introduc-

ing to the fraternity the following brothers: A. T. Case, Cleveland, Ohio; H. B. Fisher, Canton, Ohio; G. N. Feather, Cleveland, Ohio; P. C. Kent, Bradford, Pa.; L. E. Smith, Cleveland, Ohio; D. W. Mackie, Bradford, Pa.; and J. A. Tilden, Cleveland, Ohio.

Last year we lost by graduation Brothers H. R. Weeman, A. C. Perry and H. M. Benham.

#### Honors

P. A. Gross, Tau Beta Pi, School Supper Committee, '11, Annual Board, School Senate 1911-12, Alpha Chi Sigma, Alembic Club.

C. A. Prochaska, vice-president Athletic Association, Alpha Chi Sigma, football, 1909-10-11, Alpha Phi, Skull and Bones, Owl and Key, School Senate, Alembic Club.

N. G. Jungk, Eta Kappa Nu, Glee Club.

W. H. Beatty, Eta Kappa Nu.

A. G. McDaniel, School Supper Committee, '12.

G. P. Hansen, School Supper committee, Pick and Shovel Club, School Senate.

R. E. Hoyt, manager Glee Club, Mandolin Club, School Senate, Stadia Club.

R. L. Glaser, Alpha Phi, Glee Club, Field Marshall, assistant manager football, 1912.

G. M. North, Pick and Shovel Club, class secretary.

P. C. Kent, Case Band.

D. W. Mackie, Case Band.

A. T. Case, Glee Club, assistant manager Musical Clubs, School Senate.

G. N. Feather, freshman class president, captain freshman football team.

#### Alumni Notes

Brother Barrdull, '10, was married on August 9th, 1911 to Miss Elizabeth Roessing of Cleveland.

Brother Bogardus, '10, is with Goodrich Rubber Company, Akron, Ohio.

Brother Bacon, '08, was married during the past year to Miss Helen Meldrum of Cleveland. Brother Bacon is manager of Globe Steel Company, Mansfield, Ohio.

Brother McMahon, '14, has taken a position with Goodrich Rubber Company, Havana, Cuba.

Brother Hinaman, '10, is athletic director at the University of Ohio, Athens, Ohio.

Brother R. C. Allen, '11, has announced his engagement, the wedding to take place during the summer. Brother Allen is engaged in business at Norwich, N. Y.

Brother Traub, '09, has been a visitor at the house for the past few days.

The chapter announces with deep regret the death of Brother Orin F. French, a charter member of the chapter at Buffalo, N. Y., on July 13th, 1911.

### CONCLUSION

Ohio Eta wishes to thank alumni who have taken such an active interest in her welfare during the past year, and to alumni and other members, who have assisted her in the rushing season, which proved so successful.

The chapter also wishes to extend an invitation to all Phis visiting Cleveland, to visit us at the chapter house.

## **UNIVERSITY OF CINCINNATI**

---

PHI DELTA THETA HOUSE,  
MOERLEIN AND McMILLAN AVE.,  
CINCINNATI, OHIO, APRIL 14, 1912.

*Ohio Theta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

Of the good results attendant upon the last city election, in which Mayor Hunt and his administration came into power, our University, the only municipal University in the United States, has received its full share. Bonds have been issued, which will enable the University to be much better supported by the citizens than ever before. Mayor Hunt is taking an active interest in the University, and is opening up many positions, in the various departments of the city work, to the co-operative students from the University, and by this means they acquire a large practical knowledge of city government. The majority of the students are employed as inspectors, chemists, and civil engineers, and work one week for the city and the next week in school.

The University is now operating a Night School of Commerce, for the benefit of those employed during the day, and while great emphasis is laid on commercial studies, the academic side is not neglected.

During the past year, two new buildings have been added to our University, the Engineering Building and the Gymnasium. The latter is acknowledged to be the best in the West. Plans are now being considered for a new chemistry and forestry building.

### **ATHLETICS**

This year has been a very successful one for athletics in the University of Cincinnati. The football team lost only one game

to an Ohio team, and that was to Ohio State, on Thanksgiving Day. Brother Easton played left end, Brother Clem. Fenker, left half-back, and Brother Jno. Allan center on the varsity team. Brothers Gilbert Yocum and Burt Robinson were on the reserve squad.

Brother Russell Easton, was captain of the Varsity Five, on which Brothers Fred Bennet Stanley Hammell, Clement Fenker and Gilbert Yocum played the majority of games.

Brother James Pottenger is manager of the varsity track team, and Phi Delta Theta is well represented on the squad by Clement Fenker, Burt Robinson, James Pottenger and William Pottenger.

On the freshman teams, Brothers Rockwell and Hopf received basketball numerals, and Brothers Wells and Rockwell, football numerals.

Brother Clement Fenker will probably be the first string catcher for the baseball team, for which Brothers Goettle and Hammell are trying out.

### **THE CHAPTER**

The active chapter now includes twenty-two active members and one pledge who will be initiated during this school year. We lose by graduation six men, Brothers Stifel, Bennet, Hammell, Hill, Allan and Easton.

Brother Easton has passed the city civil service examination for civil engineers and will accept a position. Brother Hill has accepted a railroad position as civil engineer, and Brother Allan will go west this summer on a survey for the government.

Brother Will Robinson will attend Kentucky State University next year. Brother Robert Rockwell is now attending Kenyon College.

The chapter has moved into a splendid new home in one of Cincinnati's oldest and most beautiful suburbs, known as Clifton. The new house has every modern convenience and will accommodate a dozen boarders. A splendid matron has been engaged for the coming year and visiting Phis will find a hearty welcome and a cozy home at 350 Terrace Avenue.

### **Honors**

Athletic honors have been already mentioned.

Brother Clinton Wunder is manager of the combined Glee and Mandolin Clubs, in which Phi Delta Theta is represented by Brothers Hill, Hopf and James Pottenger.

Brother W. A. McIntyre is a student instructor in physics.

Brother Stanley Hammell is an instructor in civil engineering.

Brother Clinton Wunder was elected by the students at large to the Student Athletic Council which controls University athletics.

# ONTARIO ALPHA

## UNIVERSITY OF TORONTO

---

PHI DELTA THETA HOUSE,  
TORONTO, CAN., APRIL 25, 1912.

*Ontario Alpha of Phi Delta Theta to her Alumni and Sister Chapters, Greeting:*

### THE UNIVERSITY

During the past year the University of Toronto has been steadily advancing in all departments. The standard required for entering the university has been raised, new buildings have been erected and many prominent men have been added to the faculty. The student activities have been entered into with increased enthusiasm. The new Stadium with a seating capacity of seventeen thousand has filled a long felt want in athletics. The Victoria College residences are nearing completion and the Domestic Science building has been formally opened. The proposed Y. M. C. A. building including a modernly equipped gymnasium has been started.

Many prominent men have addressed the students during the past academic year. The degree of LL. D. was conferred upon His Royal Highness The Duke of Connaught, Governor General of Canada.

Up to the time of writing the academic year has been the most successful during the history of the University.

### ATHLETICS

The football season of 1911 opened with many new men, for the most part lighter in weight than usual in the field. Two weeks of hard practice developed an exceptionally fine team which was only defeated once during its season thus winning the intercollegiate championship for the fourth time in succession.

At the close of the season a game was played with the Argonauts of this city for the Dominion championship which was also won by the University. The second and third teams reached the semi-finals in their respective series but were beaten out by a close margin in the finals.

The association football team won both the intercollegiate and city championships. Brother Frith was elected captain of the hockey team but was forced to withdraw early in the season owing to an acute attack of appendicitis. The team made a very creditable showing but were defeated twice by McGill which cost them the championship.

FRATERNITIES

The list of fraternities and sororities in order of their establishment at Toronto and the number of their active membership is as follows:

Established	Name	Members
1879	Zeta Psi	
1892	Kappa Alpha	
1893	Alpha Delta Phi	
1898	Delta Kappa Epsilon	
1899	Delta Upsilon .....	27
1906	Phi Delta Theta .....	23
1906	Beta Theta Pi	

Professional Fraternities

1905	Nu Sigma Nu
1906	Alpha Kappa Kappa
1907	Phi Delta Phi

Sororities

1905	Kappa Alpha Theta	
1906	Alpha Phi	
1908	Pi Beta Phi	
1911	Kappa Kappa Gamma .....	18

In November 1911, Kappa Alpha held a general convention at Toronto.

THE CHAPTER

On account of the large graduating class of last year Ontario Alpha returned last fall with only fifteen men but with undaunted spirit and strenuous aid from our alumni we were able to gather an exceptionally strong chapter without lowering the high standards which Phi Delta Theta demands. The following men were initiated this year: Gerald Edwin Wells, Saskatoon, Sask.; John Edward Breithaupt, Berlin, Ont.; Harrison Bray Spaulding, Aurora, Ont.;

John Fawcett, Hamilton, Ont.; Frank Wilson Hutcheson, Huntsville, Ont.; Hugh Aird, Toronto, Ont.

This year saw the realization of our hopes that Ontario Alpha would some day possess a library. In this we are deeply indebted to our alumni who generously responded to the requests of the Library Committee. The chapter house has been redecorated and a large brick fire-place has been built in the chapter room.

#### Honors

Brother T. L. Cory, '14, Senior rugby team; intercollegiate and Dominion champions.

Brother A. R. Ramsey, '13, Senior rugby team.

Brother B. M. Frith, '13, Senior rugby team; captain of senior hockey team; athletic directorate.

Brother N. Lorimer, '13, Senior rugby team.

Brother A. E. Cuzner, '14, Captain second rugby team, second hockey team.

Brother K. B. Maclaren, '12, Second rugby team, Victoria College hockey team—champions of the interfaculty series; president of Victoria College Athletic Association; member of XIII Club.

Brother H. Aird, '15, Second hockey team; first year athletic representative of University College.

Brother H. B. Preston, '14, Captain junior arts basketball team; second vice-president of Literary and Scientific Society of University College.

Brother H. B. Spaulding, '14, Second year executive; debating team.

Brother N. Simpson, '14, Second rugby team; swimming and polo teams.

Brother M. F. Verity, '14, Vice-president of Engineering Society.

Brother G. E. Wells, '15, Member of University Glee Club.

Brother J. Fawcett, '15, University College basketball team.

#### Alumni Notes

Brother D. A. L. Graham is a member of the faculty of medicine at the University of Toronto.

Brother L. W. Morden has left the Canadian Westinghouse Co. to take a position with the Packard Electric co.

Brother C. W. Hookway is with the Canadian Westinghouse Co. at Toronto, Ont.

Brother L. L. Acton has returned from Mexico and is at present employed in the city.

Brother G. N. Kennedy is mining at Cobalt.

Brother H. De W. Ball is practicing medicine in Toronto.

Brother J. A. Yarker is managing a tannery in Titusville, Ohio.

Brothers W. A. Wilson and W. W. Hume are practicing medicine in Vancouver, B. C.

Brother R. P. Stockton is practicing law in Vancouver.

Brothers W. W. Davidson and H. H. Davis are practising law in Toronto.

### CONCLUSION

We would say in concluding that this year has been very successful for Ontario Alpha. Prospects for next year are exceedingly bright as we lose only two brothers through graduation, while we have three men pledged who are coming to the university next fall. Fraternity spirit is very active and everything for the future of Phi Delta Theta at Toronto augurs very well.

### **THE COLLEGE**

The eightieth year of Lafayette College was formally opened on Thursday, September 14, 1911. The enrollment was the largest in the history of the college, the students numbering 560.

The new course in Mechanical Engineering is being rapidly strengthened and many students have enrolled in it. The new Engineering building has been completed and will soon be occupied. It is situated back of the athletic field and is a very attractive building. The Civil Engineering building which is to cost \$50,000 will be started in the near future. The Van Wickle Memorial Library has just received a \$20,000 addition which not only enhances the beauty of the building but gives adequate space for 90,000 volumes. There will be two large reading rooms in the library now instead of one as heretofore. The engineering courses are being strengthened and Lafayette will soon become a technical school. The Civil Engineering Course here is considered one of the best in the country.

The changes in the faculty the last year are, the resignation of Professor Eckels, head of the Greek department whose place has been filled by Professor Rankin, late of Princeton; the return of Brother Wm. Makay Smith as instructor in mathematics; the election of Brother J. E. Boynton as head of the New Mechanical Engineering department; the advancement of Mr. Marquard from instructor to assistant Professor of Mining Engineering; J. S. Linn, instructor in English and History; M. C. Hill instructor in modern languages; C. N. Mackinnon instructor in English, vice P. E. Kaufman; M. B. Roub instructor in Graphics; A. E. Bye, instruc-

tor in English; H. B. Jelleson, instructor in modern languages; R. B. Cooke, instructor in English, vice T. M. Browne, resigned; S. W. Rounds, instructor in shop work.

The college endowment fund is rapidly being increased and the salaries of the faculty will be increased in proportion.

### ATHLETICS

Lafayette maintained her enviable record of the last few years during the season of 1911. The baseball team took an extended southern trip during the spring vacation and won more than half the games played. The northern trip was a great success all the games but one being won. The brightest spot in the whole season was the shutting out of Pennsylvania without a hit or run. Brother Long, '11, did most of the twirling for the team. Pennsylvania Alpha was represented on the team by Brothers Long, '11, Cedarquest, '12, Hart, '14, and Cutchlow, '14. Brother Cedarquest is captain of the 1912 team and has already made an enviable record. We are represented on this year's team by Brothers Cedarquest, '12, Cutchlow, '14, and Wright, '15.

Lafayette's excellent record in football was kept up during the 1911 season although we suffered two defeats, those by the Indians and Pennsylvania. The Indians were entirely out of our class and we would have beaten Pennsylvania had it not been for injuries keeping our best men out of the game. Our old rival Lehigh was met and defeated as usual by the score of 14-0. Brother Haas, '13, was assistant manager last season and has been elected manager for 1912. The new schedule includes games with Brown and Yale. Pennsylvania Alpha was represented on the team by Brother Royer, '13, and on the squad by Brothers Welty, '14, and Hammer, '15.

The track team competed in various meets and made a great record, both in the local meets and in the intercollegiates. The material was not of the best and the results were far surpassing expectations.

### FRATERNITIES

Twelve national fraternities have chapters at Lafayette, seven of them occupying their own houses. The new Delta Upsilon house is almost ready for occupancy making a total of 8 houses on the campus. The chapters not having houses have rooms in office buildings down town and the men room in the dormitories. A feeling of good fellowship exists among all the fraternities. A local

fraternity has been established, Omega Delta Phi, and has been recognized by all the other fraternities.

The following is a list of the fraternities, when established and their approximate membership.

### THE CHAPTER

Pennsylvania Alpha returned to college in September with 14 old men, having lost by graduation Brothers H. W. Eckel, L. Long and R. C. Berlin. After a very satisfactory rushing season we take great pleasure in introducing to the Fraternity the following initiates, Robert T. Johnstone, Titusville, Pa.; Gerald Amos Morgan, Harrisburg, Pa.; George E. Johnston, Akron, Ohio; Benjamin H. Welty, Waynesboro, Pa.; Edgar T. Hammer, Greensburg, Pa.; Warren G. Donalson, Trenton, N. J.; Willard Wright, Worcester, N. Y.; Victor de Lara Valdes, Asbury Park, N. J., and Carlton W. Rose, Princeton, N. J. It is with great regret that we announce the death of Brother Victor Valdes, '15, who died of typhoid fever at his home in Asbury Park, on January 4th. All of our freshmen and several upper classmen attended the funeral.

Many Phis were back for commencement last June and most of them were given rooms in the house. The fellows are always ready to give up their rooms to the alumni and are always glad to see them back. The alumni banquet was a great success, being attended by the entire active chapter and about seventy-five alumni. Several dances have been given during the year and all of them were very successful.

Brother Joseph Jack Johnston has affiliated from Indiana Theta.

**Honors****1912**

M. O. Cedarquest, captain 'Varsity baseball team; president of senior class; K. R. T.; Archon Society; Calumet; cheer leader.  
 Russel McCauley, Calumet.

**1913**

 Edgar Hoffer Royer, 'Varsity football team.  
 Morris S. Evans, Class secretary.

**1914**

Walter S. Cutchlow, 'Varsity baseball; Sock and Buskin; Calumet; bowling team; class football.  
 William A. Moore, Captain sophomore football team; Sock and Buskin; class baseball.  
 Henry B. Welty, 'Varsity football squad; Calumet; Sock and Buskin.  
 Howard L. Shimer, 'Varsity baseball squad; bowling team.  
 Charles C. Evans, class baseball; class football.  
 Arthur L. Meyer, class baseball.

**1915**

Benjamin H. Welty, 'Varsity track team.  
 George E. Johnston, gymnasium team.  
 Willard Wright, 'Varsity baseball; bowling team; class marshal.  
 Robert T. Johnstone, musical clubs.  
 Edgar T. Hammer, 'Varsity football and baseball squads.  
 James J. Waygood, class football.

**Alumni Notes**

Lester Long, '11, is on the pitching staff of the Phila. Athletics.  
 H. W. Eckel, '11, is located in Oklahoma as a civil engineer.  
 R. C. Berlin, '11, is connected with the U. S. Geographical Survey.  
 D. C. Pomeroy, '05, was married in March at Philadelphia, Pa.  
 B. H. De Mott, ex-'12, is on the pitching staff of Cleveland American baseball team.

**ALPHA PROVINCE CONVENTION**

The fourteenth bi-ennial convention of Alpha Province was held in Philadelphia, Pa., on Thursday, Friday, and Saturday, November

30 to December 1, 1911, the headquarters of the convention being the Hotel Walton. The entertainments included, the witnessing of the Cornell-Pennsylvania football game, a tea given by Pennsylvania Zeta in honor of her guests, a smoker and a banquet at the Hotel Walton. The convention ended on Saturday and a theatre party formed the last entertainment on the list. Several committees reported among them the chapter house committee which suggested that a company be organized and a charter obtained under the laws of the state for the chapters who did not own houses. Pennsylvania Alpha was represented at the convention by Brother R. E. Haas, '13. and Brother Johnston, '15.

### CONCLUSION

The competition among the fraternities at Lafayette is becoming more marked every year. The college is small and good men are not easily over-looked during the first rush. It is therefore of great importance that the chapter has the co-operation of the alumni during this season.

The chapter house is situated on the campus and the active members are always glad to receive visits from any Brother Phi who may find himself in Easton.

PHI DELTA THETA HOUSE,  
GETTYSBURG, PA.,  
APRIL 1, 1912.

*Pennsylvania Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### **THE COLLEGE**

Gettysburg College began the eightieth year of her history very favorably on Sept. 13, 1911. With the opening, the first fruits of a year's booming and advertising under the new regime were manifested with the enrollment of a large freshman class. Nearly all the old men were on hand to resume their work, and it may be noteworthy to remark that the present senior class will be the largest class ever graduated. Practically all the men who enrolled as freshmen have stayed to graduate, there being a remarkably low percent of the beginners who have not "stuck" for the finish.

With the opening of the school, the new courses in Engineering were introduced under the charge of Professor R. S. Kirby, C. E., formerly of Sheffield School.

Six men enrolled for this course at the opening of college, but now Prof. Kirby is devoting his entire time to the instruction of one man, Brother Hepler.

During the first few months of the school year, it was announced that the institution had received several excellent endowments in the form of \$50,000 from the Carnegie School Fund; \$25,000 from the Glatfelter estate and a pledged sum to the amount of \$25,000 from the York County Club.

#### **LITERARY WORK**

The Phena and Philo literary society has been very beneficial and entertaining this year. The inter-society contests are being planned at present to take place in May. The *Gettysburgian* is

our college weekly containing in its pages the fraternity notes, while the *Mercury* is the literary journal of the institution. The 1913 *Spectrum* is ready for the press. Gettysburg was the chosen place for the inter-collegiate oratorical contest. Muhlenberg College took first place, Franklin and Marshall second, while Swarthmore received honorable mention.

Athletics are taken care of by the Press Club, which sends reports to the leading Pennsylvania and Maryland newspapers. The entertainment by the Ben Greet Players is held under the club's auspices, annually.

### MUSICAL CLUBS

Gettysburg's combined musical clubs start on their annual tour April 8th. The clubs carry thirty men who will enjoy a two week's trip through Maryland and Pennsylvania. Brother Walker is manager of the combined clubs. Brothers Fritsch and Hepler are members of the Glee Club while Walker and Faber, pledges, are our representatives on the Mandolin Club. The college band is in its second year of existence and is doing good work. Brothers Fasick and Philson are members. The College Orchestra consists of sixteen pieces and is one of the most popular organizations of the college. Brothers Fritsch and Fasick represent Phi Delta Theta.

### ATHLETICS

Athletics at Gettysburg have been greatly strengthened this year. The football season was not as successful as usual, due to poor coaching and the injuries which the men sustained. The season's record was—games won 4, games lost 5. Brother Fritsch managed the team.

Our basketball season was a pronounced success. We won 9 games and lost 5, winning three of the out of town games. Brother Diehl led the scoring throughout the season. Brother Dulebohn was a substitute on the squad.

From all appearances, the baseball team will be very good. Six old men are back including two batteries. Brothers McSherry and Fasick are making bids for the team.

Track at Gettysburg is on a large scale this year. Five meets have been arranged and the material is plenty and very good. Leathers, the winner of the intercollegiates in the 100 and 200 yard dashes, is captain. Brothers Humphries and Walker are on the squad.

Brother Diehl was tennis champion last year, and Brother Fritsch

was a member of the 'varsity team. This year's schedule, includes matches with State, Lehigh and Lafayette. The team is picked by competition in a single's tournament.

McSherry, '15. Freshman banquet committee.

Philson, '15. College band and orchestra.

### Social Notes

As has been the custom for years past, the national fraternities whose chapters are situated here, have combined for the purpose of holding inter-fraternity dances. There have been three dances up to the time of writing,—the Hallowe'en dance; the Christmas dance; and the Washington Birthday dance. During the present semester there will be two more held, the Easter dance and the Pan-Hellenic. All these affairs are well attended and are quite brilliant affairs. Besides the inter-fraternity dances, the various chapters hold impromptu and informal dances in their respective lodges.

In addition to these, there are dances held by the college orchestra and band which are college affairs. On Feb. 23, the annual Junior Prom. was held. The junior class entertained the class of 1912 and many out of town guests. This function was the most brilliant affair ever held in Gettysburg.

We still look forward to many social affairs this spring, as the spirit for these affairs is such, that many brilliant times are promised.

#### Alumni Notes

Ben Philson, '09, Sam Philson, '09, Irwin, '09, Tyson, '10, Lewis, '11, compose our alumni club at Columbia University.

Hoshour, '10, is studying law at the University of Minnesota, and is president of his class.

Small, '11, has secured a teaching position in the University of West Virginia.

Reyner, '09, is teaching at Allegheny High School and is living with Brother Markel at No. 921 Aiken Avenue.

Floto, '03, has given up his position with the Pittsburg Railways Co., and has accepted a position as special agent to the Carnegie Hero Fund Commission.

Etsweiler, '10, teaching at Westminster, Md.

#### CONCLUSION

The active chapter takes this opportunity to thank the alumni for their interest in Pennsylvania Beta's affairs and for their guidance and personal help each one has so kindly given.

#### **THE COLLEGE**

The college year for 1911-12 opened on September 21, 1911 with a Freshman class numbering 105. Much interest was shown in the Physics building which is in the course of erection and now nearing completion. This building, to be devoted entirely to the department of Physics, is the first of the new plan to be started; upon its completion the second building will be immediately put under way.

Some time ago the college authorities here were notified that \$100,000 would be given to the college out of the Rockefeller Foundation fund with the condition that \$400,000 more be raised. This gift will be a great aid in obtaining the million dollar endowment toward which Doctor Moffit is working.

This year the faculty has instituted the system of dividing the collegiate year into terms instead of the former semesters. So far the system has been a decided success although some time is needed for the proper adjustment of all departments to this system.

Lately a committee on student statistics has been appointed by Doctor Moffit to investigate the scholarship of all students to compare them with regard to fraternity and non-fraternity and the fraternities themselves. As the work has just begun the results are not to be published, this year at least.

On the first of March Doctor Weyer of Wisconsin Alpha, professor psychology and philosophy here, left for a six months vacation; the greater part of this he intends to spend traveling abroad, particularly in Northern Africa where he will study some tribal life in which he is interested.

The Dramatic Club, called the Buskin Club, gave a play on March 14, "The Bishop's Arrival." It was exceedingly well acted and caused hearty applause from the audience. The Glee Club has as yet taken no trip but will do so during Easter vacation. In the spring the students will present the "Mock Convention," an affair of every four years just preceding the presidential conventions. This always attracts a great deal of attention from outsiders and gives large room for youthful minds and imaginations.

### ATHLETICS

Baseball here has never been worthy of any particular attention and last year's team was but equal to the average. As usual quality and quantity in baseball material were alike lacking; although there were some good men there were not enough, particularly pitchers. Phi Delta Theta was not represented on the team owing to the illness of Brother Eaton which prevented his return to school in the spring term. Out of the twenty games played W. & J. won five; the schedule follows:

Washington and Jefferson, 1; Washington Independents, 2.  
 Washington and Jefferson, 2; Westminster, 1.  
 Washington and Jefferson, 8; Waynesburg, 7.  
 Washington and Jefferson, 4; Washington Independents, 5.  
 Washington and Jefferson, 7; W. Va. U., 5.  
 Washington and Jefferson, 2; W. Va. U., 5.  
 Washington and Jefferson, 2; W. Va. U., 4.  
 Washington and Jefferson, 2; Mercersburg, 6.  
 Washington and Jefferson, 3; Dickinson U. 9.  
 Washington and Jefferson, 1; Albright, 7.  
 Washington and Jefferson, 4; Bucknell, 11.  
 Washington and Jefferson, 1; Lafayette, 9.  
 Washington and Jefferson, 6; Grove City, 8.  
 Washington and Jefferson, 2; Muskingum, 8.  
 Washington and Jefferson, 8; Carnegie Tech., 3.  
 Washington and Jefferson, 4; Waynesburg, 10.  
 Washington and Jefferson, 10; Carnegie Tech., 12.  
 Washington and Jefferson, 4; Pittsburg Collegians, 5.  
 Washington and Jefferson, 6; Pittsburg Collegians, 8.  
 Washington and Jefferson, 9; Washington and Jefferson Alumni, 9.

Football is by far the most largely and enthusiastically attended

of all games at this college. Last fall the season opened in a shadow of doubt; no one really knew what to look for nor even on what to hope; yet the outcome of the season was not disappointing but rather a great improvement over the previous season. A new system was tried during this season; that of a manager-coach with an assistant manager and an undercoach; it can not be said that this system proved a success for it placed too large a variety of work on one man, demanding his attention to many diverse things at one time. The real value of our team would not be apparent to any one who knows nothing of it outside of the papers and the score board; nor could any one realize just what handicaps it worked under unless in some way connected with it. Yet as it does not sound well to cite conditions that are purely local and not generally known we will pass over that. Below is given a resumé of the games.

Washington and Jefferson, 12; Indiana State Normal, 0.

Washington and Jefferson, 42; Bethany, 0.

Washington and Jefferson, 0; Navy, 16.

Washington and Jefferson, 0; Cornell, 6.

Washington and Jefferson, 33; Westminster, 0.

Washington and Jefferson, 0; W. Va. U., 6.

Washington and Jefferson, cancelled, Waynesburg.

Washington and Jefferson, 19; Geneva, 0.

Washington and Jefferson, 0; University of Pittsburg, 12.

Washington and Jefferson, 11; Villa Nova, 6.

Phi Delta Theta was represented on this team by Brother Cunningham at his old place at guard and Brother Smith at center. Brother Dean was assistant football manager during the season.

The prospects for baseball are a little better than usual; at least a larger number of men have reported and Captain Haymaker hopes for a very good showing. Manager Lane has arranged quite an attractive schedule, he is going to take the team into Ohio and west instead of east as has generally been done in previous years.

When the football season opens in the fall, Brother Murphy will be back at the helm as manager; which in itself serves to inspire much confidence. Robert Folwell, an old Penn., man and for some-time coach at Lafayette, will be here to direct the team and much new material is expected with the incoming class. On the whole everything looks bright for a big team.

**FRATERNITIES**

There has been no change in the past year in the relations between the fraternities here. None of them has as yet procured a house of its own, although several have moved into new homes. However, all fraternities are making preparations for the changes that must come with the elevated status of the college when the new plan is in operation.

Following is the chronological list of the eight fraternities as founded here:

- 1842 Beta Theta Pi.
- 1842 Phi Gamma Delta.
- 1852 Phi Kappa Sigma.
- 1854 Phi Kappa Psi.
- 1861 Delta Tau Delta.
- 1875 Phi Delta Theta.
- 1899 Kappa Sigma.
- 1901 Alpha Tau Omega.

**THE CHAPTER**

Since last year the Chapter has been installed in a new home, in every way a decided improvement over our former quarters. On Dec. 15, 1911 the Chapter held a dance at the Rittenhouse, Pittsburg, Penn., which was a decided success although not as largely attended by the alumni as had been desired. Last spring we lost by graduation four men, Brothers Biggert, Langfitt, Wilson and Brownlee; this left us with but seven men to return in the fall. We were however exceedingly fortunate during rushing season and managed to pledge the pick of the new class and later to initiate them all, of whom we have as yet lost not a man.

Our Chapter house plans are as yet in the hands of our alumni who express their desire to direct it themselves. We, in the active Chapter, have not, however, lost track of it and are very desirous of pushing the matter to a speedy conclusion.

**Honors**

1913.

- Brother Jackson, Cotillion Club committee; *Pandora* board.
- Brother Eaton, Junior basketball; Junior Prom. committee.
- Brother Dean, assistant football manager; "*Jeff*" board.
- Brother Smith, varsity football.

1914.

Brother Murray, secretary, Athletic committee.

1915.

Brother Wrenshall, President, Freshman class.

Brother Williams, Buskin Club.

#### Alumni Notes

Brother William F. McCrady, 1910 was recently married and is now living in Edgewood Park, Pa.

Brother Sam Foster, 1903 was lately appointed to the position of State Road Supervisor.

Brother Brown, 1910 is now attending the McCormick Seminary in Chicago, Ill.

Brother Taylor, 1910 has been transferred to Hamilton, Ontario, Canada.

Brother Wilson, 1911 is now attending the law school of the University of Pittsburg.

Brother Langfitt, 1911 is also at the law school of the University of Pittsburg.

Brother Biggert, 1911 is in the insurance business with his father in Pittsburg.

Brother Brownlee, 1911 is in business with his uncle in Omaha, Neb.

#### CONCLUSION

This Chapter wishes to extend a hearty invitation to any and all Phis to pay us a visit and to feel assured that when they come to Washington they can find a home at the Phi Delta Theta House.

We wish to thank all those who have shown any interest in us in the past and who have aided us to get new men. Any information concerning alumni, Brother Phis of any place will be greatly appreciated by us.

**PHI DELTA THETA HOUSE,  
MEADVILLE, PA.  
MAY 1, 1912.**

*Pennsylvania Delta of Phi Delta Theta to Alumni and to Sister Chapters, Greeting:*

#### **THE COLLEGE**

April 24, 1912 marked the successful close of the campaign for the additional half million dollars for the endowment of Allegheny. The announcement that President Crawford had succeeded in his great task of collecting this fund called forth an exhibition of college spirit which is seldom surpassed. Parades, speeches and a mammoth bonfire were features of the day of celebration that followed. With respect to endowment Allegheny with \$1,025,000 now ranks fifteenth among the colleges of the United States.

#### **College Sermons**

One of the most pleasing and popular innovations of the college year has been the monthly sermons in Ford Memorial Chapel, by some noted religious leader of the day. These have been provided for through the generosity of Mrs. Sarah B. Cochran. To date the student body has been privileged to hear Dr. Thos. Nicholson, Dr. W. V. Kelley, Dr. S. J. Herben, Dr. E. S. Tipple, Dr. C. M. Stewart and Dr. A. C. Knudsen.

#### **College Dinners**

Another popular innovation has been the plan of having all men of the college get together for one meal a week at the College Commons. The purpose is the development of a broader, more unified college spirit.

College Get-to-gether's have been introduced for the same purpose. These have been held at irregular intervals, preferably before inter-collegiate contests and have been enthusiastically received.

**Duzer Du**

On March 28, the Duzer Du Dramatic Club presented Shakespeare's "Comedy of Errors" before one of the largest audiences which has ever attended one of these productions. The play will be again given during commencement week.

**Glee Club**

Eleven concerts have been given by the combined musical clubs. A concert during commencement week will close one of the most successful seasons for these clubs in recent years.

**Modern Problems Club**

Through the efforts of Professor G. G. Benjamin the Modern Problems Club, a new organization in Allegheny, has secured a charter from the Intercollegiate Civic League. This is already one of the strongest organizations in college.

**Summer School**

A special bulletin has been issued for the newly established summer school. All but three members of the regular faculty will be among the instructors, and the regular courses of instruction will be given together with several special courses.

**Oratorical**

The Interstate Oratorical Contest of the American Peace Society will be held here May 3, with representatives from six states competing.

**Stewart**

E. J. Stewart, coach and athletic instructor at Allegheny for the past three years, resigned his position during the Christmas vacation, to accept the position of athletic director at the Oregon Agricultural College.

**Faculty**

Professor M. H. Dewey is head of the German department during the absence of Doctor G. A. Mulfinger, who is spending his sabbatical year in Germany.

Professor G. G. Benjamin is professor of history and economics.

Professor L. M. Riddle is instructor in French.

Professor A. W. Giles is instructor in geology.

### ATHLETICS

The past year and a half has seen Allegheny come to its own in athletics and the college now occupies an enviable reputation in all branches of college athletics in this section. Under the excellent supervision of E. J. Stewart and with the hearty co-operation of the entire student body, teams of which any school might well be proud were developed and did much toward promoting the standing of athletic Allegheny. The football team for the season of 1910-11 was one of the best that Allegheny has had in many years and was awarded the league championship. This year under the captaincy of Brother Hawk the football team had another successful season and though no championship was awarded Allegheny's team was considered at all times as a contender for the honor.

In spite of the fact that the first defeat on the home floor for nine years was suffered in the basketball season of 1910-11 it may still be regarded as one of the best in the history of the game. The champions of Ohio, Oberlin, were twice defeated and only two games were lost during the year. A number of new men were seen on the team and developed in such a manner as to assure another winning team this year. And such it was. While the team of last season might be called a good one, even it must give way to the team which once again won the championship this year, winning ten out of eleven games and including in its victories the great one over the Buffalo Germans. The team was captained and coached by Brother Hawk who was the mainstay of the team. At the close of the season he was re-elected captain for next year. It had been feared, that owing to the resignation of Coach Stewart and the failure to provide another coach, the team might not have the success of former years but this fear was soon dispelled and one of the best basketball seasons in the history of the game at Allegheny was had.

Almost an equal amount of success was had in the track season of last year. Only two meets were held, the one with Rochester at Meadville in which Allegheny won a well earned victory and the other the Intercollegiate meet held at Grove City in which Allegheny lost to the fast Carnegie Tech team by only two points. This year, in spite of the fact that an abundance of the best material in school was lost by graduation last spring, the outlook is very bright. The men have begun their work and a good deal of very promising material has been developed in the freshmen class. The Inter-Collegiate meet will be held this year at Sharon and Allegheny will be one of the chief contenders for first honors.

The baseball season of last year cannot exactly be called a success as far as the number of games won is concerned. One extended trip resulted rather disastrously for the team but the home season was far more successful. The main weakness in the team was the pitching staff, Brother Hawk being the only reliable twirler on the team. This year the prospects for a good team are very promising although the team will be without the services of a coach. A definite schedule has not as yet been arranged but it is probable that at least one trip will be taken in addition to a number of home games.

The much desired and needed athletic field was begun during last summer and at present the work has progressed as far as the completing of the concrete wall and the filling of the field. It is expected that the new field, to be known as Montgomery Field, will be ready for the opening of the next football season. The work has been delayed somewhat by local labor troubles and unfavorable weather conditions but it is hoped that the work will be resumed and pushed to completion before long.

The tennis team, which included Brothers Dalzell and Stidger, was entered in the intercollegiate matches held at Pittsburgh last spring and tied for second place in both doubles and singles. The outlook for another good team this year is very bright and it is very probable that Allegheny will be represented by a winning team in the annual matches.

The local sorority, Theta Sigma, was formally installed in March as a chapter of Alpha Gamma Delta.

For several weeks the fraternities were considering the changing of the present system of pledging and rushing freshmen but after some discussion of both the half year and sophomore spike no agreement could be reached and the matter has been indefinitely dropped.

The sororities have changed the date of their pledging day to a date shortly before the Christmas vacation.

### THE CHAPTER

The chapter opened another very successful year with the return of fourteen old men. The following have been initiated: Louis A. Wells, Theodore F. Smith, Orson J. Graham, Donald Dunbar, Douglas Dunbar, Carl Deutsch, John Bright, Howard F. Brownell, Malcolm Metcalf, and Howard Barnes. Paul Barrackman and Joseph A. Zimmerman have been pledged. Brother Barnes was compelled to leave school at the end of the first term on account of illness and was the only loss in membership during the year.

The spirit of progression pervades all the members as marked by the improvements to the house and the raising of the scholastic and other standards of the chapter. A new cement walk 300 feet in length joining the rear of the house with the main street was laid during the summer. The hedge and trees have been trimmed and with the improvements to the tennis courts, places the surrounding grounds in excellent shape. All the brothers have joined in making substantial improvements within the house during the winter. The room adjoining the dining room has been converted into a lounging room with the erection of a roomy, mission seat within the bay-window and an artistic brick fire-place with colonial andirons, the gift of two of the classes and Brothers Dalzell, '12, Beaty, ex-'11, and Trosh, ex'13. New curtains and a new four light chandelier with the other additions make this room one of the coziest in the house. All four classes joined in a gift to the house of a beautiful hall light and four-light chandeliers in the chapter room and the front parlor. The trustees purchased a fine carpet for the large study room above the chapter room. Brother Dalzell has added a new supply of glass-ware to the dining room and with the co-operation of the other brothers has purchased a complete Phi Delta Theta service comprising five dozen each of the various plates, cups, saucers, etc., embossed with the fraternity coat-of-arms. Two domes,

the gift of the class of '11, add much to the appearance of the dining room. With the addition of a large refrigerator and many new cooking utensils in the kitchen the commissary department is in fine condition. By earnest efforts of all the brothers our large home, throughout, has been put in a trim appearance such that we take just pride in showing it to our alumni and visiting Phis.

The alumni banquet, held at the chapter house on June 21st, was a very enjoyable affair. The house was also the scene of our annual fall dinner party on November 18th, a reception on March 14th and a freshman class party on April 22d.

The scholastic standing of the chapter has improved over the preceding year. The new men have grasped early the true fraternity spirit and the high standard of the chapter has been advanced to a marked extent.

#### Honors

This year as is usual, Pennsylvania Delta stands well in the share of college honors held.

In debate, Brothers Hughes and MacGowan were 'varsity men and Brother Bright was an alternate. Three out of seven contestants in the Wakefield Oratorical Contest were Phis, Brothers Maxwell, Hughes and Barrackman. In literary lines the chapter has had a number of representatives. Both of the college periodicals were edited by Phis. Brother Hughes edited *The Campus* and Brother Callahan *The Literary Monthly*. Brother Litten was on the staff of the *Lit.* during the past year and Brother McLean is elected to an associate editorship for next year. Brothers Maxwell and Callahan are on the editorial board of *The Kaldron*.

Brother Litten led the glee club during the year. Brothers Maxwell, Callahan, Hugh Wells, Smith and Deutsch also sang on the glee club. Brothers Maxwell and Graham played on the Mandolin Club and Brother Maxwell played in the College Band. Brothers Wieler, McLean, Hugh Wells and Louis Wells took the four leading roles in "The Comedy of Errors," which was given by the Duzer Du Dramatic Club, of which Brother Maxwell was president and Brothers Maxwell, Hughes, Callahan and Wieler members. Brothers Callahan, Maxwell, Litten and Wieler were members of the Y. M. C. A. cabinet holding the offices of Vice-Pres. Fall Campaign chairman, Music and Social chairman, and Treasurer, respectively. Brother Wieler is elected president for next year and Brother Hof-felt secretary.

In athletics an enviable record has been made by Brother Hawk. He has captained two championship teams, football and basketball, and is elected basketball captain for next year. He is the first man to hold two successive captaincies in basketball. In football Brothers Hawk and Wieler at end and tackle figured throughout the season. In basketball Brothers Hawk at center and Nichols at forward were clearly the point gainers while Brother Graham played a steady game as guard and Brother Lindberg, though kept out by injuries during the early part of the season, played a good game as sub-center in the last few contests. Prospects in spring athletics seem encouraging with Brothers Hoffelt, Metcalf and Brownell in the runs, Brother Louis Wells in pole vault and Brother Zelwis in the weights. Brother Hawk will probably pitch on the baseball team. Brother Dalzell is president of the tennis association and will likely figure, as in the past, in intercollegiate tennis.

#### Alumni Notes

Brother L. C. Harris, '11, is an instructor in Washington and Jefferson Academy at Washington, Pa.

Brother I. R. Stidger, '11, is studying medicine at Harvard.

Brother J. A. Bortz, '11, is teaching Mathematics at the Irwin, Pa. high school.

Brother C. E. Vogel, '11, is at Harvard.

The engagement of Brother Fred Bright, '10, to Miss Ewing of Meadville has been announced.

Brother W. E. Thomas is with the Mac Watters Quartette which is making a trip around the world.

Brother A. J. Goodwin, ex-'12, is a medical student at U. of P.

Brothers S. T. J. Brigham, ex-'12, and R. D. Brigham, ex-'14, are engaged in the real estate business in Moose Jaw, Canada.

Brother A. B. Hines, '10, is located at the Henry Street Settlement in New York City.

Brother F. E. Stewart is with the Bell Telephone Company at Oil City.

Brother Harry Fishel, '09, was recently married to Miss Clara Wheeling, '09.

Brother J. A. Bortz was married recently to Miss Nell Eckert of Jeanette, Pa.

### **THE COLLEGE**

September fourteenth, nineteen eleven, marked another epoch in the history of our college, for upon that day Dr. Eugene Allen Noble, formerly president of Goucher College, Baltimore, Md., publicly accepted the duties of President of Dickinson. In pursuance of his announced policy, as pointed out in his opening address, no radical changes have been made. Like Dr. Reed, the new president has taken a firm stand against augmenting the enrollment of the college. Dr. Noble has declared his policy to be "Not a bigger but a better Dickinson." He has taken hold of the work to be done with a firm and resolute hand, and already we recognize a renaissance going on with the institution. Dickinson gave up Dr. Reed with no little reluctance, for the service he performed for nearly a quarter century is beyond measure. He is now residing in Wilmington, Delaware, where he is the pastor of a Methodist Episcopal Church. Mrs. Reed, after a long illness, is reported as having recovered her health.

Few faculty changes have been made. Dr. Prettyman returned in the fall from Germany, in which country he served as one of the three exchange professors sent out by Columbia University. During the Christmas holidays he returned to Germany, this time for the purpose of marriage. Dr. and Mrs. Prettyman returned the middle of January. Professor Chapelle, '07, who had charge of the German Department during Dr. Prettyman's absence, has gone to Pennsylvania College, where he is Professor of German.

The new Department of Peace and Public Service with Professor Crider at its head will have a new instructor next year. Professor

Crider has been in ill health for the greater part of this year and will retire after two years of faithful service. Dr. Morris Prince retired at the end of last year as Professor of History and Political Science. Dr. Prince has been known as the "Grand Old Man of Dickinson," and in his departure the entire college community feels a real loss. The work formerly done by him has been divided up among Professor Leon Prince, Dr. J. H. Morgan, and Dr. W. W. Kellog.

Hazing at Dickinson is now purely a matter of history. The famous Sophomore Band went out of existence this year, and the chances are that it will never again be organized. Dickinson has for a long time had a reputation for excessive hazing, and the temporary death, at least, of the society will doubtless prove a good thing.

The Commencement exercises of the Class of 1911 were unusually successful and largely attended, particularly due to the fact that along with this class there also went out from the college Drs. Reed and Prince. The Commencement this year promises to be an exceptional one because of the addition of inaugural ceremonies for Dr. Noble. The Commencement will be one week earlier than usual in order that it may not conflict with the date of any other commencement exercise. By doing this it is hoped to have nearly all the college presidents of the country in attendance.

The 129th year was begun September 18, 1911 with a registration of 565 students. By departments they were as follows:—College 316, Law School 119, Conway Hall 130. In the collegiate department the class enrollment is: Seniors 72, Juniors 59, Sophomores 77, Freshmen 108.

#### STUDENT ORGANIZATIONS

Profiting by the experience of former years, the itinerary of the Musical Clubs this year included, for the most part, small towns. The tour extended through three states. It included Altoona, Roaring Springs, Johnstown, Greencastle, Pennsylvania; Keyser, W. Va.; Frostburg and Cumberland, Maryland. The Clubs were met everywhere with large and appreciative audiences, showing that Dickinson certainly means something to the outside world.

The Dramatic Club has been revived, and will present "The Tempest" during commencement week. In order to subsidize the production, a comedy, "The Private Secretary," was given during the winter term. The success attending the production of the comedy insures a good rendition of the classic. Mrs. McAnney, head of the

Department of Oratory, has full charge of the training of the cast.

The college Y. M. C. A. is also in a very prosperous condition. At the beginning of the Spring term this organization was instrumental in bringing to Dickinson the conference of the Y. M. C. A. presidents and leaders of the leading colleges of Pennsylvania.

Dickinson this year has had an exceptionally good college band consisting of twenty-two pieces. At the football games it was a wonderful asset in helping our team to victory. After the season closed the faculty refused to allow the men to be exempt from compulsory gymnasium work, and it is still a question whether this organization can continue to exist under such a ruling.

ATHLETICS

This year proved a banner one for the football team of our college. For years we had to complain of the raw material from which our team was picked, but this year brought back half a dozen old men, including Felton, Dunn, Bashore, Hertzler, Gooding, and MacGregor. With these men as a nucleus, together with the very fine coaching of Si Pauxtis, a former Penn. star, we were able to win a majority of the games. This year's team has shown what Dickinson can do on the football field, and with such a realization it is safe to say that alumni and students of the college will back up next year's team with the old time fighting spirit. The old team will lose only two men, Felton and Leidig, by graduation, so with nearly a dozen "D" men to report for early practice next fall we may look for results even better than those brought forth last year. Pauxtis has been engaged to coach the team, and Dunn, '14, will captain it. The 1911 scores were as follows:

Dickinson .....	0	Indians .....	17
Dickinson .....	29	Western Maryland .....	5
Dickinson .....	10	University of Pennsylvania ..	22
Dickinson .....	6	Franklin and Marshall .....	0
Dickinson .....	11	Gettysburg .....	0
Dickinson .....	0	Swarthmore .....	18
Dickinson .....	11	Delaware .....	0
Dickinson .....	0	Lafayette .....	6
<hr/>		<hr/>	
Total .....	67	Total .....	68

The baseball team was more successful than the scores would indicate. All the defeats were by very close scores, while the vic-

tories were decisive ones. Steckel, an "L" man from Lafayette, was barred from playing because of the one year resident rule. In addition to him there will be half a dozen old men to form a nucleus for a winning team this spring. The scores of last season were as follows:

Dickinson .....	5	Manhattan .....	9
Dickinson .....	1	West Point .....	4
Dickinson .....	10	Albright .....	4
Dickinson .....	2	Ursinus .....	6
Dickinson .....	3	Penna. State College .....	8

Dickinson .....	0	Albright .....	5
<hr/>		<hr/>	
Total .....	69	Total .....	70

The basketball season was fairly successful. The best games were played against Gettysburg, Bucknell, and West Point. The scores were as follows:

Dickinson .....	23	Bucknell .....	40
Dickinson .....	37	Susquehanna .....	50
Dickinson .....	26	Albright .....	27

Total .....	284	Total .....	331

The raw material of the track team showed remarkable develop-

ment last spring. Several college records were broken, and we were victorious over Franklin and Marshall and Gettysburg in the dual meets. The team is under the personal direction of Forrest E. Craver, physical director of the college. Too much credit cannot be given Mr. Craver for the good work done by him in track athletics.

### FRATERNITIES

The pledging of preps during the spring term was strictly forbidden by Dr. Reed, but despite this prohibition a great deal was done.

Theta Lambda Phi, legal fraternity, has removed from their house in Mooreland to a house on West Street.

Delta Chi legal fraternity has removed from their old home on High Street to their new apartments on North Hanover.

There is some talk of a new Sorority being installed here, but nothing definite has been done.

The Comus Club, of which all fraternities save two are members, has been thoroughly reorganized and put on a firm business basis.

The following tabulation gives the status of each fraternity at Dickinson:

Established	Name	Members
1854	Phi Kappa Sigma .....	20
1859	Sigma Chi .....	10
1859	Phi Kappa Psi .....	18
1874	Beta Theta Pi .....	22

### THE CHAPTER

Pennsylvania Epsilon opened the year with fifteen old men, and added eight freshmen:—Brothers Hicks, Tyson, H. Fasick, R. Fasick, Spitznas, Parsons, Stier and Means. Brothers Hoch, Young and Best, alumni of the chapter, are in Law School, as are also Brothers Jackson and Means.

The chapter is in a flourishing condition. Although quite a num-

ber of good men were lost by graduation, exceptionally good material was obtained during rushing season. Special attention is being paid to improving the interior of the house. Most of the rooms have been re-kalsomined and repainted. An endeavor is being made to supplant the hot air furnace, which has outlived its period of usefulness, with an up-to-date hot water heating plant. The members of the chapter intend working diligently on the proposition during the summer, and it is thought that with the aid of our alumni such a change can be affected before next winter.

### Honors

In every line of college activity has the fraternity been well represented. Brother Henderson is captain of both the baseball and the basketball teams, and manager of the Musical Clubs. Brother Bashore was captain of our victorious football team. Brother Spitznas would have made the varsity football team had it not been for a severe injury received in practice. Brother Paterson managed the basketball team. Brothers Steckel, Hoch, Paterson, Henderson and Spitznas will probably make the baseball team. In track we are represented by Brothers Paterson and Holland. Of the 35 men comprising the Musical Clubs, Phi Delta Theta had ten. We have men in all the honorary societies, the Comus Club, the Press Club, and the various editorial boards of the college.

In literary work we also show up well, thirty per cent of the Literary Society being members of this fraternity. Brother Tyson made the Belles Lettres Inter-Society Debating Team, and also the Inter-Collegiate Debating Team. Both these debates resulted in victory for us. This is probably the first time in the history of the society that a first year man has been able to make the debating team. Brother Martin was the alternate. Brother Gunter is business manager of the *Dickinsonian* for the ensuing year. Brother Henderson is Vice President of the Senate, the official student governing body.

Brothers Henderson and Steckel made the Raven's Claw, the Senior honorary society; Brothers Paterson and Kirkpatrick, Skull and Key, the Junior society; and Brothers Wise and Cole, Skitchagene, the Sophomore society.

### Alumni Notes

Dr A. S. Fasick, '92, District Superintendent of the Methodist Church, is now residing in Carlisle. His two sons are freshmen in college and members of this Fraternity.

J. Arthur Wright, '11, is teaching in Chehalis, Washington.

C. Leroy Cleaver, '11, holds the position of teacher of mathematics in the Johnstown High School. He intends returning to Dickinson next year for his Law course.

William Housman, '09, is practicing law in Harrisburg and Steelton.

Brother G. E. Smedley, '97, Principal of Chester High School, visited the chapter during the early spring.

Brother Meek, ex-'04, holds a position with the Spirrella Corset Company of Meadville.

R. Donald Lorenz, '11, has entered Yale Law School.

Born, to Mr. and Mrs. R. S. Paterson, April 27, 1912, a baby girl. Brother Paterson entered with the Class of 1912, but left last year to enter the University of Pittsburg.

Brother L. L. Smith is engaged in the lumber business in Johnstown.

Brother Harry Cramer, '06, is engaged in the electrical supply business in the same town.

### CONCLUSION

Some mistakes in addresses are bound to occur, so in order to avoid this we are asking our alumni to please acknowledge the receipt of this letter and notify the reporter of any change of address or any other useful information. We wish to keep our records as complete and accurate as possible, and can only do so with your assistance. We would also appreciate any information concerning prospective fraternity material for next year. Such recommendations mean a great deal during rushing season. So, we sincerely hope you will lend any assistance possible.

In closing we want again to thank our alumni for the generous support and hearty encouragement we have always received at their hands, and to assure them that Pennsylvania Epsilon is anxiously waiting to give them the hearty welcome that awaits them here at Dickinson.

## **PENNSYLVANIA ZETA**

### **UNIVERSITY OF PENNSYLVANIA**

PHI DELTA THETA HOUSE,

PHILADELPHIA, PA., MARCH 14, 1912.

*Pennsylvania Zeta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### **THE UNIVERSITY**

Although the total registration of students at the University of Pennsylvania this year shows a slight decrease from last year's high record mark, the loss is represented in all departments. The scholastic requirements have been raised, following the policy inaugurated two years ago, which probably accounts for the foregoing facts. The teaching force has been augmented and new courses added in every department.

The total number of students is 5,035, coming from 45 states and 46 foreign countries.

There are about 500 members of national fraternities represented at Pennsylvania. The fraternities play a very important part in the life of the college and their members engage in all undergraduate activities.

#### **ORGANIZATIONS**

The Combined Musical Clubs are just at the climax of the most successful year in the history of the organization. Thirty-eight concerts have been given thus far, including concerts in and about Philadelphia. The clubs enjoyed a ten-days' trip through western Pennsylvania during the Christmas holidays. The annual Thanksgiving concert with Cornell at the Bellevue-Stratford was the greatest ever given by these two clubs. The ball-room was filled to its utmost capacity.

The Mask and Wig Show this year is entitled "Miss Helen of Troy". Rehearsals have been on for some time and the prospects for a great performance are bright. It is stated on good authority

that "Miss Helen of Troy" will surpass "The Innocents", presented last season. As usual the first performance will be given on the Saturday before Easter in Atlantic City, and the following week the troupe will appear for eight performances at the Chestnut Street Opera House in Philadelphia. Performances are to be given in Harrisburg, Pittsburg, Wilmington, Washington, and New York City.

These performances should be especially popular, because of the many beautiful musical features of the play. The singing chorus has been decreased in size from that of last year and more care has been used in selection. It is hoped that this season will be as successful as last year.

The various publications, namely the *Red and Blue*, the *Punch Bowl*, and the *Pennsylvanian* (a daily), have had unusual success this year in their endeavors to represent the life and interests of the Pennsylvania students.

This year has seen the formation of an Arts and Science Association modeled somewhat after the Wharton School Association but including in its memberships merely students in the Arts and Science Department. There has been some talk of adopting the Honor System in examinations, but no definite step has been taken in the matter by the association.

The Christian Association has been very active this year. One of its strongest movements has been the holding of weekly moral and religious discussion groups. About eleven hundred men are regularly enrolled, of this number three hundred are members of groups organized in fraternity houses.

### ATHLETICS

The past year in athletics for Pennsylvania has been a poor one. The baseball team was our best representative last spring, as both the track team and the crew failed to live up to their expectations in the Inter-collegiate competition. The football team, although not lacking in good material failed to "find itself" and show the fighting spirit until very late in the season after several discouraging defeats.

The football scores were as follows:

Pennsylvania	.....	5	Gettysburg	.....	3
Pennsylvania	.....	14	F. & M.	.....	0
Pennsylvania	.....	9	Ursinus	.....	0
Pennsylvania	.....	22	Dickinson	.....	10

Pennsylvania	.....	0	Indians	.....	16
Pennsylvania	.....	23	Lafayette	.....	6
Pennsylvania	.....	9	Michigan	.....	11
Pennsylvania	.....	21	Cornell	.....	9

The fall crews brought out a large number of men and the class and inter-department championship was won by the Junior class. The crews are now practising daily on the river for the spring regattas.

The basketball team has completed its season and finishes the year in third place.

The swimming team has brought a championship to Pennsylvania, and has passed through an exceptionally brilliant season of dual meets defeating Yale for the first time in the New Haven tank.

The wrestling and gymnasium teams have not yet completed their seasons, but have well represented Pennsylvania thus far.

The baseball team played a large number of games and was a consistent winner. The scores were as follows:

Pennsylvania	.....	17	Navy	.....	3
Pennsylvania	.....	3	Lehigh	.....	0

### FRATERNITIES

The past year has seen the completion of two more fraternity houses, Phi Kappa Sigma and Beta Theta Pi both having built commodious dwellings facing the campus. There are no fraternities building at present but several are planning to build in the near future. There are now eight fraternities at Pennsylvania living in houses they have built, Zeta Psi, Delta Phi, Delta Psi, Psi Upsilon, Phi Kappa Psi, Phi Kappa Sigma, Beta Theta Pi, and Phi Delta Theta.

The following is a statement of the membership of the fraternities at Pennsylvania, in the order of their establishment:

### THE CHAPTER

In the past year conditions affecting our chapter at the University have changed greatly. For the first time in the history of Pennsylvania an Inter-fraternity Rushing Agreement has been formed, and carried successfully through its first year. By the articles of this agreement freshmen could not be bid until the first Monday in December and the chapters could not receive their replies until a week later. There were additional clauses relating to the "rushing" off the campus, spring rushing, etc.

Under this new regime we initiated the following brothers December 13, 1911, and we now take pleasure in introducing them to the Fraternity at large:—Charles S. Walton, Jr., St. Davids, Pa.; Harry Leigh Willson, Idaho Falls, Idaho; Richard Hooke Wallace,

Jr., Philadelphia, Pa.; Wesley Gordon Greenwood, Frankford, Pa.; Ray Russel Swigert, Newville, Pa.; Frank LeRoy Crane, Montclair, N. J.; Walter Thomas Robinson, Hampton, Iowa; Stanley Hiest Pursell, Manch Chunk, Pa. Later on Brother John William Dwyer, Rochester, N. Y., and Brother Clarence Reginald Oates, Philadelphia, Pa., were initiated.

Two brothers affiliated this year: Brother A. R. Crane, Pennsylvania Alpha and Brother H. N. Heulings, Massachusetts Alpha.

The twenty-sixth annual dance was held in Howard Houston Hall on the night of February 9, 1912. It was very successful and enjoyed by all those present.

In the University faculty we have Brothers D. B. Shumway, Ph. D., professor of German philology; J. V. Stanford, B. S., M. E., assistant professor of mechanical engineering, J. H. Hildebrand, Ph. D., instructor in chemistry, and R. R. McGoodwin, B. S., instructor in architectural design.

There are a number of brothers attending the University who have not affiliated with Pennsylvania Zeta.

The House Committee has been very active this year, and one of the most notable improvements they have effected, has been the repair of the open fire place in the living room. This fire place has a great attraction for the brothers in the cold weather.

The chapter was pleased to receive a visit from Brother George Post Wheeler '94, who is secretary of the American Legation located at Rome, Italy. Brother Wheeler came on a Tuesday evening and took part in our regular weekly meeting.

The Philadelphia Alumni Club hold the regular meeting of the Board of Directors at the chapter house the first Tuesday each month. All Phis are invited to attend these meetings.

A Moral and Religious Discussion Group is conducted at the house every Thursday evening from 7:00 to 7:30 by Brother Richardson, Williams '88.

#### Honors

Since our last letter the members of Pennsylvania Zeta have won honors or were engaged in college activities as shown below:

**Alumni Notes**

George Post Wheeler '94 has been transferred, as secretary of the American Legation, from St. Petersburg, Russia to Rome, Italy. Brother Wheeler was visiting in this country just prior to his new appointment.

John Henry Radey Acker, '01 has been married to Miss Abigail Coates Crozer and they are now living at Wynnefield, Pa.

Louis S. Bruner, '05 is in charge of the information bureau of the Canadian Cement Company and is now located at Montreal, Canada.

Robert Rodes McGoodwin, '06 is being congratulated on the birth of a son.

William Alfred Sawyer, '07 is completing his course in medicine at the University.

Horace West Fairlamb, '08 is in the sugar business in Brooklyn, N. Y.

John T. Bailey, III, '09 has been appointed general manager of the John T. Bailey Company, manufacturers of threads and twines.

William Francis Hogan, Jr., '11, is in the maintenance of way department of the Monmouth County Electric Co.

John Owsley Manier, '11 was appointed to the staff of the University Hospital.

Howard D. Megary, '11 is with the Bethlehem Steel Co., at Bethlehem, Pa.

William P. Brown, '12 is studying the textile industry at the Philadelphia Textile School.

A. Dayton Oliphant, '12 is practicing law in Trenton, N. J.

J. N. Evans, '14 and C. D. Evans, '14 are attending the Jefferson Medical School in Philadelphia, Pa.

Dr. Charles Augustus Oliver '76 died in Philadelphia, Pa., on April 8, 1911.

The engagement of Hollis Wolstenholme '09, to Miss Caroline Bessie Cox was announced recently.

**ALPHA PROVINCE CONVENTION**

The fourteenth biennial convention of Alpha Province was held in Philadelphia, Pa., on Thursday, Friday and Saturday, November 30th to December 1st, 1911.

The convention headquarters was at the Hotel Walton.

On Thursday morning the addresses of welcome were delivered by Brothers Russell Sage Boles, *Pennsylvania*, '12, on behalf of Pennsylvania Zeta, and Brother J. H. Acker, *Pennsylvania*, '01, on behalf of the Phi Delta Theta Club of Philadelphia. Responses were made by Brother H. E. Trout, *Lafayette*, '03, and Brother J. H. Vernon, *Amherst*, '12.

After luncheon on Thanksgiving day, the Phis witnessed the Cornell vs. Pennsylvania football game at Franklin Field.

Immediately following the game, a tea was given at the chapter house by Pennsylvania Zeta in honor of her guests. Thursday evening was spent at a smoker, given at Brother Kugler's restaurant, Broad and Chestnut Streets. Friday morning and afternoon were devoted to business sessions. Friday evening the banquet was held in the Hotel Walton. The toastmaster was Brother James Clark Moore, Jr., *Pennsylvania*, '93.

Brother Lindsay urged that more attention be paid to reading *The Scroll* and *The Palladium*. He also urged each chapter to require supervision by the older members over the scholarships and morals of the members in the under classes. Brother Ely said that to the student, the chapter is the parent during his college days. The ideal chapter should promote good fellowship, and raise the standards of its members from an intellectual, moral and social standpoint.

Brother Comton commented on what membership in Phi Delta Theta meant to the Alumni.

Brother Drummond spoke of the national policies of the Phi Delta Theta. He declared that Alpha province, though the largest province, should not be divided.

Brother Burruss toasted the Phi mothers, the Phi sisters, and the Phi sweethearts.

Brother Doten spoke in favor of Phi Delta Theta adopting the initiative, the referendum and the recall and suggested a postal card vote for president of the general council.

The final business session was held Saturday morning. In the afternoon there was an automobile ride to see the principal points of interest of Philadelphia. Saturday evening there was a theatre party, which wound up a most successful convention.

### CONCLUSION

The committee desires to thank all alumni who have assisted in any way in getting out this letter and urges them all to keep in close

touch with the affairs of the active chapter. It would be a great assistance in checking our present records if each alumnus would acknowledge the receipt of this letter and notify the reporter of any change in his address. Keep always on the lookout for young fellows who are coming to college, who would be possible fraternity material, and remember the regular meetings of the alumni at the chapter house, the first Tuesday each month, as well as the semi-annual reunions. A very cordial welcome awaits all Phis who will visit Pennsylvania Zeta.

## LEHIGH UNIVERSITY

---

PHI DELTA THETA HOUSE,  
510 SENECA ST., SOUTH BETHLEHEM, PA.,  
MARCH 25, 1912.

*Pennsylvania Eta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

The university last September opened its doors to a smaller number of Freshmen than it has been customary for Lehigh to enroll for some years past. The number of entrants is generally around 200. This year owing to the increase in tuition the number was not much over 160 or 150. It was expected by many that when the new 10 hour rule (compelling each student to pass 10 term hours in June and February) was put into effect last year that the number of men dropping out of college between terms, would be extremely large. This has not, however, proved to be true, judging from the very small number of students dropped from the university at the end of this past term.

A "compulsory exercise measure" was recently adopted by the student body and endorsed by the faculty. It went into effect on March 4, 1912. According to this ruling every student of the university must take a specified amount of exercise each week, which counts him as one term hour. This hour must be passed each term in order to graduate. It is thought that the measure will do much towards the building up of Lehigh's athletics, as well as promoting the individual welfare of the students themselves.

This movement has stimulated the faculty and some alumni towards securing enough interest and co-operation among Lehigh's alumni association to erect for the institution a new gymnasium; and it is hoped by every member of the faculty and student body that before another year or so this need will be realized.

### ATHLETICS

The university has passed through one of its most successful seasons in football. Although the outcome of the LaFayette game was a disappointment it was offset by the fact that we tied Princeton university 6—6. The season just completed in basketball has been one almost without parallel in the history of the university for its list of brilliant victories. When defeat was met the outcome was generally decided by one or two points. We suffered four defeats out of fourteen games played. Of these four defeats, we met again three of the same teams that had beaten us, and turned the tables on them on our own floor.

The outlook for both baseball and lacrosse is excellent. We have splendid schedules for both sports and a promising lot of candidates especially in lacrosse, in which nearly all of last year's team are back to represent the university again.

We were represented on the varsity football by Brother Crichton, '15 who also played a star game on the basketball team.

Last season in baseball we were fortunate enough to have from this chapter four out of the nine men on the university baseball team, Brother Rose '11 shortstop, Brother Borden '11 left field, Brother Sterling '14 first base, Brother Bell '14 catcher. Of these men only Brother Bell is here this year but will undoubtedly put in his usual good season as varsity catcher.

### FRATERNITIES

During the last year there has been little change among the fraternities. Sigma Nu expects to build just off the campus while Alpha Tau Omega is now building on the campus. Chi Phi in the last year bought a house in town. The fraternities that now own houses are Chi Phi, Alpha Tau Omega, Psi Upsilon, Delta Upsilon, Beta Theta Pi, Sigma Chi and Sigma Phi. The following is a list of fraternities in order of their establishment at Lehigh:

Established	Name	Members
1872	Chi Phi .....	
1882	Alpha Tau Omega .....	
1884	Delta Phi .....	
1884	Psi Upsilon .....	
1884	Theta Delta Chi .....	
1885	Delta Upsilon .....	
1885	Sigma Nu .....	

1886	Phi Gamma Delta .....
1887	Sigma Phi .....
1887	Phi Delta Theta .....
1888	Sigma Chi .....
1888	Delta Tau Delta .....
1890	Beta Theta Pi .....
1894	Kappa Alpha .....
1894	Chi Psi .....
1900	Kappa Sigma .....
1901	Phi Sigma Kappa .....
1905	Theta Xi .....
1907	Sigma Phi Epsilon .....

### THE CHAPTER

The Chapter was very unfortunate this year in losing so many of its strong men. The loss of our senior class, by graduation, who were the very back bone of the chapter last year and whose influence in college affairs and in Pennsylvania Eta's welfare was so large, has been felt keenly by the present active chapter. To add to this we have lost Brothers Thompson '12, Franklin '12, Murphy '14, Sterling '14, Babcock '14, and Hazen '15. Owing to the very small number of Freshmen entering this year, and to the almost unparalleled lack of fraternity material among those that did enter, the number of initiates to our chapter was somewhat smaller than usual. We take, however, great pleasure in introducing to the fraternity at large:

Brothers J. L. Clarke '13, H. A. Crichton '15, W. C. Dickey '15 and E. R. Hazen '15.

We are represented on the faculty by Brothers Franklin, Kansas '87 and Beck, Lehigh '03.

### Honors

During the past year the members of Pennsylvania Eta have acquired the following honors:

Brother Rose, '11: Varsity baseball '11; Senior banquet committee.

Brother Baumgartner, '11: Toast Senior banquet; second honors, Senior M. E. department.

Brother Camp, '12: Sword and Crescent; Cast in Mustard and Cheese, 12.

Brother Thompson, '12: K B  $\Phi$ ; Sword and Crescent.

Brother Baird, '12: V. Pres., Y. M. C. A. '11-'12; Arcadia '11-'12; Sword and Crescent; Hustling committee '11; Drown Hall house committee '11-'12; manager baseball '11-'12.

Brother Walker, '12: Chairman Junior Prom committee; K B  $\Phi$ ; Sword and Crescent; B. U. X.

Brother Clarke, '13: Business manager 1913 *Epitome*; B. U. X.; Junior banquet committee.

Brother Cosgrove, '13: Assistant manager basketball team '11; assistant editor-in-chief 1913 *Epitome*; K B  $\Phi$ ; Triskaideka.

Brother Bryant, '13: Sophomore banquet committee; K B  $\Phi$ ; assistant manager football team '11; end man and stage manager of minstrel show '11; Junior committee; Cast in Mustard and Cheese '12.

Brother Chandler, '14: Scimitar; Sophomore football team; Sophomore Cotillion.

Brother Bell, '14: Varsity baseball team '11; Sophomore baseball team; Scimitar; Sophomore Cotillion.

Brother Cameron, '14: Sophomore Cotillion.

Brother Sterling, '14: Varsity baseball team, '11.

Brother Murphy, '14: Varsity track team '11; college record in 220-yard dash.

Brother Dickey, '15: Freshman baseball team; sergeant-at-arms of Freshman class; football squad '11.

Brother Crichton, '15: President of Freshman class; Freshman baseball team; Varsity football team '11.

Brother Hazen, '15: Freshman football team; football squad '11.

The Arcadia is a governing board of fifteen university students, having charge of all undergraduate rules and customs. B. U. X. is a Junior society, the Mustard and Cheese is the university dramatic association. *The Epitome* is the university year book, published by the Junior class. Sword and Crescent, Triskaideka, and Scimitar are respectively Senior, Junior, and Sophomore societies. K B  $\Phi$  is a Junior and Senior society.

#### Alumni Notes

Brother E. F. Baumgartner '11 is with the government in the patent office at Washington and is studying law with the idea of taking up "patent law" professionally.

Brother F. S. Borden, '11 is also with the government with the U. S. Coast and Geodetic Survey, Washington, D. C.

Brother G. R. Horner is with the Ingersoll Ram Co., Easton, Pa.

Brother A. T. Rose, '11 is running a poultry farm near Lehigh-ton, Pa.

Brother Franklin, '12 entered Yale University with the class of '13.

Brother Murphy, '14 expects to re-enter Lehigh next September with the class of '15.

### CONCLUSION

We would like to have our alumni body realize just what a new house means to this chapter. We have recently issued plans embracing three or more propositions in regard to a chapter house for Pennsylvania Eta with a recommendation that one of these be adopted and carried out by them. A complete financial statement accompanied each plan, and it is evident that the only thing now lacking is enough enthusiasm or initiative to act, on the part of one or more of our groups of prominent alumni. We want them to help start the campaign and push it along until it has gained sufficient momentum to be an assured thing. If none of our alumni body will take it upon themselves to take the initial step in this matter and adopt one of the propositions stated to them by the active chapter, success looks doubtful. No man in the active chapter can attempt this matter. What we need is influence, business experience, and maturity. None of these qualities can be expected in the undergraduate.

In the plans issued by the house committee no request was made for financial donations. The chapter wishes to borrow the money at 3 or 4 per cent, and the propositions embraced in the house committee's circular to the alumni have all been figured out on a business basis.

We ask for your help, co-operation, and good will and that some among you will take it upon yourselves to help us see this matter to a successful finish.

Another fact: Kindly aid the rushing committee by letting the chapter know the name and address of anyone who intends to enter Lehigh in the fall, whom you would recommend. Also let us know if your address is given incorrectly in this circular.

## **PENNSYLVANIA STATE COLLEGE**

---

**PHI DELTA THETA HOUSE,  
STATE COLLEGE, PA.,  
MARCH 26, 1912.**

*Pennsylvania Theta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE COLLEGE**

Pennsylvania State College opened her fifty-seventh collegiate year with an enrollment of 2112, an increase of 587 over that of last year, showing that there has been no abatement in the phenomenal growth of the institution. The large Schwab auditorium is incapable of seating the entire student body, with the result that the seniors are exempt from attendance.

With this increase in students, the teaching force has been enlarged accordingly. In this capacity Brother Baker joined us at the beginning of the year as head of the Forestry Department.

In spite of the small appropriation which the college received from the state, nearly all of the departments are expanding along their individual lines. The Engineering Department is erecting an extension to the engineering building, while the School of Agriculture has a new horticultural building in the course of construction. The Electrical School has almost completed the erection of a wireless telegraph tower, 203 feet high, which will enable the station to get into communication with very distant parts of the United States.

The President's house is to be moved from its present site beside the engineering building to a more advantageous location beside the library.

Dr. Gill, who for more than twenty years was connected with the college in the capacity of chaplain and instructor, finally succumbed to a long illness and died February 26. His position was filled by Bob Reed, Princeton's famous All-American tackle.

### ATHLETICS

During the season of 1911 the State teams have met with varied successes. The introduction of tennis as one of the minor sports has afforded a new field for student endeavor. Much interest is shown by the student body in the various college, department, and fraternity tournaments held during the year, and these contests also in developing material for the 'varsity.

The baseball team was greatly handicapped in its season by the number of games forced to be canceled on account of rain. In spite of various difficulties, the team made a very creditable showing, winning from the Navy, Lafayette, Bucknell, and Lehigh. Phi Delta Theta was represented by Brother Eberlein who was elected captain of the team for the season of 1912.

State's wrestling team established a reputation by defeating every contesting team. The teams that fell victims were: Cornell, Columbia, Yale, and Lehigh.

The track team, handicapped by the loss of some of its best members by graduation and injury to others, failed to come up to the standard set by teams of preceding years. More interest is being shown in this line of athletics by the students, and we hope for a more successful season this year.

But all our losses are forgotten in the victories of our football team. Bill Hollenback, our former coach of 1909, returned and took the team in hand, being ably assisted by McCleary and Brother Weaver. The schedule included Cornell, Pennsylvania, Pittsburgh, and the Navy. The team started the season by defeating Cornell 5 to 0. Two weeks later they succeeded, for the first time in the history of the institution, in winning from Pennsylvania by the overwhelming score of 22 to 6. The Navy succeeded in holding us for a tie game, and the team ended this most successful season by defeating Pittsburgh 3 to 0. Brother Wilson won his letter through his brilliant work at right end.

The annual inter-class game between the freshmen and sophomores was played on Pennsylvania Day and resulted in a victory for the freshmen. Brother Hay assisted the freshmen team at left end.

In the fall inter-fraternity tennis tournament Brother Hay and Brother Patterson succeeded in winning first place for Phi Delta Theta.

### FRATERNITIES

There are now ten national fraternities, four scientific fraternities, and five local fraternities at the Pennsylvania State College.

Of the national fraternities, Phi Gamma Delta, Beta Theta Pi, Phi Delta Theta, Sigma Chi, and Phi Kappa Sigma own their houses, while all others occupy rented houses. Sigma Alpha Epsilon is to build during the coming summer. Of the locals, Theta Psi is petitioning Phi Kappa Psi; Alpha Kappa Delta is petitioning Delta Tau Delta; Delphi is petitioning Alpha Tau Omega, the other two Alpha Delta Sigma and Sigma Tau have not petitioned any national fraternity as yet.

The following is a list of the fraternities in order of their establishment:

Established.	Name.	Members.
1888	Phi Gamma Delta .....	22
1888	Beta Theta Pi .....	26
1890	Phi Kappa Sigma .....	24

THE CHAPTER

Although we lost seven men by graduation last June, yet we started the fall rushing with an active chapter of twenty-three men, and after some hard rushing we secured a promising delegation of freshmen and initiated the following men: George Junkin III, Philadelphia, Pa.; J. H. Waid, Titusville, Pa.; D. B. Gamble, Altoona, Pa.; W. M. Giles, Obannon, Ky.; W. R. Miller, Tacony,

Pa.; R. E. Sharp, Woodlawn Pa.; and J. W. Bergstresser, Mt. Carmel, Pa. We have also with us Brother Richard C. Hay, of Vermont Alpha.

Before Christmas Brothers Kelley and Dempsey dropped out of college and after the mid-year examinations we lost Brothers Fiske and Trotter, but Brother Weston returned to college at the beginning of the second semester, consequently we now have an active chapter of twenty-nine.

Last fall we had two very enjoyable social affairs, a week-end from October 19th to 23d, and our annual Pennsylvania Day House-Party, November 17th to 21st. We enjoyed another week-end at the beginning of the second semester, February 23d to 26th. Alumni Day was observed by a banquet on October 15, 1911, but only one or two alumni were present exclusive of the resident Phis. On March 16, we held our annual Founders' Day Banquet, preceded by the initiation of W. W. Whetstone, of Philadelphia, Pa., and S. C. Gunnett, of Williamsburg, Pa. Besides the active chapter, the following Phis were present and perhaps the largest Founders' Day Banquet ever held by Pennsylvania Theta, there being forty-one at the table: Brothers Foster, Ray, Baker, Waterman, Leitzell, Cosgrove, Geib, Cooner, Lorenz, Clark and Trotter of the alumni. It is to be hoped that more of the alumni will make it a point to return for the Alumni and Founders' Day celebrations, which come on October 15th and March 15th, respectively, of each year.

The scholastic standing of the majority of the chapter this last half-year has been gratifying in the extreme. We have adopted and have in active use the Scholarship Committee plan adopted by the National Convention of 1908 and have already found it to be very useful in keeping up the standing of the chapter both as to studies and in our relation to the faculty.

Quite a few improvements can be noticed around the House. Last spring the old one-globe lights were taken out of the first-floor rooms, and attractive-looking clusters of lights substituted. The lawn has been greatly improved by setting out hedges and planting many flowers and vines around the porch. Last Commencement we used for the first time the new set of china purchased by the House, and which is stamped with the crest of the fraternity in blue. Through the courtesy of Mrs. Junkin we now have a Victor Talking Machine, and through gifts and purchases have acquired a number of good records. Also the chapter library has been improved by the addition of fourteen bound volumes of *The Scroll*.

**Honors**

**1912**

Since our last letter the following honors have been won by members of Pennsylvania Theta:

Brother Weaver, Assistant Coach football team.

Brother Lamade, Alpha Chi Sigma, honorary chemical fraternity.

### THE UNIVERSITY

On October second McGill began her ninetieth year. The registration was not as large as the previous year, the total registration being slightly over 1900.

Sir Willam MacDonald added another gift this year, to the many he has given to the University. This gift consists of twenty-nine acres of land fronting on Pine Ave. and extending from the Royal Victoria Hospital to Fletcher's Field. This new acquisition of property will now enable the University to erect a gymnasium and dormitories; and make way for another and larger campus and football field, space for which has been lacking up to this year.

A campaign was begun in Montreal with the object of raising in five days the sum of one million dollars for the university, whose expenses year by year had been eating into the capital. The amount realized was several thousand over the million and a half mark, which is sufficient to enable the University to pay off its debt and establish a working capital sufficiently large to ensure that no further debts will be contracted, or the capital fund impaired. The funds for the erecting of a new gymnasium and dormitories will have to be obtained from other sources. Very excellent plans have already been drawn up, to utilize the newly acquired ground at the foot of the mountain, for new buildings, a new campus and a stadium. McGill started this year a daily paper, known as the *McGill Daily*, to replace the weekly *Martlet*. The paper was issued only four times a week during this first year expecting to reach its full circulation next year. The paper was very successful.

### ATHLETICS

Athletics have this year had a great boom. The enthusiasm shown in the several branches of sport, both by those taking part and those in attendance has been unprecedented. The starting of lectures on the faculty of science, at eight o'clock in the morning during the first six weeks of college proved of great assistance to football and track practices. All of McGill's various teams proved to be of excellent quality.

#### Football

McGill started out like winners, by playing a very close game against Toronto on the latter's field, the first of the season. Everyone picked McGill for the championship, but such we lost to Toronto, in the finest game of football that has ever been played on the McGill campus. We can only blame our old fault of not having a paid coach. Graduate coaches have proved quite inefficient.

Following is the schedule:

Ottawa	..... 5	At McGill	..... 20
McGill	..... 11	At Toronto	..... 18
Queens	..... 5	At McGill	..... 32
Toronto	..... 26	At McGill	..... 23
McGill	..... 11	At Ottawa	..... 23
McGill	..... 20	At Queens	..... 19

The chapter was represented by Brother Masson. Brothers Risteen and Hall played the first game.

Brother Hall received a broken arm in practice and was thus forced to retire.

The second team was beaten out by R. M. C. in home and home games. On this, the chapter had Brothers Duclos, Reid and Templeton.

#### Track

In the track McGill was much superior to all her competitors. The team was well balanced and won handily with the following scores: McGill, 65—Toronto, 41; Gueens, 17—R. M. C., 2.

Several intercollegiate records were broken.

A feature of the meet was the admittance of the Royal Military College into the series for the first time.

Brother Risteen was the chapter's sole representative.

#### Hockey

In hockey McGill has just completed a grand year. The team did not lose one game in the Intercollegiate. During the Christmas

vacation they took a trip to the States, defeating New York Crescents ; Boston A. A., and Boston Intercolonials, but losing to Harvard.

We had undoubtedly the finest team that has represented McGill for some years, and won the championship of the Intercollegiate without a single defeat.

Brothers Rankin and Masson played defense.

#### Basketball

In basketball McGill added another championship to her list of this season. The team lost but one game throughout the schedule. This was on Toronto's floor.

Brothers Duffield and Kennedy played in all games, while Brother Reid featured in the final game against Toronto.

The seconds were not so successful, but made a good fight in their league.

Brother Twitchell captained the seconds.

#### Acquatics

In this brand of sport McGill won two championships, that of water polo and that of swimming. The swimming team was one of the finest ones that has ever represented any college in America. A trip was undertaken to New York, where the boys made a great reputation.

### FRATERNITIES

The only change to be noted in the fraternities at McGill this year, has been somewhat of an increase in the opposition towards them shown by the university governors. A general lack of scholarship is probably the cause. The various chapters have been very amiable towards one another. No new chapter has been installed, but some of the locals have been petitioning some of the Internationals.

The following is a list of the fraternities with their respective membership:

Established	Name	Members					Total
		'12	'13	'14	'15	'16*	
1883	Zeta Psi .....	7	8	8	11	1	35
1897	Alpha Delta Phi .....	7	3	6	8		24
1898	Delta Upsilon .....	8	4	7	6		25

\*Five year medical course.

1899	Kappa Alpha .....	5	5	7	6	23
1900	Delta Kappa Epsilon ..	7	2	8	9	26
1901	Theta Delta Chi .....	2	4	6	8	22
1902	Phi Delta Theta .....	6	5	10	8	29

### THE CHAPTER

A chapter of twenty members returned to our new chapter house and initiated the following nine freshmen: Joseph English Hall, New Haven, Conn.; Eric Beresford Reddy, Montreal, P. Q.; Bradley Alex. Wilson, Westmouth, P. Q.; Keith Allison Handyside, Westmount, P. Q.; Alan Joseph Landry, Dorchester, N. B.; Edwin Walters Templeton, Vancouver, B. C.; Clifford F. Risteen, Vancouver, B. C.; George Marcoux, Quebec, P. Q.; Heber W. Dawson, Ottawa, Ont.

We also affiliated Brother Lavery, '14, of Illinois Alpha. Brother de Lisle was forced to retire owing to illness, while Brother Lovell has gone into business. After Christmas Brother Raymond returned to get his degree. That makes a present chapter of twenty-nine members.

The annual initiation banquet was held on Feb. 24th.

### Honors

Brother Duffield, vice-president, basketball club.  
 Brother Masson, vice-president hockey club.  
 Brother G. Kennedy, secretary basketball club.  
 Brother Macphail, secretary swimming.  
 Brother Duclos, president, first year Arts.  
 Brother Dawson, vice-president, first year undergraduates.  
 Brother Hall, treasurer, first year Arts.  
 Brother Twitchell, captain, second basketball team.

### Alumni Notes

M. L. Hibbard is now general manager of the Fargo and Moorehead St. Ry. Co., and the Union Light, Heat and Power Co., of Bingham, Utah.

Wm. Warwick has given up general practice and is now Bacteriologist and assistant medical officer at the Quarantine Sta., St. Johns, N. B.

H. R. Emmerson is factory representative for the Russell Motor Car Co.

G. W. Smith is in Milwaukee, on reinforced concrete construction and will take up the position of engineer for the Mark Process Co., of Chicago, sometime during the summer.

W. F. Drysdale is mechanical engineer for the Nor. Ry. of Costa Rica.

B. C. Crowell, '04, is Pathologist for U. S. War Dept., at Manila, Philippine Islands.

C. W. Drysdale is with the Geological Survey of Canada, after having acquired his degree of Ph. D. at Yale.

F. A. Fortier, '11, is at the Sullivan Mine, Kimberly, B. C.

Howard Archibald, '08, has returned to Montreal from his study of Architecture in Paris.

E. S. Blanchard, '10, is at present studying architecture in Europe.

A. W. Reid is partner in the contracting firm of Reid, de Sherbinin and Co., at Cochrane, Ont.

A. H. Dion is now superintendent of the Moose Jaw Electric Ry.

W. H. & M. C. Kennedy, '09, are in partnership in a contracting firm in Vancouver. W. H. has just returned to Vancouver after his marriage to Miss Taylor of Montreal.

V. E. Black, '10, is now practicing in Moose Jaw, Sask.

A. A. Putnam, '05, is in Vancouver, B. C. and has joined the Kennedy Bros. contracting firm.

H. le B. Peters is Pathologist at the Rockefeller Inst., New York.

S. G. Newton, '07, was married in Nov. '11, to Miss Blakely of Westmount, P. Q.

R. E. Powell, '08, was married in Nov. '11, to Miss McLeod and is practicing in Westmount.

W. S. Robertson, '10, was married also in Nov. '11 to Miss Bailie of Westmount and is office manager for Smith Kerry & Chase, Toronto.

A. C. Reid, '10, was married in May '11, to Miss Morrison of Montreal. A. C. is with Duckworth Boyer Inspection Co., of Montreal.

G. H. Ivey, '11, is with the Empire Brass Mfg. Co., at London, Ontario.

W. R. L. Shanks Law, '11, is junior partner in the firm of Brown, Montgomery & McMichael.

S. J. Croker, '08, is to be married in May to Miss Fraser of Montreal.

**CONCLUSION**

In conclusion we wish to thank our alumni for the help they have given us in the past year, both in the matter of helping us procure new men and aiding us in the chapter house scheme, and we earnestly ask you to keep up the good work and help us keep the chapter in its present good condition. We hope during the summer to receive the names of several good men through the information of our alumni. Our address is now 811 University St.

# **RHODE ISLAND ALPHA**

## **BROWN UNIVERSITY**

---

**BRUNONIA HALL,  
175 THAYER ST.,  
PROVIDENCE, R. I.,  
MAY 6, 1912.**

*Rhode Island Alpha of Phi Delta Theta to her Alumni and Sister Chapters, Greeting:*

### **THE UNIVERSITY**

College opened on Sept. 27, 1911 with a slight increase in the number of students over last year. The present enrollment of graduates and undergraduates is 759, as against 736 last year. The graduate department has the largest enrollment in the history of the University.

The interest of both the alumni and undergraduates during the past semester has been centered on the movement to add one million dollars to the endowment fund. The members of the committee in charge of the fund are bending every effort to raise the entire amount before June 30, 1912. At present the fund stands at about \$800,000, which means that from now on, in order to attain the end, an average of about \$4,000 a day must be pledged.

### **ATHLETICS**

In view of the fact that seven members of the 1910 team were lost by graduation, the 1911 football season was very successful. The coaches were greatly encouraged by the appearance of the raw material and made every effort to whip the men into form for the championship games. The schedule consisted of eleven games, which included Pennsylvania, Harvard, Yale, and Carlisle. Pennsylvania was defeated for the first time since 1902, by the score 6-0. Harvard, the second of the "Big Four" which we played, defeated us by the score 20-6, their victory being partly due to the crippled

condition of the team as a result of the Penn game the previous week. The last of the "Big Four" played was Yale, who gave us our only coat of whitewash, to the tune of 15-0. Yale exerted every ounce of strength in the effort to retaliate with a reversed score for the glorious 21-0 victory of the Bear over the Bulldog in 1910. On the following Saturday the varsity faced the strong Vermont eleven, beating them 6-0. A week later Trinity appeared on Andrews Field with a team that had not been defeated in two years. On account of a kick-off misjudged by one of the many substitutes in the Brown line Trinity scored, and by excellent playing held us to a 6-6 tie. The final game of the schedule was with the Carlisle Indians on Thanksgiving morning, before a record breaking crowd. Many spectacular plays were credited to each team. The Indians won by a 12-6 score, their first victory over Brown.

Brother Kratz played his usual aggressive game at left tackle throughout the season. He has held this position ever since he entered Brown, and will probably be found there next fall.

The entire list of the scores is as follows:

Sept. 30.	Brown	.....	56	New Hampshire	.....	0
Oct. 4.	Brown	.....	12	Rhode Island State	....	0
Oct. 7.	Brown	.....	26	Mass. Agricultural	.....	0
Oct. 14.	Brown	.....	33	Bowdoin	.....	0
Oct. 21.	Brown	.....	6	Pennsylvania	.....	0
Oct. 28.	Brown	.....	6	Harvard	.....	20
Nov. 4.	Brown	.....	30	Tufts	.....	0
Nov. 11.	Brown	.....	0	Yale	.....	15
Nov. 18.	Brown	.....	6	Vermont	.....	0
Nov. 25.	Brown	.....	6	Trinity	.....	6
Nov. 30.	Brown	.....	6	Carlisle	.....	12

The baseball season for 1911 was also very successful under the leadership of Capt. Giles and Coach Woodcock. We broke even with Harvard, Yale, Princeton, and Amherst, and won all the rest of the games scheduled except, of the twenty-seven, the two which were cancelled on account of rain.

This year's team promises to be good, since, except for two men lost by graduation, all the last year's team has returned to college. In the first game of the season we defeated Providence, of the International League, with 3-2 score, and since then have lost but one game, a 2-1 victory for Princeton in a 10 inning game of championship ball. Harry Pattee, an old Brown player succeeded

Coach Woodcock this year, and under his tutelage the team is rounding into top-notch form.

The basketball season of 1911 was one of ups and downs. The team was composed of Adams (capt.), Smith, VonderLeith, Sullivan, and Scholze, with Miller and McLyman as substitutes. Owing to lack of support on the part of the undergraduate body this sport has been discontinued.

### FRATERNITIES

Of the total enrollment of undergraduates 428 are fraternity members. The table of fraternity membership by classes is as follows:

Class	Enrollment	Frat. Members	Non-Frat. Members	Percent
Total .....	668	482	186	72.2%
Senior .....	147	107	40	72.8%
Junior .....	136	101	35	74.3%
Sophomore .....	164	123	41	75.0%
Freshman .....	221	151	70	68.3%

The following table shows the various fraternities at Brown in the order of their establishment and the number of men in each chapter.

THE CHAPTER

Handicapped heavily by the loss of seven men by graduation, and the fact that we have not a chapter house, the men who returned worked earnestly and made the rushing very successful. We take pleasure in presenting to the fraternity; Brother Stanley Rowland of the Sophomore class, Brother J. T. Gammell, Brother A. E. Gottshall, Brother E. Hincks, Brother J. Kelly, Brother H. B. McCrone, Brother W. K. Rice, and Brother R. Rhodes of the entering class. We have also had with us this year Brother H. C. Tooker of New York Delta, and Brother J. G. Anderson of Vermont Alpha.

CONCLUSION

In conclusion we wish to thank all brothers who have aided us in any way during the past year. Once more we appeal to our alumni to take immediate steps toward having a chapter house. The lack of one is felt more keenly each year, and it is certain that several desirable men were lost this year for that reason, so greatly is a Freshman influenced by a house. Moreover the lack of enthusiasm among the alumni in this matter tends to depress the interest of the active chapter, and we fear the result of this condition. Any suggestions regarding a solution of the difficulty will be gladly received.

Also we urge our alumni and members of all chapters to let us know of any desirable men who are to enter Brown next fall. With so many fraternities in such a small college, competition is very keen, and every aid to obtaining a good delegation is eagerly sought.

## **SOUTH DAKOTA ALPHA**

### **UNIVERSITY OF SOUTH DAKOTA**

---

**PHI DELTA THETA HOUSE,  
VERMILION, S. DAK.  
MAY 9, 1912.**

*South Dakota Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### **THE UNIVERSITY**

On September 18, 1911, the university commenced its thirty-first year, with a very satisfactory enrollment, the late opening being due to extensive improvements to the university equipment. Most important of these is the new library which has just been completed at a cost of \$50,000. The building is constructed of bedford lime stone. It is fire proof construction throughout and will be ample for the needs of the university for years to come.

The Ladies' dormitory has been completely remodeled inside and enlarged to meet the growing attendance. Besides these much needed additions the other buildings have been extensively improved and repaired, all of which increase the facilities of the university very much.

The few changes made in the faculty this year were due to the need of a larger teaching force. Additions to the faculty in the college of arts and science, have been: R. G. Wellington, in history; A. F. Lyons, in public speaking; Dr. Jones, in education, replacing Prof. Trettein; Miss Ella Christianson, in biology, replacing Mr. Stoland, Mr. Manthey, replacing Miss Ross in German; Miss Robinson succeeds Miss Piersol as preceptress at East Hall, and instructor in the English department. Prof. McKusick, since the resignation of Dean Sterling, has become Dean of the College of Law; and Prof. Vanneman has been added to its faculty. The professorship of anatomy was given to Dr. McClinticke. Brother E. M. Young, South Dakota, '08, was appointed instructor in Physiology.

### ATHLETICS

The South Dakota intercollegiate track meet gave us universal success, our closest competitor having 29 points to our 81. The two relay teams, the half and two-mile, which we sent to the relay meet at Des Moines, Iowa, came home with two more firsts for us.

In 1911 football, the university won the intercollegiate championship. The scores against outside teams are: University of Minn. 5 to 0 in favor of Minn.; University of Denver, 10 to 0 in favor of So. Dak.; Morningside College, Sioux City, Iowa 24 to 0 in favor of So. Dak. Altogether the season was one of great success, in which we scored 163 points, against a total of 10 for our opponents.

The 1911 baseball season ended with South Dakota far in the lead of her opponents. We won the state championship without losing a game, and beat Minnesota by a score of 11 to 4.

### FRATERNITIES

Phi Delta Theta, established in 1906, and Sigma Alpha Epsilon established in 1911 represent the general national fraternities at South Dakota. Alpha Xi Delta, established in 1903, and Kappa Alpha Theta, installed March 11, 1912, represent the national sororities.

There are three national professional fraternities, Delta Phi Delta, (legal) established in 1902; Phi Delta Phi, (legal) installed February 2, 1912 and Sigma Tau, (engineering) installed April 12, 1912. This gives South Dakota three more national fraternities. There is one local society, Beta Gamma, petitioning, Beta Theta Pi.

### THE CHAPTER

Contrary to the expectations, the university opened last year with a larger enrollment than for the preceding year. South Dakota Alpha is fortunate this year in having a larger enrollment than for the past several years. With the exception of Brothers Biernatzki, Sherwood, and Whiting, who were graduated last year, all returned but Brother E. A. Jones.

We were very fortunate this year in getting new men, pledging 12, all of whom have been initiated. Several of these men were above freshman grade, and were some of the strongest men in the school. These men greatly add to the strength and standing of the chapter.

### Honors

South Dakota Alpha has been active in all branches of student activities during the past year. Brothers Roberts and Jones winning monograms in track.

S. S. Roberts, athletic board of control.

J. M. Pettigrew, manager of athletics and assistant manager of the *Coyote*.

Geo. A. Rice, Volante board of control; debating team; president of the senior class.

H. D. McKinnon, president of junior class; debating board of control.

M. L. Jones, manager of sophomore play.

V. Powers, president of Sigma Tau fraternity (engineering).

Brothers Fry, Bates, Elloit, Saultmarch, Wadden, and Bennett, took part in sophomore play.

### Alumni Notes

Brother Harry Elmore, '07, has removed to Chicago, where he has a position in a bank.

Brother E. M. Young, '08, is assistant in the College of Medicine, U. of So. Dak.

Brother C. L. Chubuck, '10, who is in engineering work at Detroit, Mich., is expected to visit the chapter during commencement week.

Brother O. E. Schubert, a graduate last year from Columbia University, is now located at Isabel, S. D., in the banking business.

Brother Case, '09, is now practising law at Watertown, S. Dak.

Brother E. B. Elmore, '09, is studying music in Chicago.

Brother Lyle Hare, '09, who was married last year to Miss Edna Stone is medical examiner for the Homestake Mining Co., at Lead City, So. Dak.

Brother Biernatzki, '11, Aurora, Ill., is in business with his father.

Brother Whiting, '11, is practicing law at De Smet, S. Dak.

Brother Geo. W. Moody visited us last November, an old Tridentia, who was initiated into Phi Delta Theta, while here. He is practising law in Colorado.

### CONCLUSION

This year has contributed much to the success of our chapter, both fraternally and financially. We feel that we have obtained a large number of exceptional men. As to finances, the year has been

unsurpassed in the history of the chapter. The house has been run with a profit of over five hundred dollars, which money will be spent for improvements of house and grounds. During the past year many Phis have visited us. These visits are not only a pleasure but a help to the chapter. In closing we earnestly request and invite all Brother Phis who should happen to be in the city, to call on us.

Yours in the Bond,

H. D. McKINNON,

H. W. MITCHELL,

## **TENNESSEE ALPHA VANDERBILT UNIVERSITY**

---

PHI DELTA THETA HOUSE,  
NASHVILLE, TENNESSEE,  
MARCH 26, 1912.

*Tennessee Alpha of Phi Delta Theta to her Alumni and to her  
Sister Chapters, Greeting:*

### **THE UNIVERSITY**

Vanderbilt, as the years roll by, gathers in strength. Her graduates are abroad in the land and their faces are toward the rising sun. Her faculty has done much toward elevating educational standards in the South, especially by increasing the number of units for admission. To take a degree here means something, good hard work for one thing, but when procured it is, in the South especially, a red flag for opportunity.

We regret to announce the death of Dr. F. W. Moore, Dean of the Academic Department. He was without exception the hardest worker among faculty, and the students as a body loved him—going to him for advice, which he was never too busy to give. His untimely death prevented the publication of a number of his manuscripts on sociological subjects and his former pupils, as an appropriate memorial, are preparing to publish them in a handsome volume dedicated to Dr. Moore.

The Peabody College for teachers in whose development and welfare all friends of Vanderbilt are interested because their campus is to adjoin ours and reciprocal relations are to be maintained in regard to educational facilities, has received a promise of an additional half million from Peabody board on condition that one million be raised from other sources. J. Pierpont Morgan recently sent a check from Egypt for \$100,000 toward this fund. Ground is to be broken immediately for many handsome buildings.

Notwithstanding the recent controversy between the University

authorities and you might say the M. E. Church, South, which was calculated to cause a falling off in attendance, the total enrollment for the year is 1106 against 946 for last year.

The University of Tennessee which operated a medical school in connection with University of Nashville has withdrawn from this territory leaving Vanderbilt the only medical school in this section. This department has almost completed very up-to-date quarters in South Nashville. Their faculty is the strongest south of the Ohio River comprising the best of the combined faculties of Vanderbilt and University of Tennessee. The Galloway Memorial Hospital which is to be erected on the Vanderbilt Medical campus is to devote itself largely to charitable work which will be exclusively in the hands of Vanderbilt Medical faculty.

There is an increase in attendance at Law Department, notwithstanding the course was extended to three years—the entrance requirements made more stringent, having been raised to 14 Carnegie units. Vanderbilt is one of four Southern law schools that has complied with conditions and are members of Associations of American Law Schools. Judge J. M. Dickinson late Secretary of War and Judge W. K. McAlister, for many years a member of the Supreme Court of Tennessee have been elected members of the faculty.

Aside from the gradual progress common to all growing institutions there has not been much change in other departments, except in faculty. Professor H. W. Morgan is now Dean of the Dental Department succeeding Dr. D. R. Stubblefield who was forced to retire on account of ill health.

Dr. St. George Sioussat, former professor of history and Dean of the Literary Department of University of South, has accepted the chair of history, formerly occupied by Dr. Moore. Professor Edwin Mimms, from University of North Carolina, an old Vanderbilt man is returning in fall to fill the position of Professor in English.

### ATHLETICS

McGugin's method of footballing is not only popular but it is also effective. As to its popularity there were twenty-four of his pupils last year acting as coaches for various prep-schools and colleges in the South. As to its effectiveness Vanderbilt once more unfurls on Dudley field the insignia of the undisputed champion of the S. I. A. A.

At the close of season in nine games played the gold and black

scored 259 to their opponents 9. The nine points on the wrong side having resulted from the hotly contested game played at Ann Arbor which Michigan won 9 to 8. In forward passing, deadly tackling, and open game work Vanderbilt's work was superior. Michigan having it on her opponents in weight only.

For 1912 the football schedule will include a game with Harvard and one with Virginia. This is our first game with Virginia since 1898. Judging the future by the past we have no fear as to our showing against Harvard. In our contests so far with the big eastern teams the record shows: 1907, Vanderbilt 4, Carlisle Indians 0, 1908 Navy 6, Vanderbilt 6, 1910, Yale 0, Vanderbilt 0.

Our basketball squad has made an excellent showing being consistently victorious with the exception of their trip south Christmas when they lost 4 out of 6 games. This is not as bad as it seems in view of the fact that the teams triumphant were representatives of athletic clubs who devote the whole year to the game and have a much larger field to draw from. There are many candidates for the track at work under the coaching of Bob Blake the one time gridiron star.

The baseball team is to be coached this year by Professor Sanborn who was elected last summer to fill chair of philosophy. Professor Sanborn was a brilliant athlete when at college and had flattering offers to enter professionalism. We anticipate more effective coaching than we have had in past years from professional coaches as the professor is enthused with his work.

### STUDENT ACTIVITIES

The record discloses that in the past year Vanderbilt stood supreme within the forum. She won the Southern Intercollegiate Oratorical contest. Her teams won every debate in which they participated. In the Pentagonal debates this year our team at home and at the same time one in New Orleans holding opposite side of question were both successful.

The Dramatic Clubs portrayal of the Gentleman From Mississippi was somewhat more than amateur and little less than professional. Their desire for glory seems to have been satiated as they have not since appeared before the footlights.

The Glee Club is under the guidance of Brother M. B. Howell III who during his college days a few years back was the ring leader among the vocal stars. He takes almost as much pleasure in singing as we do in listening to him.

Members of the Y. M. C. A. have been very active this year doing much good work and to some extent counteracting the activities of those students who seek to glorify vice and enjoy it forever.

### FRATERNITIES

Twelve general fraternities and two sororities are represented at Vanderbilt. They are named in the order of their establishment.

Phi Delta Theta, Kappa Sigma, Sigma Alpha Epsilon, Kappa Alpha (Southern), Beta Theta Pi, Sigma Nu, Delta Tau Delta, Alpha Tau Omega, Delta Kappa Epsilon, Sigma Chi, Phi Kappa Psi, and Phi Kappa Sigma. With exception of Phi Kappa Sigma which rents, all the fraternities own houses.

Alpha Tau Omega has just bought a house and Sigma Alpha Epsilon is building one which they will have ready for occupancy by the opening of school next year.

The two sororities here are Kappa Alpha Theta and Delta Delta Delta. They both have houses.

Delta Delta Delta was established at Vanderbilt this year by granting a charter to Theta Delta Theta, a local organization.

There is also a number of honorary and professional fraternities here. They are Phi Beta Kappa (scholarship); Sigma Upsilon (literary); Tau Kappa Alpha (debating and oratory); Phi Delta Phi, (law); Phi Chi, Alpha Kappa Alpha, Phi Beta Pi, and the Zeta Chi, (Medical); Delta Sigma Delta, Xi Psi Phi, and Psi Omega, (Dental); and Kappa Psi (Pharmaceutical.)

Faculty regulations of fraternities continue more strict than ever. The limitation of dances to four for entire school year is still a source of considerable annoyance to the academic fraternities.

### THE CHAPTER

Our new chapter house has given rise to many problems which we have only been able to solve by experience. At present we have things in apple pie order, that description being especially applicable to the table which is commended even by the greatest epicureans amongst us. The fact that most of the active chapter is rooming in the house results in a more compact organization; the boys by their closer association having grown to be brothers in fact. The week-end chapter meetings are being made more interesting by the fact that each Saturday night after adjournment entertainment is afforded by members responding along lines to which they are gifted, such as oratory, boxing, etc.

This year the chapter returned twenty-one and initiated ten there being three pledges who will be initiated as soon as they have acquired the necessary fourteen units.

### Honors

The honors won by members of the chapter since the issue of the last annual letter are as follows:

#### Class of 1912.

John Archer, *Commodore* Club, Dramatic Club, Glee Club, Ferret Club.

Van Love, Class *Commodore* Representative, Manager Dramatic Club, Ferret Club.

John C. Carter, Phi Delta Phi.

#### Class of 1913.

Fitzgerald Hall, Editor-in-Chief *Commodore*, Student President of Phi Beta Kappa.

## TENNESSEE BETA

### UNIVERSITY OF THE SOUTH

---

PHI DELTA THETA HOUSE,  
SEWANEE, TENN.,  
FEBRUARY 5, 1912.

*Tennessee Beta of Phi Delta Theta to Her Alumni and to Sister Chapters, Greeting:*

#### THE UNIVERSITY

During the past year Sewanee has continued her steady growth in every department. The University is in a better financial condition than ever before, and the Endowment committee is making unceasing efforts to raise a fund which will do away with all money difficulties. The prospects for realizing this ambition at an early date are very bright.

The number of students showed a decided increase over last year. Student organizations for extolling the virtues of Sewanee have accomplished much and expect even greater results.

The faculty has been improved and enlarged by several new members. The most important additions are—Dr. Bevans, of the Chair of History, Professor Selvage, Ethics, and Professor Mackall, Chemistry.

A well-fitted University club, recently opened to students, has added much to the attractions of the mountain.

The contract has been let for a new Science hall. This much-needed department will be an important step in advancement to a larger and greater Sewanee. The literary societies play a great part in the school life. Together with Phradian and Chelidon, the rival Senior societies, they do much to develop speaking and debating. No debates with other Universities have taken place during this school year, but the contest with Trinity (N. C.) last spring resulted in a victory for the Sewanee team. Preparations are being made to have entries in the southern oratorical contest.

Sopherim, the Senior writing society, and Neograph, the Junior

society, encourage and kindle latent talent in the literary line.

The weekly publication, *The Purple*, is increasing in efficiency and importance. *The Sewanee Review* still holds a high place among the magazines of its type.

Altogether, the past year at Sewanee has been one of advancement and steady development along every line. The University now, more than ever before, holds its place among the foremost educational centers of the south.

ATHLETICS

The baseball team of 1911 had a very successful season, winning the majority of their games. Brother Faulkinberry (captain) was the regular backstop.

The football team, composed almost entirely of new and light material, went through a grilling season with remarkable success. They lost three hard games, but handed out many disappointments to others, who were figuring on evening up old scores. Tennessee Beta was well represented by many regulars, and several substitutes who should be good men next year. Brothers McClanahan, Holt, Dexheimer, Gillespie, and Manager Spearing were active participants.

The basketball team was the best that Sewanee has ever put out. Brothers McClanahan and Bowden represented our chapter on the five.

FRATERNITIES

The University has six fraternities, which stand as follows in the order of their foundation on the mountain:

Established.	Name.	Members.
1877	Alpha Tau Omega .....	7
1881	Sigma Alpha Epsilon .....	14
1882	Kappa Sigma .....	7
1883	Phi Delta Theta .....	15
1883	Delta Tau Delta .....	12
1883	Kappa Alpha (Southern) .....	18

THE CHAPTER

The chapter began the year with only six returned brothers, having lost seven by graduation, but experienced one of the most successful rushing seasons in the history of Tennessee Beta. Nine new men were pledged, and all have already shown special interest

in some one or more branches of college activities. The new men are: Carleton Goldstone Bowden, St. Louis, Mo.; Charles Singleton Cook, San Francisco, Cal.; Paul Dexheimer, Chattanooga, Tenn.; Murray Davis, Fayetteville, Tenn.; Frank Eugene Hagan, Nashville, Tenn.; John Jacob Gillespie, Atlanta, Ga.; William Therrel Holt, Oroville, Cal.; Robert Lea McGoodwin, Lake Providence, La.; Walter Lee McClanahan, Lewisburg, Tenn.

### Honors

In the past year the Phis of Tennessee Beta have been very energetic in all student activities, as the following list will show.

Brother C. G. Bowden, Neograph; *Purple* staff; president, freshman class, '10; Varsity basketball team '10-'11, '11-'12; captain, reserve football team '12; vice-president, sophomore class '12.

Brother G. K. Cracraft, Neograph; Punch and Judy (dramatic club); Sopherim; Chelidon; president, Junior German Club '10; Varsity debating team '09; managing editor of *The Purple* '10; Knight Declamation Medal '09; Rylance medal for debate '10; president, Sigma Epsilon '12.

Brother Paul Dexheimer, Varsity football team '11.

Brother John Gass, Chelidon; Sopherim.

Brother W. T. Holt, Varsity football team '11.

Brother W. L. McClanahan, Varsity football team '11; Varsity basketball team '11, '12; president freshman class '11.

Brother J. J. Gillespie, Varsity football team '11.

Brother R. B. Mitchell, Chelidon; Glee Club; Punch and Judy; president, Sewanee Missionary Society; president, Homiletic Society.

Brother J. O. Spearing, editor of *The Purple* '08-'09; Spearing medal for oratory '09; manager, football team '11; member of Athletic Board of Control '12; Chelidon; Sopherim; Punch and Judy.

The chapter is fortunate in having three very energetic resident alumni, who take great interest in the younger members. They are Brothers Stone, Gass and Hodgson.

Brother Gass won the Rhodes scholarship from Sewanee in '07, and together with Brother Stone, B. A. '09, is teaching in the Sewanee Military Academy. Brother Hodgson is treasurer of the University.

### CONCLUSION

To this letter is appended an alumni list of Tennessee Beta, which we hope is correct. Any information concerning a change of address will be attended to. We wish to thank our alumni for their

constant interest in the welfare of the chapter and to request that any information concerning themselves or desirable men contemplating entering Sewanee be sent to us.

With kindest regards to all brothers in Phi Delta Theta, we are,

## TEXAS BETA UNIVERSITY OF TEXAS

---

PHI DELTA THETA HOUSE,  
411 W. 23D STREET,  
AUSTIN, TEXAS, APRIL 1, 1912.

*Texas Beta of Phi Delta Theta to her Alumni and to Sister Chapters,  
Greeting:*

### THE UNIVERSITY

The main University opened on September 27, 1912, with a very substantial increase in attendance, the total number being something over two thousand. This means an increase of from 150 to 200 over last year.

On January 1, the new University Y. M. C. A. building, which had been in the process of erection for over a year, was completed and its door thrown open to the student body. The total cost of the building is \$80,000. It contains an auditorium, reception rooms, reading rooms, pool and billiard rooms, a gymnasium, pool, and above, rooms for the students. It compares favorably with any of the larger Y. M. C. A.'s throughout the state. The new \$250,000 library has also been opened, although owing to the fact that Governor Colquith vetoed a portion of the University appropriation, it is not yet fully completed. The building is of white stone and is said to be the most beautiful of its kind in the state.

A new department of Domestic Science has been instituted this year and is being carried on in a temporary wooden building, just south of the library. It was necessary also to build a similar structure to catch the overflow of students in the chemistry department. These two buildings are an eye sore to the campus and it is to be hoped that sufficient funds will soon be voted by the legislature so that more pretentious structures can take their place.

### ATHLETICS

The management of baseball last spring went a long way toward putting it on a higher plane. Wm. J. Disch was secured as coach

**AN ALL-PHI BACKFIELD, UNIVERSITY OF TEXAS**  
**Joe H. Russell '14 Right Half T. H. Downs '12 Full Back John A. James '11 Left Half**

and under his training a very creditable team was put out. T. C. U., A. & M., Baylor, and Southwestern last year all had unusually strong teams and we feel satisfied with the success of our team in the games with them inasmuch as we were able to break about even. The season ticket plan was put into effect and was very successful in increasing the attendance at the games. The trip included T. C. U. at Ft. Worth, Arkansas at Fayetteville and the University of Oklahoma at Norman. We split even with T. C. U. and Oklahoma while Arkansas won both games. This year the team has brighter prospects than ever before. Over 100 men have reported to Taylor, formerly of Drake College, who has the track team in hand and is developing some record breakers. The general opinion about the school seems to be that we will have an undefeated team this year. Some latent ability was uncovered several days ago in the class track meet.

In football we had a very successful season. Prospects were exceedingly bright at the very first of the season and under the coaching of Billy Wasmund of Michigan, a championship team was expected. But before the first game, Coach Wasmund, from a fall sustained while walking in his sleep developed internal injuries and died to the great grief of the entire student body, by whom he was greatly beloved. The T. C. U. game which was to have taken place several days later, was postponed. Mr. Rix, the track coach, took the team in hand until the arrival of David Allerdice, a team mate of Billy Wasmund's from Michigan, who succeeded him as coach. Mr. Rix was retained as assistant coach. Seven games were played. Of these Texas lost 2 and won 5. The scores are as follows:

Texas 11, Baylor 0; Texas 11, Southwestern 2; Texas 12, Arkansas 0; Texas 5, Sewanee 6; Texas 6, A. & M. 0; Texas 18, Auburn 5; Texas 3, Oklahoma 6. The A. & M. game gave Texas the championship of the state but the victory of Oklahoma took from her the opportunity of claiming the Southwestern championship. Coaches Allerdice and Rix will return next year.

### FRATERNITIES

The Pan-Hellenic, organized in May 1910, is still thriving. The rule providing that no pledge can be initiated until he has passed four courses (12 hrs. per week) is still in effect.

This year witnessed the founding of a new sorority at the university, the Delta Delta Delta. The fraternities here now are:

#### THE CHAPTER

Texas Beta started the year with 17 old men and 3 affiliates. We were "bumped" several times during rushing season, but in each case succeeded in bumping back. The rushing season proved to be hard on all the fraternities for each lost several bids. We came off better than any other. Texas Beta now takes pleasure in introducing to the fraternity, Melvin Kurth of Keltys; Ralph Feagin of Livingston; Edward Buddy of Dallas; Samuel Manning of Dallas; Thomas Broad of Paris; James Edmond of Waco; Richard Bailey of Mineola. All of these men have been initiated. Uninitiated are Hawthorne Kyser of Marlin and Joe Sheldon of Rockport.

The affiliates are Brother W. H. Knight, Brother Paul F. Jones, of Southwestern University and Brother Wm. Anderson of Vanderbilt.

### Honors

Brother Armstrong was elected editor of the *Cactus* for 1912, but owing to ill health, did not return to school. He was also captain of the gymnasium team.

Brother James starred left half back on the Varsity football team and was captain of the basketball team. He is also a member of Arrow Head, Theta Nu Epsilon, and Phi Delta Phi.

Brother Walter Dealey is athletics editor of *The Texan*; athletic editor of the *Cactus*; manager of the baseball team and on the *Magazine* board. He is also a member of the "Friars", the senior society.

Brother Henry Exall is a member of the Rattlers and the Glee Club.

Brother Ramey is a member of the Rattlers, the Glee Club and the Varsity Band. He also recently won the University oratorical contest and will represent the University in the State Oratorical Contest on the 19th of April.

Brother Joe Russell played full-back on the football team and second base on the baseball team. He is also a member of the Rattlers.

Brother Gillespie Stacy is champion of the University in tennis and is also a member of the Arrow-Head's and the Varsity Band.

Brother E. B. Cartwright is pitching on the Varsity nine. He is also an Arrow-Head.

Brother Downs played half-back on the football team.

Brother Ralph Feagin and Melvin Kurth have been elected to Phi Delta Phi. Brother Feagin is also on *The Texan* board.

Brother Leftwich is a member of the Arrow-Heads. He also played on the scrub and class football teams.

Brother Buddy played on the scrub basketball team.

Brother Barley is pitching on the Varsity nine.

Brother Thomas Broad is on the gymnasium team.

Brother Stedman is a member of the Rattlers and Theta Nu Epsilon.

Brother Edward Dealey played on the class football team and was substitute on the Varsity. He was also athletic editor of the sophomore *Texan* and is a Rattler.

Brother James recently broke the Texas record for the shot put

## Alumni Notes

Mims J. Jackson ex-'12 is now engaged in law practice at Oak-wood, Texas.

Sam T. Robb '11 has established a law office at Houston and is now enjoying a good practice.

Donald Duncan '11, together with his brother, Bowie Duncan '08, is managing a large and extensive ranch in Southern Texas near Wharton.

Robert N. Watkin '06, secretary of the Will A. Watkin Piano Co., Dallas, Texas, has been elected president of the Southwestern Talking Machine Association. In Dallas, Brother Watkin belongs to several organizations, being a member of the Tersichorean Club, the Idlewild Club, the Dallas High School Alumni Association, and a director of the Young Men's Business Club; he is also a member of the executive committee of the National Piano Merchants Association of America and an ex-member of the Dallas Board of Education.

## **TEXAS GAMMA**

### **SOUTHWESTERN UNIVERSITY**

**PHI DELTA THETA HOUSE,  
GEORGETOWN, TEXAS,  
MAY 8, 1912.**

*Texas Gamma of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

#### **THE UNIVERSITY**

Not withstanding the usual setbacks Southwestern has continued to grow. Her influence is still permeating our land by continuing to direct young minds into channels of influence.

Southwestern clubs have been organized in San Antonio, Beaumont, Waco, and Houston, for the purpose of working together and securing for Southwestern the greatest number of students possible from each place, and in helping the school in all other lines.

A change in the presidency is usually accompanied by a change in ideals and plans. Such changes are frequently revolutionary, in that they result in creating confusion for the time being. Southwestern has inaugurated a new president, and there has been an agreeable surprise in the fact that no friction has arisen. On the other hand everything has been moving on in a most satisfactory way.

There was a call made for all ex-students to return and enjoy an old time home coming. Lovers of Southwestern are happy in the fact that the call was answered, and on the 19th of April several hundred old students returned to renew old alliances and to offer assistance.

Considering the progress of Southwestern University as a whole, all are proud in declaring that this has been one of the most successful years in her history.

#### **ATHLETICS**

On account of the loss of several of last year's star athletic performers, among whom were Brother Snipes and Phikeia Seffield.

athletics in Southwestern has not been up to the usual standard this year. This is the case in most of the Texas schools, however.

In football Southwestern went to fourth place in Texas. However, most of the men were new, and a nucleus has been formed which will bring Southwestern near the top next year. Among the new men Brothers Wiseman and Underwood will probably have a place on next year's team. Brother Boutwell played a sensational game last season at end and will be back next year.

Very little interest has been taken in track work this year, and Southwestern will have an unusually low average in this line of college activity.

In baseball we have been more successful. At present a tie is being fought between Southwestern and the State University for the second place, and prospects are brighter for next year's team. Brother Underwood will represent Texas Gamma next year in baseball.

Taking all things into consideration, Southwestern has been successful in athletics this year. Every team put out by Southwestern has upheld the record of contending for clean athletics.

### FRATERNITIES

The year 1911 brought ample fraternity material to Southwestern. This new material, coupled with a goodly number of old men enabled the fraternities to build up stronger and more efficient chapters than they have had for several years. It is a noticeable fact that the old time rush at the beginning of the school year has given way to a more deliberate and conservative system of bidding. A Pan-Hellenic ruling has been passed prohibiting the pledging of students before becoming full freshmen. Throughout the entire year, the tendency has been toward getting second-year men, who have already proven their ability, and, unless an exceptional case, to watch freshmen for development.

The name, date of establishment and numerical strength of fraternities here are as follows:

Established	Name	Members	
		Active	Pledged
1883	Kappa Alpha (Southern) .....	22	
1886	Phi Delta Theta .....	24	
1886	Kappa Sigma .....	21	1
1910	Pi Kappa Alpha .....	15	

## Sororities

1906	Zeta Tau Alpha .....	24	2
1907	Alpha Delta Phi .....	21	1
1908	Phi Mu .....	15	
1911	Delta Delta Delta .....	20	

## THE CHAPTER

Things looked rather bad for Texas Gamma at the opening of school in September. Only ten men of last year's twenty-five returned. Our losses had been especially heavy because eight men left school by graduation. These men had for several years been among the most prominent in school. We were on the lookout for good men and have strengthened our chapter materially by the initiation of Brothers John Hendry, Georgetown; W. J. Vaught, Waller; Elmo Alexander, Meridian; Robert H. Williams, McDade; M. D. Cody, Georgetown; R. M. Moose, Agnes; Franklin A. Boutwell, Celeste; J. G. Burns, Cuero; M. B. Hall, Georgetown; J. R. Sanders, Georgetown; G. M. Underwood, Blooming Grove; W. D. Blair, San Antonio, D. S. Switzer, Itasca; L. B. Heafer, Houston. Our fraternity is now one of the strongest in the history of Texas Gamma, comparing favorably with former chapters both in honors and harmony among each other.

The chapter is now renting a house on University avenue, and those who are fortunate in staying there are able to better realize the worth of the fraternity. Plans are being formed whereby we hope to soon have a house of our own.

The chapter this year loses five men by graduation, but the indications are that we will return at least nineteen men for next year.

## Honors

Brother Harrison, Student assistant in Chemistry; Chief Marshal; Salutatorian 1912.

Brother Huffer, Student assistant in History; 'Varsity Glee Club; Editor-in-Chief, *Megaphone*; Manager Southwestern Quartette.

## UNIVERSITY OF VERMONT

---

PHI DELTA THETA HOUSE,  
439 COLLEGE STREET,  
BURLINGTON, VT., APRIL 1, 1912.

*Vermont Alpha of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### THE UNIVERSITY

Last fall the University of Vermont entered upon the 110th year of its existence with the largest enrollment in its history. All other events during the year have been overshadowed by the inauguration of the new President, Dr. Guy Potter Benton. The occasion was marked by a great gathering of noted educators who came to pay their tribute to an able man and a respected college. When the future of our University was handed over to a new leader, it was an impressive moment and one that will never be forgotten by those who witnessed it. Dr. Benton has reorganized the administration somewhat, but there have been no important faculty changes. It is to be noted that there are many more Phis on the faculty than members of any other fraternity. We have the president, three professors, Brothers Burns, Jackson and Andrews; one assistant professor, Brother Kern; one special lecturer, Brother E. C. Mower; and two instructors, Brothers Sabin and Barton.

### ATHLETICS

The baseball team made an exceptional record last year, the total Vermont score being nearly double that of her opponents. In football, we had some excellent material and made a very creditable showing. However, we went down to defeat in most of the big games, but with a close score in every case.

THE CHAPTER

The chapter has been very active this year. We have been well represented in football, baseball and musical clubs. We lost the Kake Walk Cup this year but put on a stunt entirely creditable to Phi Delta Theta. Internally the chapter has never been in a better financial condition and is looking forward to still further improvements along that line.

## **UNIVERSITY OF VIRGINIA**

---

**PHI DELTA THETA HOUSE,  
CHARLOTTESVILLE, VA.,  
MAY 6, 1912.**

*Virginia Beta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

A decided increase in the enrollment this year has brought the number from 725 students of last session up to approximately 850. This substantial gain is extremely gratifying in view of the fact that, in spite of the higher entrance requirements, the total is the largest in our history.

The Law department is now occupying its new building, Minor Hall, which is probably the best equipped structure of its kind in the South and compares favorably with any in the country.

A donation of \$40,000 has been tendered the University by the Peabody Foundation for the erection, in the near future, of a building to house the School of Education.

There has been much agitation during the past few months over a bill in the State legislature proposing to establish a Co-ordinate College for women, in the vicinity of the University; but such action was bitterly opposed by the students and alumni so that the bill was defeated.

### **ATHLETICS**

In spite of the fact that only five "V" men answered the call for football candidates last fall, the raw material proved exceptionally good and a team was soon whipped into shape which was destined to uphold Virginia's reputation on the gridiron. In the games played Virginia scored 262 points to her opponents' 30,—an offensive record surpassed only by that of Carlisle. The eleven suffered two defeats; at the hands of Swarthmore and Georgetown, respectively.

The feature game, played in Richmond .Thanksgiving with North Carolina, resulted in an overwhelming victory.

Basketball, which is just emerging from its infancy at Virginia, presented this year a hard schedule, but the result was in the main satisfactory. The interest manifested in this branch of athletics showed a marked increase over previous years.

In track, the College has produced a well-rounded team, although few stars have been developed. The relay team, which has not been beaten, reached its climax in its recent victory at the Pennsylvania Relay Games in Philadelphia.

Umpire Rigler, of the National League, who had charge of the baseball team again this year, put out the strongest team we have had for many seasons. The team, with its usual ability in the field, showed extraordinary ability at the bat. The record shows victories from such teams as the Washington Nationals, Cornell, Georgetown, the two Carolinas and Georgia, as well as a ten-inning tie with Yale.

FRATERNITIES

The fraternities early in the session recognized their regrettable lack of a system for rushing the new men and set about the compilation of an agreement which would be acceptable to all the twenty-three chapters of national fraternities represented here. After much discussion, a rather elaborate agreement has been ratified by all the fraternities, the gist of which is that no man can be invited to join a fraternity till the middle of October; that till then they cannot be entertained in a fraternity house; that the invitations are to be in writing and that they are to be answered in writing on November first.

The fraternities are given below in the order of their establishment together with their active membership:

Established	Name	Members
1850	Phi Kappa Sigma .....	23
1852	Delta Kappa Epsilon .....	16
1853	Phi Kappa Psi .....	20
1854	Beta Theta Pi .....	22
1858	Chi Phi .....	10
1858	Sigma Alpha Epsilon .....	28
1858	Phi Gamma Delta .....	18
1859	Delta Psi .....	20

1860	Sigma Chi .....	17
1868	Alpha Tau Omega .....	18
1868	Pi Kappa Alpha .....	16
1868	Zeta Psi .....	10
1869	Kappa Sigma .....	19
1870	Sigma Nu .....	12
1873	Phi Delta Theta .....	14
1873	Kappa Alpha .....	22
1889	Delta Tau Delta .....	22
1905	Delta Chi .....	18
1906	Phi Sigma Kappa .....	19
1907	Sigma Phi Epsilon .....	13
1907	Alpha Chi Rho .....	12
1907	Delta Phi .....	24
1910	Theta Delta Chi .....	17

From carefully compiled statistics, the following averages of scholarship for last session are given to show how fraternity and non-fraternity men compare:

Average standing of all fraternity men .....	73.5
Average standing of all non-fraternity men .....	76.2
Average of the whole University .....	74.8
Average of Phi Delta Theta fraternity .....	75.1

In addition to the general fraternities given above, there are the following: Phi Delta Phi and Alpha Delta Phi, legal; Phi Rho Sigma, Nu Sigma Nu, Pi Mu and Phi Beta Pi, medical; Skull and Keys and Lambda Pi, local academic fraternities; Phi Beta Kappa and Raven, honorary—the latter being local; Theta Kappa Nu, honorary law; Sigma Beta Phi, engineering; Delta Sigma Rho, forensic; and Sigma Delta Chi, honorary journalistic.

### THE CHAPTER

Virginia Beta is composed this year of 14 men, two of whom are initiates.

#### Honors

Lambda Pi (Academic Fraternity): Brothers Burwell, Jones, Harris and Lile.

Skull and Keys (Academic Fraternity): Brothers Cameron, Hathaway, MacKay, Nelson.

Phi Delta Phi (Law Fraternity): Brothers Gravely and MacKay.

Phi Rho Sigma (Medical) : Brother Lile.

Phi Beta Pi (Medical) : Brothers Barnwell and Bray.

Theta Kappa Nu (Law Honorary) : Brother Martin.

"P. K.:" Brothers Harris, Hathaway, Lile and MacKay.

"Eli Banana" : Brother Harris.

T. I. L. K. A. : Brothers Gravely and Lile.

Brother Lile is also a "13," Raven and "Z."

German Club : Brothers Harris, Lile, MacKay and Hathaway.

"Hot Feet:" Brothers Gravely and MacKay.

Track Team : Brother Harris.

Baseball Team : Brother Lile.

Managers : Brother Lile, football ; and Brother MacKay, assistant baseball.

Editors : Brother Blackford, assistant on *Corks and Curls* ; Brother Hathaway, assistant *College Topics*.

Class President : Brother Bray—Medical.

Cast of Easter Play : Brother Blackford.

### CHAPTER HOUSE

Owing to the fact that the chapter this session has been smaller than for many years, the financial strain upon the individual members has been unusually heavy so that, in their endeavor to make both ends meet, the chapter house committee has deemed it wise to postpone further activities in this direction until next session when they expect that Virginia Beta will be in a far better position to cope with the situation. Brother Burruss, our Province president, has promised us his active co-operation in the strenuous campaign which is already being planned for next session.

### CONCLUSION

In concluding this report the chapter wishes again to thank its alumni for their valuable support in recommending new men during the rushing season last fall, and to indulge the hope that they will continue their loyalty in the future. The reporter begs that any changes of address, not corrected in the present list of alumni which can be given by any of the Brothers, be forwarded to him whenever practicable.

## **VIRGINIA GAMMA RANDOLPH-MACON COLLEGE**

---

PHI DELTA THETA HOUSE,  
ASHLAND, VA., MARCH 15, 1912.

*Virginia Gamma of Phi Delta Theta to Her Alumni and to Sister Chapters, Greeting:*

### **THE COLLEGE**

The eightieth session of Randolph-Macon college opened on September 14, 1911 with total enrollment of 148. The graduating class this year numbers 21.

The college is to receive an additional endowment of \$50,000, provided \$100,000 be raised, much of which has been subscribed to date.

The degree of Bachelor of Science has been added to the curriculum.

Brother J. H. Moss of Virginia Gamma, Beta and Tennessee Alpha has assumed the duties of chaplain to the college.

### **ATHLETICS**

Randolph-Macon has maintained her former prestige in Athletics. For the second consecutive year our football team was successful in winning the championship of the eastern Virginia Intercollegiate League composed of Richmond College, Hampden-Sydney, William and Mary and Randolph-Macon.

In basketball likewise we carried off highest honors.

Baseball prospects are unusually bright, eight lettered men composing the personnel of the first squad. Several new men are showing up exceptionally well and the result of the struggle for positions on the team remains in doubt. This is Coach Warren's last year with us and we hope to add another championship cup in baseball.

### FRATERNITIES

The fraternities in the college with the year of their establishment and the number of members are as follows:

Established.	Name.	Members.
1869	Kappa Alpha .....	11
1872	Phi Kappa Sigma .....	18
1873	Phi Delta Theta .....	11
1889	Kappa Sigma .....	14
1906	Sigma Phi Epsilon .....	13

### THE CHAPTER

We returned eight men at the beginning of the year, and in October we initiated two promising men, F. L. Blount of Bethel, N. C., and C. P. M. Sheffey of Lynchburg, Va., and still another in January, J. T. Scott of Lynchburg, Va.

We will lose by graduation Brothers J. R. Childs and R. W. Marye, and expect to return seven men next year.

We are looking forward to the time when the faculty will allow fraternities to live in chapter houses. The house which we at present rent for purposes of meeting, is expected to be improved in the near future by the addition of an attractive colonial porch.

### Honors

J. R. Childs is a member of the monthly staff, having served two department editorships; Chief Marshal, Frank Hall public night; member of Dramatic club; member of Sigma Upsilon (Literary) and Theta Nu Epsilon.

R. A. Sheffey is are editor of the *Yellow Jacket* and member of basketball and baseball squads.

A. S. Millican, manager 1911-12 basketball team and captain for 1912-13. Member of baseball squad.

E. F. Sheffey, member of football and basketball squads.

J. W. Childs, member of Dramatic club and Theta Nu Epsilon.

R. W. Tatem, member of athletic board; Vice-president, Sophomore class; Junior Murray medal for scholarship 1911; baseball team 1911, 1912; manager football team 1912.

M. K. Blount, football team 1911; member Dramatic club; basketball squad.

C. P. M. Sheffey, football and basketball squads.

J. T. Scott, secretary of Freshman class; marshal for commencement from Frank Hall.

**Alumni Notes**

W. R. Phelps recently married Miss Mildred Davis of Nottaway county and is now teaching at Randolph-Macon Institute in Danville, Va.

M. K. Harris recently married Miss Katharine McClung of Knoxville, Tenn., and is now located at Danville, Va.

J. C. Simpson is teaching at McCallie school, Chattanooga, Tenn.

S. G. Blanton is teaching at the High school in Alexandria, Va.

R. W. Peatross Jr., is studying engineering at Boston Tech.

J. V. Reed is at Trinity College, N. C.

L. L. Gravely is in real estate business in Rocky Mount, N. C.

B. T. Tatem is teaching at Brooklyn Polytechnic Institute.

Larry Martin coached Richmond College track team during the past year.

H. V. Bounds is principal of the High school at Thomasville, Ga.

We were glad to have with us several alumni from our own and other chapters during the year and hope they will continue to visit us.

**CONCLUSION**

Randolph-Macon is a small college and numbers in its midst five fraternities. The competition is naturally very great. Hence it is necessary that we secure the earnest co-operation of our alumni who know of men expecting to enter college. We heartily thank those who have helped us in past years, and we hope to come into closer contact with our alumni.

# **VIRGINIA ZETA**

## **WASHINGTON AND LEE UNIVERSITY**

---

PHI DELTA THETA HOUSE,  
LEXINGTON, VA., JANUARY 30, 1912.

*Virginia Zeta of Phi Delta Theta to her Alumni and to Sister Chapters, Greeting:*

### **THE UNIVERSITY**

The year 1911-12 has been marked by a change of executives in the University. The resignation of Dr. George H. Denny in November 1911 to accept the presidency of the University of Alabama, brought to a close an administration characterized by remarkable growth in power and influence. A temporary administration, in the joint hands of Mr. Jno. L. Campbell, treasurer of the University, and Dr. H. D. Campbell, Dean of the University, is serving to hold the University in the line of progress, with no whit of her power lost. Dr. H. L. Smith, the recently elected president, who is expected to accept the office, will come to a field which will give ample opportunity for the exercise of his fully developed powers.

The record of Dr. Denny's administration is one seldom equalled in the history of any college. In 1901 he came to the head of the college of 222 students; during his last year there were 620 matriculates. At the beginning of his administration the income yielding investment of the college amounted to \$593,701.57, at which time there was a floating debt and each year a serious deficit. The annual income was then approximately \$50,000. Today the income-yielding endowment amounts to \$893,617.99, the floating debt has been paid off, and there is each year a satisfactory surplus. The annual income now amounts to \$107,308.17. In addition to this, new buildings to the value of approximately \$160,000 have been erected during the past decade.

It is gratifying to note that the newly elected president, Dr. Henry Louis Smith, is a member of Phi Delta Theta, and Virginia Zeta will for that reason the more warmly welcome him to Washing-

ton and Lee. He was initiated at the University of Virginia, where he was a student in 1886-87 and 1889-90, and where he took his Ph. D. in 1890.

Dr. Smith took A. B. and M. A. at Davidson College. The University of North Carolina conferred LL. D. on him in 1906. From 1887-1901 he was professor of physics at Davidson and was made president of the college in 1901. His record at Davidson during the past ten years has been in many respects a remarkable parallel of Dr. Denny's achievements at Washington and Lee.

The new University Commons, provided for by an appropriation by the Board of Trustees at the annual meeting last June, was completed during the summer vacation, and was ready for occupancy at the opening of college in the fall. It is a brick building of the colonial style of architecture, in keeping with the other buildings on the campus.

The University recently received a bequest of \$10,000 under the will of the late Frank T. Howard of New Orleans, an alumnus of Washington and Lee of the class of 1874. That sum will probably be added to the gymnasium building fund, which now amounts to \$25,000.

The alumni of the University continue to show an active interest in their alma mater. Recent gatherings in New Orleans, Washington, New York, and San Antonio have demonstrated their activity and zeal for Washington and Lee.

### ORGANIZATIONS AND PUBLICATIONS

*The Calyx*, published annually, *The Southern Collegian*, a bi-monthly magazine, and the *Ring Tum Phi*, issued each week, are the student publications. Each of them is this year on a solid financial basis, and all are creditable productions. The *Southern Collegian* was this year surrendered by the literary societies to the student body, a step which gave new impetus to the life of the periodical.

The Graham-Lee and Washington Literary Societies are this year doing their customary good work, and have held excellent celebrations on January 19, and February 22, respectively. The Goode Law Debating Society is also doing serious work of a substantial nature. Brothers Davis, '15, and Glasgow, '12, represent Virginia Zeta in this phase of college life.

The University musical clubs are again active, and will probably make a trip to points in the State later in the year. Brother Thorn-

ton, '13, is business manager and a member of the University orchestra, of which Brother Davis, '15, is also a member. Brothers Richardson, '12, and Davis, '15, are members of the mandolin and guitar club, and Virginia Zeta has Brothers Richardson, '12, Westcott, '15, and Richards, '15, in the Glee Club.

Pan, White Friars and Sigma are the ribbon societies at Washington and Lee, the members of Sigma being chosen from the first two.

The following table shows the number of representatives Virginia Zeta has at present in the Pan-Hellenic societies here.

Pan .....	3
White Friars .....	1
Sigma .....	2
Phi Delta Phi .....	2
Cotillion Club .....	3

A chapter of Phi Beta Kappa was established at Washington and Lee in May of last year. Virginia Zeta was represented in the new chapter by Brother R. G. Campbell of the faculty, who was a member of the Johns Hopkins chapter, and Brothers N. D. Smithson, '11, and T. W. Fred, '12. The election of members for this year has not yet taken place.

### ATHLETICS

The past year has been one of great development in athletics at Washington and Lee. The athletic field has been enlarged, a grass diamond made, bleachers erected, and a quarter-mile track laid off. The Athletic Council, which has complete control of intercollegiate athletics, has been re-organized and put upon a better working basis. It has been greatly strengthened by an Alumni Fund raised by the Alumni of the University solely for athletics.

The intercollegiate athletic record during the year shows that Washington and Lee has continued to maintain the high stand which she has always held among Southern colleges. Last year's baseball team was one of the best we have ever had, and although some of the best games were cancelled on account of rain, the season was a decided success. The team was especially strong in base-running and in hitting, 66 bases being stolen in 16 games and the batting average for the team being .280. Brother Erwin represented Virginia Zeta on the team and led it in base-running, extra base hits and in hitting. His batting average of .379 is the highest ever made by a regular player here. A complete list of scores is as follows:

## On Wilson Field

Washington & Lee ..		Swarthmore (two games) ...	rain

Prospects are unusually bright for this year. Al. Orth, who played in the Major leagues for fifteen years and who is known as "Smiling Al" has been engaged to coach the 1912 team. Seven old 'Varsity men will report to him in the spring and will form a nucleus from which to develop what it seems will be the best team Washington and Lee has ever had.

The 1911 basketball team included in its victories Virginia, Tennessee, Franklin and Marshall, and Frederick, Md., Athletic Association. An intercollegiate record for the largest basketball score was made when Roanoke College was defeated 119 to 5. Brother Glasgow was manager and played a steady game at guard. The scores in the games already played are as follows:

Jan. 5	W. & L. ..	31	Emory & Henry .....	19
Jan. 12	W. & L. ..	94	Roanoke College .....	1
Jan. 19	W. & L. ..	88	Hampden-Sidney .....	7
Jan. 25	W. & L. ..	47	Guilford College .....	10
Jan. 27	W. & L. ..	27	Frederick College .....	9

Last year there was an abundance of track material in college, but for want of a coach it was not as well developed as it might have been. In spite of this, four of the University records, the hammer throw, shot put, high jump, and running broad jump were broken. This year a relay team will be sent to Washington to run against Virginia in the coming meet there. With Dr. Pollard as coach, track athletics will probably show a vast improvement.

The 1911 football team was one of the best to represent the White and Blue in several years. Brother Evans was on the squad. The record was as follows:

#### At Lexington

W. & L. .... 61	Roanoke .....	0
W. & L. .... 40	Hampden-Sidney .....	0
W. & L. .... 18	Wake Forest .....	5
W. & L. .... 5	V. P. I. (at Roanoke) .....	5

W. & L. .... 3	A. & M. of N. C. (at Raleigh) ...	15
W. & L. .... 0	North Carolina (at Norfolk) ....	4
W. & L. .... 5	Tulane (at New Orleans) .....	5

Interclass athletics are rapidly developing into one of the most interesting branches of college activity. Last fall the Junior football team, managed by Brother Erwin, on which he played center, won the class championship after a hard fight with the Seniors, of whom Brother Glasgow was captain. Schedules are being arranged for basketball and baseball between the classes. Already results have been obtained from these interclass games in the way of developing material for the 'Varsity and they will be watched in the future by the coaches with the expectation that they will bring greater results as the interest increases.

The newest thing in an athletic way is the organization of an inter-fraternity baseball league. Last year Brother Thach was president and Sigma Chi won the loving cup, which it must win again this year in order to keep possession of it.

#### THE CHAPTER

Last year Virginia Zeta lost by graduation, Brothers W. K. Lemley, R. J. Coke, J. T. Watson and N. D. Smithson of the law school and Brother V. E. Manor of the academic school; by retirement, Brothers B. R. Richardson, H. P. Baldwin, C. A. Nolan, W. A. Smith, E. L. Graham, Jr. and C. R. Avery. Seven new men were initiated in the fall, Brothers Davis, Evans, Hamilton D. A., Richards, Saunders, Westcott and McCormick. Brother T. W. Fred was initiated last spring. The total membership of the chapter is now 15.

The chapter is occupying the same house as previously.

**Honors**

The following honors have been conferred upon members of Phi Delta Theta.

Alfred Shorter Hamilton, Jr., ex-'14, is with A. T. Hamilton, mines and minerals, Rome, Ga.

Noble Doak Smithson, '11, has been elected Registrar of Washington and Lee University, his duties to begin July 1. Since January 1, 1912, Brother Smithson has been at the University as assistant to the Dean and Treasurer.

Harry Jacob Lemley, '10, and William Kendall Lemley, '11, have purchased a plantation near Hope, Arkansas and are located there.

Clarence Renshaw Avery, ex-'14, is engaged in engineering work in Pensacola, Florida. His address is 304 W. Gadsden Street.

Thornton Whitney Allen, '10, has established the T. W. Allen Music Publishing Co., 45 W. 34th Street, New York.

**CONCLUSION**

The chapter will appreciate an acknowledgment of this letter from the alumni, and also any information relating to any change of address or occupation from time to time. This is absolutely essential for a close relationship between the active chapter and the alumni.

Alumni will also confer a great favor on us by notifying us of any good men who contemplate entering Washington and Lee. Virginia Zeta takes this opportunity of again thanking those who have in the past aided us in this manner, and of commending their interest in the Fraternity. We extend a cordial invitation to all this to visit us, and hope and expect that every one who has the opportunity will do so.

**THE UNIVERSITY**

With the impetus given the University by the heritage in buildings from the Alaska-Yukon-Pacific Exposition, an increased number and a better class of students are each semester entering Washington. On October 4, 1911 the semi-centennial of the University was celebrated by the students, faculty and alumni and with a half century's age to materially strengthen the institution preparations are under way for an even more remarkable influx of students than has come to Washington during the last three years.

Plans for an artistic renovation of the naturally beautiful 355 acre campus and the construction of a new Administration building, at a complete cost of \$1,000,000, were recently finished by the Olmstead Brothers, architects, of New York City.

Registration at the University has exceeded all expectations during the past year, with 2,227 students regularly enrolled in the several colleges and 2,632 attendants in all when the short-course miners and foresters and summer school students are added.

#### ATHLETICS

During the past year the University of Washington representatives won championships in football, baseball, debate and crew and lost the honors in track, oratory, tennis and basketball. The wrestling belt was shared by Oregon Agricultural college and Washington.

Four Phis played on the football team which won the blue ribbon of the Pacific Northwest conference for the fourth consecutive time under the phenomenal tutelage of Coach Gilmore H. Dobie. The following scores show the indisputable leadership of the Washington eleven: Washington 30, W. S. C., 6; Washington 29, Oregon, 3; Washington 34, O. A. C., 0; Washington 17, Idaho, 0.

Brothers Mucklestone, Coyle, Patten and W. Wand, with T. Wand, substitute quarterback, played on the Varsity contingent, while Brother Eakins was assistant coach and Brother Sieler acted as assistant manager. Eleven Phis were members of the squad.

In track Washington lost badly to Oregon and the California institutions while the Washington eight won the coast crew championship from the University of California oarsmen in a regatta on Lake Washington, Seattle.

Brother Febiger, captain of the defeated tennis players, did not remain in college for this year's matches when the old scores were to be wiped off the tablets.

Brother T. Wand was a member of the Varsity basketball team.

which lost the conference honors to O. A. C., by dropping the last four games to Oregon and Corvallis on the last trip of the season after maintaining a perfect record until the southern excursion.

Although the baseball nine last spring won the conference bunting, the University of California players took the series from the Seattle collegians for the coast honors. Brothers Hickingbottom, Coyle and Mucklestone played on the diamond aggregation. Hick is captain of the local balltossers this spring.

During the last college year eleven college letters were won by the Phis of Washington Alpha and although this year's record will not equal the former one a wealth of athletic rewards will be gleaned.

### FRATERNITIES

Five of the Greek-letter societies at Washington moved into new lodges during the past year, including Sigma Chi, Sigma Alpha Epsilon, Delta Tau Delta, Delta Upsilon, and Kappa Alpha Theta sorority.

A list of fraternities and sororities in order of their establishment together with their numerical strength at Washington follows:

### THE CHAPTER

Alumni and active members of Washington Alpha, united in an organization known as the Washington Phikeia Association, recently purchased a lot 100x100 ft. facing on a new boulevard which overlooks Lake Washington. At the time of the writing of this letter negotiations are on foot for the construction of the new lodge. For the past two years the Phis have resided in a rented home and in turn rented the chapter house built by the charter members of Washington Alpha. The spirit to build a permanent new home has pervaded the alumni and active men so that by next fall the plan should culminate.

### Honors

Brother "Wee" Coyle was captain of the Varsity football team, piloting for the fourth year as quarterback the Washington eleven to the Pacific Northwest conference championship. Brothers John Patten, Walter Wand, and Melville Mucklestone also were regulars on the championship team and Brother T. Wand only missed his college emblem by five minutes play. Brother T. Wand was awarded the Flaherty medal by the squad, which voted him the most inspiring player of their number. Coyle and Mucklestone were chosen for All Northwest team positions.

Brother Maxwell Eakins acted as assistant Varsity coach.

Brothers Nelson Hartson and Mel Mucklestone are members of Phi Delta Phi, national honorary legal fraternity.

Brother Herbert Sieler served as assistant manager of the Associated Student during 1911. He is also prominent in dramatic productions as are Brothers Robert Denny and Mark Hayfield.

Brother Fred Hickingbottom is captain of the Varsity baseball team, with Patten playing right field and Huntley and Hayfield substitutes. Brothers Coyle and Mucklestone made their letters in baseball along with Hickingbottom last spring at which time Coyle acted as baseball manager.

Brother James Sipprell is president of the campus Young Men's Christian Association, besides being assistant physical director of the

University, a member of the wrestling squad and a member of Tyes Tyon, sophomore honor society. Brothers Fenimore, Owen and Patten were also elected to Tyes Tyon during the past year.

Brother George Febiger, captain of the tennis team, left college to join the United States army in the Philippines. The chapter lost in his withdrawal one of its strongest members.

Brother Wand rowed in seat number two of the Washington shell which won the coast championship from the University of California crew last spring. He also was elected first president of the Varsity "W" club of major sport athletes and served as one of the head committee members of the annual Varsity ball.

Brothers Ira Courtney, Jack Patten and Max Eakins represented their Alma Mater on the cinder path last spring. Courtney will undoubtedly enter in the Berkeley coast meet this spring as well as participating in the coast tryouts for the Olympic game aspirants. Brother Ed. Abbott is also a member of the track squad.

Brother Tom Wand played guard on the basketball quintet within one half's time of fulfilling the college requirement for a letter in the gymnasium sport.

Brother A. Major is a member of the editorial board of the *U. of W. Daily* and in charge of the sporting department of the annual, *The Tyee*. Together with Nels Hartson he is a member of Sigma Delta Chi, national journalistic honor fraternity.

Brothers Hartson and Coyle are members of the Oval club, Junior-Senior honor society, while Hartson and Mucklestone are affiliated with the Fir Tree club, senior honor organization.

#### **THE UNIVERSITY**

The enrollment in the University this year fell below the mark set last year by 10 per cent, the present total being 4,500. This decrease may be accounted for in part by the advance in tuition charges made by the regents. Although the total enrollment is less, a gain was made in the Colleges of Letters and Science, and Agriculture.

Extensive improvements are under way on the buildings and campus. Lower campus has been leveled off and will be in better shape for baseball than before. A \$17,000 Annex to the gymnasium has been completed, the five-story Biology building is almost ready for its equipment; and further work on the laboratory addition to the Chemistry building, and the new wing for the Historical library will be pushed as soon as the weather moderates. Ground has already been broken and work started on the new Home Economics building. Plans have been accepted by the regents for an Agricultural Chemistry building and a \$90,000 addition to the Main Agricultural hall. The regents also plan to remodel some recent purchases of private property so as to provide infirmaries and dispensaries. They have also planned to set aside one hundred acres of land to the west of the University, as an addition to the present athletic field. This tract is part of a recent purchase by the regents which will provide for the University grounds an unbroken stretch of property of over two miles along the lake front.

An industrial fellowship for the study of pea diseases has been established, and arrangements have been made for the co-operation

of the regents with the Banker's Association for the organization of Banker's pure seed circuits in Wisconsin.

Commencement week this year will start June 17, and plans for the reunions are not yet complete but will be more than usually extensive.

The number of students enrolled in the different university departments this year is as follows:

College of Letters and Science .....	2,335
College of Engineering .....	700
College of Agriculture .....	705
School of Music .....	63
Medical School .....	57

The Sophomores won the annual bag rush from the Freshmen by a score of 9 to 7, and again refrained from any infraction of the hazing rules.

A big All-University Exposition is to be held in May, which will include exhibits from every department of the University. It will be an enormous affair; and, being an entirely new venture, is attracting attention all over the country.

### ATHLETICS

Wisconsin has been a sincere leader in the "Purity in Athletics" movement, which has caused so much agitation in the conference this year. Whether or not our stand will be accepted by the other members of the conference remains to be determined.

Our athletic teams have been unusually successful this year. Coach Richards built up an exceptional football team last fall that tied the weighty Minnesota team, but were unexpectedly defeated by Chicago, and thus put out of a tie for first place in the Conference.

The swimming team is dual champion, and is training hard for the Conference meet which is to be held soon at Northwestern. The water polo team has one defeat and three victories to its credit.

The crew prospects are excellent if the men can get out on the water a reasonable time before they go east. A late spring has kept them on the machines too long, and Coach Vail's efforts are being hampered. Three men of last year's Varsity are in the boat, and the remainder of the men are "finds" or the pick of last year's strong Freshman crew. This year's Freshmen cannot be very well judged, but look good at work on the machines.

## WISCONSIN ALPHA

n is busy getting his men ready for the indoor track excellent material to work with. With an unusual in the field, we should show up strong later in the Wilson developed a cross-country team last fall that defeated all the Conference teams, but ran second to Ames, the winners of first place.

With a professional coach for the first time in history, and an adequate cage, the baseball team is rapidly developing. "Slim" Lewis, Wisconsin, '01, is making good as their coach. The material is good, and the southern trip at Easter, which will go as far south as Arkansas, should show it up as a strong aggregation.

By virtue of having played more Conference games, Wisconsin claims the basketball championship over Purdue, who was also undefeated during the season. Coach Meanwell was new at Wisconsin but he developed a team that broke all Conference records for team and individual scoring. Basketball tournaments have been conducted all winter among the classes and colleges, and have given a great many the opportunity to play the game.

## FRATERNITIES

Houses have been built during the year and are now being occupied by Delta Tau Delta, Chi Psi, and Chi Omega.

The fraternity situation for next year presents problems which the fraternities have never before had to meet. Beginning with next fall, recent legislation goes into effect that prevents the pledging of High school men, the initiation of Freshmen, and the lodging or boarding of Freshmen in the fraternity houses. It is evident that the results will be financially serious to those chapters maintaining large houses; and all such chapters have maintained a large chapter roll for the last two years in order to be prepared. Further than the legislation already in force, measures are being considered by the fraternities in conjunction with the faculty, whose main purpose will be restrictions against the rushing and pledging of Freshmen for at least one semester. The fraternities do not favor such laws, but feel that they must defend themselves and try for a compromise, rather than have to accept such radical action of the faculty and regents as seems imminent. The legislature is determined that Democracy must be the foundation of the University, and although investigating committees have reported to the contrary, it seems that they consider that fraternities are the most undemocratic element, and that they must therefore be regulated accordingly.
